Discussion and Potential Action on the Comprehensive Safety Plan

Sherri McFadden questions:

-asked about the specific drug Soma and why not all drugs. Shouldn't this be more general? There is a suspension code for Soma which is why it is mentioned specifically.

-asked for clarification on Ed Code 48915, page 102. The rules about this don't seem to be defined well. Should we define where the bullying takes place a little better?

-same question about Ed Code 48900. We would refer back to Cabrillo's policy in regards to this.

-there is some confusion about expulsion of firearms and imitation firearms.

-page 97, #8 Purposefully limiting a student's access to educational tools. Why is this one listed under types of conduct which are prohibited. Item needs to be defined more clearly. Erika responded this is under Title IX.

-Mental Health Guidelines pg. 106, 1st and 2nd paragraphs repeat themselves on page 107.

- Natasha Brunstetter motioned to approve the Comprehensive Safety Plan with review of possible changes mentioned above. Lisa Rumsey seconded.

Discussion and Potential Action on the Vendor Agreement

Sherri McFadden questions:

-Asked for clarification on page 4, f. No Volunteering or Fees section. Cabrillo does not want the families to have to pay any additional fees out of pocket, like registration fees.

-Why is the vendor website a requirement for vendors? Seems like a huge hurdle for small vendors. Is it possible current vendors could be grandfathered in? Erika responded this is a common practice for other charter schools. The services need to be made available to the public, not just Cabrillo students.

-Exhibit B – regarding the checklist, will it affect their status if they don't check off all items? Erika: no, just for our records.

- Caroline Moon motioned to approve the Vendor Agreement. Lisa Rumsey seconded.

Important Information

- This summary does not alter the at-will nature of the employment relationship and nothing in this summary shall limit the School's right to terminate employment at-will or limit the School's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. This includes, without limitation, the School's right to modify the compensation of any employee at any time, with or without notice and with or without cause.
- The School Board adopts this compensation schedule for 2020-2021 only. Pay increases are not granted automatically each year; therefore, neither past nor future compensation can be calculated, assumed, or predicted on the basis of this schedule or any information contained herein. Compensation of any employee may also be adjusted at any time based on operational needs of the School.
- The Senior Director shall recommend compensation for all School staff, consistent with the budget approved by the School Board. -An employee's regular compensation is paid on a semi-monthly basis in accordance with the School's payroll practices and policies.
- The School reserves the right to change, suspend, revoke, terminate, or supersede provisions of this compensation schedule at any time. To the extent any of provisions herein differ from the terms of an employee's employment agreement, the terms of the agreement shall prevail.

Compensation Philosophy

A compensation philosophy is a statement that defines what an organization offers and chooses to reward via its compensation system. The School's compensation philosophy places emphasis on equity, transparency, excellence, and commitment. These five key values are the foundation for all School compensation structures and practices.

We offer…

- comprehensive compensation packages for all staff, including base salary and benefits. Certain employees may be eligible for bonuses and stipends, as set forth herein
- a dynamic culture and vibrant community of colleagues united by shared dedication to students, a commitment to innovation, and a strong growth mindset
- unique career pathways, growth and development opportunities, and leadership roles that encourage staff to challenge themselves

- equitable compensation, regardless of gender, race/ethnicity, national origin, sexual orientation, age, religion, disability or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations
- a transparent and clearly communicated compensation system, so that staff understand what factors may determine individual compensation and how and when potential changes to compensation will be effected

We recognize and reward…

- exceptional performance and contributions that enable excellent student outcomes
- commitment of staff who contribute to the long-term success of our students and our organization

For teachers…

Given the role they play in providing educational services, teachers are particularly critical to the success of our mission. As such, we offer teacher compensation to attract and retain talented educators, and we specially recognize and reward:

- exceptional teacher performance that leads to growth and excellence for students
- commitment of teachers who develop deep, high-quality educational experience (within or outside of the School) and assume critical leadership responsibilities

CERTIFICATED COMPENSATION

Certificated Definition:
For the purpose of this policy, certificated is defined as any position that requires a certificate and/or credential as defined by the California Teaching Commission (CTC).

Teacher Definition:
For purposes of this schedule, a Teacher is defined as a person who has a valid credential or certificate that allows them to teach a specific subject matter or special education

Salary Placement Guidelines:
Upon hire, each employee's salary placement will be calculated based on the YEAR an employee fits, and in accordance to the professional and teaching experience gathered in previous years in the institutions outlined in this manual and on other factors such as prior performance (which includes a rehired employee).
The starting salary of a new employee may exceed the salary of a current employee in the same position based on the new employee's years of experience.

Creditable Years of Experience:

- The School has the option to grant one (1) YEAR for each one (1) year of approved creditable teaching or professional experience up to 5 (five) years.
- An additional year may be granted for teachers who have school-desired experience in what the school determines to be "hard-to-staff" positions.
- One year of creditable professional or teaching experience will be granted for full-time employment, which is employment for 100% of an institution's normal work schedule during the school year
- A partial year of creditable professional or teaching experience can be granted for up to a year of part-time employment, which is less than 100% of an institution's normal work schedule during the school year.
- Creditable professional or teaching experience may be earned in:
    - California and US public, charter, and private elementary and secondary schools
    - Accredited foreign public, charter, and private elementary and secondary schools
    - California, US, and foreign accredited universities and colleges
    - Non-public special education contract schools for special education teachers
    - Other regionally accredited educational institutions
- Creditable teaching experience is experience as a teacher in one of the institutions outlined above.

- A maximum of 2 years of substitute teaching experience in California and US public, charter, and private elementary or secondary schools may be accepted.
- Two years of teacher assistant experience in the above institutions will be equal to 1 YEAR in the salary schedule up to a maximum of 2 YEARS.
- Other relevant professional experience may be considered by the Senior Director or designee.

The Senior Director or his or her designee may adjust a rehired teacher's placement on the pay scale as appropriate based on the employee's accumulated experience following the teacher's separation from the School, which may result in a higher or lower placement on the scale than the teacher would have otherwise been placed had the teacher been continuously employed.

Credential/Certification:

- Teachers holding a valid and active credential (i.e., preliminary, clear, lifetime) California teaching certificate at the time of hiring/rehiring will generally be compensated in accordance with the applicable teacher salary table (B Basis, C Basis or Special Education) for certificated teachers.

- The School may hire teachers with a bachelor's degree who do not hold a clear teaching credential. Staff holding an alternative certification (intern, emergency, or preliminary credential) are rated on the same salary teacher table as certificated teachers.

- A teacher is eligible to advance to the proper Pay Scale level once they meet the requirement for that specific Pay Scale Level and Group based on their creditable years of service and post Bachelor degree units, if applicable. Course work is creditable for row placement and advancement if it is a course taken for credit at an accredited institution, reasonably related to the employee's assignment or future assignment, and posted as semester, quarter, or trimester units on an official transcript in the institution's graduate course number series

- For any given school year, teachers must submit any successfully completed post-BA units no later than October 31 in order for the units to be applied to the teacher's salary in that school year. Any proof of successfully completed post-BA units submitted to the School after October 31 will not result in an adjustment to compensation until the following school year.

- Any increase in pay resulting from an advancement on the Pay Scale based on the successful completion of post-BA units will not take effect until after the School's receipt of sufficient documentation supporting the advancement. Pay increases for post-BA units will not be paid retroactively. For illustration purposes, if a teacher is awarded a degree on January 15 and provides proof of the degree on May 1, any advancement on the Pay Scale and increase in pay will be effective beginning the next school year. The teacher will not be paid at the higher rate of compensation retroactively (i.e., for the periods between January 15 and July 1).

- If a teacher is awarded a degree on August 15 and provides proof of the degree on October 15, any advancement on the Pay Scale and increase in pay will be effective beginning the first pay period following October 15. The teacher will not be paid at the higher rate of compensation during the periods between August 15 and October 15.

Advanced Degree/Certificate Stipends:

- Teachers who hold a Doctoral degree are entitled to additional compensation of $3,000 stipend in addition to their current annual salary on the Salary Table.
- The stipend is not included in your annual salary and may be processed separately from regular earnings.
- National Board Certificate (NBC) holders are entitled to a $3,000 stipend in addition to current annual salary on the Salary.
- Proof of National Board Certificate (NBC) and Doctoral Degrees must be submitted by October 31 in order for stipend to be paid for that year. Any submission after October 31 will result in stipend for the following year.
- The stipends will be paid as set forth in the Stipend Chart below.

Signing Bonus:
If the School decides to issue signing bonuses, the following requirements shall apply.

- Signing bonuses may be offered to teachers certified in an area of critical concern as defined by the School, to promote diversity, or to address specific concerns at the school.
- The Senior Director shall designate the individuals authorized to receive the signing bonus.
- The signing bonus must be approved by the Board.
- To qualify for a signing bonus, the teacher must:
    - be certified in the field they are hired to teach.
    - teach in that field of the bonus.

Supplemental Duty Stipends:

- Stipends are assigned and approved by the Senior Director or his/her designee at the beginning of the school year or semester or as otherwise noted in the chart below.
- Teachers who perform the supplemental duties outlined in the table below are eligible to receive the corresponding stipends as indicated and only if assigned/awarded to the teacher by the Senior Director or his/her designee. The number of stipends awarded under each category and/or the periods of service during the school year are at the sole discretion of the Senior Director or his/her designee.

- Supplemental duty stipends are authorized for the specific year assigned and are not renewed for the future years unless specifically authorized for those years. This means additional duties such as New Teacher Trainer, SPED Lead Teacher, etc. are assigned on a year by year basis and are not guaranteed responsibilities that carry over from year to year.
- Supplemental pay will cease when there is no need for the duty, the employee becomes ineligible or as otherwise determined in the sole discretion of the School.
- The School, in its sole discretion, may choose not to offer certain stipends
- Stipend amounts and requirements will be reviewed periodically and may be modified from time to time at the sole discretion of the School.
- Supplemental duty stipends are prorated and will be paid as set forth in the below Stipend Chart, once the Supplemental duty has started.
- Student stipends are paid per semester based on the teacher roster in the months of September and February.

Medical Opt-Out Stipend:

- Employees may elect not to enroll in any of the medical plans offered by the Charter School. The employee must certify that they have medical coverage for themselves and eligible dependents elsewhere that is comparable to one of the plans offered by the Charter School. They will receive an employer contribution of $250 per month.

- A Senior Director, in his or her sole discretion, shall determine what duties shall be supplemented based upon the operational needs of the school.
- A supplement is not automatic, and can be provided at the discretion and approval of the Senior Director, based on additional work beyond the regular work responsibilities.
- A supplement will be paid to the employee in accordance with the schedule provided by the School at the time of supplement award.
- The supplemental award shall not exceed $35,000 or 50% of annual salary.
- All supplements listed are paid for the performance of duties beyond the regular work day and normal job responsibilities and are not approved solely on the basis of position classification or previous supplement payment. Additional time spent fulfilling job duties does not constitute a basis for compensation beyond the teachers' regular salary.
- Teacher supplements will be set forth in a Supplement Performance Order. The Supplement Performance Order Request shall be completed and signed by the teacher and the Senior Director prior to performing the supplemental duties.
- Supplements will be paid in installments or one lump sum if less than $1,001. However, this option will not be available where it would cause the employee to receive compensation prior to providing the service.
- Additional Supplements may include things such as Winter Break Coverage, Extra Student Pay and Enrollment Milestones.
- To qualify for an extended duty supplement, the following criteria must be met as requested and assigned by the Senior Director:
    - 1. The Senior Director must first agree with the teacher on the terms
    - 2. The supplemental work must be separate from the normal job responsibilities.
    - 3. The work must be completed or in the progress of being completed.

- The starting salary of a new employee may exceed the salary of a current employee in the same position based on their years of experience.
- Experience may be earned in other districts or other companies.
- The Senior Director or his or her designee may adjust a rehired non-exempt employee's placement on the pay scale as appropriate based on the employee's accumulated relevant

experience following the employee's separation from the School, which may result in a higher or lower placement on the scale than the employee would have otherwise been placed had the employee been continuously employed. Adjustments to an employee's salary may be made in any subsequent school year.

Additional Supplement Bonus ("Supplement"):
The Senior Director may recommend a Supplement for classified staff members as set forth in this section.

- A Senior Director, in his or her sole discretion, shall determine what duties shall be supplemented based upon the operational needs of the school.
- A supplement is not automatic, and can be provided at the discretion and approval of the Senior Director, based on additional work beyond the regular work responsibilities.

- All supplements awarded are paid for the performance of duties beyond the regular work day and normal job responsibilities and are not approved solely on the basis of position classification or previous supplement payment. Additional time spent fulfilling job duties does not constitute a basis for compensation beyond the classified staff members' regular salary.
- Classified staff member's supplements will be set forth in a Supplement Performance Order. The Supplement Performance Order Request shall be completed and signed by the classified staff member and the Senior Director prior to performing the supplemental duties.
- Supplements will be paid in installments or one lump sum if less than $1,001. However, this option will not be available where it would cause the employee to receive compensation prior to providing the service.
- Additional Supplements may include things such as Winter Break Coverage and Enrollment Milestones.
- To qualify for an extended duty supplement, the following criteria must be met as requested and assigned by the Senior Director:
    - 1. The Senior Director must first agree with the classified staff member on the terms
    - 3. The supplemental work must be separate from the normal job responsibilities.
    - 4. The work must be completed or in the progress of being completed.

PAYROLL ADVANCE POLICY

POLICY BRIEF AND PURPOSE

Our payroll advance policy describes our terms for advancing pay to our employees as an emergency short-term loan.

SCOPE

This policy applies to all employees, with the exception of the Senior Director and officers of Cabrillo Point Academy. In addition, temporary employees with contracts that are less than one year will not be eligible for Payroll Advances.

POLICY ELEMENTS

"Payroll advance" refers to employees receiving a portion of their pay before their next normal payday. This does not include any money paid to the employee for work-related expenses.

The School is not obliged to pay employees in advance and may choose to do so if employees have qualifying reasons.

CONDITIONS FOR REQUESTING A PAYROLL ADVANCE

Employees can ask for a pay advance if they:

- *Have been employed with the school for three consecutive months.*
- *Have not taken any other company-sponsored loan.*
- *Do not have any current negative evaluations or disciplinary actions.*

These conditions apply to all eligible employees without discrimination against protected characteristics.

Employees should have a legitimate reason to ask for advance pay, usually an unexpected or unavoidable occurrence. Examples of such reasons, although not conclusive, are for:

- *Family or personal emergencies (e.g. being victims of a robbery or fire, having to pay funeral fees)*
- *Hospital bills not covered by medical insurance*
- *Car repairs not covered by insurance*
- *To save a family home*

Examples of non-qualifying reasons, include but are not limited to:

- Taking a planned vacation
- Entertainment expenses
- Gambling
- Fines

PAYROLL ADVANCE TERMS

Subject to approval, the maximum advance pay may be up to $5,000. If employees find themselves in need of more frequent or larger pay advances than they are allowed, they should discuss the situation with their Senior Director. The Senior Director may decide to make exceptions on a case-by-case basis.

We will deduct the amount of the advance pay from an employee's future paychecks. This may mean:

- Depending on the amount, deducting the full amount from their next paycheck.
- Repaying the amount in small installments out of a number of future paychecks.

The repayment terms must be in writing and signed by employees and will comply with applicable laws.

We will not charge any administrative fees or interest.

If an employee resigns or is terminated before they repay their payroll advance, HR , subject to approval by the Senior Director, is responsible for reaching a new agreement with the employee. Any relevant legal requirements (whether federal, state or local) must be followed.

PAYROLL ADVANCE AGREEMENTS

Employees who want to request a payroll advance should request a Payroll Advance form from HR. They must:

- Indicate their reasons for filing the form.
- State the amount of money they want to receive in advance.
- Sign to accept this policy's terms.

