  - Virtual Academies
  - Intervention Program - 644 students participating in intervention with 60% showing an increase on their Star 360 and 79% showed improvement outside of Star which includes work samples and work progress.
  - Compliance process - 171 have been on compliance process with 22 being administratively withdrawn due to not complying with school policies such as providing work samples. Teachers have felt very supported with students being supported and providing information to enroll at their district residence independent study, private school, and other charters with in-person instruction, and more.
    - Dr. Jarocki asked how many total withdrawals have happened this year. Stephanie Johnson said there have been 168 withdrawals since January 1st, 2022 and will get total numbers for the school year.

  - Maria Thoeni said there were unanticipated staffing changes mid-year but they

are taking measures to recruit and retain staff that are passionate about the program and want to be long-term. - Dr. Angela Tos if the plan will be directed to Foster & Homeless Youth and Denise shared the counseling team will focus on those three subgroups (Foster & Homeless Youth, EL, Low-Income)

Aa walk in the park

P. shot really mom made me to

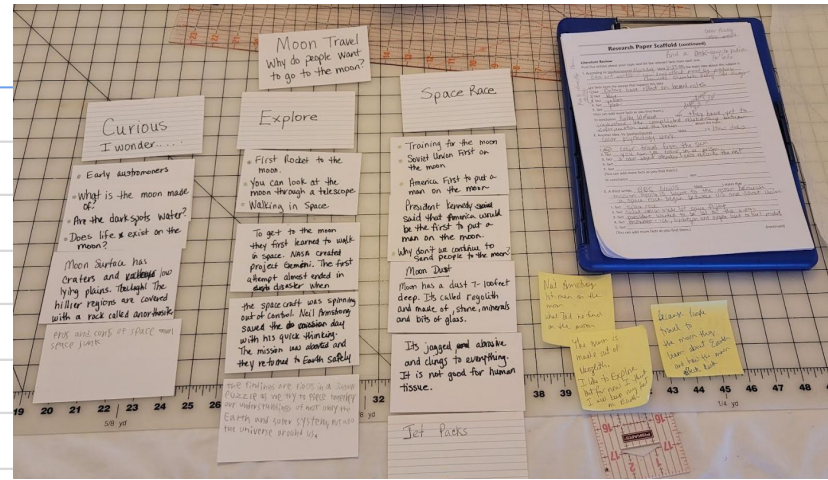

Today, I decided to go for a walk in the park. I drove with my mom to Lions Park in the city of madra.

We walked on a gravel path in the park. A dog growled at me because I said, HI DOGE.

I climbed up the jungle gym to slide down the fireman pole.

I got some exercise. It was a nice day for a walk in the park with a chance of barking dogs. I plan to walk the park once a week to get my body lean.

TOASTER man.

### Conclusion Paragraph from The Cay Theme Essay:

These two characters, Timothy and Phillip were put together by a tragic event when the boat they were on sank. Through their trials and hardships they built a friendship. Sometimes when life is hard, if you have someone who is going through the same thing, you can help each other and then it's not so hard. Like my writing class. When I see that the other kids are having a hard time coming up with ideas or sharing their ideas or writing their ideas down I don't feel so sad or frustrated not being able to write. When I share and I get encouragement I think, "I can do this", just like when Timothy encouraged Phillip.

# WHOA!

- 137 students participated ALL YEAR!
- Students thrived in the workshop setting
- Students gained more confidence in their writing and speaking skills
- Student achievement increased

# AWESOME WORDS

- 
- It's been a really wonderful opportunity to have essay writing broken down for him and to practice and learn amongst other kids
  - They learned that they can do it! Less overwhelming and so much better to be taught by someone who isn't their parent!
  - My child did not think they could write a 5 paragraph essay. Thank you Mrs. Pettit
  - My 7th grader especially enjoyed being challenged and stretched and the teaching was excellent!
  - My child is more confident in her writing skills and is definitely more passionate about expressing herself in writing. We are ecstatic with her new outlook on writing.
  - She has found a joy in writing that she didn't have before.
  - All my children are proud of the papers they produced and have more confidence in their writing. They loved being able to present their work. Some had jitters to work out, but it was neat to see them realize that things aren't usually as bad as you can work them up to be.
  - The kids were given opportunities to share ideas and the class showed how this process of sharing is a start to writing. This helped the kids feel like writing was a natural extension of learning and discussing ideas

## **Universal Prekindergarten in California**

Decades of research demonstrate that an early and strong foundation for learning matters. Children who have effective learning opportunities before kindergarten have an advantage in school and in life over children who do not, especially children with adverse childhood experiences. Children who attend quality preschool programs are more prepared for school in terms of their early literacy, language, and math skills, their executive function, and social emotional development. In some cases, preschool participants are less likely to be identified for special education services or to be held back in elementary school than children who do not attend developmentally-informed preschool programs that include strong educational components.

California is poised to realize universal prekindergarten (UPK) for all four-year-old children, and to expand services for three-year-old children through bold leadership and the unprecedented investments in the Budget Act of 2021, including universal transitional kindergarten (UTK) and expansion of the California State Preschool Program (CSPP).

The tumult of the COVID-19 pandemic accelerated a call to action to ensure a strong educational foundation for all children, emphasizing the critical role of our education system in supporting children and families' needs and how local flexibility fuels community capacity to meet their needs. California's leaders responded with historic investments in family support, child development and care, and education. Yet, as the Master Plan for Early Learning and Care highlights, realizing the promise of early childhood investments will require all partners—across early learning and care, early education, elementary education, and expanded learning and extended care communities—to work together to create a stronger system designed to meet the needs of the whole child.

### **The California Universal Prekindergarten Planning and Implementation Grant Program – Overview**

California seeks to set children on a trajectory of lifelong success by investing in early and equitable learning experiences, including infant and toddler supports, such as family leave and access to infant and toddler care, universal preschool for all four-year-old children, and enhanced educational experiences across an aligned preschool to third grade system.

The 2021–22 State Budget package established the UPK Planning and Implementation Grant Program as a state early learning initiative with the goal of expanding access to prekindergarten programs at local educational agencies (LEAs). This grant program provides \$200 million for the California Department of Education (CDE) to allocate directly to LEAs based on a statutory formula to support planning and implementation costs associated with expanding prekindergarten options, such as universally-available transitional kindergarten (TK), CSPP, and Head Start for eligible students, and other local and community-based partnerships. It is important for LEAs to include partners such as CSPP, Head Start, and other early learning and care providers in the co-creation of the local plan. Engaging all partners in the community will enhance resources for families and children and fully utilize and coordinate available resources, including facilities, staff, and funding.

Under the provisions of California Education Code (EC) Section 8281.5, grant funds are allocated to school districts, charter schools, and county offices of education (COEs) with kindergarten enrollment in specific years, according to a specified formula. In addition, funds are allocated to COEs to support countywide planning and capacity building around UPK.

Grant funds may be used for costs associated with creating or expanding CSPP or TK programs, or to establish or strengthen partnerships with other providers of prekindergarten education within the LEA, including Head Start programs, to ensure that high-quality options for prekindergarten education are available for four-year-old children. Allowable costs include, but are not limited to: (1) planning costs, (2) hiring and recruitment costs, (3) staff training and professional development, (4) classroom materials, and (5) supplies.

As a condition of receiving grant funds, state law requires each LEA to create a plan articulating,

how all children in the attendance area of the LEA will have access to full-day learning programs the year before kindergarten that meet the needs of parents, including through partnerships with the LEA's expanded learning offerings, the After-School Education and Safety Program, the California state preschool program, Head Start programs, and other community-based early learning and care programs (EC Section 8281.5).

Under state law, the plan must be developed for consideration by the LEA's governing board or body at a public meeting on or before June 30, 2022, after which the LEA must provide data, as specified by the State Superintendent of Public Instruction, to the CDE. The CDE must encumber funds by June 30, 2024. LEAs will have until June 30, 2025, to use the funds.

In addition, the 2021–22 State Budget also established the Expanded Learning Opportunities Program (ELO-P). The intent of the program is that all LEAs offer all unduplicated students in classroom-based instructional programs access to comprehensive afterschool and intersessional expanded learning opportunities. The ELO-P requires LEAs to offer in-person before or after-school expanded learning opportunities that, when added to the core instructional day, are no fewer than nine hours of combined instructional time and expanded learning opportunities per instructional day (EC Section 46120).

In 2021–22, all LEAs must offer all TK through sixth grade (TK–6) classroom-based, unduplicated pupils an ELO-P and provide access to 50 percent of TK–6 enrolled, classroom-based, unduplicated pupils. Commencing in 2022–23, as a condition of apportionment, LEAs with an Unduplicated Pupil Percentage (UPP) at or above 80 percent must offer an ELO-P to all TK–6 classroom-based pupils and provide access to all TK–6 classroom-based pupils upon parent or guardian request. LEAs with an UPP below 80 percent must offer an expanded learning opportunity to all TK–6 classroom-based, unduplicated pupils and provide access to 50 percent of TK–6 enrolled classroom-based, unduplicated pupils. LEAs receiving ELO-P funding must meet all TK–6 requirements, which include, but are not limited to, offering a minimum of a nine-hour day for students TK–6 during the school year, providing pupil access, and offering 30 non-school days of programming, such as during summer and intersession periods.

Summer and intersession programming are also offered through many other early learning programs such as CSPP, Head Start, and early learning and care providers. Sharing costs, staff, and resources can support implementation of TK that provides for full-day supports while also meeting parental needs and supporting parental choice of program and setting type. LEAs should consider how these services will be offered as part of their UPK Plan. For key definitions related to UPK in California, see Appendix I.

### **Planning Template Purpose**

The UPK Planning Template has been created to: (1) offer planning questions for LEA consideration in developing comprehensive plans for UPK that meet community and family needs, and (2) outline the data that will be required for submission to the CDE to meet the requirements of EC Section 8281.5.

This template includes recommended and required planning questions. Collectively, the recommended and required questions form a set of core planning questions the CDE believes are critical to supporting the development of a comprehensive, responsive, and community-centered UPK Plan.

- Recommended Questions: LEAs are highly encouraged to incorporate answers to these questions in their UPK Plans. Responses to these questions are not required for submission to the CDE but do support more holistic planning that meets the intent of these funds.
- Required questions: LEAs will be required to answer the required data questions outlined in this template in a survey that will be issued by the CDE following the June 30, 2022, deadline for LEAs to present their plans to their governing boards.

The CDE will be collecting information on the answers to the required questions after July 30, 2022, in a survey. This will allow the CDE to learn about how LEAs are planning to implement UPK, and to identify what additional support may be needed to help LEAs as they move along the implementation process.

The questions required for submission to the CDE should be answered based on what the LEA plans to implement in the 2022–23 school year. However, the CDE encourages that LEAs, when developing their UPK Plan for consideration by their local governing board, look beyond the first year of implementation and lay the foundation for the full implementation period. The CDE also encourages LEAs to look to their Local Control and Accountability Plans (LCAPs) to identify where their LCAPs already include relevant opportunities for alignment, and to consider the results of the UPK planning and implementation efforts as it pertains to future updates to their LCAPs.

The UPK Planning Template is organized as follows:

1. Self-Certification
2. Projected Enrollment and Needs Assessment
3. Focus Area Planning
  - a. Vision and Coherence
  - b. Community Engagement and Partnerships
  - c. Workforce Recruitment and Professional Learning
  - d. Curriculum, Instruction, and Assessment
  - e. LEA Facilities, Services, and Operations
4. Technical Assistance Questions

The CDE encourages COEs to use this template as a guide for developing their own plans for how they will support the districts in their county to assess options, make decisions, and construct a plan that includes the required questions and considers the recommended questions found in this template.

### **Accompanying Guidance**

To help introduce LEA leaders to early education concepts, agencies, and structures, the CDE will release an accompanying Guidance Document in early 2022, that will include information on the following:

1. Local LEA indirect service agencies and partners (for example, child care local planning council [LPC], Resource and Referral program [R&R], Alternative Payment Program [APP]);
2. Allowable ways to layer funding sources and programs to achieve full-day programming for four-year-old children;
3. Requirements for TK and early education facilities;
4. UPK workforce requirements for CSPP and TK educators, including the Early Learning Career Lattice, Commission on Teacher Credentialing (CTC) Child Development Teacher Permit information, information on the Multiple Subject Teaching Credential requirements, and TK educator professional learning;
5. Other available resources for UPK Implementation:
  - a. Workforce development grants and funds that can be accessed to help candidates obtain early education and TK qualifications (for example, federal stimulus funds, Educator Effectiveness Block Grant, and others);
  - b. Funding sources that can be utilized for facilities;
  - c. Funding sources that can be utilized for extended learning and care;
6. Research on the importance of participating in quality early education and research demonstrating the long-term impact on attendance, behavior, graduation rates, and academic and career success; and
7. Other resources aligned with the questions presented in the UPK Planning Template.

Additionally, the CDE will work with partners to ensure the release of additional information and technical assistance in the form of guidance, resources, tools, and regularly-scheduled webinars. Topics will include workforce, support for multilingual learners, and inclusive early education practices, among others.

### **Directions, Timeline, and Suggested Planning Process**

LEAs are encouraged to use this template to fulfill the EC Section 8281.5 requirement to create a UPK Plan that articulates how the LEA will facilitate access to full-day learning for all children the year before kindergarten, including their partnerships with CSPP, Head Start, other preschool partners, and extended learning and care partners. The CDE will

disseminate a survey to collect responses to the required questions in this template following the June 30, 2022, deadline for presenting plans to the local governing board.

The CDE recommends the following process and timeline after the release of this UPK Planning Template in December 2021:

1. LEAs convene a planning team, including staff from the early learning department and Head Start (if these exist), curriculum and instruction, student programs, workforce and human resources (HR), business services, special education, multilingual education, expanded and after-school learning, and facilities.
2. The CDE, along with partners, will release guidance, resources, and additional information to support LEAs in the development of their UPK plan. LEAs should review this guidance as part of their planning process, and COEs should use the guidance to inform the support they offer to LEAs.
3. COEs develop plans for how they will support LEAs in their county to assess options, make decisions, and construct plans that address the required questions and consider the recommended questions found in this template. COEs should communicate with the LEAs in their county about the types of information, resources, and technical assistance the COE is able to offer to support the UPK planning process.
4. LEAs conduct outreach and engagement activities with local R&Rs, LPCs, and existing extended learning and care providers including early learning and child care providers operating within the LEA's enrollment attendance boundary.
5. LEAs convene a public engagement process to gather input and perspectives to inform the plan. This engagement process should include parents, early learning communities (including CSPP, Head Start, and the Head Start Policy Council), and expanded learning communities (including the After-School Education and Safety [ASES] Program). To ensure meaningful engagement, the CDE recommends LEAs complete this by March 1, 2022.
6. If the LEA wants technical assistance from their COE, the CDE recommends LEAs submit a draft of the UPK Plan to their COE for review by April 15, 2022.
7. Planning teams meet with the COE to discuss the LEA's draft, including local constituency input, by June 1, 2022.
8. Planning teams present a draft plan to the school board by June 30, 2022.
9. The plan shall demonstrate how families will have access to full-day learning programs the year before kindergarten that meet the needs of parents, including through partnerships with the LEA's expanded learning offerings, the ASES Program, CSPP, Head Start programs, and other community-based early learning and care programs.

Following the presentation of the plan to the LEA's school board, the LEA shall respond to the CDE's subsequent requests for information no later than July 31, 2022.

## Key Considerations

### Transitional Kindergarten Implementation Timeline

As a condition of receipt of apportionment, school districts and charter schools must implement universally available TK for all four-year-old children by 2025–26 (EC 48000[c][1]). LEAs are encouraged to consider how this implementation timeline will impact elements of their UPK Plan, including whether implementing UTK on a fast timeline will allow the LEA to reach economies of scale with regard to the number of classrooms and TK teachers needed. The table below illustrates the UTK implementation timeline, including eligibility and ratios.

**Table: TK Eligibility, Ratio, and Class Size Requirements by Fiscal Year**

Type of Requirement	2021–22	2022–23	2023–24	2024–25	2025–26

### Supporting a Preschool through Third Grade Continuum

The CDE recently launched a Preschool through Third Grade (P–3) Alignment Initiative rooted in research that suggests the gaps in children’s opportunities and learning outcomes demand system-level reform at the state, county, district, school, and community level. Through this work, the CDE hopes to disrupt inequities, address bias, and promote equitable opportunities for California’s early learners. UPK implementation presents a critical opportunity to strengthen P–3 alignment, as a means of sustaining and accelerating the improved child outcomes associated with high-quality, early learning experiences.

To ensure the LEA’s plan is aligned with the vision of a P–3 continuum, the development team for the LEA UPK Plan (for which this document is a template) should include staff from the early education department (if there is one), curriculum and instruction, student programs, workforce, HR, business services, special education, multilingual education, expanded learning and afterschool, and facilities. Furthermore, to create a strong UPK system that meets families’ needs, the voices and choices of parents should be centered. Furthermore, LEAs should conduct outreach to the early learning and care providers that operate within the zip codes that the LEA serves to include them in informing the development of the LEA’s UPK Plan.

As a best practice, the CDE recommends LEAs convene a public engagement process to gather input and perspectives to inform the plan by March 1, 2022. This engagement process should include parents, early education communities (including CSPP and Head Start), expanded learning communities (including the ASES Program), and early learning and care (including center- and home-based child care) in order to gather information from impacted communities to inform the development of this plan.

### Full-Day, Extended Learning and Care

State law does not require LEAs to operate a TK program that offers full-day early learning to all children the year before kindergarten; however LEAs must articulate how they plan to offer full-day, early learning programming to all students, and how they are partnering or plan to partner with other programs, such as those listed in the statute, to ensure that every child has access to extended learning and care that, combined, equates to a full-day of programming that meets the community’s needs.

