

English Learner Resources Cabrillo Point Academy

The following websites all contain a vast array of resources to help HSTs and parents to support their EL students as they continue to learn and strengthen their English skills. Most everything on these websites is free, however, some may then have adds for items that are for a cost. If you find something you are interested in, remember that you can most likely use your funds to purchase those subscriptions, workbooks, etc.

I hope that you find these resources to be useful. If you have questions, feel free to contact your HST or myself, Jennifer Carrete at jennifer.carrete@cabrillopointacademy.org