This procedure must be followed:

1. Employees should submit the form to their Senior Director or their Supervisor, if the Senior Director is unavailable.
2. The Senior Director should first review the form. If they approve, they must sign the form and submit it to HR.
3. HR and the CFO or designee must also review the form and decide whether to grant the employee's request in consultation with the Senior Director. If they approve, HR must create an agreement form for the pay advance and repayment terms taking any applicable taxes into account. This agreement must be signed by HR, the CFO or designee and the employee and include relevant dates.
4. HR must forward the signed agreement to the accounting department. The accounting department will generally give employees their advance pay through check or bank transfer within a week, if possible, after receiving the form.

If the request is denied, the Senior Director must inform the employee.

The advance must be paid back within one year of the initial payment to the employee, subject to applicable law. If there is a problem with meeting the requirement then the employee must sign an agreement that moves them toward quickly meeting that requirement.

NOTICE TO BOARD

The Board must be informed by the Senior Director if an employee resigns prior to repaying their payroll advance.

Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed, unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Located in San Diego, Cabrillo Point Academy is a tuition-free, public charter school serving transitional kindergarten through 12th-grade students. As a non-classroom-based independent study charter school, we take great pride in offering our students flexible, personalized learning experiences. Families select the combination of systems that best suit student learning needs and interests, including Place-Based Learning that immerses students in local cultures, landscapes, and resources to contextualize our curriculum. To this end, we offer interest-based Community Connections classes for students to collaborate with peers based on similar interests. We provide online courses led by our credentialed teachers and in-person courses (when appropriate based on COVID restrictions). Of our approximately 4,490 students, 34% are English Learners, live in poverty or foster care. About 9% of our students have exceptional learning needs. Further, 54% of our students are White, 27% are Hispanic or Latino, 8% are Two or More Races, 5% are Asian, and 3% are Black.

Although the state did not technically report results in the California Schools Dashboard for 2020 (SB98), it did publish valid and reliable data collected in 2019-20 that would have been included in the 2020 Dashboard. This data demonstrates our cohort high school graduation rate has improved significantly over the last two years. Our 2020 schoolwide high school graduation of 93% is higher than the statewide average of 86.6% and represents an improvement of 34% since 2018. Further, the graduation rates for our numerically significant subgroups are as follows: Students with a low-socio-economic status 92%, students with exceptional needs 93%, Hispanic students 92%, White students 93%, and two or more races 91.7%. The data collected in 2019-20 that would have been reported in 2020 Dashboard also applies to Career and College Readiness. Based on the 2020 results, the percent of our students scoring at Prepared for Career or College improved by 14% since 2018.

Further, our English Learner (EL) reclassification rate for the 2019-20 school year exceeds that of the district, county, and state. Our 2019-20 EL reclassification rate is 19%, while the district rate is 13%, the county rate is 15%, and the state rate is 14%. Additionally, the 2019 Dashboard results indicate

that the percent of students with exceptional learning needs who scored At Standard on the statewide assessment for English Language Arts improved significantly from 2018: By 22 Distance from Standard Points (DFS), and by one performance color, from Yellow to Orange.

Still, our schoolwide performance in 2019 (see the previous section) on the state math assessment is low. In particular, the 2019 Dashboard results indicate we scored at Orange and 76 points below standard (Distance from Standard). Although the California statewide average is also low at 34 points below standard, we are keenly aware of our performance on the Dashboard and working to improve our result. We know that part of this result is our low participation rate on the state assessment. The Dashboard scoring formula for math and ELA performance includes a built-in penalty for each student needed to meet the required 95% participation rate. We are making a concerted effort to motivate a more significant percentage of our families to participate.

Additionally, we are making a concerted effort to improve our performance on the California Schools Dashboard indicator related to college and career readiness. Although 2020 results (not reported in 2020 Dashboard) indicate we have increased the percent of students scoring at Prepared for Career and College Readiness by 14% since 2018, it is 28%.

To improve student performance, we will use federal funds to implement the following strategies:

Title I, Part A: We plan to focus on supplementing and enhancing mathematics instruction for 6th to 9th grade. This is where the achievement gap widens for low-income students and some students begin to give up on school. Our theory of action is that by providing more intensive support during grades 6th through 9th, we can prepare struggling students to meet state academic standards, so they are well prepared for high school, college, and career. We hypothesized that the most effective use of the Title I fund would be to provide small intervention classes virtually in math, where the achievement gap was widest, in order to provide teachers, the time and opportunity to build relationships with struggling students. In addition, our data shows that socio-emotional challenges contribute to a lack of academic and general school success, we are also enhancing socio-emotional support at our school. Most of the Title I funding will go to support efforts to improve performance of low-income students and other students not meeting standards in math. Additional uses of Title I funds may include funding parent involvement and education activities for parents whose children qualify for Title I services, such as Parent Workshops and support for parent access to Naviance, our online college and career planning software, and meeting the needs of homeless students.

Title II, Part A: Title II funds will be used to supplement school funds used for professional development for professional development for principals, vice principals, coordinators, and coaches to improve initial instruction in identified areas of need, including math achievement. Professional development is currently focused on Common Core Math Standards approach, including the practice standards. Our professional development also focuses on academic supports for students who are not successful in learning to read using our core program and current intervention programs and plan instructional improvements to increase student success; and new teacher induction to help teachers new to the profession become effective as quickly as possible. Additionally, our professional development for school leaders and teachers focuses on collecting, interpreting, and using data to inform our instructional practice and curriculum.

Title III, Part A: Professional learning to guide and support administrators, coordinators, and teachers in addressing English learners' academic needs to ensure they gain academic content knowledge and English language proficiency.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Our LCAP Goals are as follows: Optimizing Conditions for Learning, Improving College and Career Readiness, and Improving Access and Success in a Broad Course of Study. To ensure alignment, our Federal Addendum to the LCAP outlines strategies and activities that are based on federal funding that are in addition to the overall approach covered in the LCAP as a whole. Specifically, we plan to utilize ESSA funds to enhance our state-funded programs so no student falls through the cracks, especially with our personalized learning approach.

Title I

- Goal 3, Action 10- Increase and improve targeted academic support for students who are not meeting proficiency on state assessments (ELA and math).

- Goal 3, Action 11- Monthly parent meetings (in addition to regular HST meetings) focused on understanding state academic standards and their relation to their children's education.

- Goal 3, Action 12- Monthly teacher professional development focused on understanding state academic standards and integrating them into classes, teacher resources, instructional material, and educational support.

- Goal 3, Action 13- Establish a digital library program to provide students an opportunity to develop digital literacy skills and improve academic achievement. A digital library will emulate college approaches to creating centers of technology and information literacy, allowing students to access a vast array of books online and includes English Learner supports such as audiobooks and those written in their native language.

Title II

- Goal 1, Action 6- To improve our professional growth and improvement systems for teachers and administrators, we will provide staff training related to formative, diagnostic, and interim assessments. To optimize data produced by diagnostic and interim assessments, it is vital that staff fully understand how to interpret results and modify curriculum and instructional appropriately.

Title III

- Goal 3, Action 9- Professional learning to guide and support administrators, coordinators, and teachers in addressing English learners' academic needs to ensure they gain academic content knowledge and English language proficiency.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals, and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

ESSA Provisions Not Addressed in the LCAP

For the majority of LEAs the ESSA provisions on the following pages do not align with state priorities. **Each provision for each program provided on the following pages must be addressed**, unless the provision is not applicable to the LEA. In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

TITLE I, PART A

Educator Equity

ESSA SECTION 1112(b)(2)

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

THIS ESSA PROVISION IS ADDRESSED BELOW:

N/A

Parent and Family Engagement

ESSA SECTIONS 1112(b)(3) and 1112(b)(7)

Describe how the LEA will carry out its responsibility under Section 1111(d).

Describe the strategy the LEA will use to implement effective parent and family engagement under Section 1116.

THIS ESSA PROVISION IS ADDRESSED BELOW:

During the 2019-2020 school year, significant outreach and engagement was conducted with families. This included parent surveys and virtual town hall meetings. This was critical in providing the information needed for the 2020-2021 school year, given the challenges of COVID-19. During the 2020-2021 school year, these strategies were repeated to ensure families are able to share their experiences and provide input into the LCAP. We collect data from a broad range of stakeholders (parents/guardians, students, staff, community members) regarding their priorities in a series of meetings and surveys throughout the school year.

In addition, we hold virtual town hall meetings and focus groups to gather additional information related to the LCAP. For parents and family members specifically, we hold meetings where families provide input on their priorities for the LCAP. Staff discusses the LCAP in DELAC meetings, and one

to one meetings with students and families4. These comments/suggestions, along with the student achievement and school climate data informed the drafting of the LCAP goals, actions, and services.

CPA involves parents of Title I students in an organized, ongoing, and timely way. Parents will be involved in the planning, review, and improvement of its Title I programs and the Title I parental involvement policy. The policy will be annually distributed in the Parent Student Handbook and be included in board policy. It will be available on the school website with hardcopies available as needed from the school office. The Parent Involvement Policy is based upon Board Policy and Administrative Regulations to ensure compliance with both Federal and State regulations. The policy will be updated annually based on the feedback received from our parent advisory group, School Site Council and ESSA updates.

Parents are involved in the governing of the school through participation in surveys, DELAC, and our parent advocacy group. Parent groups may assist the school with community outreach, resource development, extracurricular programs, and community service projects. CPA views parents/guardians as our partners in educating our students. We have dedicated staff to assist all Title I parents/guardians the opportunities to participate in school activities and meetings including parents/guardians with limited English proficiency, with disabilities, and/or migrant students. We ensure all school information and reports are provided in a format and language that parents/guardians understand via digital format that can be translated with the use of technology. School provides use of interpreters, translators, and/or American sign language. In addition, educators communicate regularly with parents and families regarding school events, students' progress via zoom, email, phone, IM, or text. We have established an ongoing process to gather information through regular surveys.

Schoolwide Programs, Targeted Support Programs, and Programs for Neglected or Delinquent Children

ESSA SECTIONS 1112(b)(5) and 1112(b)(9)

Describe, in general, the nature of the programs to be conducted by the LEA's schools under sections 1114 and 1115 and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

Describe how teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a targeted assistance school program under Section 1115, will identify the eligible children most in need of services under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Targeted Support Program: We plan to focus on supplementing and enhancing mathematics instruction for 6th to 9th grade. This is where the achievement gap widens for low-income students and some students begin to give up on school. Our theory of action is that by providing more intensive support during grades 6th through 9th, we can prepare struggling students to meet state academic standards, so they are well prepared for high school, college, and career. We hypothesized that the most effective use of the Title I fund would be to provide small intervention classes virtually in math, where the achievement gap was widest, in order to provide teachers, the time and opportunity to build relationships with struggling students. In addition, our data shows that socio-emotional challenges contribute to a lack of academic and general school success, we are also enhancing socio-emotional support at our school. Most of the Title I funding will go to support efforts to improve performance of low-income students and other students not meeting standards in math. Additional

uses of Title I funds may include funding parent involvement and education activities for parents whose children qualify for Title I services, such as Parent Workshops and support for parent access to Naviance, our online college and career planning software, and meeting the needs of homeless students.

Our students have access to tutoring services, personalized educational plans, personalized curriculum selections, intervention instructors, virtual academy instructors, Instructional Administrators, online academic support and instructional materials, technology, curriculum development, academic incentive programs, Career & Technical Education (CTE) Pathways, and college and career preparation, and other evidence-based intervention programs. Parent engagement strategies meet the needs of all students in the school with a specific focus on the lowest-achieving students and student groups who are at risk of not meeting grade-level proficiency. Parent and Community Engagement are provided in our community connections opportunities, parent education meetings, workshops and classes, multiple communication methods, and incentives for engagement. These strategies include counseling, additional teacher Professional Development, parent engagement opportunities, and supplemental curricular materials. Social-Emotional Learning (SEL) classes are provided for students weekly, curriculum development, professional development, parent meetings and training, SEL specialists, and psychologists. Title 1 funding is used to provide more intensive targeted support to close the achievement gap of the students who are considered unduplicated, high need students. Based on the California Longitudinal Pupil Achievement Data System (CALPADS), Home Language Surveys (HLS), Household Data Collection (HDC) forms, and Housing Questionnaires, we can identify students in the greatest need of support. Our identified socioeconomically disadvantaged, English Learners, and Foster youth students are not making adequate progress towards achieving grade-level academic standards. We believe that providing these students with targeted supports will help these students meet academic goals. Targeted intensive supports include academic intervention and support, social-emotional intervention and support, and parent and community engagement.

Homeless Children and Youth Services

ESSA SECTION 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act (42 United States Code 11301 et seq.).

THIS ESSA PROVISION IS ADDRESSED BELOW:

CPA recognizes the right of all students residing within the school's boundaries, including those who are homeless, the opportunity to enroll in, and participate in CPA's educational and support programs. CPA will use Title I funds to supplement programs and supports aligned with the provisions of the McKinney-Vento Homeless Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. The school will provide specific information in outreach materials, websites, and social media platforms notifying parents that the school is open to enroll and provide services to all students, which shall include contact number to access additional information regarding enrollment. A student's IEP or report card will never be required prior to participation in any attendance lottery or as a condition of enrollment.

School Homeless Liaison

The school will designate a member of the leadership team as the School Homeless Liaison ("Homeless Liaison") for homeless students attending a school or program. The Homeless Liaison will receive annual training in appropriate enrollment practices and techniques for homeless students and families. Training includes informing families about immediate enrollment, regardless of documentation, guiding families through filling out registration documents and providing families with a list of pamphlets designed to inform them of the services provided for them. The pamphlet also includes the contact information our homeless liaison so that parents and students know who they can contact for help. The Homeless Liaison shall ensure that:

1. Homeless students are identified by school personnel and through coordinated activities with other entities and agencies.
2. Homeless students will be enrolled and provided a full and equal opportunity to succeed school and various programs. Enrollment disputes are mediated in accordance with law, Board policy, and procedure.
3. Homeless families and students receive all educational services for which they are eligible.

Parents/guardians are informed of the educational services and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children. Homeless students are provided with technology, supplies and counseling in order to support them academically as well as social-emotionally. These needs could include academic, attendance, or social emotional support. CPA helps support the needs of homeless students as well as offering counseling services to students in need. Graduation requirements are adjusted for homeless students as necessary, and our enrollment practices are in alignment with the McKinney-Vento Homeless Assistance Act.

Other services provided to homeless students include:

- Educational Planning
- Assistance with Participation in school programs, college entry programs, and transition to college and career.
- Tutoring or other instructional support
- Expedited Evaluations
- Referrals for Medical, Dental, counseling, housing and other services/programs
- Coordination between Schools and Agencies
- Obtaining or Transferring Records for easy Enrollment

Student Rights

Homeless students who are enrolled in the school have the right to:

- Equal access to all educational programs and services, including transportation and school nutrition programs.
- Continue to attend the school for the duration of homelessness or the current school year.
- Right to return to the school if CPA was their most recent previous school.
- Receive all educational services for which they are eligible.

Student Transitions

ESSA SECTIONS 1112(b)(8) and 1112(b)(10) (A–B)

Describe, if applicable, how the LEA will support, coordinate, and integrate services provided under this part with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.

Describe, if applicable, how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including:

(A) through coordination with institutions of higher education, employers, and other local partners; and

(B) through increased student access to early college high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Transition into Our School Model

Through school-provided videos and information during the enrollment process, families are provided the details of our school's educational model. Once enrolled, an initial meeting with their assigned home school teacher (HST) serves to inform parents and students about our school policies and expectations. Together, and with guidance from the high school counselor as appropriate, the HST and the parent develop an Individual Learning Plan (ILP) for each student; this facilitates a smooth transition from the students' previous school programs to the flexible, rigorous academic curriculum of CPA'S instructional program. Students who struggle with the transition are identified early through diagnostic assessments, standards-based assessments, teacher and parent observations, and are then given extra support as appropriately deemed through our multi-tiered system of support, to include our intervention program.