Additionally, starting in the 2022–23 school year, LEAs receiving ELO-P funding must offer nine hours of combined instructional time and expanded learning opportunities per instructional day to all unduplicated children enrolled in TK and at least 30 intersession days; however, LEAs are not required to exclusively use ELO-P funding to meet the requirement. LEAs can instead partner with Head Start, CSPP, ASES, or other community-based child care programs to fund and provide the additional extended learning and care hours needed to reach nine hours. (EC Section 46120). This would allow the LEA to use ELO-P funds to provide additional service hours or services for additional children.

### **Creating Joint or Aligned Plans**

LEAs are permitted to partner in creating a joint UPK Plan and may submit the same plan for multiple LEAs. Small and rural LEAs serving similar communities, especially those with low TK or kindergarten average daily attendance (ADA), are strongly encouraged to consider creating a joint UPK Plan which includes non-district learning programs serving four-year-old children. LEAs are also encouraged to consider partnering with other nearby LEAs to submit a joint UPK Plan or with their COE to create a single, countywide plan. These joint plans should be developed in conjunction with CSPP, Head Start, other preschool programs, and early learning and care providers.

## UPK Planning Template Self-Certification

In the data collection survey submitted to the CDE, LEAs must self-certify they developed a plan that was presented for consideration by the governing board or body at a public meeting on or before June 30, 2022, for how all children in the attendance area of the LEA will have access to full-day learning programs the year before kindergarten that meet the needs of parents, including through partnerships with the LEA's expanding learning offerings, ASES, CSPP, Head Start programs, and other community-based early learning and care programs.

1. Please complete the following table:

LEA Name	Contact Name and Title of the Individual Self-Certifying the Statement Above	Email	Phone
Yosemite Valley Charter School	Jenny Plumb	Jenny.plumb@monarchriveracademy.org	831-578-7659

2. Did the LEA develop a joint plan with multiple LEAs (for example, multiple small and rural LEAs serving similar communities or countywide plans developed with support of the COE for all LEAs in the county)? [select one]

Yes

3. If the LEA answered Yes to Question 2, what other LEAs are part of this joint plan?

Monarch River Academy

## Projected Enrollment and Needs Assessment Recommended Planning Questions

The CDE recommends LEAs prioritize these questions as part of their UPK Plan in addition to required questions.

1. What do existing data sources indicate about parental needs and preferences related to early learning and care programs for three- and four-year-old children in the LEAs attendance area? (LEAs are encouraged to work with local early learning and care partners such as CSPP, Head Start programs, LPCs, R&Rs, and APPs, and utilize data sources such as LPC Needs Assessment data, Head Start Needs Assessments, and so on)
2. Using the projected TK enrollment for the LEA provided by the CDE, make modifications to the LEA's TK student estimates and make cumulative facilities and staffing estimates needed each year from school year 2022–23 to 2025–26. Complete the following tables.

**Table: Projected Student Enrollment**

Type of Student	2019–20	Current (TK-eligible children turn five between September 2 and December 2, inclusive)	2022–23 (TK-eligible children turn five between September 2 and February 2, inclusive)	2023–24 (TK-eligible children turn five between September 2 and April 2, inclusive) <sup>4</sup>	2024–25 (TK-eligible children turn five between September 2 and June 2, inclusive)	2025–26 (TK-eligible children turn four by September 1)

3. As part of the ELO-P requirements, EC Section 8281.5 requires LEAs to offer or partner in offering in-person before school or after-school expanded learning opportunities that, when added to daily instructional minutes, are no fewer than nine hours of combined instructional time and expanded learning opportunities per instructional day, including through partnerships with the LEA’s expanding learning offerings, ASES, CSPP, Head Start programs, and other community-based early learning and care programs.

Consider your estimated number of TK students. Estimate the number of TK students that will utilize extended learning and care services in addition to the TK instructional minutes. Then, working with local early learning and care and expanded learning partners, estimate the number of slots available for TK students in the following programs:

### Required Questions

**CDE will be requiring this information be completed after the plan is presented to the governing board.**

There are no required questions in this section.

## Focus Area A: Vision and Coherence

In order to provide equity of access for all students and their families, it is vital for the LEA, in partnership with early learning and care programs, to develop a coherent educational system that begins with UPK, includes access to TK and other options for all four-year-old children, and provides nine hours of programming per day through a combination of instructional time and extended learning and care opportunities for those families who choose this option.

In planning for UPK, consider how the LEA's administrative structure will support school leadership in building connections between them and expanded learning programs as well as early learning and care programs (CSPP, Head Start, other subsidized or privately administered preschool and child care programs) to provide UPK programming and before school and after-school, intersession, and summer learning and care.

### Recommended Planning Questions

The CDE recommends LEAs prioritize these questions as part of their UPK Plan in addition to required questions.

1. What is the LEA's vision for UPK?

Our vision is to offer full independent study to Transitional Kindergarten students meeting the unique educational, developmentally age-appropriate and social-emotional learning needs of TK students across the continuum of development which will prepare them to become proficient in Common Core State Standards when reaching Kindergarten through 3rd grade. We will prepare TK students to become critical thinkers, responsible citizens and innovative leaders prepared for academic and real-life achievement in the 21st Century. The vision will be accomplished in a personalized environment that fosters successful achievement through quality, personalized, standards-based education, which could include online coursework and classes, offline textbook work, and unique hands-on and experiential learning experiences facilitated in partnership with students, parents, staff, and community.

2. In addition to TK, what service delivery models will be integrated to offer UPK programming, including the nine hours of total extended learning and care programming around the TK instructional time for families that opt in? In developing this component of the plan, LEAs should include partners such as CSPP, Head Start, and other early learning and care providers to ensure local services and funding are maximized and coordinated in response to parental needs and choice.

Yosemite Valley is a non-classroom based charter. As such, Yosemite Valley is offering a pilot hybrid independent study/online class TK program in Spring 2022 in order to launch full TK classes to all our eligible students in fall 2022. This will be a full learning day which includes full coursework and curriculum, online class opportunities, plus enrichment opportunities through our community vendor partnerships. To ensure each student is engaged in appropriate educational activities on instructional days, we assess the time value of independent work and the quality of contemporaneous work samples.

3. Describe the planned administrative structure that will support and monitor the UPK program and facilitate connections with the ELO-P as well as non-LEA-administered early learning and care programs that will support the extended learning components of UPK.

Students who are in the hybrid model of TK will be monitored and supported by the Virtual Academy administrator and support coordinator. In addition, all students (regardless of the model they choose) will have a teacher that is overseeing their engagement through regular meetings with families and students (minimum of every 20 days), weekly 10-15 minute check-in meetings, office hours via telephone or internet, participation in scheduled live synchronous sessions, participation in diagnostic assessments, interim assessments, formative assessments, and the completion of assignments. We use our student information system (Pathways) to track progress, including daily engagement records. These teachers are overseen by a regional coordinator.

4. Identify and assign each individual that will be responsible for key functions pertaining to implementing UPK (for example, academic or educational services, early childhood, facilities, human resources and labor, special education, English learner or multilingual programs, partnerships, including early learning and care and ELO-P, assessment and data collection, professional learning, workforce recruitment and preparation support, or others).

English Learner Coordinator - provide high quality EL instruction, give the ELPAC assessment, work with independent study teachers to provide academic support based on proficiency level and student needs. Provide weekly outstanding direct instruction-dedicated or integrated to EL students in a virtual format as well as in-person language assessments.

504 Coordinator - Assess needs of 504 students, schedule and conduct 504 meetings for UPK students as determined by the student study team.

SPED psychologists and teacher(s) - Assessment, Specialized Academic Instruction, and support will be given to students in UPK with an IEP in the least restrictive learning environment.

Virtual Academy UPK teacher - teacher who teaches our UPK hybrid online model, assesses and support data collection and professional learning.

UPK development team - develops curriculum, assessments, and learning objectives/outcomes. Consists of TK pilot program teacher, school administrator, and other teachers in the school with TK knowledge and background as well as HR to recruit and retain qualified teachers.

5. Identify how UPK leadership will be integrated in the decision-making process at the executive or cabinet level.

UPK leadership will be integrated into the decision-making process at the executive level by having the program overseen by a virtual academy coordinator and regional coordinators. The coordinators directly report to a designated administrator who is part of the decision-making process at the executive level for their programs.

6. Describe how the LEA's proposed UPK model will be integrated with the district's LCAP.

Yosemite Valley Charter is highly committed to making sure that all students make academic progress and are college and career ready. We are a non-classroom-based independent study work charter school. While the in-person aspect of our curriculum is directly affected by the school closure mandate, our default curriculum delivery platform is a distance-learning format. However, we also emphasize personalized individualized learning plans which are effective by closures of local resources. Learning plans allow students to learn through local cultures, landscapes, and resources to contextualize our curriculum and match their interests. Our model of distance learning includes educational funds which are aligned with an individual learning plan, curriculum choices that are rigorous and aligned with the school mission and learning outcome goals. The charter has a MTSS intervention system to support any gaps in skills, strategies, and knowledge as well as addressing social emotional learning. This personalized learning plan is supported by a dedicated teacher(s) who work closely with the family and to ensure student success. Yosemite Valley Charter has increased the rigor, frequency, and validity of the local benchmark assessments to ensure that learning loss does not occur. A data driven, student centered program will inform instructional practice while providing more support and resources for intervention if needed. Evidence of student learning and success will be documented with the student information system to California Department of Education, July 2020 Page 2 include a portfolio of student work that demonstrates mastery. Additionally, the results of our surveys make clear that the COVID-19 pandemic and societal unrest has directly affected our students and families. To mitigate the negative impact of COVID-19 and societal unrest on the education of our students, we have increased and refined various services and approaches, including social-emotional support. We provide homeschooling families with a variety of curriculum delivery options, including online instruction courses led by credentialed teachers, offline courses, and virtual courses that employ built-in accommodations, teacher support, performance tasks, and progress monitoring. Families select the combination of systems that best suit student learning needs and interests

Our TK program will fit into this model by offering personalized learning plans developed for TK, dedicated teachers who work closely with the family, benchmark assessments designed for TK, curriculum choices designed for a rigorous TK program, and opportunities for online learning with a class of peers. Our social-emotional support will extend to our UPK students. We will provide a variety of TK curriculum delivery options which employ accommodations, teacher support, performance tasks, and progress monitoring.

7. Describe how the LEA plans to ensure the inclusion of students with disabilities in UPK classrooms and who will be involved in the process.

.We will provide a variety of TK curriculum delivery options which employ built in accommodations for students with disabilities. Both our teacher-led instructional model and hybrid model are open to all students with California's multi-tiered system of support framework (MTSS) supports for all built in. Our core program implements MTSS, an inclusive model for meeting the needs of all students, including those with exceptional needs. Essentially, MTSS is a whole-school, data-driven, prevention-based framework through which we provide a continuum of supports to address varying student needs. We combine our MTSS approach with an inclusive core instructional program based on the principles of UDL, regular monitoring of academic and behavioral indicators, and tailored differentiated support for all students. In this model, Tier 1 supports are universal and available to all and is intended to meet the needs of approximately 80 to 90% of students. Our tier 1 supports include trauma-informed practices. When our universal supports are insufficient to address individual academic or behavioral needs, we administer tier 2 or additional supports individually and in small groups. These supports are short term and deployed rapidly to address issues as they arise. However, there is a small percentage who will likely require additional focused tier 3 supports. These supports are intensive and often are longer-term. We have an extensive system of support which includes; an original offer of a Free Appropriate Public Education (FAPE) to our families as their students will receive their services virtually as they enter Yosemite Valley Charter School. If a student needs in-person services, which is based on data or if the student has a debilitating disability where a virtual platform is not appropriate, we use outside Non-Public Agencies (NPA) to perform these services. The exception for in-person services is Specialized Academic Instruction (SAI), which must be administered by a credentialed special education teacher. Some of our NPA's have credentialed special education teachers on staff and we can use them, or we ask our own special education teachers to administer SAI. With the exception of SAI most of our services are provided by NPA's. All services and instruction is delivered in the least restrictive learning environment.

8. Describe how the LEA plans to support sites in building connections between them and ELO-P, as well as early learning and care partners.

As a nonclassroom based charter, we do not have on campus preschool or after school programs. We are open to building these connections with early learning/care community vendors that we partner with for offering enrichment opportunities.

### Required Questions

**CDE will be requiring this information be completed after the plan is presented to the governing board.**

1. Which of the following model(s) of service delivery does the LEA plan to implement for UPK for all four-year-old children, including classes fully inclusive of children with disabilities, to provide access to the least restrictive environment for learning? [select all that apply]

Yes

- b. 2023–24 (Birthdays April 3 or after) [select one]

Yes

- c. 2024–25 (Birthdays June 3 or after) [select one]

## Focus Area B: Community Engagement and Partnerships

To successfully implement UPK and create a P–3 continuum, LEAs will need to cultivate relationships and collaborate with both internal and external partners.

### Recommended Planning Questions

The CDE recommends LEAs prioritize these questions as part of their UPK Plan in addition to required questions.

1. How does the LEA's UPK Plan prioritize parental needs and choices?

Our families had multiple opportunities to give their feedback on the school, educational process, support services, and enrichment activities. Of the parents who provided feedback: 98.1% of those surveyed noted that they access daily instructional curriculum and learning resources either through online, textbook or a blended model and enjoy the choice to choose between these selections. They also enjoy a great variety of enrichment activities through community vendor partnerships. We will offer these options to our UPK students as well. This spring we are piloting a hybrid virtual academy program for TK students. Feedback from parents in this pilot hybrid program will guide our full UPK launch and adjustments for the fall 2022 UPK hybrid classes. In addition, we know from parent feedback and surveys that many parents also prefer choice in selecting curriculum for their students and we vet and provide academically rigorous and diverse curriculum selections consisting of multiple modalities and learning styles for families to choose from. At the same time, we keep students on track by making individualized educational plans in which students must follow and make progress, regardless of the curriculum choices, learning model, and platform they choose. This individualized educational plan is what makes our school most attractive to our parents.

2. How does the LEA plan to meaningfully engage extended learning and care partners in the development of the LEA's UPK Plan?

We partner with hundreds of community vendors for enrichment opportunities. These vendors offer art, dance, STEM, physical education, tutoring, and more. Our students actively participate in a huge variety of extending learning opportunities through these partnerships.

4. How does the LEA plan to create or grow partnerships with early learning and care providers serving children with disabilities (including how the LEA plans to collaborate with their SELPA to enroll more children with disabilities in inclusive UPK opportunities)?

Yosemite Valley Charter will continue to work with the county office of education (Tulare) and our SELPA (El Dorado Office of ED) to collaborate to provide an inclusive UPK opportunity.

### Required Questions

**CDE will be requiring this information be completed and submitted to the CDE after the plan is presented to the governing board.**

1. Identify which of the following opportunities the LEA implemented to obtain public input on the UPK Plan. [Select all that apply]

Family or parent surveys

English Learner Advisory Committee (ELAC)

School Site Council

Other [describe, open response]

LCAP educational partners input sessions

Special Education Local Plan Area (SELPA)

Parent Advisory Committee

2. Select which programs the LEA plans to combine with the TK instructional day to offer a minimum of nine hours per day of programming (instructional day plus programming) for children whose families opt in for extended learning and care. [select all that apply]

Other [describe, open response]

As a nonclassroom based charter, we do not have onsite programming. However, we do partner with community vendors for enrichment for both in person and online classes, and offer a full day of learning engagement through our curriculum and optional online classes.

## Focus Area C: Workforce Recruitment and Professional Learning

Based on the projected enrollment and needs described in Focus Area A, LEAs should create a plan to recruit, train, and support the new TK, preschool, early learning and care, and expanded learning staff needed to support full-day early education options for all children the year before kindergarten.

(Note: All LEAs will need to plan for workforce development considerations as part of this planning work. There is a separate \$100 million allocation for the Prekindergarten Planning and Implementation Grant – Competitive, also known as the Early Education Teacher Development Grant, that will be competitively awarded and is not part of this planning template.)

EC Section 48000(g)(4) specifies that credentialed teachers who are first assigned to a TK classroom after July 1, 2015, have, by August 1, 2023, one of the following:

- a. At least 24 units in early childhood education, or childhood development, or both.
- b. As determined by the LEA employing the teacher, professional experience in a classroom setting with preschool age children that is comparable to the 24 units of education described in subparagraph (a).
- c. A Child Development Teacher Permit issued by the CTC.

EC Section 8295 specifies that teachers in CSPP shall either possess a permit issued by the CTC authorizing service in the care, development, and instruction of children in a child care and development program; or meet the following criteria:

- a. Possess a current credential issued by the CTC authorizing teaching service in elementary school or a single subject credential in home economics; and
- b. Possess twelve units in early childhood education or child development, or both, or two years' experience in early childhood education or a child care and development program.

### Recommended Planning Questions

The CDE recommends LEAs prioritize these questions as part of their UPK Plan in addition to required questions.

1. How does the LEA plan to recruit the educators needed to implement its UPK Plan (including CSPP teachers, assistant teachers, TK teachers, and TK teachers' instructional aides and assistants)?

Yosemite Valley Charter will work with local IHE as well as local community colleges to recruit certified teachers and assistant teachers who have been training in research based practices to ensure a quality program. Ed join and other recruitment platforms will be used to offer a competitive salary for qualified professionals.

2. How does the LEA plan to partner with CSPP, Head Start, and other early learning and care providers to offer joint professional learning opportunities?

Yosemite Valley Charter has professionals who are members of regional and county agencies who meet on a regular basis to plan, discuss and implement professional learning opportunities.

