The Charter School's ITD always tries to take the most cautious and diplomatic approach when attempting to recover any stolen items. Three attempts will be made to contact the employee using all forms of communication. Once our attempts have been unsuccessful, a police report is established and all information is handed over to the Absolute Recovery Team for further investigation. Absolute will then continue their process by tracking the device, contact the person in question, communicate with local law enforcement and if found provide a warrant to search for the device.

If a staff member has a lost or stolen device while still employed with the Charter School, please report the device to local law enforcement and contact the ITD to begin the investigation process. ITD will do their best to recovery and replace any device that has been reported as lost, stolen or missing. A police report must be provided prior to starting the investigation.