Supporting All Transitions through Social Emotional Learning (SEL)

Transitions of all kinds are supported at our school through our Social Emotional Learning (SEL) program. These transitions can include school changes, personal changes in the home, medical changes, and societal changes. Our SEL team has developed comprehensive trainings to staff and students. The SEL team offers slide show presentations (with optional voiceover recordings) and corresponding supplemental resources as tools for teachers to use with each of their students on monthly basis. These SEL lessons complement a monthly webinar offered to high school students on the given theme (such as Anger Management, Relationship Skills, etc). We plan to provide additional SEL curriculum for all grade levels, professional development to all staff on how to support our students in greatest need through transitions, and parents' trainings/workshops. Stakeholder engagement in SEL program will include: Input from school staff, survey sent to families, parent focus group, and communications through our school newsletter, emails, and meetings.

Middle school to high school

So that they can guide their students, teachers are trained in pertinent topics such as: graduation requirements, curriculum options, Career & Technical Education (CTE) programs, A-G College entrance requirements, concurrent enrollments, etc. While students are in 8th grade, teachers meet with students and parents to discuss high school options and requirements. Together, they consider student goals and create an individualized graduation plan. These plans are all reviewed by our counseling department. Once the plan is completed, the teacher and student select classes and order the necessary curriculum before the summer break. Families are also invited to meet with counselors as desired.

We offer high school orientation meetings to all of our new high school students and their families. A career planning course is mandatory for all incoming high school students to learn necessary study and organizational skills. This course also allows the students to begin to explore career options to work towards. As the year progresses, high school support specialists can recommend curriculum and adjust the graduation plan if it isn't in alignment with their most up-to-date life goals.

For our Special Education (SPED) students, we offer the Transition Bridge Program. It is designed to provide support to students and their families as they embark on the high school journey. In order to have an effective, meaningful transition to high school, students and families need to be given tools for academic and social success. Our highly qualified transition team will guide, mentor, and support students throughout the process.

High school to college and career

CPA supports students who are credit deficient in meeting graduation requirements. In addition, students are offered an opportunity for concurrent enrollment to get a head start on college or to learn job skills, such as computer programing or nursing. CPA is actively engaged in collaboration with local colleges to make concurrent enrollment options even more accessible to our students who need it the most. Career & Technical Education (CTE) pathways are made known to our students as course options during the school year. In 2021, we have enhanced student access and success with CTE pathways via collaboration with eDynamics and other virtual programs.

TITLE II, PART A

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

Provide a description of the LEA's systems of professional growth and improvement, such as induction for teachers, principals, or other school leaders and opportunities for building the capacity of teachers and opportunities to develop meaningful teacher leadership.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Title II funds supplement school funds used for professional development for teachers and other school leaders. Professional development is currently focused on closing the achievement gap and improving the performance of underperforming student groups: improving our Multi-Tiered Systems of Support; Universal Design for Learning to help teachers design lessons that engage students of all performance levels; Positive Behavioral Interventions and Supports to decrease disciplinary incidents and increase the amount of time students spend learning; Professional development training for intervention specialists and special education teachers to support students who are not successful in learning to read and current intervention programs; trauma-informed practice to build teacher understanding of how to support students in crisis; professional learning communities where teachers analyze data and plan instructional improvements to increase student success; and new teacher induction to help teachers new to the profession become effective as quickly as possible. We use Title II to support PBIS work in our school, where data shows more support is needed. Some of our staff members are struggling is with an effective response to trauma-affected students. We provide PBIS (Positive Behavior Intervention & Supports)/MTSS (Multi-tiered Systems of Support) training with county offices of education and in-house offerings.

Data used for Planning:

Our professional development planning begins with analyzing student performance and needs, educators' capabilities and needs, progress in our school, and data about current professional development effectiveness.

Our focus is on Equity.

We use internal benchmark data to identify individual students and student groups not meeting expectations in English language arts, mathematics, socio-emotional development, behavior, and progression toward college and career success. Surveys of teachers, conversations with leadership, and observations help us identify areas in which professional development would help teachers meet student needs. We identify needs for our leaders as we analyze school data and identify focus areas for improvement. Our professional development (PD) can be divided into two primary categories: academic/pedagogical/technical and socio-emotional/behavioral. It is important to us to address both areas. Our data shows that it is often socio-emotional factors, not just academic factors, that are interfering with some students' ability to master academic standards and thus our ability to close the achievement gap. An example is our current focus on inclusion, which includes supporting PD in Universal Design for Learning and training in meeting students' socio-emotional needs. Multiple areas must be addressed if our students are to be successful. PD is a work in progress, with more data being made available. We realize that we need to narrow our PD focus and become more systematic and deliberate with implementation to achieve lasting results.

Content and Pedagogy

We use teacher surveys to measure our progress in implementing state standards, including the Common Core ELA and math standards, ELD standards, Next Generation Science Standards (NGSS), other California standards. These survey results are reported to the Executive Director and discussed in our leadership meetings. Examples: In math, instructional strategies need work. In NGSS, some teachers have implemented the new standards effectively, but other teachers still need PD on the standards we have planned for the next school year. Additional growth areas that emerge from the data are differentiated instructional approaches such as UDL (Universal Design for Learning). On the socio-emotional side, the staff is learning how to support students in crisis. We are

providing training in EverFi and ways to help students calm themselves. We have reviewed the data of our students who are not reading proficiently by the end of second grade, which has led to PD on multi-sensory reading approaches and evidence-based programs to help students before they fall behind begin to think reading is not for them. Design and Structure the school provides our teachers with a range of learning options. EverFi, our socio-emotional curriculum, has online training that based on teacher feedback and implementation observations is very effective. We provide virtual training sessions and send staff to workshops and conferences when it is safe and available. For our teacher induction program, CTI, the Riverside County Office of Education teacher induction program. CTI is focused on teachers' most essential needs, with embedded structures to help our new teachers focus on high-leverage learning that will have a broad impact on their practice. Collaboration and shared accountability

Prioritizing Funding

ESSA SECTION 2102(b)(2)(C)

Provide a description of how the LEA will prioritize funds to schools served by the agency that are implementing comprehensive support and improvement activities and targeted support and improvement activities under Section 1111(d) and have the highest percentage of children counted under Section 1124(c).

THIS ESSA PROVISION IS ADDRESSED BELOW:

We are single school charter.

Data and Ongoing Consultation to Support Continuous Improvement

ESSA SECTION 2102(b)(2)(D)

Provide a description of how the LEA will use data and ongoing consultation described in Section 2102(b)(3) to continually update and improve activities supported under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Data and ongoing consultation to support continuous improvement:

Professional Development Teacher training is differentiated and matched to career stages. Training for teachers participating in induction might focus on routines and procedures and classroom management at the beginning of the year. More experienced teachers might be focused on practice problems, such as helping all students master operations with fractions in fourth grade. We have teachers interested in promotion, and their learning experiences might include managing a program or running a summer school. The most significant number of teacher training hours were focused on mathematics, technology, mindfulness and working with trauma-affected students, social emotional support, and PBIS. English language arts continue to be a significant area of focus for students, along with mathematics. There was also a great deal of training for Special Education teachers and general education teachers to develop all students' inclusion.

Professional Development for Administration:

Staff that is new to leadership receives coaching through an administrator coach. We are fortunate to have a strong leadership experience serving our new administrators, and we have ample evidence that the coaching helping all become effective more quickly. The coach supports the new administrator in setting both school and professional growth goals, the pair meets periodically for check-ins. Communication is open, and principals report that they feel this support is effective. We believe there is excellent value in administrators participating in training alongside their teachers, which frequently happens. Administrators who participate in training are better equipped to support and coach implementation, making the training more effective. Our administrative team acts as a PLC, using executive meetings to analyze our schools and student group data. These sessions also allow the Executive Director to share information about the state's evolving accountability system with school leadership. The process for using data to analyze professional development effectiveness is described in detail above. Our consultation structure is the LCAP process, where we consult with all stakeholders as we develop our plan. Consultation with parents often leads to areas of focus for professional development. An example is a recent meeting of our Parent Advisory Group, where parents talked about wanting information about the path to college earlier. Our families expressed that they value the high school's FAFSA and college applications workshops but think disseminating that information should start earlier.

For implementation, we provide them with training with a team of people who have presented workshops. Even initial workshops will be successful. LCAP consultation with staff and all stakeholders also adds PD topics to the list. Our team is very open about sharing their struggles and their ideas for training that would be helpful, and the information is beneficial. Our analysis of PD data yields information about what was effective, what was ineffective, and the changes we need to make for the subsequent year. We use that information to plan the PD activities for the next school year. The school is involved in the implementation of improvement in all curricular areas. Through the professional learning for teachers described above, both our leadership and training specialists work with groups of teachers using improvement science methods and tools. Through the use of teachers' teams, training specialists and site leaders are answering three essential questions:

1. What is it that we are trying to accomplish? (How much, for whom, by when)
2. What changes might will we try and why?
3. How will we know if a change is an improvement?

In answering these three questions, teachers' teams set up their metrics of success for continuous improvement. Each team identifies data sources for the short, medium, and long term. As an example, a long-term measure could be CAASPP or ELPAC results; a medium-term measure could be a unit assessment project-based learning objective. Lastly, a short-term measure could be the specific change idea that teachers decided to try, such as how many students draw a picture to help solve a math problem. Each of these measures is agreed upon by the teacher team trying out the change. The teacher team can then use the data to adapt their plans as needed. We have put most of our staff development into our LCAP, which helps manage funds while also creating a natural place to include a report of PD effectiveness in our Annual Report for that LCAP area. We use a variety of communicating our upcoming PDs.

TITLE III, PART A

Title III Professional Development

ESSA SECTION 3115(c)(2)

Describe how the eligible entity will provide effective professional development to classroom teachers, principals and other school leaders, administrators, and other school or community-based organizational personnel.

THIS ESSA PROVISION IS ADDRESSED BELOW:

CPA is grounded in the belief that teachers and parents are the key levers that boost student achievement; thus, quality professional development is essential for CPA students to excel academically. All professional development is designed to maximize student achievement, including that of our English Learners. The school's long-term planning and supplementing the selected instructional materials to best support all of our students. The leadership team shares best practices that are successful with staff and parents of English Learners, such as effective instructional methods and strategies. The staff monitors and supports students and families to enhance the effectiveness of instruction. Professional development for teachers takes place on a monthly basis. The primary function of dedicated professional development time is to analyze data from interim and formative assessments. The student progress toward grade level standards is analyzed monthly, whereas the results of formative assessments are analyzed quarterly.

Secondarily, school-wide professional development is a chance for the school's administration and teachers to use scientifically based research to address instructional trends in homeschooling and ways the students/families can be more effectively served. Topics may include instructional strategies like improving check for understandings, incorporating resulting in a positive and lasting impact on student achievement in their classrooms.

Another integral component of professional development at the school are the monthly Professional Learning Community (PLC) meetings. Teachers collect student's achievement data, conduct one-one-one meetings and review student academic work. Following the student-teacher meeting, the team discusses student learning based on student data and notes from the observation. Teachers are empowered to provide feedback to their colleagues in supporting students' academic success. These meetings allow CPA staff to notice instructional and cultural trends across the school and align professional development accordingly. The PLC cultivates a profound desire in staff to continue to improve their craft.

Enhanced Instructional Opportunities

ESSA SECTIONS 3115(e)(1) and 3116

Describe how the eligible entity will provide enhanced instructional opportunities for immigrant children and youth.

THIS ESSA PROVISION IS ADDRESSED BELOW:

We receive a minimal amount of Title III, Immigrant funding ($5,444). Beginning in 2021-22, we will use these funds to identify the number of migrant children age-eligible to enter kindergarten the following year and designated as ready for kindergarten by: a) identifying ten or more English uppercase letter names or letter sounds, as measured by the Phonological Awareness Literacy

Screening; and b) gaining four or more standard scores on the Peabody Picture Vocabulary Test measure of English vocabulary or the Test de Vocabulario en Imagenes Peabody measure of Spanish vocabulary.

Title III Programs and Activities

ESSA SECTION 3116(b)(1)

Describe the effective programs and activities, including language instruction educational programs, proposed to be developed, implemented, and administered under the subgrant that will help English learners increase their English language proficiency and meet the challenging State academic standards.

THIS ESSA PROVISION IS ADDRESSED BELOW:

CPA strives to ensure all of our English Language Learners to advance each year in their language development and be redesignated. Based on the student's Home Language Survey, all students designated as potential English Learners will take the English Language Proficiency Assessment for California (ELPAC). CPA will purchase instructional materials that will support access to grade-level content for ELs in correlation with the California ELD standards. In addition, will also provide professional development for teachers in English Language Development and monitoring student progress. Additionally, the parents of English Learners will receive specialized training in how to support the development of their child's language proficiency at home at parent workshop.

English Proficiency and Academic Achievement

ESSA SECTION 3116(b)(2)(A-B)

Describe how the eligible entity will ensure that elementary schools and secondary schools receiving funds under Subpart 1 assist English learners in:

(A) achieving English proficiency based on the State's English language proficiency assessment under Section 1111(b)(2)(G), consistent with the State's long-term goals, as described in Section 1111(c)(4)(A)(ii); and

(B) meeting the challenging State academic standards.

THIS ESSA PROVISION IS ADDRESSED BELOW:

The instructional programs were chosen because of their basis on scientifically based research and effectiveness with English Learners. The school will use proven methodologies including increased time for reading and math and individualized instruction for students who are acquiring English. Students' language proficiency levels as determined by the ELPAC will be closely monitored to ensure our students are advancing to higher levels of English Language proficiency.

Student mastery of the grade level content standards will be measured through standards-based assessments, as well as the SBAC, the STAR360 assessment, and other summative assessments. In addition, teachers will keep anecdotal records of their students' progress. Assessment results will be disaggregated by English language proficiency levels for further analysis. Additionally, the academic progress of reclassified students will be monitored for four years after reclassification. ELs

and RFEP students not making adequate academic progress will be provided with appropriate interventions. ELs at risk of retention will receive additional intervention services.