3. What is the LEA's planned strategy for providing professional learning for educators across the LEA's P–3 continuum? Plans might include the following:
  - a. Who will receive this professional learning?
    - i. By role (lead teachers, assistant teachers, administrators, coaches, and so forth)
    - ii. By grade (TK staff, kindergarten through third grade staff, on-site preschool staff, off-site preschool staff, and so forth)

- b. What content will professional learning opportunities cover?
  - i. Effective adult-child interactions
  - ii. Children's literacy and language development (aligned with the California Preschool Learning Foundations and the California Preschool Curriculum Frameworks)

- c. How will professional learning be delivered?
  - i. Coaching and mentoring
  - ii. Classroom observations and demonstration lessons with colleagues
  - iii. Workshops with external professional development providers
  - iv. Internally-delivered professional learning workshops and trainings
  - v. Operating an induction program
  - vi. Partnerships with local QCC professional learning in CSPP settings
  - vii. In mixed groupings (for example, TK and CSPP teachers)

Who will receive the professional learning?

By role:

lead teachers in helping families select and monitor learning in the curriculum, and in following developmentally appropriate educational plans and lesson

Regional Coordinators who supervise/coach lead teachers

Assistant teachers and push-in SPED teachers

Administrators and teachers of the TK hybrid virtual learning classes

By grade:

TK staff,

kindergarten through third grade staff,

What content will professional learning opportunities cover?

Children's literacy and language development (aligned with the California Preschool Learning Foundations and the California Preschool Curriculum Frameworks)

Children's developing math and science (aligned with the California Preschool Learning Foundations and the California Preschool Curriculum Frameworks)

Children's social-emotional development (aligned with the California Preschool Learning Foundations and the California Preschool Curriculum Frameworks)

Adverse Childhood Experiences (ACEs) and trauma- and healing-informed practice (all staff training)

Curriculum selection and implementation

Creating developmentally-informed environments

How will professional learning be delivered?

Coaching and mentoring

Classroom observations and demonstration lessons with colleagues

Workshops with external professional development providers

Internally-delivered professional learning workshops and trainings

In mixed groupings (for example, TK only, TK-3 teachers, whole staff trainings)

4. How does the LEA plan to facilitate the development of a district early education leadership team (across grade levels and departments) and promote site-based horizontal and vertical articulation (P–3) teams to support student transitions, share strategies, and collaboratively monitor student progress?

A task force team will be formed in the spring of 2022 for planning for fall. This will consist of an administrator, a spring TK pilot teacher, internal teachers/classified staff with experience in early childhood development and TK, an assistant SPED director who also oversees students in crisis/SEL, and a student support coordinator. This team will develop curriculum, the instructional models of delivery, and learning plans which are our curriculum maps. These learning plans will vertically align to K-3 learning plans which are already in place for each grade. In addition, teachers at our school serve students of different grade levels and work with family units rather than grade-level specific classes. Teachers work together collaboratively within multiple grade levels in our school already. Therefore, an addition of UTK will easily be supported by all teachers in collaboration and planning.

## Focus Area D: Curriculum, Instruction, and Assessment

It is critical for each LEA and preschool program partner to plan for how they will develop or select curriculum or curricula that are developmentally-informed and aligned with the strengths of all students, including multilingual students and students with disabilities, as well as how they will ensure curricula are implemented with fidelity to support intentional, quality instruction for all students. LEAs and preschool program partners should consider how they will provide coherent, culturally- and linguistically-responsive UPK curriculum or curricula anchored in the California Preschool Learning Foundations (<https://www.cde.ca.gov/sp/cd/re/psfoundations.asp>) and the California Preschool Curriculum Frameworks (<https://www.cde.ca.gov/sp/cd/re/psframework.asp>) to support the development of skills across the domains outlined in those documents.

### Recommended Planning Questions

The CDE recommends LEAs prioritize these questions as part of their UPK Plan in addition to required questions.

1. Describe how the LEA will develop or select a curriculum for UPK classrooms that aligns with the California Preschool Learning Foundations and California Preschool Curriculum Frameworks.

A Curriculum will be developed/selected based on individualized and differentiated instruction to meet the unique educational, developmentally age-appropriate and social-emotional learning needs of students across the continuum of development; aligning the California Learning Foundations and California Learning Frameworks Volumes 1,2, & 3, targeting all 7 Domains. Locally developed or commercially published curricula will be utilized as a blueprint in collaboration with teacher observations reflecting students current developmental levels, assessed needs, and a series of questions seeking to meet the needs of individuals or groups the teacher can decide what to teach, what modifications, adjustments, and or adaptations need to be made to provide a purposeful, intentional, and meaningful learning instruction, identifying, addressing, and including the specific required standards on the lessons, meeting the needs of each student and assessing progress, reflecting students interests, backgrounds, and current areas of inquiry.

2. Describe the intended timeline for curriculum implementation, including steps for piloting and gathering input from UPK teachers, and a process for ensuring curriculum fidelity.

Consideration for the intended timeline for curriculum implementation will recognize the value of incorporating a variety of instructional practices(e.g., single-concept,single skill approach, unit theme approach, & project-based approach) the best fit conceptual development and stages of acquisitions. The start of the school year/curriculum implementation the teachers will seek to identify and document students' knowledge and abilities, the California Learning Foundations & Frameworks, and the CDE Alignment Document will be utilized as a resource to carefully observe the students for evidence of their current skills and conceptual understanding. After ongoing observation and a clear picture of individual and group development has been established in collaboration UPK/TK teachers can use the alignment document to plan and design sequenced curriculum to meet the current needs and anticipated plans for anticipated growth and learning from the beginning, middle, and end of school year ensuring curriculum fidelity.

3. What actions does the LEA plan to take to support effective classroom organization practices and behavior management strategies to ensure a positive learning environment for a diverse population of UPK students?

In support of effective classroom organization practices and behavior management strategies to ensure a positive learning environment for a diverse population of UPK students An action plan with teacher participation, and teacher accountability will take place in person and or online through a number of options of resources available, utilization of California Early Care and Education Workforce Registry that offers daily trainings year-round on a vast array of early childhood educational topics; Partnership with local community agencies and participation in community college courses, LEA service agencies,county, Resource & Referral, California Preschool Instructional

Network (CPIN); along with other numerous resource options that offer in-person hands on training, professional growth and professional development providers, health & human services providing educational and diverse materials, on-line trainings, conferences, mentoring, and coaching will all be resource options utilized to ensure a positive learning environment for a diverse population of UPK students.

4. Describe how classroom practices for UPK (TK and other preschool programs the LEA operates or has on site) will be integrated and aligned.

NA, nonclassroom based charter

5. What instructional practices does the LEA plan to implement to support children with disabilities in UPK (for example, implementing Universal Design for Learning, providing specialized services in the classroom with peer models, implementing social-emotional strategies such as the Pyramid Model)?

A plan to implement support for children with disabilities in UPK would entail options for reinforcement of initial lessons, a variety of seat work, direct and indirect instruction creating universally designed settings in which all children and their families can participate and learn, strategies that promote learning through multiple lenses. In event UDL principles are needed they will be applied with more specific adaptations on an individual basis. Instruction would involve specifying clear expectations and providing positive reinforcement for appropriate behavior, which are known as evidence-based strategies for increasing desired behaviors principles used in the Pyramid Model. Implementation of promotion practices: holistic, nurturing, consistency, hands-on, stimulating, exploratory, and interactive learning across the curriculum will help to promote appropriate behavior through the explicit teaching of rules and expectations and provide a predictable and supportive environment as well as, support the growth of young children's social-emotional development. Good practices of praise for children's positive behavior, providing specific feedback on children's behavior, explicit instruction for social emotional skills that help them identify their emotions, express their emotions appropriately, initiate and maintain relationships, and use appropriate social problem-solving strategies, and supporting those children's emotional development as the consistency of practices can build TRUST in the environment and promote prosocial independence. Building close partnerships with families, seeking resources from specialists, and engaging in regular, reflective practice will build professional competencies in serving students with disabilities. Collaboration with special education and general education professionals and families review assessment information and develop goals to be addressed; addressing IEPs would include a team required to document how the child will access the core curriculum and what supports will be needed. The Center for the Social and Emotional Foundations for Early Learning (CSEFEL) and the Technical Assistance Center on Social and Emotional Intervention (TACSEI) and Special Education Local Plan Area (SELPA) are some additional resources!

6. What instructional practices does the LEA plan to implement to support the language and overall development of multilingual learners?

The instructional practices to be implemented to support the language and overall development of multilingual learners are intellectually rich, standard-based, culturally relevant, and developmentally age-appropriate curriculum and learning experiences that promote cognitive and linguistic growth. Consideration and respect for students' home languages, and the linguistic, cultural, community, and individual assets the students bring to the class, along with students language learning, identity affirmation, cultural assets and interests. Prioritizing instruction that emphasizes student empowerment, autonomy, content mastery through interactive activities, strategically design instructional scaffolding to increase access and full participation; cultivating student's curiosity, critical thinking skills, and ability to critique and value evidence, discover and express their own perspectives, and consider and appreciate multiple perspectives. Instructional practices that result in participation and engagement, as well as, students to feel safe, taking risks-including language risks.

7. How does the LEA plan to assess dual language learners (DLLs) in areas other than English language acquisition?

We have a very small population of DLL's (under 5). We will form a personalized educational plan for each of these students to best meet their needs.

## Focus Area E: LEA Facilities, Services, and Operations

It is critical to ensure that LEA facilities, services, and operations are thoughtfully aligned to support the implementation of UPK and movement towards a P–3 continuum. It is also critical for early education programs currently operating to continue to be a part of California’s mixed-delivery system by creating shared space, blending funding and coordinating service delivery.

### For Facilities:

For facilities planning, draw on the Projected Enrollment and Needs Assessment section of this document and the LEA’s Facilities Master Plan. The objectives of this section are to identify the availability of space for UPK, the adequacy of available space to meet the kindergarten facilities standards for meeting the needs of young children, and, if needed, to update the Facilities Master Plan to address any unmet need for developmentally-appropriate space.

## Appendix I - Definitions

The following definitions are critical for UPK planning efforts. Additional terms and definitions can be found in the Guidance Document:

- **Preschool through Third Grade (P–3):** P–3 is a continuum of learning from preschool through third grade that can be supported by intentional practices at the classroom, school, and leadership levels that align curricula, assessment, and professional learning opportunities to ensure instruction builds on the knowledge and skills that children acquire as they transition across grades and settings.
- **Universal prekindergarten (UPK):** UPK refers to universal TK as well as the expanded CSPP, Head Start, and early childhood special education services that families can choose from to create rich early learning opportunities for all three- and four-year-old children during the year or two years before kindergarten. In high-needs neighborhoods, the CDE strongly encourages LEAs to consider pairing TK programs with access to Head Start and CSPP for age- and income-eligible three- and four-year-old children to further bolster program quality, either through the LEA's own Head Start or CSPP program or via a contract partnership with a CBO that administers a Head Start or CSPP.
- **Transitional kindergarten (TK):** TK means the first year of a two-year kindergarten program, serving four-year-old children regardless of income that uses a modified kindergarten curriculum that is age- and developmentally-appropriate (EC Section 48000 [d]).
- **Universal transitional kindergarten (UTK):** UTK refers to the expansion of TK by 2025–26 to serve all four-year-old children by September 1 of each year, regardless of income, providing a year of rich learning opportunities the year before kindergarten that families can choose from as part of California's public education system.
- **California State Preschool Program (CSPP):** CSPP is the largest state-funded preschool program in the nation. CSPP includes both part-day and full-day services to eligible three- and four-year-old children. CSPP provides a core class curriculum that is developmentally, culturally, and linguistically appropriate for the children served. The program also provides meals and snacks to children, parent education, referrals to health and social services for families, and staff development opportunities to employees. The program is administered through LEAs, colleges, community-action agencies, local government entities, and private, nonprofit agencies.
- **Expanded learning:** This includes before school, after-school, summer, or intersession learning programs that focus on developing the academic, social, emotional, and physical needs and interests of pupils through hands-on, engaging learning experiences. It is the intent of the Legislature that expanded learning programs are pupil-centered, results-driven, include community partners, and complement, but do not replicate, learning activities in the regular school day and school year.
- **Expanded Learning Opportunities Program (ELO-P):** ELO-P provides funding for after-school and summer school enrichment programs for TK through sixth grade. The ELO-P is defined as services provided in addition to the normal school day and school year operations, to provide full-day and full-year expanded learning programs to meet the needs of working families whose children are enrolled in TK through sixth grade and also provide expanded learning enrichment programming for students. A full day is defined as in-person before school or after-school expanded learning opportunities that, when added to daily instructional minutes, are no fewer than nine hours of combined instructional time and expanded learning opportunities per instructional day. A full year includes a minimum of 30 days of programming in the summer and intersession for no fewer than nine hours of in-person expanded learning opportunities per day.
- **Early learning and care:** This refers to the continuum of programs serving children from birth to preschool or school entry, as well as extended care to support school-age children with before school and after-school care as well as vacation schedules. This includes general child care, Early Head Start and Head Start, community-based early learning and care programs, family child care providers, and family, friend, and neighbor care.
- **Extended learning and care:** This refers to the continuum of programs and services (early learning and care options and expanded learning options) available in addition to the normal school day and school year operations, to provide full-day and full-year care to meet the needs of working families whose children are enrolled in TK or kindergarten. A full day is defined as in-person before school or after-school programming or care that, when added to daily instructional minutes, provide no fewer than nine hours of combined instructional time and

expanded learning opportunities per instructional day. A full year includes a minimum of 30 days of programming in the summer and intersession for no fewer than nine hours of in-person expanded learning opportunities per day. Funding to support extended learning and care for children enrolled in TK includes the ELO-P and the CSPP, as specified in guidance provided by the CDE's Early Education Division. Additional subsidized care opportunities may be available to families who qualify, such as child care vouchers and the General Child Care School Age program.

## Appendix II - Additional Deeper Planning Questions

This section includes optional planning questions for LEAs that are ready to develop more advanced UPK and P–3 plans.

These additional questions are designed to support the LEA’s development of a more comprehensive local UPK Plan. LEAs can also use these questions as a tool for integrating UPK into existing LEA plans such as the LCAP. LEA’s should assess their readiness to include any of these deeper planning questions in their initial planning process and reassess their readiness throughout the implementation of their UPK Plan.

### Focus Area A: Vision and Coherence

1. If an LEA has a California State Preschool Plan (as part of the LEA’s application for its CSPP contract) what updates would the LEA like to make to the LEA’s program narrative to reflect implementation of TK?
2. Does the LEA plan to establish, maintain, and facilitate ongoing LEA leadership teams to focus on effective P–3 articulation and coordination throughout the LEA?
3. How will the LEA support sites in providing well-coordinated transitions for all P–3 students as they move through grade levels?
4. How does the LEA plan to communicate the importance of the P–3 continuum across a broad spectrum of audiences (including audiences internal and external to the district)?
5. Identify the processes and tools the LEA will use to strengthen understanding of early childhood development and facilitate communication between preschool and elementary school (including TK) teachers, principals, and administrators to support P–3 alignment?

### Focus Area C: Workforce Recruitment and Professional Learning

1. What strategies does the LEA plan to employ to recruit multilingual educators to teach in dual language programs?
2. How does the LEA plan to assess the implementation of its professional learning structures to ensure efficacy?

### Focus Area D: Curriculum, Instruction, and Assessment

8. Describe how the LEA plans to establish and maintain a coherent, culturally- and linguistically-responsive P–3 continuum to provide a strong integrated curriculum anchored in the California Preschool Learning Foundations and the California Preschool Curriculum Frameworks, California Common Core State Standards, and the Curriculum Frameworks.

9. What actions does the LEA plan to take to establish or expand multilingual programs across the P–3 continuum based on student population and family needs? (If the LEA has no plans to establish or expand multilingual programs across the P–3 continuum, identify how the LEA will evaluate these opportunities moving forward.)

10. What planning and actions are needed to accommodate a positive meal service, and how will the LEA adapt their universal meal program for TK students?

### **Focus Area E: LEA Facilities, Services, and Operations**

4. Describe what changes the LEA intends to make to the LEA’s Facilities Master Plan to ensure it is consistent with P–3 goals of creating seamless transitions for children and families.

5. Identify how the LEA plans to ensure TK students are included in all provisions of Multi-Tiered Systems of Supports (MTSS) and, when necessary, special education instruction, with an emphasis on early intervention and inclusion practices to address supports and least restrictive environments.

6. Identify any modifications the LEA intends to make to the Student Information System (SIS) and the assessment data system to ensure teachers and administrators have access to data from preschool through third grade.

## Special Education Inclusion/Push-In Model Plan

---

<b>Section:</b>	<b>V. Academic Excellence (Part 2)</b>
<b>Item:</b>	<b>A. Special Education Inclusion/Push-In Model Plan</b>
<b>Purpose:</b>	<b>Presentation &amp; Potential Discussion (informational)</b>
<b>Related Material:</b>	<b>Least Restrictive Environment (LRE) Push In Model Brief - Yosemite Valley</b>

---

### BACKGROUND:

- Special education students who are educated in the LRE are more likely to continue to grow cognitively with their general education peers and continue to close the achievement gap between these two student groups.
- The school is finding that our special education students are falling farther behind their general education peers and the administration at Yosemite Valley and Monarch River Academy's believe we need a change in the delivery model for our special education students that better aligns with our students attending class with their general education peers.
- The proposed plan would have Special Education students enrolled in Virtual Academy courses staffed by a general education teacher (content specialist) and a case manager (special education expert) to form a co-teaching model.

# Least Restrictive Environment (LRE) Special Education Inclusion Model

## **Background**

The Individuals with Disabilities Education Act or better known as IDEA stipulates in Section 300.114 (2)

(i) To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are nondisabled; and

(ii) Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

## **Summary**

Special education students who are educated in the LRE are more likely to continue to grow cognitively with their general education peers and continue to close the achievement gap between these two student groups. It is extremely important that special education students who are identified as mild-to-moderate students must receive a grade appropriate standards-based curriculum, which is outlined in the US Department of Education, Office of Special Education and Rehabilitation Services, dated November 16, 2015.