Area	Due Date	Description	Completed By	Board Must Approve	Signature Required	Additional Information
FINANCE	Apr-01 or sooner based on Authorizer	**Audit Firm Selection -** In accordance with Education Code (EC) Section 41020, the governing board of each school shall provide for an audit of the books and accounts of the school. In the event the governing board of a school has not provided for an audit, by selecting an audit firm, by April 1, the County Office of Education, having jurisdiction over the school, shall provide for the audit. FINANCE	Apr-01	**File a Form 700 - Statement of Economic Interests (SEI)**: The requirement is part of the Political Reform Act enacted in 1974, which was passed by California voters to promote integrity in state and local government by helping agency decision makers avoid conflicts between their personal interests and official duties. Depending on your local authorizer's conflict of interest policies, certain charter school officers and employees may be required to file Statements of Economic Interest with a filing officer by the April 1 deadline.	CPA with Charter Impact support	Yes	Yes	https://www.fppc.ca.gov/Form700.html
FINANCE	Apr-05	**Learning Loss Mitigation Funding Reporting - Cycle 4 -** An LEA's allocation for LLMF is comprised of funding from three different sources: Coronavirus Relief (CR) Funds, General Fund (GF), and the Governor's Emergency Education Relief I (GEER I) Fund. LEAs will need to report on the use of funds for each funding source. •CR Funds, Resource Code 3220: Reporting Period December 31, 2020 – March 31, 2021 •GEER I Fund, Resource Code 3215: Reporting Period January 1, 2021 – March 31, 2021 •GF, Resource Code 7420: Reporting Period January 1, 2021 – March 31, 2021 For this reporting cycle, LEAs can make corrections to previous reporting cycles (expenditures from March 1 – December 30, 2020) by making negative adjustments in their Cycle 4 reporting. The expenditures reported in Cycle 4 should reflect funds spent from December 31 – March 31, 2021, and any adjustments from Cycles 1, 2, and 3. FINANCE	Apr-30	**Federal Cash Management - Period 4 -** The Title I, Part A; Title I, Part D, Subpart 2; Title II, Part A; Title III LEP; Title III Immigrant; and Title IV programs under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by theESSA, will utilize the Federal Cash Management program. Charter schools that are awarded a grant under any of these programs must submit the CMDC report for a particular quarter in order to receive an apportionment for that quarter; CDE will apportion funds to LEAs whose cash balance is below a certain threshold.	Charter Impact	No	No	https://www.cde.ca.gov/fg/aa/cm/
FINANCE	May-17	**Extended Due Date - Form 990 -** The IRS Form 990 is the annual information return filed by most non-profit charter schools. The form should be reviewed and accepted by the Board prior to filing.	CPA/Audit firm	Yes	No	http://www.publiccounsel.org/useful_materials?id=0025
FINANCE	May-28	**Submit Charter Schools Annual Information Survey -** The Charter Schools Annual Information Survey has 5 sections: location and school contact information, authorizing agency, site, curriculum and governance information, facilities, retirement and services information, and funding. The funding selection impacts how your school receives revenue payments. All charter schools must be either directly or locally funded. For example: LCFF apportionment funds for a locally funded charter school flow through its local chartering authority whereas funds for a direct funded charter school may flow directly to the county treasurer and then to the charter school. However, the funding type decision may impact the amount of other state and federal funds that a charter school receives, outside the LCFF. This decision may be reconsidered on an annual basis. The Premises are authorized for CPA's use as a general office and any other legally permitted uses compatible with a first class office building in the City of Poway ("**Agreed Use**"). The original lease term expires on June 30, 2022 ("**Lease Term**").

C. The Parties operate nonclassroom-based charter schools in California and desire to share the Premises for the benefit of their education programs.

D. The Parties desire to enter into this Sublease to set forth the terms and conditions for the sublease of Suites 100 and 102 ("**Subleased Premises**") to MVA and PCA for joint use by the Parties, as provided herein.

Section 1. Subleased Premises. Subject to the express terms and conditions of this Sublease and the Lease, CPA hereby subleases to MVA and PCA, and MVA and PCA accept from CPA, the Subleased Premises to be occupied and used jointly by the Parties, including CPA. The Subleased Premises may only be used consistent with the Agreed Use set forth in the Lease and shall be occupied and used by the Parties solely for the purpose of operating their respective charter schools ("**Shared Use**"). CPA, MVA, and PCA shall have equal rights to the use of the Subleased Premises, including non-exclusive right to access and use common areas that are available to CPA under the Lease.

Section 2. Term. The term of this Sublease ("**Term**") is effective as of May 1, 2021 to the earliest to occur of: (a) June 30, 2022; (b) termination of the Lease pursuant to its terms; or (c) termination of this Sublease. CPA shall have no liability to MVA or PCA due to the termination of this Sublease as a result of any termination of the Lease. The Parties may extend or renew this Sublease if the Lease is extended, subject to any consent required from Landlord.

Section 3. Rent. For the duration of the Term, MVA and PCA, separately and individually, shall pay to CPA for their joint use of the Subleased Premises consistent with the base rent schedule set forth in paragraphs 1.7 and 52 of the Lease, as adjusted therein ("**Rent**").

- **Monthly Rate for Suites 100 and 102:** Starting May 1, 2021, MVA and PCA, separately and individually, shall pay to CPA for their proportionate share (one third of the monthly rent for their use of the Subleased Premises) of the Rent for Suites 100 and 102 as set forth in the Lease. Pursuant to paragraph 52 of the Lease, the base rate is $13,376.25 for months one (1) through twelve (12) and $13,837.50 for months thirteen (13) through the expiration of the Lease. For months one through twelve, MVA and PCA shall each pay CPA in the amount of $4,458.75. Thereafter, MVA and PCA shall each pay CPA in the amount of $4,612.50. All payments shall be due on the first of the month without notice or demand, with payments made to "Cabrillo Point Academy" at the address provided in Section 15 below.

Section 4. Utilities. The Parties shall share the cost of utilities pursuant to the percentage of square footage allocated to each Party under this Sublease. MVA and PCA shall individually and separately pay one-third of the total utilities costs. These utilities include water, gas, heat, light, power, telephone, trash disposal and other utilities and services supplied to the Premises, together with any taxes thereon. CPA shall provide a monthly statement to MVA and PCA outlining their share of such costs, and shall provide MVA and PCA access to reasonable backup documentation for such costs upon request. MVA and PCA shall submit payments to CPA within thirty (30) days after receipt of such statement.

Section 5. Operating Expenses. For the duration of the Term, MVA and PCA shall, separately and individually, pay a one-third pro-rata share of the operating expenses for the Subleased Premises that are paid by CPA as provided in the Lease (paragraphs 4.2 and 53). CPA shall provide a monthly statement to MVA and PCA outlining MVA and PCA's share of such costs and any reimbursements received from the Landlord with respect to such costs, and shall provide MVA and PCA access to reasonable backup documentation for such costs and reimbursements upon request. MVA and PCA shall submit payment to CPA within thirty (30) days after receipt of such statement from CPA. In the event the Subleased Premises are separately metered for any utilities, MVA and PCA shall timely pay their share of operating expenses as provided herein.

Section 6. Interest and Late Charges on Overdue Payments. In the event that MVA and/or PCA fail to pay any installment of Rent or any other sum due hereunder or pursuant to the Lease, MVA and PCA shall pay CPA those amounts defined as interest and the late charge set forth in Sections 13.4 and 13.5 of the Lease, provided that MVA and PCA shall be entitled to any grace periods provided in the Lease. The Parties agree that the payment of such interest or late charges represents the liability that CPA may incur to Landlord by reason of late payment by MVA and PCA, and is therefore not a penalty.

Section 7. Modifications. Subject to MVA or PCA obtaining all necessary governmental approvals and Landlord's review and approval thereof to the extent required under the Lease, MVA and PCA shall be permitted to affix its exterior and window signs at its sole cost and expense at the Subleased Premises, provided that such signage shall not exceed limitations imposed by applicable law and the Lease. Any and all signage, materials, work, installations, equipment, and decorations of any nature brought upon the Premises, or installed in the Subleased Premises or removed from the Subleased Premises by MVA and PCA, shall be at MVA and PCA's sole risk, and shall be installed, maintained, and removed at the sole cost and expense of MVA and PCA. Neither CPA nor any party acting on CPA's behalf on or about the Premises shall be responsible for any claim, damage, loss, or destruction of such items brought to the Premises,

installed in the Subleased Premises, or removed from the Subleased Premises, and MVA and PCA shall indemnify, defend, and hold CPA harmless from any claim, loss, damage, or destruction.

Section 8. Application of the Lease. Except as expressly provided herein, this Sublease is subject and subordinate in all respects to the terms of, and the rights of the Landlord under, the Lease. Except as expressly provided herein or inconsistent with the terms and conditions set forth herein, (a) MVA and PCA covenant and warrant that they fully understand and agree to be subject to and bound by all of the covenants, agreements, terms, provisions, and conditions of the Lease, and MVA and PCA agree to comply with all the obligations required to be kept or performed by CPA, in its capacity as "Lessee" under the Lease, with respect to the Subleased Premises and (b) the covenants, agreements, terms, provisions, and conditions of the Lease insofar as they relate to the Subleased Premises and insofar as they are not inconsistent with the terms of this Sublease are made a part of and incorporated into this Sublease as if recited herein in full, and the rights and obligations of the "Lessor" and the "Lessee" under the Lease shall be deemed the rights and obligations of CPA and MVA/PCA, respectively, and shall be binding upon and inure to the benefit of CPA and MVA/PCA respectively. As between the Parties only, in the event of a conflict between the terms of the Lease and the terms of this Sublease, the terms of this Sublease shall control.

Section 9. Subcontract and Assignment. Neither Party shall assign its rights, duties, or privileges under this Sublease, nor shall a Party attempt to confer any of its rights, duties, or privileges under this Sublease on any third party, without the written consent of the other Parties, and subject to any Landlord consent required under the Lease. Subject to the foregoing, this Sublease shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, legal representatives, successors, and assigns. MVA and PCA shall not sublicense or sublease, pledge, encumber, mortgage, or otherwise transfer or assign to any party any interest in the Subleased Premises.

Section 10. Insurance. MVA and PCA, at their sole expense, shall maintain for the benefit of CPA and Landlord such policies of insurance (and in such form) with respect to the Subleased Premises as are required by the Lease, which policies shall be reasonably satisfactory to CPA as to coverage and insurer, shall be maintained as primary policies, and shall extend to and cover the acts and omission of MVA or PCA, and anyone acting by, through, or under MVA or PCA notwithstanding anything contained in the Lease to the contrary. Each policy of insurance required under this paragraph shall name CPA and Landlord each as an additional insured. MVA and PCA shall provide CPA with certificates of insurance evidencing such policies and that CPA has been named as an additional insured under a separate additional insured endorsement approved by CPA within thirty (30) days from receipt of a written request from CPA. MVA and PCA shall use best efforts to cause all insurance policies to contain a provision and certificate of insurance shall expressly state that the insurer will give to CPA and Landlord and such other parties in interest at least thirty (30) days' notice in writing in advance of any material change, cancellation, termination, lapse, or the effective date of any reduction in the amounts of insurance below the amounts specified in the Lease.

Section 11. Damage and Destruction. If the Subleased Premises are damaged by any casualty that is covered by MVA or PCA's applicable insurance, the Parties agree to use such insurance proceeds to restore the Subleased Premises to extent required by the Lease.

Section 12. Indemnification. The Parties agree to defend, indemnify, and hold each other, their employees, officers, directors and agents, free and harmless against any liability, loss, claims, demands, damages, expenses and costs (including attorneys' fees, expert witness fees, and other costs of litigation

or other proceedings) of every kind or nature arising in any manner out of the performance of their obligations under this Sublease and/or the Lease, except for such loss or damage caused solely by the negligence or willful misconduct of the other Party. The indemnifications required by this Section 12 shall survive the expiration or termination of this Sublease.

(d) MVA or PCA abandon (as defined in California Civil Code Section 1951.3 or any successor provision thereto) all or any portion of the Subleased Premises.

In the event of Default by MVA or PCA, and without any other action by CPA, CPA may, at its sole option, exercise as to MVA or PCA any and all remedies of the Landlord under the Lease. In addition, CPA may exercise any and all other rights or remedies, granted or allowed landlords by any existing or future statute or other law applicable in cases where a landlord seeks to enforce rights arising under a lease against a tenant who has defaulted or otherwise breached the terms of such lease subject, however, to all of the rights granted or created by any such statute or other applicable law existing protection and benefit of tenants.

2. Premises.

2.1 **Letting**. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Premises, for the term, at the rental, and upon all of the terms, covenants and conditions set forth in this Lease. While the approximate square footage of the Premises may have been used in the marketing of the Premises for purposes of comparison, the Base Rent stated herein is NOT tied to square footage and is not subject to adjustment should the actual size be determined to be different. **NOTE: Lessee is advised to verify the actual size prior to executing this Lease.**

2.2 **Condition**. Lessor shall deliver the Premises to Lessee in a clean condition on the Commencement Date or the Early Possession Date, whichever first occurs ("**Start Date**"), and warrants that the existing electrical, plumbing, fire sprinkler, lighting, heating, ventilating and air conditioning systems ("**HVAC**"), and all other items which the Lessor is obligated to construct pursuant to the Work Letter attached hereto, if any, other than those constructed by Lessee, shall be in good operating condition on said date, that the structural elements of the roof, bearing walls and foundation of the Unit shall be free of material defects, and that the Premises do not contain hazardous levels of any mold or fungi defined as toxic under applicable state or federal law. Lessor also warrants, that unless otherwise specified in writing, Lessor is unaware of (i) any recorded Notices of Default affecting the Premise; (ii) any delinquent amounts due under any loan secured by the Premises; and (iii) any bankruptcy proceeding affecting the Premises.

2.3 **Compliance**. Lessor warrants that to the best of its knowledge the improvements on the Premises and the Common Areas comply with the building codes, applicable laws, covenants or restrictions of record, regulations, and ordinances ("**Applicable Requirements**") that were in effect at the time that each improvement, or portion thereof, was constructed. Said warranty does not apply to the use to which Lessee will put the Premises, modifications which may be required by the Americans with Disabilities Act or any similar laws as a result of Lessee's use (see Paragraph 49), or to any Alterations or Utility Installations (as defined in Paragraph 7.3(a)) made or to be made by Lessee. **NOTE: Lessee is responsible for determining whether or not the zoning and other Applicable Requirements are appropriate for Lessee's intended use, and acknowledges that past uses of the Premises may no longer be allowed.** If the Premises do not comply with said warranty, Lessor shall, except as otherwise provided, promptly after receipt of written notice from Lessee setting forth with specificity the nature and extent of such non-compliance, rectify the same. If the Applicable Requirements are hereafter changed so as to require during the term of this Lease the construction of an addition to or an alteration of the Premises, the remediation of any Hazardous Substance, or the reinforcement or other physical modification of the Premises ("Capital Expenditure"), Lessor and Lessee shall allocate the cost of such work as follows:

(a) Subject to Paragraph 2.3(c) below, if such Capital Expenditures are required as a result of the specific and unique use of the Premises by Lessee as compared with uses by tenants in general, Lessee shall be fully responsible for the cost thereof, provided, however, that if such Capital Expenditure is required during the last 2 years of this Lease and the cost thereof exceeds 6 months' Base Rent, Lessee may instead terminate this Lease unless Lessor notifies Lessee, in writing, within 10 days after receipt of Lessee's termination notice that Lessor has elected to pay the difference between the actual cost thereof and the amount equal to 6 months' Base Rent. If Lessee elects termination, Lessee shall immediately cease the use of the Premises which requires such Capital Expenditure and deliver to Lessor written notice specifying a termination date at least 90 days thereafter. Such termination date shall, however, in no event be earlier than the last day that Lessee could legally utilize the Premises without commencing such Capital Expenditure.

(b) If such Capital Expenditure is not the result of the specific and unique use of the Premises by Lessee (such as, governmentally mandated seismic modifications), then Lessor shall pay for such Capital Expenditure and Lessee shall only be obligated to pay, each month during the remainder of the term of this Lease or any extension thereof, on the date that on which the Base Rent is due, an amount equal to 1/144th of the portion of such costs reasonably attributable to the Premises. Lessee shall pay Interest on the balance but may prepay its obligation at any time. If, however, such Capital Expenditure is required during the last 2 years of this Lease or if Lessor reasonably determines that it is not economically feasible to pay its share thereof, Lessor shall have the option to terminate this Lease upon 90 days prior written notice to Lessee unless Lessee notifies Lessor, in writing, within 10 days after receipt of Lessor's termination notice that Lessee will pay for such Capital Expenditure. If Lessor does not elect to terminate, and fails to tender its share of any such Capital Expenditure, Lessee may advance such funds and deduct same, with Interest, from Rent until Lessor's share of such costs have been fully paid. If Lessee is unable to finance Lessor's share, or if the balance of the Rent due and payable for the remainder of this Lease is not sufficient to fully reimburse Lessee on an offset basis, Lessee shall have the right to terminate this Lease upon 30 days written notice to Lessor.

(c) Notwithstanding the above, the provisions concerning Capital Expenditures are intended to apply only to non-voluntary, unexpected, and new Applicable Requirements. If the Capital Expenditures are instead triggered by Lessee as a result of an actual or proposed change in use, change in intensity of use, or modification to the Premises then, and in that event, Lessee shall either: (i) immediately cease such changed use or intensity of use and/or take such other steps as may be necessary to eliminate the requirement for such Capital Expenditure, or (ii) complete such Capital Expenditure at its own expense. Lessee shall not have any right to terminate this Lease.

2.4 **Acknowledgements**. Lessee acknowledges that: (a) it has been given an opportunity to inspect and measure the Premises, (b) Lessee has been advised by Lessor and/or Brokers to satisfy itself with respect to the size and condition of the Premises (including but not limited to the electrical, HVAC and fire sprinkler systems, security, environmental aspects, and compliance with Applicable Requirements), and their suitability for Lessee's intended use, (c) Lessee has made such investigation as it deems necessary with reference to such matters and assumes all responsibility therefor as the same relate to its occupancy of the Premises, (d) it is not relying on any representation as to the size of the Premises made by Brokers or Lessor, (e) the square footage of the Premises was not material to Lessee's decision to lease the Premises and pay the Rent stated herein, and (f) neither Lessor, Lessor's agents, nor Brokers have made any oral or written representations or warranties with respect to said matters other than as set forth in this Lease. In addition, Lessor acknowledges that: (i) Brokers have made no representations, promises or warranties concerning Lessee's ability to honor the Lease or suitability to occupy the Premises, and (ii) it is Lessor's sole responsibility to investigate the financial capability and/or suitability of all proposed tenants.

2.5 **Lessee as Prior Owner/Occupant**. The warranties made by Lessor in Paragraph 2 shall be of no force or effect if immediately prior to the Start Date, Lessee

was the owner or occupant of the Premises. In such event, Lessee shall be responsible for any necessary corrective work.

2.6 **Vehicle Parking**. So long as Lessee is not in default, and subject to the Rules and Regulations attached hereto, and as established by Lessor from time to time, Lessee shall be entitled to rent and use the number of parking spaces specified in Paragraph 1.2(b) at the rental rate applicable from time to time for monthly parking as set by Lessor and/or its licensee.

(a) If Lessee commits, permits or allows any of the prohibited activities described in the Lease or the rules then in effect, then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove or tow away the vehicle involved and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

(b) The monthly rent per parking space specified in Paragraph 1.2(b) is subject to change upon 30 days prior written notice to Lessee. The rent for the parking is payable one month in advance prior to the first day of each calendar month.

2.7 **Common Areas - Definition**. The term "**Common Areas**" is defined as all areas and facilities outside the Premises and within the exterior boundary line of the Project and interior utility raceways and installations within the Premises that are provided and designated by the Lessor from time to time for the general nonexclusive use of Lessor, Lessee and other tenants of the Project and their respective employees, suppliers, shippers, customers, contractors and invitees, including, but not limited to, common entrances, lobbies, corridors, stairwells, public restrooms, elevators, parking areas, loading and unloading areas, trash areas, roadways, walkways, driveways and landscaped areas.

2.8 **Common Areas - Lessee's Rights**. Lessor grants to Lessee, for the benefit of Lessee and its employees, suppliers, shippers, contractors, customers and invitees, during the term of this Lease, the non-exclusive right to use, in common with others entitled to such use, the Common Areas as they exist from time to time, subject to any rights, powers, and privileges reserved by Lessor under the terms hereof or under the terms of any rules and regulations or restrictions governing the use of the Project. Under no circumstances shall the right herein granted to use the Common Areas be deemed to include the right to store any property, temporarily or permanently, in the Common Areas. Any such storage shall be permitted only by the prior written consent of Lessor or Lessor's designated agent, which consent may be revoked at any time. In the event that any unauthorized storage shall occur, then Lessor shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove the property and charge the cost to Lessee, which cost shall be immediately payable upon demand by Lessor.

2.9 **Common Areas - Rules and Regulations**. Lessor or such other person(s) as Lessor may appoint shall have the exclusive control and management of the Common Areas and shall have the right, from time to time, to adopt, modify, amend and enforce reasonable rules and regulations ("**Rules and Regulations**") for the management, safety, care, and cleanliness of the grounds, the parking and unloading of vehicles and the preservation of good order, as well as for the convenience of other occupants or tenants of the Building and the Project and their invitees. The Lessee agrees to abide by and conform to all such Rules and Regulations, and shall use its best efforts to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Lessor shall not be responsible to Lessee for the noncompliance with said Rules and Regulations by other tenants of the Project.

2.10 **Common Areas - Changes**. Lessor shall have the right, in Lessor's sole discretion, from time to time:

(a) To make changes to the Common Areas, including, without limitation, changes in the location, size, shape and number of the lobbies, windows, stairways, air shafts, elevators, escalators, restrooms, driveways, entrances, parking spaces, parking areas, loading and unloading areas, ingress, egress, direction of traffic, landscaped areas, walkways and utility raceways;

(b) To close temporarily any of the Common Areas for maintenance purposes so long as reasonable access to the Premises remains available;

(c) To designate other land outside the boundaries of the Project to be a part of the Common Areas;

(d) To add additional buildings and improvements to the Common Areas;

(e) To use the Common Areas while engaged in making additional improvements, repairs or alterations to the Project, or any portion thereof; and

(f) To do and perform such other acts and make such other changes in, to or with respect to the Common Areas and Project as Lessor may, in the exercise of sound business judgment, deem to be appropriate.

3. Term.

3.1 **Term**. The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Paragraph 1.3.

3.2 **Early Possession**. Any provision herein granting Lessee Early Possession of the Premises is subject to and conditioned upon the Premises being available for such possession prior to the Commencement Date. Any grant of Early Possession only conveys a non-exclusive right to occupy the Premises. If Lessee totally or partially occupies the Premises prior to the Commencement Date, the obligation to pay Base Rent shall be abated for the period of such Early Possession. All other terms of this Lease (including but not limited to the obligations to pay Lessee's Share of the Operating Expense Increase) shall be in effect during such period. Any such Early Possession shall not affect the Expiration Date.

3.3 **Delay In Possession**. Lessor agrees to use its best commercially reasonable efforts to deliver possession of the Premises to Lessee by the Commencement Date. If, despite said efforts, Lessor is unable to deliver possession by such date, Lessor shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or change the Expiration Date. Lessee shall not, however, be obligated to pay Rent or perform its other obligations until Lessor delivers possession of the Premises and any period of rent abatement that Lessee would otherwise have enjoyed shall run from the date of delivery of possession and continue for a period equal to what Lessee would otherwise have enjoyed under the terms hereof, but minus any days of delay caused by the acts or omissions of Lessee. If possession is not delivered within 60 days after the Commencement Date, as the same may be extended under the terms of any Work Letter executed by Parties, Lessee may, at its option, by notice in writing within 10 days after the end of such 60 day period, cancel this Lease, in which event the Parties shall be discharged from all obligations hereunder. If such written notice is not received by Lessor within said 10 day period, Lessee's right to cancel shall terminate. If possession of the Premises is not delivered within 120 days after the Commencement Date, this Lease shall terminate unless other agreements are reached between Lessor and Lessee, in writing.

3.4 **Lessee Compliance**. Lessor shall not be required to deliver possession of the Premises to Lessee until Lessee complies with its obligation to provide evidence of insurance (Paragraph 8.5). Pending delivery of such evidence, Lessee shall be required to perform all of its obligations under this Lease from and after the Start Date, including the payment of Rent, notwithstanding Lessor's election to withhold possession pending receipt of such evidence of insurance. Further, if Lessee is required to perform any other conditions prior to or concurrent with the Start Date, the Start Date shall occur but Lessor may elect to withhold possession until such conditions are satisfied.

4. Rent.

4.1 **Rent Defined**. All monetary obligations of Lessee to Lessor under the terms of this Lease (except for the Security Deposit) are deemed to be rent ("**Rent**").

4.2 **Operating Expense Increase**. Lessee shall pay to Lessor during the term hereof, in addition to the Base Rent, Lessee's Share of the amount by which all Operating Expenses for each Comparison Year exceeds the amount of all Operating Expenses for the Base Year, such excess being hereinafter referred to as the "**Operating Expense Increase**", in accordance with the following provisions:

(a) "**Base Year**" is as specified in Paragraph 1.9.

(b) "**Comparison Year**" is defined as each calendar year during the term of this Lease subsequent to the Base Year; provided, however, Lessee shall have

© 2019 AIR CRE. All Rights Reserved.

no obligation to pay a share of the Operating Expense Increase applicable to the first 12 months of the Lease Term (other than such as are mandated by a governmental authority, as to which government mandated expenses Lessee shall pay Lessee's Share, notwithstanding they occur during the first twelve (12) months). Lessee's Share of the Operating Expense Increase for the first and last Comparison Years of the Lease Term shall be prorated according to that portion of such Comparison Year as to which Lessee is responsible for a share of such increase.

(c) The following costs relating to the ownership and operation of the Project, calculated as if the Project was at least 95% occupied, are defined as "**Operating Expenses**":

(i) Costs relating to the operation, repair, and maintenance in neat, clean, safe, good order and condition, but not the replacement (see subparagraph (g)), of the following:

(aa) The Common Areas, including their surfaces, coverings, decorative items, carpets, drapes and window coverings, and including parking areas, loading and unloading areas, trash areas, roadways, sidewalks, walkways, stairways, parkways, driveways, landscaped areas, striping, bumpers, irrigation systems, Common Area lighting facilities, building exteriors and roofs, fences and gates;

(bb) All heating, air conditioning, plumbing, electrical systems, life safety equipment, communication systems and other equipment used in common by, or for the benefit of, tenants or occupants of the Project, including elevators and escalators, tenant directories, fire detection systems including sprinkler system maintenance and repair.

(cc) All other areas and improvements that are within the exterior boundaries of the Project but outside of the Premises and/or any other space occupied by a tenant.

(ii) The cost of trash disposal, janitorial and security services, pest control services, and the costs of any environmental inspections;

(iii) The cost of any other service to be provided by Lessor that is elsewhere in this Lease stated to be an "Operating Expense";

(iv) The cost of the premiums for the insurance policies maintained by Lessor pursuant to paragraph 8 and any deductible portion of an insured loss concerning the Building or the Common Areas;

(v) The amount of the Real Property Taxes payable by Lessor pursuant to paragraph 10;

(vi) The cost of water, sewer, gas, electricity, and other publicly mandated services not separately metered;

(vii) Labor, salaries, and applicable fringe benefits and costs, materials, supplies and tools, used in maintaining and/or cleaning the Project and accounting and management fees attributable to the operation of the Project;

(viii) The cost of any capital improvement to the Building or the Project not covered under the provisions of Paragraph 2.3 provided; however, that Lessor shall allocate the cost of any such capital improvement over a 12 year period and Lessee shall not be required to pay more than Lessee's Share of 1/144th of the cost of such Capital Expenditure in any given month;

(ix) The cost to replace equipment or improvements that have a useful life for accounting purposes of 5 years or less.

(x) Reserves set aside for maintenance, repair and/or replacement of Common Area improvements and equipment.

(d) Any item of Operating Expense that is specifically attributable to the Premises, the Building or to any other building in the Project or to the operation, repair and maintenance thereof, shall be allocated entirely to such Premises, Building, or other building. However, any such item that is not specifically attributable to the Building or to any other building or to the operation, repair and maintenance thereof, shall be equitably allocated by Lessor to all buildings in the Project.

(e) The inclusion of the improvements, facilities and services set forth in Subparagraph 4.2(c) shall not be deemed to impose an obligation upon Lessor to either have said improvements or facilities or to provide those services unless the Project already has the same, Lessor already provides the services, or Lessor has agreed elsewhere in this Lease to provide the same or some of them.

(f) Lessee's Share of Operating Expense Increase is payable monthly on the same day as the Base Rent is due hereunder. The amount of such payments shall be based on Lessor's estimate of the Operating Expense Expenses. Within 60 days after written request (but not more than once each year) Lessor shall deliver to Lessee a reasonably detailed statement showing Lessee's Share of the actual Common Area Operating Expenses for the preceding year. If Lessee's payments during such Year exceed Lessee's Share, Lessee shall credit the amount of such over-payment against Lessee's future payments. If Lessee's payments during such Year were less than Lessee's Share, Lessee shall pay to Lessor the amount of the deficiency within 10 days after delivery by Lessor to Lessee of said statement. Lessor and Lessee shall forthwith adjust between them by cash payment any balance determined to exist with respect to that portion of the last Comparison Year for which Lessee is responsible as to Operating Expense Increases, notwithstanding that the Lease term may have terminated before the end of such Comparison Year.

(g) Operating Expenses shall not include the costs of replacement for equipment or capital components such as the roof (but not the roof membrane being a built up roof), foundations, exterior walls or a Common Area capital improvement, such as the parking lot paving, elevators, fences that have a useful life for accounting purposes of 5 years or more.

(h) Operating Expenses shall not include any expenses paid by any tenant directly to third parties, or as to which Lessor is otherwise reimbursed by any third party, other tenant, or by insurance proceeds.

4.3 **Payment**. Lessee shall cause payment of Rent to be received by Lessor in lawful money of the United States on or before the day on which it is due, without offset or deduction (except as specifically permitted in this Lease). All monetary amounts shall be rounded to the nearest whole dollar. In the event that any invoice prepared by Lessor is inaccurate such inaccuracy shall not constitute a waiver and Lessee shall be obligated to pay the amount set forth in this Lease. Rent for any period during the term hereof which is for less than one full calendar month shall be prorated based upon the actual number of days of said month. Payment of Rent shall be made to Lessor at its address stated herein or to such other persons or place as Lessor may from time to time designate in writing. Acceptance of a payment which is less than the amount then due shall not be a waiver of Lessor's rights to the balance of such Rent, regardless of Lessor's endorsement of any check so stating. In the event that any check, draft, or other instrument of payment given by Lessee to Lessor is dishonored for any reason, Lessee agrees to pay to Lessor the sum of $25 in addition to any Late Charge and Lessor, at its option, may require all future Rent be paid by cashier's check. Payments will be applied first to accrued late charges and attorney's fees, second to accrued interest, then to Base Rent and Common Area Operating Expenses, and any remaining amount to any other outstanding charges or costs.

5. Security Deposit. Lessee shall deposit with Lessor upon execution hereof the Security Deposit as security for Lessee's faithful performance of its obligations under this Lease. If Lessee fails to pay Rent, or otherwise Defaults under this Lease, Lessor may use, apply or retain all or any portion of said Security Deposit for the payment of any amount already due Lessor, for Rents which will be due in the future, and/ or to reimburse or compensate Lessor for any liability, expense, loss or damage which Lessor may suffer or incur by reason thereof. If Lessor uses or applies all or any portion of the Security Deposit, Lessee shall within 10 days after written request therefor deposit monies with Lessor sufficient to restore said Security Deposit to the full amount required by this Lease. If the Base Rent increases during the term of this Lease, Lessee shall, upon written request from Lessor, deposit additional monies with Lessor so that the total amount of the Security Deposit shall at all times bear the same proportion to the increased Base Rent as the initial Security Deposit bore to the initial Base Rent. Should the Agreed Use be amended to accommodate a material change in the business of Lessee or to accommodate a sublessee or assignee, Lessor shall have the right to increase the Security Deposit to the extent necessary, in Lessor's reasonable judgment, to account for any increased wear and tear that the Premises may suffer as a result thereof. If a change in

© 2019 AIR CRE. All Rights Reserved.

control of Lessee occurs during this Lease and following such change the financial condition of Lessee is, in Lessor's reasonable judgment, significantly reduced, Lessee shall deposit such additional monies with Lessor as shall be sufficient to cause the Security Deposit to be at a commercially reasonable level based on such change in financial condition. Lessor shall not be required to keep the Security Deposit separate from its general accounts. Within 90 days after the expiration or termination of this Lease, Lessor shall return that portion of the Security Deposit not used or applied by Lessor. Lessor shall upon written request provide Lessee with an accounting showing how that portion of the Security Deposit that was not returned was applied. No part of the Security Deposit shall be considered to be held in trust, to bear interest or to be prepayment for any monies to be paid by Lessee under this Lease. THE SECURITY DEPOSIT SHALL NOT BE USED BY LESSEE IN LIEU OF PAYMENT OF THE LAST MONTH'S RENT.