Based on this information we are finding that our special education students are falling farther behind their general education peers and the administration at Yosemite Valley and Monarch River Academy's believe we need a change in the delivery model for our special education students that better aligns with our students attending class with their general education peers. Special education is a support to assist special education students to complete their grade appropriate standards-based coursework.

Our current Specialized Academic Instruction (SAI) model places the student outside of the LRE when receiving these supports. We are required to maintain an LRE of more than 80% of the student's day and we struggle to meet these requirements with the students' other related services required in their IEP. We are proposing a model very similar to what the special education students receive in a "brick and mortar" setting, with the major difference that these services will be delivered virtually.

## Proposal

- Instead of the special education students working with a special education Case Manager 1:1 or in a small group with their special education peers, they will be enrolled in our Virtual Academy (VA) courses.
- These courses will be staffed with a general education teacher (content specialist) and a case manager (special education expert) to form a co-teaching model.
- The general education teacher in most cases will teach the lesson and the special education teacher will support the special education students with the following:
  - Assuring the student has the required materials for the lesson being instructed that school day.
  - They will assist the student with their time management and time on task issues if they arise.
  - They will ensure the student has documented their independent practice (homework) assignments
  - They can take students into a breakout room to assist those who might be struggling with the assignment. This can include general education students.
  - The special education teacher can ensure that the students IEP identified accommodations are being used by the instructors/educators.
  - They can assist with the proctoring of formative and summative assessments, again ensuring the students IEP identified accommodations are being used. The data indicates that not only SpEd students benefit from this inclusion model, but so do their at-risk GenEd peers.
  - The special education case manager will have firsthand knowledge of the student's current progress that will be relayed to the parent and HST for LP meetings.
  - Immediate access to the students curriculum and support during class.
  - There will be two sets of eyes monitoring students to ensure they remain on task during the class.
- What about students who are struggling tremendously with the coursework.
  - These students will be assigned to intervention courses that will meet their current academic needs.
  - Special education case managers will push-in to these intervention courses as well to assist with the students struggles.
  - More intensive intervention for the students who are struggling with Reading and Mathematics (Reading Horizons etc.)
- Additional education support will be designed into the student's week as well.
  - There will be a minimum of four (4) one-hour blocks designed to assist our special education students with their coursework
    - Special education students can attend an additional one-hour a-week of additional supports to assist them with their current coursework

- All special education case managers in a specific grade band will be assigned to one zoom room with breakout rooms designed around the topics observed by the case managers our students are struggling with.
- This can include the following:
  - Homework assistance
  - Intensive Reading Instruction with Reading Horizon trained teachers.
  - Reading and writing curriculum
  - Mathematics
  - Make-up assessments from their current courses
  - Use of Peer Tutors and Para-professionals for assistance with coursework.
  - Common Planning time for the VA and SpEd Case Manager

### **Additional Supports**

Another support we believe this provides for our students is the introduction of other students into a student's life. We believe this can drastically assist our autistic and students struggling with anxiety to assist them with the social aspect of their learning. Many of these students will struggle in the beginning, but we believe we will see extreme growth from these student groups.

### BACKGROUND:

- Dr. Steven James will present more information about the school's needs for Occupational Therapists and Speech & Language Pathologist.
- His report includes a parent communication plan.

## Move From Non-Public Agencies (NPA) Virtual Service Providers to On Staff Virtual Service Providers

### SUMMARY

We are currently in the hiring process to bring onto staff two (2) Speech Language Pathologists (SLP) and one (1) Occupational Therapist (OT) for the 2022-23 School-Year. These individuals will have a caseload of 55 students; they will provide the service and occasionally assess our students when the need arises.

### INITIAL OFFER OF FAPE

If a student is already receiving special education services or if they are a new initial to special education, our initial offer of FAPE will be a virtual setting. We will gather data to ensure the student is progressing within this system. If the student has been attending with fidelity and there isn't progress we will then look into a different delivery model, which can include an in-person offer.

The exceptions to this rule normally have one of our low incidence disabilities (Deaf, Blindness, Deaf and Blindness etc.), where a virtual setting will show no educational benefit to the student.

### HOW ARE SERVICE PROVIDERS ASSIGNED

It is the sole responsibility of the school district to assign service providers to their students, to include virtual or in-person services. We cannot take parent requests as each parent will want a specific provider and availability becomes an issue. If we are honoring one family's request we must honor another's and equity becomes a real issue and ethical dilemma for the organization.

### CASELOAD PROCESS

Which students will be assigned to the in-house SLP and OT clinicians?

- We will assign students based on the following criteria:
  - **Current students** :
    - If we remain contracted with a Non-Public Agency (NPA) and the student is making sufficient progress that student can remain with their current provider.
      - There can be a case where a student who isn't making sufficient progress would remain with the NPA, due to other factors, notably a student behavior that could be affiliated with autism like separation anxiety etc.
    - If we remain contracted with a Non-Public Agency (NPA) and the student is not making sufficient progress we will look to move that student to one of our in-house clinicians.
    - If we are no longer contracted with the NPA we will move those students to one of our in-house clinicians.
  - **New students** will be assigned if there is room available as we will not know who these students are until later in the school-year or right before school begins in August.

## **VIRTUAL VS. IN-PERSON**

The educational community and the service and assessment industry as it relates to virtual vs. in-person services have been recognized to be a comparable service to in-person. In most cases it is a personal bias towards one service or the other. Service providers and parents have their personal preference of which service works best for their student. The same issue one family might have with a virtual service, works extremely well for another family.

## **COMMUNICATION PLAN**

Currently the timeline for contacting parents about the change of SLP or OT to our in-house clinicians we hope to have completed prior to the end of this school-year on May 26, 2022. However, there are some variables that will play into our exact timelines. These variables are as follows:

1. We are in the process of contacting our applicants and setting up interviews. Once we have them hired will dictate our actual timeline.
2. The retention of our current NPAs as we will need to get contracts signed and returned to determine availability with the NPAs. We will not need all of their SLP & OT service providers as 110 speech students will need to be assigned.
3. The retention of current special education students who might be leaving our schools

We will send letters via email to each parent about their change in service provider. In addition, once our in-house clinicians are onboarded and on staff they will contact each family via email/telephone to introduce themselves and start to schedule the students services with the clinician.

## **CLARIFICATION**

These changes in provider will only affect our students who currently have virtual services.

Thank You,

Dr. Steven James  
Senior Special Education Director

# Human Resource Reclassification Request

## Definition of Reclassification

A reclassification may occur when there is a gradual change in the permanent assigned duties and responsibilities of a position and/or school reorganization. A reclassification may result in changes to a position's duties, salary grade, and/or title.

## How to Request a Reclassification

Employees or supervisors may initiate the reclassification process by completing a Reclassification Request form or a Questioner form and submitting it to Human Resources (HR). This must be turned in by Sept 5<sup>th</sup> of each calendar year. The effective date of any position's reclassification is January 1st of the following year in which the request was initiated. Only one reclassification request may be submitted for a specific position within a 12-month period. The forms are available from HR.

## Reclassification Process and Timelines

Once HR receives a Reclassification Request form or a Questioner form, management will begin the reclassification review process. The steps of this process and required timeline for each step, is indicated below. HR will provide periodic status updates to requestors throughout the reclassification process. The school will complete the reclassification review process within 12 weeks following Sept 5<sup>th</sup> of the annual reclassification cycle, or as soon as possible thereafter.

## **SECTION 4 – EMPLOYMENT**

### **EMPLOYMENT APPLICATIONS**

We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

### **EQUAL EMPLOYMENT OPPORTUNITY**

YVCS is an equal opportunity employer. In accordance with applicable law, YVCS prohibits discrimination against any employee or applicant for employment on the basis of an individual's protected status, including race/ethnicity (which includes, but is not limited to, traits historically associated with race, including, but not limited to, hair texture and protective hairstyles), color, religious creed (which includes, without limitation to religious dress and grooming practices), gender, gender identity, gender expression, color, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, age, sexual orientation, marital status, parental status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity/expression, military service, veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), genetic information, protected medical leaves, domestic violence victim status, political affiliation, or any other consideration protected by applicable law. Also in accordance with applicable law, YVCS prohibits discrimination against any qualified disabled employee or applicant, against a disabled veteran, or against a veteran of the Vietnam era with a physical or mental disability. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics. YVCS will ensure that applicants and employees are treated in all aspects of employment without unlawful discrimination because of these or any other protected basis. Such aspects of employment include, but are not limited to, recruitment, hiring, promotion, demotion, transfer, layoff, termination, compensation, and training. Additionally, in accordance with applicable law, YVCS prohibits all forms of unlawful harassment of a sexual or other discriminatory nature. Any conduct contrary to this policy is prohibited. This policy applies to all applicants and employees of YVCS.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, YVCS will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to YVCS. An applicant or employee who believes he or she requires an accommodation in order to perform the essential functions of the job should contact Human Resources and request such an accommodation, specifying what accommodation he or she needs to perform the job. YVCS will analyze the situation, engage in an interactive process with the individual, and respond to the individual's request.

If you believe you have been subjected to discrimination, please follow the complaint procedure outlined below.

## HARASSMENT

It is the policy of YVCS to ensure equal employment opportunity without discrimination or harassment on the basis of race (which includes, but is not limited to, traits historically associated with race, including, but not limited to, hair texture and protective hairstyles), religious creed (which includes, without limitation, to religious dress and grooming practices), color, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical leaves, domestic violence victim status, political affiliation, or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics.

YVCS prohibits any such discrimination or harassment. In addition, we prohibit abusive conduct/workplace bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors or other third parties, who have workplace contact with our employees. This policy applies to all applicants and employees (or other listed individuals), whether related to conduct engaged in by fellow employees or someone not directly connected to YVCS (e.g. an outside vendor, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business or field trips, meetings and business or school-related social events.

### What is Harassment?

Harassment can take many forms. As used in this Employee Handbook, the terms “discrimination” and “harassment” includes all unwelcome conduct that comprises the following behavior pertaining to any of the above protected categories or characteristics:

- Offensive remarks, comments, jokes or slurs pertaining to an individual’s race, religion, sex, sexual orientation, gender or gender identity or gender expression, age, national origin or ancestry, disability, citizenship, veteran status, or any other protected status as defined by law or regulation whether verbally or by electronic means including email, and/or text messages
- Offensive sexual remarks, sexual advances, flirtations, or requests for sexual favors regardless of the gender of the individuals involved and whether verbally or by electronic means

- Offensive physical conduct, including, but not limited to, touching, blocking normal movement or interfering with another's work regardless of the gender of the individuals involved, including, but not limited to threats of harm, violence or assault
- Offensive pictures, drawings or photographs or other communications, including email, text messages, or other forms of electronic communication
- Holding work functions in inappropriate venues, such as a strip-club
- Sex or gender based practical jokes, sexual favoritism
- Threatening reprisals due to an employee's refusal to respond to requests for sexual favors or for reporting a violation of this policy
- Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, regardless of gender, when:
  - Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
  - Submission to, or rejection of, such conduct by an individual is used as a basis for employment decisions affecting such individual;
  - Such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile or offensive working environment.

#### What is abusive conduct/workplace bullying?

- Conduct of an employee in the workplace that a reasonable person would find hostile, threatening, intimidating, humiliating and unrelated to an employer's legitimate business interests.
  - Use of derogatory remarks, insults and/or epithets.
  - Verbal or physical conduct that sabotages or undermines a person's work performance that is threatening, humiliating or intimidating.
- Bullying, gossip, profanity, abusive conduct and negative comments are destructive to our School culture, create false rumors, disrupt school operations and interfere with the privacy of others.

#### What is Retaliation?

Retaliation against an individual for reporting harassment, discrimination, abusive conduct or for participating in an investigation of a claim of such is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

As used in this policy, "retaliation" means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected activity may include, but is not necessarily limited to, opposing a practice or conduct the employee reasonably believes to be unlawful, reporting or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an "adverse employment action" means conduct or an action that materially affects the terms and conditions of the employee's employment status or is reasonably likely to deter the employee from engaging in further protected activity. An adverse employment action may include, but is not limited to, the following: demotion, suspension, reduction in pay, denial of

merit salary increase, failure to hire, refusing to promote, denying employment opportunities, changing work assignments or otherwise treating an employee differently.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes he/she has been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

### Responsibility

All YVCS employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation and abusive conduct in accordance with this policy.

### Reporting

YVCS encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct or retaliation, regardless of the offender's identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, the Principal or Human Resources. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint. In addition, YVCS encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. YVCS recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although confidentiality cannot be guaranteed. YVCS is serious about enforcing its policy against harassment; however, YVCS cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to YVCS' attention so it can take whatever steps are necessary to correct the problems.

Supervisors must report any and all conduct of which they are made aware, which violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to Human Resources, the Principal or the Chair of the Board of Directors, if appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination.

### Investigation/Complaint Procedure

All complaints of harassment, discrimination, retaliation or abusive conduct will be promptly investigated.

YVCS encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

YVCS' investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter.

All employees are required to fully cooperate with YVCS' investigation. which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including termination.

During the investigation, YVCS will provide regular progress updates, as appropriate, to those directly involved. YVCS will strive to complete its investigation as efficiently as possible in light of the allegations and will reach any conclusions based on the evidence collected and credibility of the witnesses.

YVCS may investigate conduct in the absence of a formal complaint if YVCS has reason to believe that an individual has engaged in conduct that violates YVCS policies or applicable law. Further, YVCS may continue its investigation even if the original complainant withdraws his or her complaint during the course of the investigation.

Any conduct which YVCS believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as YVCS believes appropriate under the circumstances. Due to privacy protections, YVCS may not be able to fully disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action.

Title IX provides for separate processes and procedures for sexual harassment and sexual assault when the type of conduct falls within the definitions of sexual harassment and sexual assault as provided in 34 C.F.R. § 106.30. In addition, the conduct must have taken place at school locations, events, or circumstances over which the School exercised substantial control over both the individual who has been accused of sexual harassment and/or assault and the context in which the sexual harassment occurs. For these types of complaints, the School will follow the Title IX policy processes and procedures, which may be found in the School's Title IX grievance policy. If the conduct does not fall within Title IX, this policy will be followed. There may be instances where the conduct falls within both policies and the School will follow both policies. The School's Title IX Coordinator is:

### Conclusion

This policy was developed to ensure that all employees could work in an environment free from harassment, discrimination, abusive conduct and retaliation. YVCS will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has questions or concerns about these policies should talk with Human Resources or the Principal.

Finally, these policies should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of YVCS prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and prerequisites of employment. The prohibitions against harassment, discrimination, abusive conduct, and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

If you believe you have experienced discrimination, harassment, or abusive conduct you may file a Department of Fair Employment and Housing (“DFEH”) or Equal Employment Opportunity Commission complaint. For information contact the DFEH or EEOC. You may find their phone numbers in the phone directory.

### Training Requirements

YVCS requires all employees to abide by California’s training requirements, which includes training within six months of hire and retraining every two years thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

## **AT WILL EMPLOYMENT**

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both you and YVCS will have the right to terminate your employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, YVCS may eliminate or change any term or condition of your employment (including but not limited to your job assignment, duties, or salary) at will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called “employment at will,” and no one other than the Principal of YVCS with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Principal. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict YVCS’ right to terminate at-will.

## **OPEN COMMUNICATION POLICY**

We want to hear from you. YVCS strongly encourages employee participation in decisions affecting their employment and their daily professional responsibilities. Our greatest strength lies in our employees and our ability to work together. We encourage open communication about all aspects of our school and organization. Employees are encouraged to openly discuss with their supervisors any problems or suggestions they believe would make our organization better and stronger. YVCS is interested in all our employee’s success and fulfillment. We welcome all constructive suggestions and ideas.

Employees who have work-related concerns or complaints are encouraged to discuss them with their supervisor or the Principal. Employees are encouraged to raise their work-related concerns

as soon as possible after the events that cause concern. YVCS will attempt to keep the employee's concerns and complaints and any resulting investigation confidential to the extent feasible. However, in the course of an investigation and/or in resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this Handbook.

## LACTATION ACCOMMODATION POLICY

YVCS provides a reasonable amount of break time to accommodate a female employee's need to express breast milk for the employee's infant child. The School will also make a reasonable effort to provide the employee with the use of a room or other location in close proximity to the employee's work area for the employee to express milk in private.

The School reserves the right to deny an employee's request for a lactation break if the additional break time will seriously disrupt operations.

Employees requesting an accommodation under this policy should comply with the following requirements:

1. The employee should complete an accommodation request form and contact the employee's supervisor or Human Resources to request designation of a location and time to express breast milk under this policy.
2. The requested break time should, if possible, be taken concurrently with other scheduled break periods. Nonexempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid.

Retaliation for making a lactation accommodation request is strictly forbidden. If the employee believes she has been retaliated against it should be reported immediately to her supervisor, Human Resources or Principal. Discrimination against and harassment of lactating employees in any form is unacceptable, a form of prohibited sex/gender discrimination, will not be tolerated at YVCS and will be handled in accordance with YVCS' policy on discrimination and harassment.

## PUBLIC RELATIONS

The success of a school depends upon the quality of the relationship among the school, its employees, students, parents and the general public. The public impression of YVCS and its interest in our school will be formed in part, by YVCS employees. Our employees are ambassadors. The more goodwill an employee promotes, the more employees, students, parents and the general public will respect and appreciate the employee, YVCS, and our School's services.

Below are several things employees can do to help leave people with a good impression of YVCS.

These are the building blocks for our continued success:

- Communicate with parents regularly.
- Act competently and deal with others in a courteous and respectful manner.
- Communicate pleasantly and respectfully with other employees at all times.

- Follow up on requests and questions promptly, provide business-like and personable replies to inquiries and requests, and perform all duties in an orderly manner.
- Respond to email and voicemail within 24 hours during the workweek.
- Take great pride in your work and enjoy doing your very best.

## WHISTLEBLOWER POLICY

YVCS is committed to maintaining a workplace where employees are free to raise good faith concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of YVCS policy, specifically the policies contained in YVCS' Employee Handbook.

An employee who wishes to report a suspected violation of law or YVCS Policy may do so by contacting the Principal, Assistant Principal or Human Resources.

YVCS expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against employees who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of YVCS policy. Any employee who engages in retaliation will be subject to discipline, up to and including termination.

Any employee who believes that he or she has been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: the Principal, Assistant Principal or Human Resources. Any supervisor, manager, or human resources staff member that receives complaints of retaliation must immediately inform the Principal or Chair of the Board of Directors, if appropriate.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality as much as possible (although confidentiality cannot be guaranteed) and consistent with a full and fair investigation. Human Resources and a member of YVCS' administration will conduct the investigation or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings as appropriate.

## **SECTION 5 – THE EMPLOYMENT PROCESS**

### **EMPLOYEE STATUS AND CLASSIFICATIONS**

Each YVCS employee is either a “full-time,” “part-time,” or “temporary” employee and either an “exempt” or “non-exempt” employee. Some of the policies and benefits described in this handbook depend on whether the employee is full-time or part-time. Full-time employees are those employees regularly scheduled to work 30 or more hours or more each week. Part-time employees are those regularly scheduled to work less than 30 hours each week. Temporary employees are those employed for short-term assignments or in connection with a specific project or event. Temporary employees are not eligible for employee benefits, except those mandated by applicable law.

Every member of the team is designated as a “Certificated employee” or “Classified employee.” Some of the policies and benefits described in this handbook depend on how the employee is designated.

#### Exempt

This category includes all regular employees who are determined by the School to be exempt from certain wage and hour provisions of state and federal laws. Exempt employees are paid a fixed salary that is intended to cover all of the compensation to which they are entitled. Exempt employees will be expected to work the number of hours necessary to complete their assigned responsibilities. Because they are exempt, such employees are not entitled to additional compensation for extra hours of work. Typically, full-time Teachers and Administrators are exempt employees.

#### Non-Exempt

This category includes all regular employees who are covered by certain wage and hour provisions of state and federal laws. Non-exempt employees are entitled to overtime and doubletime pay as well as meal and rest breaks, as prescribed by law. Typically, all part-time and temporary employees are non-exempt. Additionally, most Classified staff are typically non-exempt employees.

#### Certificated Employee

Certificated Employees are teachers and administrators. Teachers are B-Basis (11 Months) or C-Basis (10 Months) employees. Administrators are A-Basis (12 Months).

#### Classified Employee

Classified Employees include those employees hired by YVCS that do not primarily instruct students, nor require state certification, such maintenance, assistants and other operational employees. Full-time Classified employees are A-Basis (12 Months), B-Basis (11 Months), D-Basis (11 months) or C-Basis (10 Months) employees.

### **WORK SCHEDULES**

All employees will be assigned a work schedule suitable for their job assignment and will be expected to begin and end work according to the schedule. Please note that schedules may vary depending on a variety of factors including whether you work during the academic year or on an

annual basis. The Principal or your supervisor will assign your individual work schedule. In order to accommodate the needs of our business, it may be necessary to change individual work schedules on either a short- term or long-term basis. All employees are expected to be at their desks or workstations at the start of their scheduled shift, ready to work. If you need to modify your schedule, request the change with Human Resources or your supervisor. All schedule changes or modifications must be approved by the Principal.

YVCS reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment.

Non-exempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. Non-exempt employees are not allowed to work “off the clock.” Attendance at School-sponsored functions is not compensated unless the supervisor has required you to attend. Employees violating these rules may be subject to disciplinary action up to and including termination.

## **WORKWEEK AND WORKDAY**

YVCS’ workweek is from Sunday at 12:00 A.M. through the following Saturday at 11:59 P.M. YVCS’ standard workday is 12:00 A.M. to 11:59 P.M. (midnight) each day.

## **SPECIAL VIRTUAL CLASSROOM EMPLOYMENT CONDITIONS**

### **Position Responsibilities:**

1. Teachers may be assigned a “Virtual Class” or “Virtual Classes”
2. Teachers are provided, at YVCS’ expense, a computer capable of maintaining a high speed internet connection for their entire virtual class.
3. Teachers must be available each school day from 8:00 a.m. – 5:00 p.m. by internet and/or phone.
4. Teachers **may** be required to conduct a virtual classroom session **up to** two (2) hours per day for grades TK – 8 and **up to** three (3) hours per day for grades 9 – 12.
5. Teachers must have access to a phone for calling/responding to students/parents during the teacher’s scheduled time within two (2) hours by phone or four (4) hours by internet.
6. Teachers will use the tracking and monitoring system integrated into the student’s assigned course. Teachers will provide continual monitoring of the student’s progress and their scheduled benchmarked progress status.
7. Teachers will be responsible for all virtual school required record keeping and reporting.

### **Training:**

Teachers are required to attend training sessions hosted virtually or in-person. Mileage reimbursement will follow standard YVCS protocols and procedures.

**Worksites:**

Most classes will be held virtually. Teachers may work from home.

**ATTENDANCE AND PUNCTUALITY**

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality is considered an essential function of all positions. If you are unable to report for work on any particular day, you must call your supervisor at least one hour before the time you are scheduled to begin working for that day. If you call in less than one hour before your scheduled time to begin work, you will be considered tardy for that day. Absent extenuating circumstances or a medical provider's order excusing you from work for a period of time, you must call in on any day you are scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify your supervisor personally at the earliest possible moment. In some circumstances, you may be required to provide verification of the reason or documentation for your absence.

More than three instances of tardiness by a non-exempt employee or instructional employee during any twelve-month period are considered excessive. Any unexcused absence is considered excessive.

If you fail to report for work without any notification to your supervisor and the absence continues for a period of three business days, the School will determine that you have abandoned your job and voluntarily terminated your employment.

**PROFESSIONAL DEVELOPMENT**

Employees are expected to attend and participate in all professional development sessions and other school sponsored trainings that may be scheduled. While we understand that scheduling conflicts may arise, consistent tardiness, absenteeism and early departures may result in disciplinary action.

When an employee attends a School sponsored professional development and/or training, the time spent in attendance shall be counted as time worked. All employees are required to sign-in and out for the purpose of record keeping. These records will serve as the official roster of attendance.

YVCS will pay hourly employees for attendance at mandatory trainings, lectures and meetings outside of regular working hours at the employee's hourly rate. As exempt employees, salaried staff may be required to attend training seminars that may be outside of YVCS' normal business hours with no additional pay.

In the event that an employee must leave early or is unable to attend a scheduled training (i.e. Professional Development sessions), during their normal work hours, an employee **MUST** put in a time-off request according to the time-off policy. Employees may also be required to attend make-up sessions of any missed training.

Failure to comply with this policy may result in disciplinary action.

## TIME RECORDS (NON-EXEMPT EMPLOYEES)

Non-exempt employees must accurately complete time records within the School's time keeping system on a daily basis. Each time record must show the exact time work began and ended, the meal periods taken, and your signature. Absences and overtime must be accurately identified on your time record. Non-exempt employees are not allowed to work "off the clock." All time actually worked must be recorded. You cannot record time and/or submit a time record for another employee. Each employee must sign and submit his or her own time record. Employees must record all time actually worked.

Exempt employees must report full days of absence from work. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact Human Resources with any questions concerning their pay so that inadvertent errors can be corrected.

## OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime or doubletime. Failure to obtain such approval may subject an employee to discipline, up to and including termination. However, in all cases, the School will compensate its non-exempt employees for all hours worked.

## OFF THE CLOCK WORK

YVCS prohibits all non-exempt employees from working off the clock at any time. All time worked must be recorded on the employee's timesheet. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours.

## MEAL AND REST PERIODS (NON-EXEMPT EMPLOYEES)

All non-exempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not combine required meal or rest periods in order to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to School policy or you must begin your meal period more than five hours after your work period began, you must notify Human Resources in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken.

Failure to comply with the School's policy regarding meal and/or rest periods can lead to discipline, up to and including termination

### Meal Periods

Non-exempt employees (hourly employees) scheduled to work more than five hours in a day are given a 30-minute duty-free unpaid meal period. The meal period must be taken before the end of the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin his or her meal period no later than 12:00 p.m. (noon). The employee may waive this meal period if his/her workday will be completed within a total of six

hours or less. To waive a meal period, the employee must receive prior written approval from their supervisor and complete a “Meal Period Waiver” form.

If an employee’s day exceeds ten hours of work time, the employee is entitled to an additional 30-minute duty-free meal break. The employee only may waive this second meal period if he/she has taken the required first meal break of at least 30 minutes and his/her workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from their supervisor and complete a “Second Meal Period Waiver” form.

Non-exempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed, late or short meal periods on that days’ time record and to the employee’s supervisor immediately. The meal period must be accurately recorded on the employee’s time sheet. Meal periods are unpaid time and employees are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

### Rest Periods

Non-exempt employees are authorized and permitted to take a 10-minute rest period for each four (4) hours of work or major portion thereof. Your supervisor may schedule your rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off.

<u>Hours Worked</u>	<u>Number of Rest Periods</u>
---------------------	-------------------------------

3.5 hours to 6 hours	1, 10-minute rest period
Over 6 hours to 10 hours	2, 10-minute rest periods
Over 10 hours to 14 hours	3, 10-minute rest periods

Non-exempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period immediately as set forth below. Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.

### Reporting Missed, Late or Short/Interrupted Meal and Rest Periods

Any employee who misses a meal or rest period or who experiences a late, short, or interrupted meal period – for any reason – must immediately report this issue in writing (via email) to Human Resources on the same workday that he or she experienced the non-compliant meal or rest period. The employee must include a description providing a thorough explanation for the non-compliant meal or rest period.

If an employee voluntarily chooses to miss a meal or rest period or take a late, short, or interrupted meal period (e.g., I chose to take my lunch later in the day or I chose to refuse an “authorized” meal period at the time provided by YVCS), the employee is not entitled to premium pay (one additional hour of pay). If an employee involuntarily experiences a missed meal or rest period or a late, short, or interrupted meal period (e.g., my supervisor asked me to handle a client call or meeting that caused me to miss or take a late meal period), the employee is entitled to premium pay. Employees must report the reason for the non-compliant meal or rest period to Human Resources.

## **PAYDAYS**

Employees are paid semi-monthly in accordance with the School's payroll schedule. The Payroll Coordinator or his or her designee will distribute checks to those who do not have direct deposit. If a normally scheduled pay day falls on a weekend or holiday, paychecks will be distributed the preceding business day.

A written, signed authorization is required for mail delivery or for delivery of your paycheck to any other person. If you have automatic deposit for your paycheck, your funds will be deposited to the financial institution you requested by the end of business on the scheduled payday. While an automatic deposit may actually credit to your account before your actual "payday," the School is not responsible for automatic payments or withdraws dated prior to your actual payday and you should not depend on early deposits of your pay.

If a wage garnishment order is received by YVCS for one of our employees, we are obligated by law to comply with the demand. The effected employee will receive notice from his or her supervisor or Human Resources as soon as possible.

## **PAYROLL WITHHOLDINGS**

YVCS is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability Insurance from each employee's paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, YVCS must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.

If an employee believes an error has been made in his or her pay or deductions, YVCS will work in good faith to resolve errors as soon as possible. The employee should notify the Payroll Coordinator or his or her designee of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee's paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, then he or she should ask Human Resources to explain it. The employee may change the number of withholding allowances he or she wishes to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W4 form and submitting it to Human Resources.

## **SECTION 6 - CONDITIONS OF EMPLOYMENT**

### **IMMIGRATION LAW COMPLIANCE**

YVCS employs only those authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present original documentation

establishing identity and employment eligibility as outlined on the I-9 instruction forms. Former employees who are rehired must also complete the form if they have not completed an I-9 with YVCS within the past three years or if their previous I-9 is no longer retained or valid.

## **CREDENTIAL REQUIREMENTS**

If you are a credentialed team member, you must provide copies of your credential, official transcripts, and/or test scores prior to your first day of actual work. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both your Principal and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided.

If a teacher fails to obtain the appropriate credential, or allows a credential, certificate, registration, or required course deadline to expire, or fails re-certification, training, or testing, the School reserves the right to suspend the teacher without pay until the teacher's credential is cleared, or release the teacher from at-will employment as necessary.

## **TUBERCULOSIS TEST**

Before the first day of employment, all new employees must have had a tuberculosis test as described in Education Code 49406 or a TB Risk Assessment (pursuant to AB1667) within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination or a completed Risk Assessment within the previous 60 days or a certification showing that he or she was examined within the past four (4) years and was found to be free of communicable tuberculosis. The current physician's statement or Risk Assessment must be on file in the office before the first day of employment. Failure to provide documentation on time may result in delay of your ability to begin work or termination.

TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the School has a valid certificate on file.

## **CRIMINAL BACKGROUND CHECK**

As required by law, all individuals working or volunteering at the School will be required to submit to fingerprinting and a criminal background investigation.

The School shall, on a case-by-case basis, determine whether a volunteer will have more than limited contact with pupils or consider other factors requiring a criminal background check for such a volunteer.

## **CHILD ABUSE AND NEGLECT REPORTING ACT**

Since our employees work directly with children, they are in a position to detect instances of child abuse and neglect. It is YVCS' policy that all School employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

“Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.”

While each employee has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. Teachers or staff who become aware of suspected child abuse should report the suspicions as required.

It is extremely important that YVCS’ employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity.

Your direct supervisor is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without YVCS’ assistance, he or she is required to notify YVCS of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with YVCS.

## PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to Human Resources. All requests should be put in writing preferably on the form maintained by YVCS. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports, or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

## CHANGES IN EMPLOYEE INFORMATION

An employee is responsible for notifying Human Resources about changes in the employee’s personal information and changes affecting the employee’s status (ex. name changes, address or telephone number changes, marriages or divorces, etc.). This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

## **SECTION 7 – PERFORMANCE**

### **PERFORMANCE EVALUATIONS**

Performance evaluations generally are conducted annually to provide both employees and supervisors with the opportunity to discuss the employee's position, tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss methods for improving performance. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee an increase in salary or promotional opportunities, or even continued employment. Salary increases and promotions are solely within the discretion of YVCS and depend upon many factors in addition to performance.

#### Teachers:

At the start of each academic year, each Teacher will meet with their Regional Coordinator to establish Performance Objectives or SMART Goals for that school year. The Teacher will put these objectives in writing in accordance with a template to be provided by the Regional Coordinator.

The Regional Coordinator will generally evaluate the Teacher's performance at least once a year formally and on an ongoing basis informally. The evaluation will be based on factors including the Teacher's job description, accomplishment of the Performance Objectives, the YVCS' charter, and standards for teaching performance developed by the Principal, the YVCS' Board of Directors, and/or other YVCS staff.

In addition to these more formal performance evaluations, YVCS encourages you and your supervisor to discuss your job performance on an ongoing basis.

YVCS' provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit YVCS' right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Employment is at the mutual consent of the employee and YVCS. Accordingly, either the employee or YVCS can terminate the employment relationship at-will, at any time, with or without reason and with or without notice.

#### Classified Staff:

Formal evaluations are generally held once each year. You will be provided a copy of the evaluation tool and as part of the process you will do a self-evaluation. Your supervisor may schedule your evaluation time in advance so that you are prepared for the process.

In addition to these more formal performance evaluations, YVCS encourages you and your supervisor to discuss your job performance on an ongoing basis.

## SECTION 8 – LEAVES

### FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT<sup>1</sup>

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and are employed at a worksite where there are 50 or more employees of the School within 75 miles.

Ordinarily, you must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as possible. You should use the School's request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

1. The birth of an employee's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;
2. The care of the employee's spouse, child, parent, or registered domestic partner with a "serious health condition";
3. The "serious health condition" of the employee;
4. The care of the employee's spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
5. Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee's spouse, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

A "serious health condition" is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave under paragraph (2) above only if due to a serious health condition, your spouse, child, parent, or registered domestic partner requires your care or assistance as certified in writing by the family member's health care provider. If you are seeking a leave under paragraph (3) above, you must provide the School with a medical certification from your health care provider establishing eligibility for the leave, and you must provide the School with a release to return to work from the

---

<sup>1</sup> Employees may qualify for FMLA/CFRA Leave only if the School has 50 or more employees, the employees work within 75 miles of their respective worksites and meet other eligibility requirements set forth above. Please check with Human Resources to determine whether you are eligible for FMLA/CFRA leave.

health care provider before returning to work. You must provide the required medical certification to the School in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from Human Resources.

Family and medical leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12-month period will be defined as a “rolling twelve months” looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as family and medical leave will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law.

You will be required to use any available PTO during unpaid family and medical leave. You will also be required to use any available paid sick leave during unpaid family and medical leave that is due to your own or a family member’s serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California’s State Disability Insurance plan or Paid Family Leave program) or workers’ compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or paid sick leave.

Benefit accrual, such as PSL, PTO, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a family and medical leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If you do not return to work on the first workday following the expiration of an approved family and medical leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law. In certain circumstances, “key” employees may not be eligible for reinstatement following a family and medical leave. The School will provide written notice to any “key” employee who is not eligible for reinstatement.

If you have any questions concerning, or would like to submit a request for a family and medical leave of absence, please contact Human Resources.

## **PREGNANCY DISABILITY LEAVE**

The School provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider’s statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information

should be promptly reported to Human Resources. Employees returning from pregnancy disability leave must submit a health care provider's verification of their fitness to return to work.

The School will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a health care provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, the School may require the employee to transfer temporarily to an available alternative position. This alternative position will have equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any unused allotted sick time during any unpaid portion of pregnancy disability leave. Employees may also elect to use any available PTO during any unpaid portion of pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or sick leave.

Benefit accrual, such as PTO, sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the School with at least one week's advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If you have any questions regarding pregnancy disability leave, please contact Human Resources.