6. Use.

6.1 **Use**. Lessee shall use and occupy the Premises only for the Agreed Use, or any other legal use which is reasonably comparable thereto, and for no other purpose. Lessee shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing eye dogs, Lessee shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. Lessor shall not unreasonably withhold or delay its consent to any written request for a modification of the Agreed Use, so long as the same will not impair the structural integrity of the improvements of the Building, will not adversely affect the mechanical, electrical, HVAC, and other systems of the Building, and/or will not affect the exterior appearance of the Building. If Lessor elects to withhold consent, Lessor shall within 7 days after such request give written notification of same, which notice shall include an explanation of Lessor's objections to the change in the Agreed Use.

6.2 **Hazardous Substances**.

(a) **Reportable Uses Require Consent**. The term "**Hazardous Substance**" as used in this Lease shall mean any product, substance, or waste whose presence, use, manufacture, disposal, transportation, or release, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment or the Premises, (ii) regulated or monitored by any governmental authority, or (iii) a basis for potential liability of Lessor to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substances shall include, but not be limited to, hydrocarbons, petroleum, gasoline, and/or crude oil or any products, byproducts or fractions thereof. Lessee shall not engage in any activity in or on the Premises which constitutes a Reportable Use of Hazardous Substances without the express prior written consent of Lessor and timely compliance (at Lessee's expense) with all Applicable Requirements. "**Reportable Use**" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and/or (iii) the presence at the Premises of a Hazardous Substance with respect to which any Applicable Requirements requires that a notice be given to persons entering or occupying the Premises or neighboring properties. Notwithstanding the foregoing, Lessee may use any ordinary and customary materials reasonably required to be used in the normal course of the Agreed Use such as ordinary office supplies (copier toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Applicable Requirements, is not a Reportable Use, and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Lessor to any liability therefor. In addition, Lessor may condition its consent to any Reportable Use upon receiving such additional assurances as Lessor reasonably deems necessary to protect itself, the public, the Premises and/or the environment against damage, contamination, injury and/or liability, including, but not limited to, the installation (and removal on or before Lease expiration or termination) of protective modifications (such as concrete encasements) and/or increasing the Security Deposit.

(b) **Duty to Inform Lessor**. If Lessee knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises, other than as previously consented to by Lessor, Lessee shall immediately give written notice of such fact to Lessor, and provide Lessor with a copy of any report, notice, claim or other documentation which it has concerning the presence of such Hazardous Substance.

(c) **Lessee Remediation**. Lessee shall not cause or permit any Hazardous Substance to be spilled or released in, on, under, or about the Premises (including through the plumbing or sanitary sewer system) and shall promptly, at Lessee's expense, comply with all Applicable Requirements and take all investigatory and/or remedial action reasonably recommended, whether or not formally ordered or required, for the cleanup of any contamination of, and for the maintenance, security and/or monitoring of the Premises or neighboring properties, that was caused or materially contributed to by Lessee, or pertaining to or involving any Hazardous Substance brought onto the Premises during the term of this Lease, by or for Lessee, or any third party.

(d) **Lessee Indemnification**. Lessee shall indemnify, defend and hold Lessor, its agents, employees, lenders and ground lessor, if any, harmless from and against any and all loss of rents and/or damages, liabilities, judgments, claims, expenses, penalties, and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Lessee, or any third party (provided, however, that Lessee shall have no liability under this Lease with respect to underground migration of any Hazardous Substance under the Premises from areas outside of the Project not caused or contributed to by Lessee). Lessee's obligations shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Lessee, and the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease. No termination, cancellation or release agreement entered into by Lessor and Lessee shall release Lessee from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Lessor in writing at the time of such agreement.

(e) **Lessor Indemnification**. Except as otherwise provided in paragraph 8.7, Lessor and its successors and assigns shall indemnify, defend, reimburse and hold Lessee, its employees and lenders, harmless from and against any and all environmental damages, including the cost of remediation, which result from Hazardous Substances which existed on the Premises prior to Lessee's occupancy or which are caused by the gross negligence or willful misconduct of Lessor, its agents or employees. Lessor's obligations, as and when required by the Applicable Requirements, shall include, but not be limited to, the cost of investigation, removal, remediation, restoration and/or abatement, and shall survive the expiration or termination of this Lease.

(f) **Investigations and Remediations**. Lessor shall retain the responsibility and pay for any investigations or remediation measures required by governmental entities having jurisdiction with respect to the existence of Hazardous Substances on the Premises prior to Lessee's occupancy, unless such remediation measure is required as a result of Lessee's use (including "Alterations", as defined in paragraph 7.3(a) below) of the Premises, in which event Lessee shall be responsible for such payment. Lessee shall cooperate fully in any such activities at the request of Lessor, including allowing Lessor and Lessor's agents to have reasonable access to the Premises at reasonable times in order to carry out Lessor's investigative and remedial responsibilities.

(g) **Lessor Termination Option**. If a Hazardous Substance Condition (see Paragraph 9.1(e)) occurs during the term of this Lease, unless Lessee is legally responsible therefor (in which case Lessee shall make the investigation and remediation thereof required by the Applicable Requirements and this Lease shall continue in full force and effect, but subject to Lessor's rights under Paragraph 6.2(d) and Paragraph 13), Lessor may, at Lessor's option, either (i) investigate and remediate such Hazardous Substance Condition, if required, as soon as reasonably possible at Lessor's expense, in which event this Lease shall continue in full force and effect, or (ii) if the estimated cost to remediate such condition exceeds 12 times the then monthly Base Rent or $100,000, whichever is greater, give written notice to Lessee, within 30 days after receipt by Lessor of knowledge of the occurrence of such Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60 days following the date of such notice. In the event Lessor elects to give a termination notice, Lessee may, within 10 days thereafter, give written notice to Lessor of Lessee's commitment to pay the amount by which the cost of the remediation of such Hazardous Substance Condition exceeds an amount equal to 12 times the then monthly Base Rent or $100,000, whichever is greater. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days following such

commitment. In such event, this Lease shall continue in full force and effect, and Lessor shall proceed to make such remediation as soon as reasonably possible after the required funds are available. If Lessee does not give such notice and provide the required funds or assurance thereof within the time provided, this Lease shall terminate as of the date specified in Lessor's notice of termination.

6.3 **Lessee's Compliance with Applicable Requirements**. Except as otherwise provided in this Lease, Lessee shall, at Lessee's sole expense, fully, diligently and in a timely manner, materially comply with all Applicable Requirements, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Lessor's engineers and/or consultants which relate in any manner to the Premises, without regard to whether said Applicable Requirements are now in effect or become effective after the Start Date. Lessee shall, within 10 days after receipt of Lessor's written request, provide Lessor with copies of all permits and other documents, and other information evidencing Lessee's compliance with any Applicable Requirements specified by Lessor, and shall immediately upon receipt, notify Lessor in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving the failure of Lessee or the Premises to comply with any Applicable Requirements. Likewise, Lessee shall immediately give written notice to Lessor of: (i) any water damage to the Premises and any suspected seepage, pooling, dampness or other condition conducive to the production of mold; or (ii) any mustiness or other odors that might indicate the presence of mold in the Premises.

6.4 **Inspection; Compliance**. Lessor and Lessor's "**Lender**" (as defined in Paragraph 30) and consultants authorized by Lessor shall have the right to enter into Premises at any time, in the case of an emergency, and otherwise at reasonable times, after reasonable notice, for the purpose of inspecting and/or testing the condition of the Premises and/or for verifying compliance by Lessee with this Lease. The cost of any such inspections shall be paid by Lessor, unless a violation of Applicable Requirements, or a Hazardous Substance Condition (see Paragraph 9.1e) is found to exist or be imminent, or the inspection is requested or ordered by a governmental authority. In such case, Lessee shall upon request reimburse Lessor for the cost of such inspection, so long as such inspection is reasonably related to the violation or contamination. In addition, Lessee shall provide copies of all relevant material safety data sheets (**MSDS**) to Lessor within 10 days of the receipt of written request therefor. Lessee acknowledges that any failure on its part to allow such inspections or testing will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to allow such inspections and/or testing in a timely fashion the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for the remainder to the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to allow such inspection and/or testing. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to such failure nor prevent the exercise of any of the other rights and remedies granted hereunder.

7. Maintenance; Repairs; Utility Installations; Trade Fixtures and Alterations.

7.1 **Lessee's Obligations**. Notwithstanding Lessor's obligation to keep the Premises in good condition and repair, Lessee shall be responsible for payment of the cost thereof to Lessor as additional rent for that portion of the cost of any maintenance and repair of the Premises, or any equipment (wherever located) that serves only Lessee or the Premises, to the extent such cost is attributable to abuse or misuse. In addition, Lessee rather than the Lessor shall be responsible for the cost of painting, repairing or replacing wall coverings, and to repair or replace any similar improvements within the Premises. Lessor may, at its option, upon reasonable notice, elect to have Lessee perform any particular such maintenance or repairs the cost of which is otherwise Lessee's responsibility hereunder."

7.2 **Lessor's Obligations**. Subject to the provisions of Paragraphs 2.2 (Condition), 2.3 (Compliance), 4.2 (Operating Expenses), 6 (Use), 7.1 (Lessee's Obligations), 9 (Damage or Destruction) and 14 (Condemnation), Lessor, subject to reimbursement pursuant to Paragraph 4.2, shall keep in good order, condition and repair the foundations, exterior walls, structural condition of interior bearing walls, exterior roof, fire sprinkler system, fire alarm and/or smoke detection systems, fire hydrants, and the Common Areas.

7.3 **Utility Installations; Trade Fixtures; Alterations**.

(a) **Definitions**. The term "**Utility Installations**" refers to all floor and window coverings, air lines, vacuum lines, power panels, electrical distribution, security and fire protection systems, communication cabling, lighting fixtures, HVAC equipment, and plumbing in or on the Premises. The term "**Trade Fixtures**" shall mean Lessee's machinery and equipment that can be removed without doing material damage to the Premises. The term "**Alterations**" shall mean any modification of the improvements, other than Utility Installations or Trade Fixtures, whether by addition or deletion. "**Lessee Owned Alterations and/or Utility Installations**" are defined as Alterations and/or Utility Installations made by Lessee that are not yet owned by Lessor pursuant to Paragraph 7.4(a).

(b) **Consent**. Lessee shall not make any Alterations or Utility Installations to the Premises without Lessor's prior written consent. Lessee may, however, make non-structural Alterations or Utility Installations to the interior of the Premises (excluding the roof) without such consent but upon notice to Lessor, as long as they are not visible from the outside, do not involve puncturing, relocating or removing the roof, ceilings, floors or any existing walls, will not affect the electrical, plumbing, HVAC, and/or life safety systems, do not trigger the requirement for additional modifications and/or improvements to the Premises resulting from Applicable Requirements, such as compliance with Title 24, and the cumulative cost thereof during this Lease as extended does not exceed $2000. Notwithstanding the foregoing, Lessee shall not make or permit any roof penetrations and/or install anything on the roof without the prior written approval of Lessor. Lessor may, as a precondition to granting such approval, require Lessee to utilize a contractor chosen and/or approved by Lessor. Any Alterations or Utility Installations that Lessee shall desire to make and which require the consent of the Lessor shall be presented to Lessor in written form with detailed plans. Consent shall be deemed conditioned upon Lessee's: (i) acquiring all applicable governmental permits, (ii) furnishing Lessor with copies of both the permits and the plans and specifications prior to commencement of the work, and (iii) compliance with all conditions of said permits and other Applicable Requirements in a prompt and expeditious manner. Any Alterations or Utility Installations shall be performed in a workmanlike manner with good and sufficient materials. Lessee shall promptly upon completion furnish Lessor with as-built plans and specifications. For work which costs an amount in excess of one month's Base Rent, Lessor may condition its consent upon Lessee providing a lien and completion bond in an amount equal to 150% of the estimated cost of such Alteration or Utility Installation and/or upon Lessee's posting an additional Security Deposit with Lessor.

(c) **Liens; Bonds**. Lessee shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Lessee at or for use on the Premises, which claims are or may be secured by any mechanic's or materialmen's lien against the Premises or any interest therein. Lessee shall give Lessor not less than 10 days notice prior to the commencement of any work in, on or about the Premises, and Lessor shall have the right to post notices of non-responsibility. If Lessee shall contest the validity of any such lien, claim or demand, then Lessee shall, at its sole expense defend and protect itself, Lessor and the Premises against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof. If Lessor shall require, Lessee shall furnish a surety bond in an amount equal to 150% of the amount of such contested lien, claim or demand, indemnifying Lessor against liability for the same. If Lessor elects to participate in any such action, Lessee shall pay Lessor's attorneys' fees and costs.

7.4 **Ownership; Removal; Surrender; and Restoration**.

(a) **Ownership**. Subject to Lessor's right to require removal or elect ownership as hereinafter provided, all Alterations and Utility Installations made by Lessee shall be the property of Lessee, but considered a part of the Premises. Lessor may, at any time, elect in writing to be the owner of all or any specified part of the Lessee Owned Alterations and Utility Installations. Unless otherwise instructed per paragraph 7.4(b) hereof, all Lessee Owned Alterations and Utility Installations shall, at the expiration or termination of this Lease, become the property of Lessor and be surrendered by Lessee with the Premises.

© 2019 AIR CRE. All Rights Reserved.

(b) **Removal**. By delivery to Lessee of written notice from Lessor not earlier than 90 and not later than 30 days prior to the end of the term of this Lease, Lessor may require that any or all Lessee Owned Alterations or Utility Installations be removed by the expiration or termination of this Lease. Lessor may require the removal at any time of all or any part of any Lessee Owned Alterations or Utility Installations made without the required consent.

(c) **Surrender; Restoration**. Lessee shall surrender the Premises by the Expiration Date or any earlier termination date, with all of the improvements, parts and surfaces thereof clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Notwithstanding the foregoing, if the Lessee occupies the Premises for 12 months or less, then Lessee shall surrender the Premises in the same condition as delivered to Lessee on the Start Date with NO allowance for ordinary wear and tear. Lessee shall repair any damage occasioned by the installation, maintenance or removal of Trade Fixtures, Lessee owned Alterations and/or Utility Installations, furnishings, and equipment as well as the removal of any storage tank installed by or for Lessee. Lessee shall also remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Lessee, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Premises) to the level specified in Applicable Requirements. Trade Fixtures shall remain the property of Lessee and shall be removed by Lessee. Any personal property of Lessee not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Lessee and may be disposed of or retained by Lessor as Lessor may desire. The failure by Lessee to timely vacate the Premises pursuant to this Paragraph 7.4(c) without the express written consent of Lessor shall constitute a holdover under the provisions of Paragraph 26 below.

8. Insurance; Indemnity.

8.1 **Insurance Premiums**. The cost of the premiums for the insurance policies maintained by Lessor pursuant to paragraph 8 are included as Operating Expenses (see paragraph 4.2 (c)(iv)). Said costs shall include increases in the premiums resulting from additional coverage related to requirements of the holder of a mortgage or deed of trust covering the Premises, Building and/or Project, increased valuation of the Premises, Building and/or Project, and/or a general premium rate increase. Said costs shall not, however, include any premium increases resulting from the nature of the occupancy of any other tenant of the Building. If the Project was not insured for the entirety of the Base Year, then the base premium shall be the lowest annual premium reasonably obtainable for the required insurance as of the Start Date, assuming the most nominal use possible of the Building and/or Project. In no event, however, shall Lessee be responsible for any portion of the premium cost attributable to liability insurance coverage in excess of $2,000,000 procured under Paragraph 8.2(b).

8.2 **Liability Insurance**.

(a) **Carried by Lessee**. Lessee shall obtain and keep in force a Commercial General Liability policy of insurance protecting Lessee and Lessor as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $1,000,000 per occurrence with an annual aggregate of not less than $2,000,000. Lessee shall add Lessor as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Lessors of Premises" Endorsement and coverage shall also be extended to include damage caused by heat, smoke or fumes from a hostile fire. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "insured contract" for the performance of Lessee's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Lessee nor relieve Lessee of any obligation hereunder. Lessee shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Lessor, whose insurance shall be considered excess insurance only.

(b) **Carried by Lessor**. Lessor shall maintain liability insurance as described in Paragraph 8.2(a), in addition to, and not in lieu of, the insurance required to be maintained by Lessee. Lessee shall not be named as an additional insured therein.

8.3 **Property Insurance - Building, Improvements and Rental Value**.

(a) **Building and Improvements**. Lessor shall obtain and keep in force a policy or policies of insurance in the name of Lessor, with loss payable to Lessor, any ground-lessor, and to any Lender insuring loss or damage to the Building and/or Project. The amount of such insurance shall be equal to the full insurable replacement cost of the Building and/or Project, as the same shall exist from time to time, or the amount required by any Lender, but in no event more than the commercially reasonable and available insurable value thereof. Lessee Owned Alterations and Utility Installations, Trade Fixtures, and Lessee's personal property shall be insured by Lessee not by Lessor. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risks of direct physical loss or damage (except the perils of flood and/or earthquake unless required by a Lender), including coverage for debris removal and the enforcement of any Applicable Requirements requiring the upgrading, demolition, reconstruction or replacement of any portion of the Premises as the result of a covered loss. Said policy or policies shall also contain an agreed valuation provision in lieu of any coinsurance clause, waiver of subrogation, and inflation guard protection causing an increase in the annual property insurance coverage amount by a factor of not less than the adjusted U.S. Department of Labor Consumer Price Index for All Urban Consumers for the city nearest to where the Premises are located. If such insurance coverage has a deductible clause, the deductible amount shall not exceed $5,000 per occurrence.

(b) **Rental Value**. Lessor shall also obtain and keep in force a policy or policies in the name of Lessor with loss payable to Lessor and any Lender, insuring the loss of the full Rent for one year with an extended period of indemnity for an additional 180 days ("Rental Value insurance"). Said insurance shall contain an agreed valuation provision in lieu of any coinsurance clause, and the amount of coverage shall be adjusted annually to reflect the projected Rent otherwise payable by Lessee, for the next 12 month period.

(c) **Adjacent Premises**. Lessee shall pay for any increase in the premiums for the property insurance of the Building and for the Common Areas or other buildings in the Project if said increase is caused by Lessee's acts, omissions, use or occupancy of the Premises.

(d) **Lessee's Improvements**. Since Lessor is the Insuring Party, Lessor shall not be required to insure Lessee Owned Alterations and Utility Installations unless the item in question has become the property of Lessor under the terms of this Lease.

8.4 **Lessee's Property; Business Interruption Insurance; Worker's Compensation Insurance**.

(a) **Property Damage**. Lessee shall obtain and maintain insurance coverage on all of Lessee's personal property, Trade Fixtures, and Lessee Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed $1,000 per occurrence. The proceeds from any such insurance shall be used by Lessee for the replacement of personal property, Trade Fixtures and Lessee Owned Alterations and Utility Installations.

(b) **Worker's Compensation Insurance**. Lessee shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Applicable Requirements. Such policy shall include a 'Waiver of Subrogation' endorsement. Lessee shall provide Lessor with a copy of such endorsement along with the certificate of insurance or copy of the policy required by paragraph 8.5.

(c) **Business Interruption**. Lessee shall obtain and maintain loss of income and extra expense insurance in amounts as will reimburse Lessee for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Lessee or attributable to prevention of access to the Premises as a result of such perils.

(d) **No Representation of Adequate Coverage**. Lessor makes no representation that the limits or forms of coverage of insurance specified herein are adequate to cover Lessee's property, business operations or obligations under this Lease.

8.5 **Insurance Policies**. Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VII,

as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Lessee shall not do or permit to be done anything which invalidates the required insurance policies. Lessee shall, prior to the Start Date, deliver to Lessor certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 10 days prior written notice to Lessor. Lessee shall, at least 30 days prior to the expiration of such policies, furnish Lessor with evidence of renewals or "insurance binders" evidencing renewal thereof, or Lessor may increase his liability insurance coverage and charge the cost thereof to Lessee, which amount shall be payable by Lessee to Lessor upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If either Party shall fail to procure and maintain the insurance required to be carried by it, the other Party may, but shall not be required to, procure and maintain the same.

8.6 **Waiver of Subrogation**. Without affecting any other rights or remedies, Lessee and Lessor each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Lessor or Lessee, as the case may be, so long as the insurance is not invalidated thereby.

8.7 **Indemnity**. Except for Lessor's gross negligence or willful misconduct, Lessee shall indemnify, protect, defend and hold harmless the Premises, Lessor and its agents, Lessor's master or ground lessor, partners and Lenders, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses and/or liabilities arising out of, involving, or in connection with, a Breach of the Lease by Lessee and/or the use and/or occupancy of the Premises and/or Project by Lessee and/or by Lessee's employees, contractors or invitees. If any action or proceeding is brought against Lessor by reason of any of the foregoing matters, Lessee shall upon notice defend the same at Lessee's expense by counsel reasonably satisfactory to Lessor and Lessor shall cooperate with Lessee in such defense. Lessor need not have first paid any such claim in order to be defended or indemnified.

8.8 **Exemption of Lessor and its Agents from Liability**. Notwithstanding the negligence or breach of this Lease by Lessor or its agents, neither Lessor nor its agents shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Lessee, Lessee's employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said injury or damage results from conditions arising upon the Premises or upon other portions of the Building, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Lessor or from the failure of Lessor or its agents to enforce the provisions of any other lease in the Project, or (iii) injury to Lessee's business or for any loss of income or profit therefrom. Instead, it is intended that Lessee's sole recourse in the event of such damages or injury be to file a claim on the insurance policy(ies) that Lessee is required to maintain pursuant to the provisions of paragraph 8.

8.9 **Failure to Provide Insurance**. Lessee acknowledges that any failure on its part to obtain or maintain the insurance required herein will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, for any month or portion thereof that Lessee does not maintain the required insurance and/or does not provide Lessor with the required binders or certificates evidencing the existence of the required insurance, the Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater. The parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to maintain the required insurance. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to maintain such insurance, prevent the exercise of any of the other rights and remedies granted hereunder, nor relieve Lessee of its obligation to maintain the insurance specified in this Lease.

9. Damage or Destruction.

9.1 **Definitions**.

(a) "**Premises Partial Damage**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations, which can reasonably be repaired in 3 months or less from the date of the damage or destruction, and the cost thereof does not exceed a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(b) "**Premises Total Destruction**" shall mean damage or destruction to the improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which cannot reasonably be repaired in 3 months or less from the date of the damage or destruction and/or the cost thereof exceeds a sum equal to 6 month's Base Rent. Lessor shall notify Lessee in writing within 30 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) "**Insured Loss**" shall mean damage or destruction to improvements on the Premises, other than Lessee Owned Alterations and Utility Installations and Trade Fixtures, which was caused by an event required to be covered by the insurance described in Paragraph 8.3(a), irrespective of any deductible amounts or coverage limits involved.

(d) "**Replacement Cost**" shall mean the cost to repair or rebuild the improvements owned by Lessor at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Applicable Requirements, and without deduction for depreciation.

(e) "**Hazardous Substance Condition**" shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Substance, in, on, or under the Premises which requires restoration.

9.2 **Partial Damage - Insured Loss**. If a Premises Partial Damage that is an Insured Loss occurs, then Lessor shall, at Lessor's expense, repair such damage (but not Lessee's Trade Fixtures or Lessee Owned Alterations and Utility Installations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Lessee shall, at Lessor's election, make the repair of any damage or destruction the total cost to repair of which is $5,000 or less, and, in such event, Lessor shall make any applicable insurance proceeds available to Lessee on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, the Insuring Party shall promptly contribute the shortage in proceeds as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Lessor shall have no obligation to pay for the shortage in insurance proceeds or to fully restore the unique aspects of the Premises unless Lessee provides Lessor with the funds to cover same, or adequate assurance thereof, within 10 days following receipt of written notice of such shortage and request therefor. If Lessor receives said funds or adequate assurance thereof within said 10 day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not received, Lessor may nevertheless elect by written notice to Lessee within 10 days thereafter to: (i) make such restoration and repair as is commercially reasonable with Lessor paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (ii) have this Lease terminate 30 days thereafter. Lessee shall not be entitled to reimbursement of any funds contributed by Lessee to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Paragraph 9.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance

shall be made available for the repairs if made by either Party.

9.3 **Partial Damage - Uninsured Loss**. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Lessee (in which event Lessee shall make the repairs at Lessee's expense), Lessor may either: (i) repair such damage as soon as reasonably possible at Lessor's expense (subject to reimbursement pursuant to Paragraph 4.2), in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Lessee within 30 days after receipt by Lessor of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such notice. In the event Lessor elects to terminate this Lease, Lessee shall have the right within 10 days after receipt of the termination notice to give written notice to Lessor of Lessee's commitment to pay for the repair of such damage without reimbursement from Lessor. Lessee shall provide Lessor with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Lessor shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Lessee does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

9.4 **Total Destruction**. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate 60 days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Lessee, Lessor shall have the right to recover Lessor's damages from Lessee, except as provided in Paragraph 8.6.

9.5 **Damage Near End of Term**. If at any time during the last 6 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Lessor may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to Lessee within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Lessee at that time has an exercisable option to extend this Lease or to purchase the Premises, then Lessee may preserve this Lease by, (a) exercising such option and (b) providing Lessor with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Lessee's receipt of Lessor's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Lessee duly exercises such option during such period and provides Lessor with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Lessor shall, at Lessor's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Lessee fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Lessee's option shall be extinguished.

9.6 **Abatement of Rent; Lessee's Remedies**.

(a) **Abatement**. In the event of Premises Partial Damage or Premises Total Destruction or a Hazardous Substance Condition for which Lessee is not responsible under this Lease, the Rent payable by Lessee for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Lessee's use of the Premises is impaired, but not to exceed the proceeds received from the Rental Value insurance. All other obligations of Lessee hereunder shall be performed by Lessee, and Lessor shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

(b) **Remedies**. If Lessor is obligated to repair or restore the Premises and does not commence, in a substantial and meaningful way, such repair or restoration within 90 days after such obligation shall accrue, Lessee may, at any time prior to the commencement of such repair or restoration, give written notice to Lessor and to any Lenders of which Lessee has actual notice, of Lessee's election to terminate this Lease on a date not less than 60 days following the giving of such notice. If Lessee gives such notice and such repair or restoration is not commenced within 30 days thereafter, this Lease shall terminate as of the date specified in said notice. If the repair or restoration is commenced within such 30 days, this Lease shall continue in full force and effect. "Commence" shall mean either the unconditional authorization of the preparation of the required plans, or the beginning of the actual work on the Premises, whichever first occurs.

9.7 **Termination; Advance Payments**. Upon termination of this Lease pursuant to Paragraph 6.2(g) or Paragraph 9, an equitable adjustment shall be made concerning advance Base Rent and any other advance payments made by Lessee to Lessor. Lessor shall, in addition, return to Lessee so much of Lessee's Security Deposit as has not been, or is not then required to be, used by Lessor.

10. Real Property Taxes.

10.1 **Definitions**. As used herein, the term "**Real Property Taxes**" shall include any form of assessment; real estate, general, special, ordinary or extraordinary, or rental levy or tax (other than inheritance, personal income or estate taxes); improvement bond; and/or license fee imposed upon or levied against any legal or equitable interest of Lessor in the Project, Lessor's right to other income therefrom, and/or Lessor's business of leasing, by any authority having the direct or indirect power to tax and where the funds are generated with reference to the Project address. "**Real Property Taxes**" shall also include any tax, fee, levy, assessment or charge, or any increase therein: (i) imposed by reason of events occurring during the term of this Lease, including but not limited to, a change in the ownership of the Project, (ii) a change in the improvements thereon, and/or (iii) levied or assessed on machinery or equipment provided by Lessor to Lessee pursuant to this Lease.

10.2 **Payment of Taxes**. Except as otherwise provided in Paragraph 10.3, Lessor shall pay the Real Property Taxes applicable to the Project, and said payments shall be included in the calculation of Operating Expenses in accordance with the provisions of Paragraph 4.2.

10.3 **Additional Improvements**. Operating Expenses shall not include Real Property Taxes specified in the tax assessor's records and work sheets as being caused by additional improvements placed upon the Project by other lessees or by Lessor for the exclusive enjoyment of such other lessees. Notwithstanding Paragraph 10.2 hereof, Lessee shall, however, pay to Lessor at the time Operating Expenses are payable under Paragraph 4.2, the entirety of any increase in Real Property Taxes if assessed solely by reason of Alterations, Trade Fixtures or Utility Installations placed upon the Premises by Lessee or at Lessee's request or by reason of any alterations or improvements to the Premises made by Lessor subsequent to the execution of this Lease by the Parties.

10.4 **Joint Assessment**. If the Building is not separately assessed, Real Property Taxes allocated to the Building shall be an equitable proportion of the Real Property Taxes for all of the land and improvements included within the tax parcel assessed, such proportion to be determined by Lessor from the respective valuations assigned in the assessor's work sheets or such other information as may be reasonably available. Lessor's reasonable determination thereof, in good faith, shall be conclusive.

10.5 **Personal Property Taxes**. Lessee shall pay prior to delinquency all taxes assessed against and levied upon Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all personal property of Lessee contained in the Premises. When possible, Lessee shall cause its Lessee Owned Alterations and Utility Installations, Trade Fixtures, furnishings, equipment and all other personal property to be assessed and billed separately from the real property of Lessor. If any of Lessee's said property shall be assessed with Lessor's real property, Lessee shall pay Lessor the taxes attributable to Lessee's property within 10 days after receipt of a written statement setting forth the taxes applicable to Lessee's property.

11. Utilities and Services.

11.1 **Services Provided by Lessor**. Lessor shall provide heating, ventilation, air conditioning, reasonable amounts of electricity for normal lighting and office machines, water for reasonable and normal drinking and lavatory use in connection with an office, and replacement light bulbs and/or fluorescent tubes and ballasts for standard overhead fixtures. Lessor shall also provide janitorial services to the Premises and Common Areas 5 times per week, excluding Building Holidays, or pursuant to the attached janitorial schedule, if any. Lessor shall not, however, be required to provide janitorial services to kitchens or storage areas included within

the Premises.

11.2 **Services Exclusive to Lessee**. Notwithstanding the provisions of paragraph 11.1, Lessee shall pay for all water, gas, light, power, telephone and other utilities and services specially or exclusively supplied and/or metered exclusively to the Premises or to Lessee, together with any taxes thereon. Notwithstanding the provisions of Paragraph 4.2(vi), if a service is deleted by Paragraph 1.13 and such service is not separately metered to the Premises, Lessee shall pay at Lessor's option, either Lessee's Share or a reasonable proportion to be determined by Lessor of all charges for such jointly metered service.