## MILITARY SPOUSE LEAVE

An eligible employee-spouse of a qualified service member is entitled to take ten (10) days unpaid leave during a period when the spouse is on leave from deployment during a period of military conflict.

An eligible employee must work an average of 20 hours per week; must provide notice of his or her intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave; and submit written documentation certifying that the service member will be on leave during the time the leave is required.

The employee may use unused and available PSL or PTO for this leave.

## **WORKERS' COMPENSATION LEAVE**

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration leave will depend upon the rate of recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (i.e. FMLA/CFRA if applicable). Human Resources will reach out to employees that have requested a workers' compensation leave regarding employer provided health insurance benefits. If you have any questions concerning this leave and/or any benefit related questions, please contact Human Resources.

## **BEREAVEMENT LEAVE**

YVCS provides regular full-time employees up to three (3) days of paid bereavement leave, beyond sick or personal time, due to the death of an immediate family member. This includes a parent (including an in-law and step-parent), spouse, domestic partner, dependent, sibling, stepsibling, grandparent or grandchild. If a funeral is more than 500 miles from your home, you may receive paid leave for five (5) days with prior approval from your supervisor.

## **JURY DUTY LEAVE**

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their supervisor. Employees must report for work whenever the court schedule permits. Either the School or the employee may request an excuse from jury/witness duty if, in the School's judgment, the employee's absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any available PTO during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with the School, the School will provide time off with pay.

## **TIME OFF TO VOTE**

The School will allow any non-exempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the employee's regular shift, whichever allows the most free time for voting and the least time off from work unless the School and the employee agree otherwise. The employee may be required to prove he or she is a registered voter.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Available PTO may be used for this time off.

## SCHOOL ACTIVITIES LEAVE

The School encourages employees to participate in the school activities of their child(ren). If you are the parent or guardian of a child who is in school up to grade 12, or who attends a licensed daycare facility, you may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility, to find, enroll or reenroll your child in a school or with a licensed childcare provider and/or to address a childcare provider or school emergency.

The leave is subject to all of the following conditions:

- The time off for school activity participation cannot exceed eight (8) hours in any calendar month, or a total of forty (40) hours each year;
- Unless it is an emergency, employees planning to take time off for school visitations must provide as much advance notice as possible to their supervisor;
- If the School employs both parents, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor;
- Employees must use existing PTO in order to receive compensation for this time off;
- Employees who do not have paid time off available will take the time off without pay.
- Documentation of participation may be requested and will be sufficient if it is provided in writing by the school or the licensed child care/day care facility.

## SCHOOL APPEARANCE/SUSPENSION LEAVE

If the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In compliance with California Labor Code section 230.7, no discriminatory action will be taken against an employee for taking time off for this purpose.

This leave is unpaid but the employee may choose to use available PTO. You will not be discharged or discriminated against because of an absence protected by this law.

## CRIME VICTIM LEAVE

Employees are allowed to be absent from work to attend judicial proceedings related to a violent felony, serious felony (as defined by the California Penal Code) or felonies related to theft or embezzlement if they are:

- A victim of such a crime;

- An immediate family member (i.e., spouse, registered domestic partner, child, step-child, sibling, step-sibling, parent, step-parent, or the child or a registered domestic partner) is a victim of such a crime.

An employee must give reasonable advanced notice to the School by providing documentation of the proceeding. Documentation may be from any of the following:

- Notice from the court or government agency setting the hearing;
- The district attorney or prosecuting attorney's office; or
- The victim/witness assistance office advocating on the victim's behalf.

This leave is unpaid but the employee may choose to use available sick or personal time off (PTO). You will not be discharged or discriminated against because of an absence protected by this law.

## DOMESTIC VIOLENCE LEAVE/SEXUAL ASSAULT/STALKING LEAVE

If you are a victim of domestic violence, sexual assault or stalking, you may take unpaid time off to obtain or attempt to obtain judicial relief, such as obtaining restraining orders, to help insure your health, safety or welfare or that of your child(ren). Employees may use available PTO (if applicable) or PSL. Otherwise, the time off is unpaid. All employees can take time off from work to get medical attention or services from a domestic violence shelter, program, or rape crisis center, or receive psychological counseling, or safety planning related to domestic violence, sexual assault, or stalking.

You must give the School reasonable notice unless advance notice is not feasible, and provide certification that you are seeking such assistance.

Certification may be sufficiently provided by any of the following:

- A police report indicating that you were a victim of domestic violence or sexual assault;
- A court order protecting or separating you from the perpetrator of an act of domestic violence or sexual assault, or other evidence from the court or prosecuting attorney that you appeared in court; or
- Documentation from a medical professional, domestic violence advocate, health care provider, or counselor that you are undergoing treatment for physical or mental injuries or abuse resulting in victimization from an act of domestic violence or sexual assault.

Employees have the right to ask the School for help or changes in their workplace to make sure they are safe at work. The School will work with its employees to see what changes can be made. Changes in the workplace may include putting in locks, changing shifts or phone numbers, transferring or reassigning the employee, or help with keeping a record of what happened to the employee. The School may ask the affected employee for a signed statement certifying that this request is for a proper purpose and may also request proof showing the need for an accommodation. The School will maintain confidentiality to the extent possible regarding any requests for accommodations under this policy.

The School will also, to the extent allowed by law, maintain the confidentiality to the extent possible of an employee requesting leave under this provision. The School will not discharge, discriminate, or retaliate against an employee who exercises their rights under this law. Domestic violence, sexual assault, and stalking victim's leave for medical treatment does not exceed or add to the unpaid leave time that FMLA/CFRA allows.

YVCS is committed to ensuring employees are not treated differently or retaliated against because of any of the following:

- The employee is a victim of domestic violence, sexual assault, or stalking.
- The employee asked for time off to get help.
- The employee asked YVCS for help or changes in the workplace to ensure safety at work.

Employers are prohibited from discharging, discriminating, or retaliating against an employee who is a victim of domestic violence, the victim of sexual assault or stalking for taking time off to seek medical attention, obtain services from a domestic violence shelter or program or rape crisis center, obtain psychological counseling, participate in safety planning, or temporary or permanent relocation.

## MILITARY LEAVE

California's military leave laws, found at Military & Veterans Code section 389 et seq. and the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), found at 38 U.S.C. Section 4301 et seq., ensure that employees are not adversely affected in their employment after taking leave for military service. Employees who serve in the military and are entitled to a military leave of absence without pay from the School under applicable laws should notify Human Resources regarding the need for military leave.

Please see Human Resources for more information regarding job reinstatement rights upon completion of military service.

## ADULT LITERACY LEAVE

Pursuant to California law, the School will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on the School. The School does not provide paid time off for participation in an adult literacy education. However, you may utilize available PTO if you want compensation for this time off. If you do not have any PTO available, you will be permitted to take the time off without pay.

## ORGAN DONOR / BONE MARROW DONOR LEAVE

If you donate an organ to another person you may take up to thirty (30) days paid leave per year for this process or up to five (5) days paid leave for the donation of bone marrow.

You must give as much notice as is practicable and must provide certification of the medical necessity of the procedure. You will be required to use up to ten (10) days of any available paid leave (sick and/or PTO) for organ donation and up to five (5) days of available paid leave (sick

and/or PTO) for bone marrow donation. This leave does not run concurrently with FMLA/CFRA. You must have been employed for at least a 90-day period immediately preceding the beginning of the leave, if otherwise eligible.

You may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to receive paid time off and other benefits as if they had continued working. The Employee shall be required to pay any portion of their benefits they are currently paying.

An employee shall not have any greater rights during this leave than if he or she had been actively working during this time, but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

## **DRUG & ALCOHOL REHABILITATION LEAVE**

YVCS will reasonably accommodate any employee who volunteers to enter an alcohol or drug rehabilitation program, if the reasonable accommodation does not impose an undue hardship on the School. Reasonable accommodation includes time off without pay and adjusting work hours. You may use allotted and unused sick leave. All reasonable measures to safeguard your privacy will be maintained.

This policy in no way restricts YVCS' right to discipline an employee, up to and including termination of employment, for violation of YVCS' Substance and Alcohol Policy.

## **VOLUNTEER CIVIL SERVICE LEAVE**

You are allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter, reserve police officer, or emergency rescue personnel. This is an unpaid leave, but the employee may use any earned sick, and/or PTO.

## **CIVIL AIR PATROL LEAVE**

YVCS provides eligible employees who are volunteer members of the California Wing of the Civil Air Patrol and are called to emergency operational missions up to (10) days of unpaid leave per calendar year. Leave for a single emergency operational mission will generally be limited to three days unless an extension is granted by appropriate government entities and approved by the School.

To be eligible, employees must have been employed with YVCS for 90 days immediately preceding the commencement of leave. Additionally, the School may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave requested or taken.

Employees may use available paid time off for leave taken under this policy. The notice and eligibility requirements for any such paid time off will generally apply to an employee's request for use of PTO under this policy.

## **SECTION 9 – BENEFITS**

### **SCHOOL HOLIDAYS**

The School observes 12 paid holidays during the year:

- New Year's Day
- Martin Luther King Day
- Lincoln's Birthday
- Washington's Birthday
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve Day
- Christmas Day

To be eligible for holiday pay, an employee must be full-time and non-exempt and must work both the business day before and after the holiday. Part-time employees, temporary employees, exempt employees and teachers are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays.

Eligible employees will receive time off with pay at their regular rate of pay on the School-observed holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if you receive 8 hours of holiday pay on Monday and work 40 hours Tuesday-Saturday (8 hours/day), you will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to their supervisor. The employee may use paid time off (PTO) if the employee has unused PTO available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- At the Supervisor's request/approval
- Due to closure of schools because of inclement weather
- Due to sickness with a doctor's note verifying need for absence
- Prior to or following Jury Duty or Bereavement Leave

- Due to a previously scheduled and approved time off

## PAID TIME OFF (PTO) – A-BASIS ONLY

Full-time A-Basis (12 Months) school based employees are entitled to paid time off (PTO) according to this policy. PTO days may be used for vacation, personal time, illness, or time off to care for family or dependents. All other employees, including teachers, temporary employees, part-time employees are not eligible to receive or accumulate PTO.

PTO must be scheduled at least five (5) days in advance and approved by your supervisor, except in the case of an illness or emergency. In the case of illness or emergency you are required to contact your immediate supervisor at least one (1) hour before your shift begins, if possible or otherwise as soon as practicable. Employees using extended PTO time (in excess of three (3) days) must submit a request at least two (2) weeks before the extended PTO or, if used as sick time, the employee may be required to submit a doctor's release upon return to work. Your supervisor uses his/her discretion to approve PTO without advance notice.

Unless used for illness related purposes, PTO may not be taken the last week of the school year, or on scheduled in-service and/or training days, testing administration day, or immediately before or after holidays without supervisor's permission.

All full-time A-Basis (12 Months) employees may be eligible to receive up to ten (10) days (i.e., 80 hours) of PTO each school year (July 1 – June 30). Once an employee's PTO balance reaches twenty (20) days (i.e., 160 hours), the employee stops receiving any additional PTO until PTO is used and the employee's balance falls below the 20-day cap. PTO days will not accumulate during any unpaid leave of absence.

The following terms also apply to PTO:

- For both non-exempt and exempt employees, vacation time may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday, he or she will be required to use available PTO to make up for the absence.
- In the event an employee has exhausted his or her PTO, any additional time off must be approved by their supervisor and will be taken without pay.
- Any employee who misses three (3) consecutive days of work without notice to their supervisor may be deemed to have abandoned his/her job and voluntarily resigned from employment.
- Upon separation of employment, employees will be paid their earned PTO based on their date of separation and their regular rate of pay.
- To the extent permitted by law, PTO accumulated prior to the start of a requested and approved unpaid leave of absence must be used to cover hours missed before the start of the unpaid leave.

As with all of its policies and procedures, the School reserves the right to modify, alter, or otherwise eradicate this policy at its sole and absolute discretion to the extent allowed by law.

## PAID SICK LEAVE (PSL), PERSONAL NECESSITY LEAVE (PNL), & TIME OFF BALANCES POLICY

The School enacted this policy in accordance with the California Healthy Workplaces, Healthy Families Act to provide paid sick leave (“PSL”) to eligible employees. Yosemite Valley Charter School’s Paid Sick Leave Plan is a part of the benefits package extended to staff. This benefit is designed to provide employees with a degree of income protection in the event of unforeseen absence from work due to the employee’s own illness or other member of an employee’s immediate family. Sick leave benefits may be used as accrued, and may continue to accrue as long as the employee is on active status and working. Upon reduction in benefits eligibility status (i.e. request for reduced work schedule below the benefits threshold, on FMLA or any Leave of Absence), benefits will cease to accrue until eligibility otherwise resumes. Any days accrued and unused, earned to date, will be maintained as a part of the employee’s personnel record until such time as the employee resumes benefit-eligible status.

### ALLOTMENT OF PAID SICK LEAVE:

#### Full Time Teachers & SPED Assessment Team Members

On July 1 of each year, eligible employees will be allotted seven days (56 hours) of Paid Sick Leave (PSL) per school year (July 1 – June 30), unused PSL days will carry over year to year subject to a cap of 15 days (120 hours). Also, 24 hours will be front-loaded at the beginning of the school year or hire date for Personnel Necessity (PN) Days. Teachers need to have PN days requested and approved by their administrator at least five working days prior. PN days can also be used for paid sick leave. However, PLS Days cannot be used for a PN request. PN days are capped at 24 hours.

#### Part-time Teachers and Classified Staff Members

Receive 24 hours of Paid Sick Leave annually. These days can be used for either Personal Necessity or Paid Sick Leave.

#### Regional Coordinators

On July 1 of each year, eligible employees will be allotted eight days (64 hours) of Paid Sick Leave (PSL) per school year (July 1 – June 30), unused PSL days will carry over year to year subject to a cap of 15 days (120 hours). Also, 24 hours will be front-loaded at the beginning of the school year or hire date for Personnel Necessity (PN) Days. RCs need to have PN days requested and approved by their administrator at least five working days prior. PN days can also be used for paid sick leave. However, PLS Days cannot be used for a PN request. PN days are capped at 24 hours.

#### Administrators & Full-time Classified

On July 1 of each year, eligible employees will be allotted nine days (72 hours) of Paid Sick Leave (PSL) per school year (July 1 – June 30), unused PSL days will carry over year to year subject to a cap of 15 days (120 hours). Also, 24 hours will be front-loaded at the beginning of the school year or hire date for Personnel Necessity (PN) Days. Teachers need to have PN days requested and approved by their administrator at least five working days prior. PN days can also be used for paid sick leave. However, PLS Days cannot be used for a PN request. PN days are capped at 24 hours.

New Hires may carry over sick leave from their prior school district if they are certificated team members in CALSTRS. Yosemite Valley will confirm previous employment and allotted sick leave with the previous district. Once confirmed and approved, the carryover time will be added to your service credit CALSTRS upon signature of the Yosemite Valley Charter School STRS Carry-Over Policy. Carryover sick leave cannot be used while employed with Yosemite Valley Charter School.

Beginning on July 1, 2021 and each July moving forward, for any certificated member who contributes to CALSTRS, PSL and PN are capped. Any PSL and PN hours beyond their capped hours will be added to their carryover hours.

### ALLOTMENT OF PAID TIME OFF (PTO) FOR ADMINISTRATORS AND FULL-TIME HOURLY STAFF MEMBERS

Since administrators and full-time hourly employees work the entire year, they also accrue PTO. PTO accrues at 3.33 hours per pay period with a cap of 120 hours. Administrators and full-time hourly staff members must have their PTO approved by their manager a minimum of five working days prior to being taken. Unused PTO will carry over from one school year to the next.

#### Eligible Employees

#### Permitted Use

~~Eligible employees may use their allotted PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee or the employee's family member. "Child" means a biological child, a foster child, an adopted child, a step child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. "Parent" means a biological, foster, or adoptive parent, a step parent, or a legal guardian of the employee or the employee's spouse or registered domestic partner. - ~~• Full-time A-Basis, B-Basis, C-Basis, and D-Basis school based employees:~~

~~On July 1 of each year, eligible employees will be allotted ten days (80 hours) of PSL per school year (July 1—June 30), which unused PSL days will carryover year to year subject to a cap of 18 days (144 hours). Employees hired after July 1 but~~

~~before December 31 will receive ten days (80 hours) of PSL on his or her first day of employment. Employees hired after December 31 will receive five days (40 hours) of PSL on his or her first day of employment.~~

• ~~All other eligible employees:~~

~~All other eligible employees will be allotted three days (24 hours) of PSL each school year (July 1—June 30) on July 1 or on his or her first day of employment, even if hired mid year. PSL days are “use it or lose it” and, as such, do not carry over from year to year.~~

### Limits on Use

Eligible employees may use PSL beginning on the 90th day of employment.

PSL may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday for a reason covered by this policy, he or she will be required to use PSL to make up for the absence.

### Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable.

### Termination

Employees will not receive pay in lieu of unused PSL. Unused PSL will not be paid out upon termination.

### No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

## PAID SICK ~~LEAVE~~ TIME DONATION POLICY

### Personal Hardship

Employees who have exhausted all paid sick leave (PSL) and Paid Time Off (PTO) may request donations from co-workers through this policy. The PSL donation policy applies to employees suffering from a catastrophic illness or other medical emergency, which for the purposes of this policy, constitutes an employee's or a family member's medical condition that will require the prolonged/extended absence of the employee from duty and will result in a substantial loss of income to the employee due to the exhaustion of all PSL available.

### Eligibility

Employees who are experiencing hardship due to a catastrophic illness or medical emergency to take care of their own health issues or an immediate family member are eligible to request and receive donations of PSL from other employees who have agreed to surrender PSL leave to the School sponsored leave bank.

### Requests for Donations

A written request for PSL donations that describes the specific medical emergency or medical condition must be submitted to Human Resources. Human Resources will verify the employee's eligibility, and make a written determination which will be given to the employee as soon as practical.

### Donations of Paid Leave

Employees who have more than 24 hours of PSL and who wish to donate PSL to the School sponsored leave bank on behalf of an eligible employee shall complete a PSL Donation Form indicating the number of PSL hours to be donated and the employee, if any, who the employee requests receive the benefit of the donation. All such donations are voluntary and irrevocable.

### Requirements to Donate Paid Sick Time

1. Donating employees must maintain a minimum of 24 hours of PSL after reducing their leave balance to ~~effect~~ affect the donation.
2. In any 12-month period, no employee may donate more than 40 hours.
3. Voluntary donations of PSL are final upon submission of a signed ~~PSL~~ Paid Sick Leave Donation Form that satisfies the conditions established by this policy. The donating employee's PSL balance account shall thereupon be reduced by the hours donated.
4. Donated hours not used by the eligible employee during the hardship period shall remain in the eligible employee's PSL account balance.
5. The names of donating employees, hours donated, and the value of such donations shall be kept confidential to the extent possible.
- ~~5.6.~~ Conditions which are short term in nature, for example, flu, measles, common illnesses, common injuries, etc., are not covered.

### Valuation of Donated PSL

The value of the donated paid leave shall be determined by multiplying the number of hours donated by the donating employee's current hourly rate to determine the value of the donation in dollars ("Donation Value"). The Donation Value shall then be divided by the eligible employee's current hourly rate to determine the number of hours to be added to the eligible employee's PSL balance. Human Resources shall periodically notify the eligible employee of donations made pursuant to this policy. The eligible employee may then request to receive payment for these hours, which will be treated as taxable "wages" to such eligible employee for the payroll period utilized. No employee shall receive payment for more than 40 hours of paid leave, whether allotted or donated, during any week unless required by state or federal law.

## **INSURANCE BENEFITS**

Full-time employees are entitled to insurance benefits offered by YVCS. These insurance benefits will include medical, dental, and vision. The School will set a defined contribution towards the employee's insurance premiums that are sponsored by YVCS. This amount will be determined on an annual basis. The employee's portion of the monthly premiums will be deducted from the employee's paycheck on a pre-tax basis.

If medical insurance premium rates increase, employees may be required to contribute to the cost of the increase to retain coverage. Unless otherwise mandated by law, employees on a leave of

absence may be responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA. If you have any benefit related questions while on a leave of absence, please contact Human Resources.

Full-time employees will also be covered under an insurance policy that includes Life, Short-term Disability and Long-Term Disability at no cost to the full-time employee. Additional voluntary insurance plans will be offered through the School that will be the employee's responsibility to purchase and pay for.

## **COBRA BENEFITS**

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under YVCS' health plan when a "qualifying event" would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee's hours or leave of absence, divorce or legal separation, and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at YVCS group rates plus an administration fee. YVCS or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under YVCS' health insurance plan. The notice contains important information about the employee's rights and obligations.

## **SOCIAL SECURITY/MEDICARE**

If you are a full time regular employee contributing to a teacher's retirement system (PERS/STRS), your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your spouse, or former spouse, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

YVCS withholds income tax from all employees' earnings and, if elected, participates in FICA (Social Security), for temporary employees and Medicare withholding and matching programs as required by law.

## **STATE DISABILITY INSURANCE (WAGE SUPPLEMENT)**

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are ill or have non-work related injuries, or may be eligible for work related injuries if they are receiving workers' compensation at a weekly rate less than the SDI rate. Specific rules and regulations relating to SDI eligibility are available from Human Resources.

## **PAID FAMILY LEAVE (WAGE SUPPLEMENT)**

Under California law, eligible employees may participate in the Paid Family Leave ("PFL") program, which is part of the state's unemployment compensation disability insurance program. The PFL program provides up to six weeks of partial wage replacement benefits to employees who

take time off to care for a seriously ill or injured child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child (birth, foster care, adoption) The PFL program does not provide job protection or reinstatement rights. It is a wage supplement provided concurrently while an employee takes an eligible leave of absence under YVCS policy and applicable law.

YVCS will require you to take up to two weeks of unused PTO prior to your receipt of benefits under the PFL program.

The program will be administered in a manner consistent with California law. For more information regarding this program, you may contact the California Employment Development Department.

## **WORKER'S COMPENSATION INSURANCE**

Eligible employees are entitled to workers' compensation insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee.

In the event of an occupational injury or illness (as defined under Workers' Compensation Law) an employee may be covered by workers' compensation insurance instead of group insurance.

If an employee should become injured or in any way disabled on the job, he or she must report the injury immediately to his or her supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

## **SECTION 10 – EMPLOYEE COMMUNICATIONS POLICY**

### **COMMUNICATIONS POLICY**

Every employee is responsible for using YVCS' computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the Internet ("Communications Systems"), properly and in accordance with this policy. Any questions about this policy should be addressed to the employee's immediate supervisor.

The Communication Systems are the property of YVCS and have been provided for use in conducting YVCS business. All communications and information transmitted by, received from, created, or stored in its YVCS' Communication Systems are records and property of YVCS. The Communication Systems are to be used for School purposes only. Employees may, however, use YVCS technology resources for the following incidental personal uses so long as such use does not interfere with the employee's duties, is not done for pecuniary gain, does not conflict with YVCS business, and does not violate any YVCS policies:

- To send and receive necessary and occasional personal communications;
- To use the telephone system for brief and necessary personal calls; and
- To access the Internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided that employees adhere to all other usage policies.

#### **No Expectation of Privacy**

YVCS has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the Internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the Internet, and reviewing Email and instant messages sent and received by users and/or voicemails. Further, YVCS may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of YVCS' Communication Systems constitutes consent to all the terms and conditions of this policy.

Even if employees use a password to access the Communication Systems (or any aspect thereof), the confidentiality of any message stored in, created, received, or sent from YVCS' Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish YVCS' right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed YVCS upon request for any reason that YVCS, in its discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not truly eliminate the messages from the system. All Email messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send, or receive on the Communication Systems.

Notwithstanding the foregoing, even though YVCS has the right to retrieve, read, and delete any information viewed, created, sent, received, or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of the Principal.

#### Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment, and responsibility than they would use for letters or internal memoranda written on YVCS letterhead.

#### Offensive and Inappropriate Material

YVCS' policy against discrimination and harassment, sexual or otherwise, applies fully to YVCS' Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other classification protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or other characteristic protected by law) may not be downloaded from the Internet or displayed or stored in YVCS' computers. Employees encountering or receiving this kind of material should immediately report the incident to their Principal.

YVCS may (but is not required) to use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by YVCS networks. Employees who encounter inappropriate or sexually explicit material while browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to YVCS' blocking software.

#### Solicitations

YVCS' Communication Systems may not be used to solicit for political causes, commercial enterprises, outside organizations, or other non-job-related solicitations. Approval from the Principal is required before anyone can post any information on commercial on-line systems or the Internet.

#### Licenses and Fees

Employees may not agree to a license or download any material over the Internet for which a registration fee is charged without first obtaining the express written permission of his/her Principal.

### Games and Entertainment Software

Employees may not use a YVCS Internet connection to download games or other entertainment software, or to play games over the Internet.

### Confidential Information

Employees may not transmit information over the Internet or through email that is confidential or proprietary. Employees are referred to YVCS' "Confidential Information" policy, contained herein, for a general description of what YVCS deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

### Copyrights and Trademarks

YVCS' Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from his/her Principal. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor.

Any YVCS approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices. Absent prior approval from a supervisor to act as an official representative of YVCS, employees posting information must include a disclaimer in that information stating, "Views expressed by the author do not necessarily represent those of YVCS."

### Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video, and picture files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related. In addition, employees should routinely delete outdated or otherwise unnecessary voicemails, Emails and computer files. These deletions will help keep the system running smoothly and effectively, as well as minimize maintenance costs.

To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to YVCS' network must do so through an approved Internet firewall. Accessing the Internet directly by modem is strictly prohibited unless the computer you are using is not connected to YVCS' network.

Files obtained from sources outside YVCS including disks brought from home; including files downloaded from the Internet, news groups, bulletin boards, or other online services; files attached to email; and files provided by customers or vendors, may contain dangerous computer viruses that may damage YVCS' computer network. Employees should never download files from the Internet, accept email attachments from outsiders, or use disks from non-YVCS sources, without first scanning the material with YVCS approved virus checking software. If you suspect that a virus has been introduced into YVCS network, notify technology personnel immediately.

### Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

### Amendment and Modification of this Policy

YVCS reserves the right to modify this policy at any time, with or without notice. YVCS may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources, which shall control in the event of a conflict.

## **SOCIAL MEDIA POLICY**

YVCS has adopted the following policy with regard to employees' behavior on social networking sites including but not limited to Facebook, Twitter, LinkedIn, Pinterest, Instagram, SnapChat and YouTube. If you wish to use networking protocols or set up a social media site as a part of the educational process, please work with your administrators and technology staff to identify and use a restricted, School-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control of, such sites.

Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Teachers are not to initiate "friendships" with students or parents. Employees must delete any students already on their "friends" list immediately.

With regard to social networking content, employees should not use commentary deemed to be defamatory, obscene, proprietary, or libelous with regard to any School-related business or policy, employee, student, or parent. Additionally, employees should exercise caution with regards to exaggeration, obscenity, copyrighted materials, legal conclusions, and derogatory remarks or characterizations. Employees should weigh whether a particular posting puts his/her effectiveness as a School employee at risk. YVCS encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

Due to security risks, employees must be cautious when installing the external applications that work with the social networking site. At a minimum, it is recommended that all employees should have all privacy settings set to "Only Friends". The settings "Friends of Friends" and "Networks and Friends" open your content to a large group of unknown people, including students.

### Personal or Professional Blogs

If you are developing a website or writing a blog that will mention YVCS, you must identify that you are an employee of the organization and that the views expressed on the blog or web site are yours alone and do not represent the views of YVCS. Unless given permission by your Principal, you are not authorized to speak on behalf of YVCS or to represent that you do so. If you are developing a site or writing a blog that will mention YVCS, as a courtesy to the organization, please let your Principal know in advance of publication. Your Principal may choose to visit your blog or social networking site from time to time.

You may not share information that is confidential and proprietary with regard to YVCS. This includes, but is not limited to, information about curriculum, School dynamics, School programs, future goals, or current challenges within the organization. These are given as examples only and do not cover the range of what YVCS considers confidential and proprietary. If you have any questions about whether information has been released publicly or doubts of any kind, speak with your Principal.

When writing a blog or participating in any other social networking site, employees should speak respectfully about YVCS and our current and potential employees, students, parents, and competitors. Name-calling or behavior that will reflect negatively on the organization's reputation is discouraged. Note that the use of copyrighted materials, unfounded, harassing, libelous, or derogatory statements, or misrepresentation is not viewed favorably by YVCS and can result in disciplinary action, up to, and including termination.

All employees who engage in social networking may be legally liable for anything he/she writes or presents online. Employees can be disciplined, if appropriate, by YVCS for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment.

This policy should not be construed, and will not be applied, in a manner that violates employee rights under the National Labor Relations Act.

Employees may not comment on a student's blog or a student's other social networking commentaries.

Employees may not use trade names, or logos belonging to the School without express written permission of the Principal.

Failure to comply with YVCS' social media policy will result in disciplinary action, up to, and including, immediate termination.

## EQUIPMENT POLICY

YVCS attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops, and any other equipment that may be assigned to them if the loss is due to willful misconduct or gross negligence.

### Laptop Computers

Each staff member assigned a laptop for professional use shall be required to sign a laptop Agreement Form and will be charged for any damages, loss or theft to the laptop caused by willful misconduct or gross negligence.

Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School.

Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of such equipment. Such precautions shall include, but not be limited to the following:

- Keep the computing device in a locked and secured environment when not being used;
- Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures;
- Keep food and drinks away from all computing devices and work areas;
- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty office); and
- Keep the computing device in sight at all times while in public places, such as public transportation, airports, restaurants, etc. Should an employee's computing device be lost or stolen, the employee must:
  - Immediately report the incident to his/her immediate supervisor and/or Principal;
  - Obtain an official police report documenting the theft or loss; and
  - Provide a copy of the police report to his/her immediate supervisor or Principal.

If the employee fails to adhere to these procedures, the employee may be held legally and financially responsible to the School for the replacement of such equipment.

The School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

There is no expectation of privacy in School equipment. The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to management review, monitoring, and auditing by the School. Other audits may be performed on the usage and internal controls as deemed necessary.

Non-compliance with any policies or procedures regarding Employee Computers and Portable Computing Devices issued by the School will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School.

## CELL PHONE POLICY

Personal cell phone use is not permitted while you are working. Cell phones should be turned off and stored with your other personal belongings while you are working.

If you are required to perform business on a cell phone for YVCS while driving, you must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on your cell phone while driving a School vehicle or your own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages, and email.

If you are assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

### Telephone Calls and Texting

While at work and during staff meetings, the employee's undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

## **NO SOLICITATION/DISTRIBUTION POLICY**

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, YVCS has established the following policy concerning solicitation and the distribution of written materials other than those directly related to the School's business.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed, or controlled by YVCS.

Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks.

Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Additionally, distribution of written materials of any kind by YVCS employees is prohibited at all times in all working areas on School premises.

Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by YVCS.

School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School. YVCS must approve any postings prior to posting.

YVCS reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business.

Employees are required to leave School premises and other work areas at the completion of their workday. Employees are not permitted to enter or remain on School premises or work areas unless the employee is on duty, scheduled for work, coming to or departing from scheduled work, or otherwise has specific authorization from their supervisor.

### Definitions

School "premises": property owned, leased, operated, managed, or controlled by the School, including buildings, parking lots, and play areas that the School has the right to use exclusively or in common with others, vehicles owned or operated by the School.

Work time: any time when employees are engaged in or required to be performing work tasks. Work time does not include break periods, meal times, or other periods during the workday when employees are properly not engaged in performing their work tasks.

Work areas: all areas controlled by the School where employees are performing work, except cafeterias, employee break areas, and parking lots (non-work areas).

### Employee Responsibility

If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If you are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to your supervisor.

## ANTI-NEPOTISM POLICY

### Policy Statement

It is the policy of YVCS to avoid Nepotism, which means to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts of interest, or management disruptions exist due to a relationship between a YVCS decision-maker and his or her Family Member. This policy is to ensure effective supervision, internal discipline, security, safety, and positive morale in the workplace and to avoid the potential for problems of actual or perceived favoritism, conflicts in loyalty, discrimination, and appearances of impropriety or conflict of interest. This policy applies to all YVCS board members, employees, individual consultants hired or retained by YVCS, and School Services Providers hired or retained by YVCS.

Relationships between YVCS board members, employees, consultants, or School Services Providers are permissible under the following circumstances:

- (a) Family Members of YVCS board members, employees, individual consultants, or School Services Providers shall not be hired for or retained in an employment position if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other.
- (b) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not result in an adverse impact on work productivity or performance. The determination of whether there is an adverse impact shall be in the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or in the case of a board member, in the discretion of the YVCS board of directors.
- (c) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not create an actual conflict of interest under the law, and shall not create a detrimental perceived conflict of interest. The determination of whether there is a detrimental perceived conflict of interest shall be in the discretion of the supervisor(s) of the employee(s), consultant(s) or School Services

Provider(s), or in the case of a board member, in the discretion of the YVCS board of directors.

### Definitions

**“Family Members”** include an employee's parent, child (natural, adopted, or legal guardianship), spouse, domestic partner, brother, sister, grandparent, grandchild, step-relationships within the preceding categories, brother-in-law, sister-in-law, son-in-law, daughter-in-law and father-in-law.

**“Nepotism”** describes a work-related situation in which there is the potential for favoritism toward a Family Member (such as giving a job, promotion, biased performance reviews, or more favorable working conditions) on the basis of the familial relationship.

**“School Services Provider”** shall mean any provider of school services to YVCS, and in the case of an organization shall mean be the responsible individual at such organization that provides school services to YVCS.

### Procedures

When a Family Member of a current YVCS board member, employee, individual consultant, or School Services Provider applies to become a board member or employee, or requests to be a consultant or School Services Provider, the Family Member's application/request must be denied if a conflict under this policy exists (*e.g.*, if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other). Special circumstances may be reviewed by the Board in the event that YVCS' best interests would be served otherwise.

When a Family Member of a current YVCS board member, employee, individual consultant, or School Services Provider applies for a transfer to a new employment position within YVCS, the Family Member's application must be evaluated to determine whether a conflict under this policy exists. If a conflict exists, the application for transfer must either be denied or one of the Family Members must seek a position transfer to avoid the conflict, if any such opportunity exists. In the event that no such opportunity exists, the application for transfer must be denied.

In implementing this policy, it is permissible to ask an applicant, potential consultant, or School Services Provider to state whether he or she has a Family Member who is presently employed by or on the board of YVCS, but such information may not be used as a basis for an employment decision except as stated herein.

When a relationship that creates a conflict with this policy occurs during employment, YVCS will attempt to arrange a transfer or change in position/duties to eliminate the conflict. If a suitable transfer/change in position/duties is not available, one of the employees may be separated from service. Every attempt will be made to effect transfer or separation on the basis of agreement between the employees involved and YVCS. If a mutual agreement is unattainable, the Board will determine, in YVCS' best interest, which employee is to be transferred or separated.

### Responsibilities

The Principal or designee shall coordinate with the current employee's direct supervisor to develop appropriate plans to ensure that a Family Member's employment does not conflict with this policy. If the situation cannot be resolved by a transfer, then the Principal or designee will deny the

application for employment. Special circumstances may be reviewed by the Board in the event that YVCS' best interests would be served by the employment of a Family Member.

The Principal or designee shall investigate reports of Nepotism and take appropriate action. Employees are required to disclose changes in their personal situations to the Principal or designee which may be covered by this policy. Supervisors may inquire about the family relationship between employees to determine the appropriateness of the working relationship under this policy. The Board shall make the final determination concerning potential conflicts with this policy involving the Principal.

## VIOLENCE IN THE WORKPLACE

YVCS has adopted a policy prohibiting workplace violence. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve or affect YVCS or which occur on YVCS property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

- All threats or acts of violence occurring on YVCS premises, regardless of the relationship between YVCS and the parties involved
- All threats or acts of violence occurring off YVCS premises involving someone who is acting in the capacity of a representative of YVCS

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

Violations of this policy by any individual on YVCS property will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors or to their Principal.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the

There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even

if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

## SECTION 11 – STANDARDS OF CONDUCT

### PERSONAL STANDARDS

Each employee must be neatly groomed and wear clothing that is professional and appropriate for the employee's position. Your Principal or immediate supervisor will inform you of any special clothing requirements. Employees will not be permitted to wear clothing or otherwise present an appearance that may cause disruption, be taken as offensive, or reduce productivity.

Consult your supervisor if you have any questions regarding appropriate attire.

### TEACHER-STUDENT INTERACTIONS

#### Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

#### Acceptable and Unacceptable Behavior

Some activities may seem innocent from a staff member's perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, inappropriate or sexual misconduct.

Staff members must understand their own responsibilities for ensuring they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

#### Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator
- Listening to or telling stories that are sexually oriented

- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without parental permission
- Being alone in a room with a student at school with the door closed
- Allowing students in your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students if the content is not about school activities

#### Acceptable and Recommended Behaviors

- Obtaining parent's written consent for any school activity (exclusive of tutorials)
- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment)
- Keeping the door open when alone with a student
- Keeping reasonable and appropriate space between you and the student
- Stopping and correcting students if they cross your own personal boundaries
- Keeping parents informed when a significant issue develops about a student
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior-staff or administration if you find yourself in a difficult situation related to boundaries
- Involving your supervisor in discussion about boundaries that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)
- Making detailed notes about an incident that in your best judgment could evolve into a more serious situation later

- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours
- Prioritizing professional behavior during all moments of student contact
- Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career

### Reporting

When any staff member becomes aware of another staff member, volunteer, guest or vendor having crossed the boundaries specified in this policy, or has a reasonable suspicion of misconduct, he or she must report the suspicion to their immediate supervisor or the Principal promptly. Reasonable suspicion means it is based on facts which would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the School as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

### Investigating

The School will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as it deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible.

### Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

## **CUSTOMER & PUBLIC RELATIONS**

The School's image in front of students, parents (i.e. our "customers") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. It is possible an employee may come into contact with a dissatisfied or hostile individual based on the nature of the employee's work. If this happens, you should immediately notify your supervisor or the Principal. We will absolutely not tolerate conduct toward our customers or the general public that might be interpreted as unlawful discrimination or harassment. If you witness conduct in violation of this policy, you should immediately bring it to the attention of your supervisor or the Principal.

## **PROHIBITED CONDUCT**

The School prohibits audio or video recordings in the workplace, during working hours, without authorization of the School due to privacy and confidentiality concerns and protections.

The School devotes significant time, energy, and expense to develop and acquire its trade secrets and confidential information. As an employee of the School you will, during the course of your employment, have access to and become familiar with various trade secrets and confidential information that are owned by the School. An employee shall not, directly or indirectly, disclose or use any of the foregoing information other than for the sole benefit of the School, either during the term of your employment or at any other time thereafter. This information shall not be disclosed except through normal channels and with authorization. Any and all trade secrets or confidential information shall be returned to the School during extended leaves of absence or upon termination.

During your employment with the School, you will not be permitted nor required to breach any obligation to keep in confidence proprietary information, knowledge, or data acquired during your former employment. You must not disclose to the School any confidential or proprietary information or material belonging to former employers or others.

Violations of this policy may result in disciplinary action, up to and including termination.

## CONFLICTS OF INTEREST

All employees must avoid situations that result in actual or even potential conflicts of interest. Personal, social, and economic relationships with competitors, suppliers, customers, parents, or

co-employees that may impair an employee's ability to exercise good judgment on behalf of the School or which give the appearance of such impairment create an actual or potential conflict of interest. For example, romantic or personal relationships between a supervisor and subordinate employee can lead to supervisory problems, claims of harassment, and morale problems.

Any employee involved in such situations or relationships must immediately and fully disclose the nature of the situation or relationship to the Principal so a determination can be made as to whether an actual or potential conflict exists, and if so, how to correct the situation.

YVCS expects employees to devote their best efforts to the interests of our school. YVCS recognizes your right to engage in activities outside of your employment, which are of a private nature and unrelated to our business. However, outside activities (second jobs, side businesses, clubs, etc.) must not interfere with your ability to fully perform your job duties at YVCS or create a conflict of interest with your statutory duty of loyalty to the School. The School prohibits employees from working with another School or external organization that competes with YVCS whether as a regular employee or as a consultant.

If you have any questions whether an action or proposed course of conduct would create a conflict of interest, you should immediately contact the Principal to obtain advice on this issue. A violation of this policy will result in immediate and appropriate discipline, up to and including, immediate termination.

This policy is in addition to YVCS' Revised Nonprofit Conflict of Interest Policy and Conflict of Interest Code.

#### Outside Employment

If you are a full time employee we expect that you devote your full professional effort to your position at YVCS. If you wish to participate in outside work activities you are required to obtain written approval from the Principal prior to starting those activities. Approval will be granted unless the activity conflicts with YVCS' interests. In general, outside work activities are not allowed when they:

- Prevent you from performing work for which you are employed at YVCS.
- Involve organizations that are doing or seek to do business with YVCS including actual or potential vendors.
- Violate provisions of law or YVCS policies or rules.
- When the employee is on a medical leave (FMLA/CFRA/PDL or any other medical leave).

Your obligations to YVCS must be given priority. Full time employees are hired and continue employment with the understanding that YVCS is their primary employer and that other employment, commercial involvement or volunteer activity that is in conflict with the business interests of the school is strictly prohibited.

#### **POLICY REGARDING INCONSISTENT, INCOMPATIBLE OR CONFLICTING EMPLOYMENT, ACTIVITY OR ENTERPRISE BY SCHOOL PERSONNEL**

### Policy Statement

It is the policy of YVCS that its officers and employees may not engage in any outside activity, employment, or enterprise for compensation which is inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of YVCS. During working hours or on school premises, officers or employees shall not engage in political or religious activities, or recruit or solicit students or members of the public for political or religious activities.

An officer's or employee's outside activity, employment, or enterprise for compensation shall be determined to be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of YVCS if any of the following apply:

1. It involves the use of YVCS time, facilities, equipment, supplies, or the officer's or employee's position or influence with YVCS, for private gain or advantage.
2. It involves receipt or acceptance by the officer or employee of any money or other consideration for the performance of an act that would otherwise be required within the scope of the officer or employee's duties with YVCS.
3. It involves the performance of an act as part of the outside activity that involves services performed for YVCS.
4. It affects the officer's or employee's work hours, interferes or conflicts with the officer's or employee's job duties, raise any ethical or conflict of interest concerns, or create any conditions that impact the officer's or employee's job performance.

Officers and employees may not use YVCS' name, logo, supplies, equipment or other property in connection with any outside activities.

### Procedure

In the event that an officer or employee believes that an outside activity for compensation may be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of YVCS, the officer or employee shall obtain a written determination of the Principal or his or her designee that the outside activity is not in violation of this policy before engaging in such activity.

### **EXPENSE REIMBURSEMENT POLICY**

YVCS will reimburse employees for certain reasonably necessary business expenses incurred in the furtherance of YVCS business. In order to be eligible for reimbursement, employees must follow the protocol set forth in the school's relevant fiscal and accounting policies and procedures. In general, the immediate supervisor must have previously approved all expenses, prior to the employee spending money. All receipts pertaining to the reimbursement must be original and detailed, and should be submitted to the appropriate supervisor for review and approval, prior to submission for final approval and payment.

### **POLICY CONFIRMING RESTRICTION ON THE PROVISION OF FUNDS OR OTHER THINGS OF VALUE TO STUDENTS, PARENTS OR GUARDIANS**

### Policy Statement

It is the policy of YVCS that YVCS shall not provide any funds or thing of value to any student or his or her parent or guardian that a school district could not legally provide to a similarly situated student, or his or her parent or guardian. YVCS does not and shall not provide, for example, “sign up bonuses” to parents or guardians or other incentives unrelated to education.

Additionally, a student, parent or guardian shall not use his or her status as a student, parent or guardian with YVCS in order to obtain funds or thing of value from YVCS. For example, this policy prohibits an individual from utilizing his or her status as a parent or guardian to obtain a vendor contract with YVCS for compensation. It also prohibits an individual from utilizing his or her status as a parent or guardian to refer or encourage any students enrolled in YVCS, or their parents or guardians, to select that individual or his or her company or another provider of services, in connection with the student’s education at YVCS, resulting in the individual’s receipt of funds or thing of value from YVCS.

### Procedures

The prior approval of the Principal or his or her designee must be obtained for any of the following in order to ensure that it does not conflict with this policy:

1. Any funds or thing of value provided to a student, parent or guardian which has not previously been approved. This applies in any situation in which a student, parent or guardian would any funds or thing of value, whether in their capacity as a student, parent, guardian, vendor, service provider or other circumstance.
2. Any proposed incentive to be offered to students or parents.

In requesting approval, the educational purpose of any such funds, thing of value or incentive must be provided to the Principal or his or her designee.

## SECTION 12 – SAFETY

### SUBSTANCE AND ALCOHOL POLICY

It is the intent of YVCS to promote a safe, healthy and productive work environment for all employees. The School recognizes that the illegal and/or excessive use of drugs and/or alcohol is not conducive to safe working conditions, employees' health, efficient operations, or School success.

For purposes of this policy, "illegal drugs" includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana and marijuana vaping or other recreational marijuana use), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). "Drug paraphernalia" means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. "Under the influence" means that the employee is affected by alcohol, prescription medication that impairs cognitive or physical functions, and/or illegal drugs in any detectable manner.

The School complies with all Federal and State regulations regarding drug use while on the job. This policy prohibits the following:

- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol during working hours, including meal and break periods, or in the presence of pupils;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol on School property at any time;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol while attending a School function or event;
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on the School's premises;
- Refusing to submit to an inspection or testing when requested by administration;
- Being under the influence of illegal drugs, prescription medication that impairs cognitive or physical functions and/or alcohol during working hours, while on the School's premises and/or attending a School function or event.

Employees taking physician-prescribed medications, which impairs the employee's job performance, (including medical prescribed marijuana) should not report to work. In addition, if you are required to take any kind of prescription or nonprescription medication that will affect your ability to perform your job, you are required to report this to Human Resources. Human Resources will determine if it is necessary to temporarily place you on another assignment or take other action as appropriate to protect your safety and the safety of other employees and students. Employees taking physician-prescribed medication which will not impair their job performance may be required to present a statement from the prescribing physician to the employee's supervisor indicating the duration of the prescription and stating that the use of the prescription will not impair the employee's ability to perform his or her specific job duties. This policy does not require or

request the prescribing physician or the employee to identify any prescription drug or the medical condition for which it is prescribed. No employee shall use or have in his or her possession on the School premises any prescription medication other than medications currently prescribed by a physician for the employee.

This policy will not be construed to prohibit the use of alcohol at social or business functions. However, employees must remember their obligation to conduct themselves appropriately at all times while at School-sponsored functions or while representing the School.

The School may at times conduct unannounced searches of School property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with any other School-related policy. As a result, employees do not have an expectation of privacy in this regard.

Violation of this Substance and Alcohol Policy may result in disciplinary action, up to and including termination, at the School's sole discretion.

Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance.

Compliance with this Substance and Alcohol Policy is a condition of employment at the School. Failure or refusal of an employee to cooperate fully, sign any required document, submit to any inspection, or follow any prescribed course of substance abuse treatment will result in discipline, up to and including termination.

Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, the School may report such illegal drug activities to an appropriate law enforcement agency.

The School may require a test by intoxilator, blood test, urinalysis, medical examination of those persons whom the School reasonably suspects of using, possessing, or being under the influence of a drug or alcohol or is acting in such manner that they may harm themselves or another employee.

Any refusal to submit to such testing will be considered a positive screen. An employee's consent to submit to such a test is required as a condition of employment, and an employee's refusal to consent may result in disciplinary action, including termination for a first refusal or any subsequent refusal. The School shall determine the manner in which such testing is conducted with the goal being to ensure that the test results are accurate.

Such a test may be required of employees involved in any work-related accident or unsafe practice where the safety of the employee or other employees was jeopardized. Periodic retesting may also be required following positive test results or after any violation of this policy or rehabilitation.

All School buildings and facilities are non-smoking facilities. This includes nicotine and non-nicotine cigarettes including (herbal cigarettes) as well as e-cigarettes, vaping and/or pipes (both

Employee must have prior supervisory approval for the use of personal vehicles.

Charter School's liability policy would be used only after their policy limits have been exceeded. Charter School does not cover, nor is it responsible for, comprehensive and collision coverage to personal vehicles. Charter School's insurance does not cover damage to personal vehicles.

### Driving Record Requirements:

All drivers must obtain and provide a copy of their current Motor Vehicle Record (MVR) at least annually for review; it is available online on the DMV website. Any moving violation must be reported.

YVCS employees are prohibited from using personal property for work-related purposes unless approved in advance by the Principal.

## SAFETY POLICY

YVCS is firmly committed to maintaining a safe and healthy working environment. All employees of the School are expected to be safety conscious on the job at all times. All unsafe conditions or hazards should be corrected immediately. Report all unsafe conditions or hazards to your supervisor or Principal immediately, even if you believe you have corrected the problem. If you suspect a concealed danger is present on School premises, or in a product, facility, piece of equipment, process, or business practice for which the School is responsible, bring it to the attention of your supervisor or Principal immediately. Supervisors should arrange for the correction of any unsafe condition or concealed danger immediately and immediately contact the Principal regarding the problem.

All workplace injuries and illnesses must be immediately reported to your supervisor and Human Resources.

YVCS has in place a written Injury and Illness Prevention Program as required by law. Please contact Human Resources for further information.

## ERGONOMICS

YVCS has invested in providing a work environment that is safe for all employees. To lessen the risk of ergonomic hazards, the School will make necessary adjustments to an individual's workstation, educate employees on ergonomic safety, and modify processes when deemed necessary to ensure the well-being and safety of our employees. You should report any ergonomic concerns to your Principal.

### INVOLUNTARY TERMINATION

An employee may be terminated involuntarily for, among other reasons, poor performance, misconduct or other violations of YVCS' Rules of Conduct as set forth herein. Notwithstanding the foregoing, or anything else contained in this handbook, YVCS reserves the right to terminate any employee at any time, with or without advance notice and with or without cause.

## EMPLOYEE HANDBOOK ACKNOWLEDGEMENT

By my signature below, I acknowledge that I have received a copy of Yosemite Valley Charter School's ("YVCS") Employee Handbook, on the date indicated below and agree to my at-will employment as described below. I acknowledge that it is my responsibility to read and review the Employee Handbook carefully. I also acknowledge that it is my responsibility to ask for clarification if I do not understand any of the policies included in the Employee Handbook.

I understand that the Employee Handbook contains important information regarding YVCS' expectations, policies and guidelines and that I am expected to comply with these expectations, policies and guidelines at all times. I understand that the Employee Handbook does not provide a binding contract, but provides guidelines for personnel concerning some of YVCS' policies.

In particular, I have read and understand YVCS' Anti-Nepotism Policy, Policy Regarding Inconsistent, Incompatible or Conflicting Employment, Activity or Enterprise by School Personnel, Policy Confirming Restrictions on the Provision of Funds or Other Things of Value to Students, Parents or Guardians, and restrictions and procedures to avoid Conflicts of Interest.

Just as I am free to terminate the employment relationship with YVCS at any time, YVCS, in its sole discretion, also reserves the right to modify or terminate the employment relationship with me at any time for any or no reason and with or without notice. Further, there is no agreement, express or implied, written or verbal, between the employee and YVCS for any specific period of employment, for continuing or long-term employment, or for guaranteed terms and conditions of employment. No one other than the Principal of YVCS, with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Principal. This is the entire agreement between YVCS and me regarding this subject. All prior or contemporaneous inconsistent agreements are superseded. If I have an individually negotiated written employment agreement with YVCS, then the terms and conditions of that agreement will prevail to the extent it differs from the policies in this Handbook.

YVCS reserves the right to modify, alter, add to or delete any of the policies, guidelines or benefits contained in this handbook at any time with or without notice.

Other than YVCS Board of Directors, no other entity or person has the authority to modify this employee handbook.

<b>Section:</b>	<b>VIII. Governance</b>
<b>Item:</b>	<b>A. Meeting Format</b>
<b>Purpose:</b>	<b>Discussion &amp; Potential Action - Vote</b>
<b>Related Material:</b>	<b>N/A</b>

### BACKGROUND:

- It is recommended that the Board meets to determine health/safety risks of meeting in-person vs virtually. Reference: [Government Code Section 8625](#)
- If a state of emergency as declared by the governor continues to remain active, legislative bodies must “re-up” their decision to teleconference using this flexibility and making a determination every 30 days thereafter. Doing so, the Board must make the following findings, by majority vote:
  - The board has reconsidered the circumstances of the state of emergency.
  - Either of the following circumstances exist: (1) The state of emergency continues to directly impact the ability of the members to meet safely in person, and/or (2) state or local officials continue to impose or recommend measures to promote social distancing.
- The flexibility afforded under AB 361 sunsets on January 1, 2024 and the usual teleconferencing restrictions return to pre-COVID practices/guidelines.

### RECOMMENDATION:

- Consider approval to hold the next meeting in May in a hybrid format, offering both in person and virtual options to attend the Board meeting.