11.3 **Hours of Service**. Said services and utilities shall be provided during times set forth in Paragraph 1.12. Utilities and services required at other times shall be subject to advance request and reimbursement by Lessee to Lessor of the cost thereof.

11.4 **Excess Usage by Lessee**. Lessee shall not make connection to the utilities except by or through existing outlets and shall not install or use machinery or equipment in or about the Premises that uses excess water, lighting or power, or suffer or permit any act that causes extra burden upon the utilities or services, including but not limited to security and trash services, over standard office usage for the Project. Lessor shall require Lessee to reimburse Lessor for any excess expenses or costs that may arise out of a breach of this subparagraph by Lessee. Lessor may, in its sole discretion, install at Lessee's expense supplemental equipment and/or separate metering applicable to Lessee's excess usage or loading.

11.5 **Interruptions**. There shall be no abatement of rent and Lessor shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond Lessor's reasonable control or in cooperation with governmental request or directions.

11.6 Within fifteen days of Lessor's written request, Lessee agrees to deliver to Lessor such information, documents and/or authorization as Lessor needs in order for Lessor to comply with new or existing Applicable Requirements relating to commercial building energy usage, ratings, and/or the reporting thereof.

12. Assignment and Subletting.

12.1 **Lessor's Consent Required**.

(a) Lessee shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, "**assign or assignment**") or sublet all or any part of Lessee's interest in this Lease or in the Premises without Lessor's prior written consent. Lessor consents to Lessee subleasing all or portion of the premises to Mission Vista Academy, a California nonprofit public benefit corporation ("MVA") and to Pacific Coast Academy, a California nonprofit public benefit corporation ("PCA") under the same terms and conditions of the Sublease and Shared Use Agreement effective July 1,2020 and Landlord Consent to Sublease dated September 24, 2020.

(b) Unless Lessee is a corporation and its stock is publicly traded on a national stock exchange, a change in the control of Lessee shall constitute an assignment requiring consent. The transfer, on a cumulative basis, of 25% or more of the voting control of Lessee shall constitute a change in control for this purpose.

(c) The involvement of Lessee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise), whether or not a formal assignment or hypothecation of this Lease or Lessee's assets occurs, which results or will result in a reduction of the Net Worth of Lessee by an amount greater than 25% of such Net Worth as it was represented at the time of the execution of this Lease or at the time of the most recent assignment to which Lessor has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater, shall be considered an assignment of this Lease to which Lessor may withhold its consent. "**Net Worth of Lessee**" shall mean the net worth of Lessee (excluding any guarantors) established under generally accepted accounting principles.

(d) An assignment or subletting without consent shall, at Lessor's option, be a Default curable after notice per Paragraph 13.1(d), or a noncurable Breach without the necessity of any notice and grace period. If Lessor elects to treat such unapproved assignment or subletting as a noncurable Breach, Lessor may either: (i) terminate this Lease, or (ii) upon 30 days written notice, increase the monthly Base Rent to 110% of the Base Rent then in effect. Further, in the event of such Breach and rental adjustment, (i) the purchase price of any option to purchase the Premises held by Lessee shall be subject to similar adjustment to 110% of the price previously in effect, and (ii) all fixed and non-fixed rental adjustments scheduled during the remainder of the Lease term shall be increased to 110% of the scheduled adjusted rent.

(e) Lessee's remedy for any breach of Paragraph 12.1 by Lessor shall be limited to compensatory damages and/or injunctive relief.

(f) Lessor may reasonably withhold consent to a proposed assignment or subletting if Lessee is in Default at the time consent is requested.

(g) Notwithstanding the foregoing, allowing a de minimis portion of the Premises, ie. 20 square feet or less, to be used by a third party vendor in connection with the installation of a vending machine or payphone shall not constitute a subletting.

12.2 **Terms and Conditions Applicable to Assignment and Subletting**.

(a) Regardless of Lessor's consent, no assignment or subletting shall : (i) be effective without the express written assumption by such assignee or sublessee of the obligations of Lessee under this Lease, (ii) release Lessee of any obligations hereunder, or (iii) alter the primary liability of Lessee for the payment of Rent or for the performance of any other obligations to be performed by Lessee.

(b) Lessor may accept Rent or performance of Lessee's obligations from any person other than Lessee pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Lessor's right to exercise its remedies for Lessee's Default or Breach.

(c) Lessor's consent to any assignment or subletting shall not constitute a consent to any subsequent assignment or subletting.

(d) In the event of any Default or Breach by Lessee, Lessor may proceed directly against Lessee, any Guarantors or anyone else responsible for the performance of Lessee's obligations under this Lease, including any assignee or sublessee, without first exhausting Lessor's remedies against any other person or entity responsible therefor to Lessor, or any security held by Lessor.

(e) Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Lessor's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or sublessee, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of $500 as consideration for Lessor's considering and processing said request. Lessee agrees to provide Lessor with such other or additional information and/or documentation as may be reasonably requested. (See also Paragraph 36)

(f) Any assignee of, or sublessee under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Lessee during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Lessor has specifically consented to in writing.

(g) Lessor's consent to any assignment or subletting shall not transfer to the assignee or sublessee any Option granted to the original Lessee by this Lease unless such transfer is specifically consented to by Lessor in writing. (See Paragraph 39.2)

12.3 **Additional Terms and Conditions Applicable to Subletting**. The following terms and conditions shall apply to any subletting by Lessee of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

(a) Lessee hereby assigns and transfers to Lessor all of Lessee's interest in all Rent payable on any sublease, and Lessor may collect such Rent and apply same toward Lessee's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Lessee's obligations, Lessee may collect said Rent. In the event that the amount collected by Lessor exceeds Lessee's then outstanding obligations any such excess shall be refunded to Lessee. Lessor shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of Rent, be deemed liable to the sublessee for any failure of Lessee to perform and comply with any of Lessee's obligations to such sublessee. Lessee hereby irrevocably authorizes and directs any such sublessee, upon receipt of a written notice from Lessor stating that a Breach exists in the performance of Lessee's obligations under this Lease, to pay to Lessor all Rent due and to become due under the sublease. Sublessee shall rely upon any such notice from Lessor and shall pay all Rents to Lessor without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Lessee to the contrary.

(b) In the event of a Breach by Lessee, Lessor may, at its option, require sublessee to attorn to Lessor, in which event Lessor shall undertake the obligations of the sublessor under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Lessor shall not be liable for any prepaid rents or security deposit paid by such sublessee to such sublessor or for any prior Defaults or Breaches of such sublessor.

(c) Any matter requiring the consent of the sublessor under a sublease shall also require the consent of Lessor.

(d) No sublessee shall further assign or sublet all or any part of the Premises without Lessor's prior written consent.

(e) Lessor shall deliver a copy of any notice of Default or Breach by Lessee to the sublessee, who shall have the right to cure the Default of Lessee within the grace period, if any, specified in such notice. The sublessee shall have a right of reimbursement and offset from and against Lessee for any such Defaults cured by the sublessee.

13. Default; Breach; Remedies.

13.1 **Default; Breach**. A "**Default**" is defined as a failure by the Lessee to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A "**Breach**" is defined as the occurrence of one or more of the following Defaults, and the failure of Lessee to cure such Default within any applicable grace period:

(a) The abandonment of the Premises; or the vacating of the Premises without providing a commercially reasonable level of security, or where the coverage of the property insurance described in Paragraph 8.3 is jeopardized as a result thereof, or without providing reasonable assurances to minimize potential vandalism.

(b) The failure of Lessee to make any payment of Rent or any Security Deposit required to be made by Lessee hereunder, whether to Lessor or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or property, where such failure continues for a period of 3 business days following written notice to Lessee. THE ACCEPTANCE BY LESSOR OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LESSOR'S RIGHTS, INCLUDING LESSOR'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

(c) The failure of Lessee to allow Lessor and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private nuisance, and/or an illegal activity on the Premises by Lessee, where such actions continue for a period of 3 business days following written notice to Lessee. In the event that Lessee commits waste, a nuisance or an illegal activity a second time then, the Lessor may elect to treat such conduct as a non-curable Breach rather than a Default.

(d) The failure by Lessee to provide (i) reasonable written evidence of compliance with Applicable Requirements, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) evidence concerning any guaranty and/or Guarantor, (vii) any document requested under Paragraph 41, (viii) material safety data sheets (MSDS), or (ix) any other documentation or information which Lessor may reasonably require of Lessee under the terms of this Lease, where any such failure continues for a period of 10 days following written notice to Lessee.

(e) A Default by Lessee as to the terms, covenants, conditions or provisions of this Lease, or of the rules adopted under Paragraph 2.9 hereof, other than those described in subparagraphs 13.1(a), (b) or (c), above, where such Default continues for a period of 30 days after written notice; provided, however, that if the nature of Lessee's Default is such that more than 30 days are reasonably required for its cure, then it shall not be deemed to be a Breach if Lessee commences such cure within said 30 day period and thereafter diligently prosecutes such cure to completion.

(f) The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a "**debtor**" as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this subparagraph is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

(g) The discovery that any financial statement of Lessee or of any Guarantor given to Lessor was materially false.

(h) If the performance of Lessee's obligations under this Lease is guaranteed: (i) the death of a Guarantor, (ii) the termination of a Guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a Guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a Guarantor's refusal to honor the guaranty, or (v) a Guarantor's breach of its guaranty obligation on an anticipatory basis, and Lessee's failure, within 60 days following written notice of any such event, to provide written alternative assurance or security, which, when coupled with the then existing resources of Lessee, equals or exceeds the combined financial resources of Lessee and the Guarantors that existed at the time of execution of this Lease.

13.2 **Remedies**. If Lessee fails to perform any of its affirmative duties or obligations, within 10 days after written notice (or in case of an emergency, without notice), Lessor may, at its option, perform such duty or obligation on Lessee's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Lessee shall pay to Lessor an amount equal to 115% of the costs and expenses incurred by Lessor in such performance upon receipt of an invoice therefor. In the event of a Breach, Lessor may, with or without further notice or demand, and without limiting Lessor in the exercise of any right or remedy which Lessor may have by reason of such Breach:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession to Lessor. In such event Lessor shall be entitled to recover from Lessee: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Lessee proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Lessee proves could be reasonably avoided; and (iv) any other amount necessary to compensate Lessor for all the detriment proximately caused by the Lessee's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including

necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Lessor in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Lessor to mitigate damages caused by Lessee's Breach of this Lease shall not waive Lessor's right to recover any damages to which Lessor is otherwise entitled. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Lessor shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Lessor may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Paragraph 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Lessee under the unlawful detainer statute shall also constitute the notice required by Paragraph 13.1. In such case, the applicable grace period required by Paragraph 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Lessee to cure the Default within the greater of the two such grace periods shall constitute both an unlawful detainer and a Breach of this Lease entitling Lessor to the remedies provided for in this Lease and/or by said statute.

(b) Continue the Lease and Lessee's right to possession and recover the Rent as it becomes due, in which event Lessee may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Lessor's interests, shall not constitute a termination of the Lessee's right to possession.

(c) Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Lessee's right to possession shall not relieve Lessee from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Lessee's occupancy of the Premises.

13.3 **Inducement Recapture.** Any agreement for free or abated rent or other charges, the cost of tenant improvements for Lessee paid for or performed by Lessor, or for the giving or paying by Lessor to or for Lessee of any cash or other bonus, inducement or consideration for Lessee's entering into this Lease, all of which concessions are hereinafter referred to as "**Inducement Provisions**," shall be deemed conditioned upon Lessee's full and faithful performance of all of the terms, covenants and conditions of this Lease. Upon Breach of this Lease by Lessee, any such Inducement Provision shall automatically be deemed deleted from this Lease and of no further force or effect, and any rent, other charge, bonus, inducement or consideration theretofore abated, given or paid by Lessor under such an Inducement Provision shall be immediately due and payable by Lessee to Lessor, notwithstanding any subsequent cure of said Breach by Lessee. The acceptance by Lessor of rent or the cure of the Breach which initiated the operation of this paragraph shall not be deemed a waiver by Lessor of the provisions of this paragraph unless specifically so stated in writing by Lessor at the time of such acceptance.

13.4 **Late Charges**. Lessee hereby acknowledges that late payment by Lessee of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Lessor by any Lender. Accordingly, if any Rent shall not be received by Lessor within 5 days after such amount shall be due, then, without any requirement for notice to Lessee, Lessee shall immediately pay to Lessor a one-time late charge equal to 10% of each such overdue amount or $100, whichever is greater. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Lessor will incur by reason of such late payment. Acceptance of such late charge by Lessor shall in no event constitute a waiver of Lessee's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Lessor's option, become due and payable quarterly in advance.

13.5 **Interest**. Any monetary payment due Lessor hereunder, other than late charges, not received by Lessor, when due shall bear interest from the 31st day after it was due. The interest ("**Interest**") charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Paragraph 13.4.

13.6 **Breach by Lessor**.

(a) **Notice of Breach**. Lessor shall not be deemed in breach of this Lease unless Lessor fails within a reasonable time to perform an obligation required to be performed by Lessor. For purposes of this Paragraph, a reasonable time shall in no event be less than 30 days after receipt by Lessor, and any Lender whose name and address shall have been furnished to Lessee in writing for such purpose, of written notice specifying wherein such obligation of Lessor has not been performed; provided, however, that if the nature of Lessor's obligation is such that more than 30 days are reasonably required for its performance, then Lessor shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

(b) **Performance by Lessee on Behalf of Lessor**. In the event that neither Lessor nor Lender cures said breach within 30 days after receipt of said notice, or if having commenced said cure they do not diligently pursue it to completion, then Lessee may elect to cure said breach at Lessee's expense and offset from Rent the actual and reasonable cost to perform such cure, provided, however, that such offset shall not exceed an amount equal to the greater of one month's Base Rent or the Security Deposit, reserving Lessee's right to seek reimbursement from Lessor for any such expense in excess of such offset. Lessee shall document the cost of said cure and supply said documentation to Lessor.

14. Condemnation. If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively "Condemnation"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the rentable floor area of the Premises, or more than 25% of Lessee's Reserved Parking Spaces, if any, are taken by Condemnation, Lessee may, at Lessee's option, to be exercised in writing within 10 days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within 10 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Lessor, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Lessee shall be entitled to any compensation paid by the condemnor for Lessee's relocation expenses, loss of business goodwill and/or Trade Fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Paragraph. All Alterations and Utility Installations made to the Premises by Lessee, for purposes of Condemnation only, shall be considered the property of the Lessee and Lessee shall be entitled to any and all compensation which is payable therefor. In the event that this Lease is not terminated by reason of the Condemnation, Lessor shall repair any damage to the Premises caused by such Condemnation.

15. Brokerage Fees.

~~15.1 **Additional Commission.** In addition to the payments owed pursuant to Paragraph 1.10 above, Lessor agrees that: (a) if Lessee exercises any Option, (b) if Lessee or anyone affiliated with Lessee acquires from Lessor any rights to the Premises or other premises owned by Lessor and located within the Project, (c) if Lessee remains in possession of the Premises, with the consent of Lessor, after the expiration of this Lease, or (d) if Base Rent is increased, whether by agreement or operation of an escalation clause herein, then, Lessor shall pay Brokers a fee in accordance with the fee schedule of the Brokers in effect at the time the Lease was executed. The provisions of this paragraph are intended to supersede the provisions of any earlier agreement to the contrary.~~

15.2 **Assumption of Obligations**. Any buyer or transferee of Lessor's interest in this Lease shall be deemed to have assumed Lessor's obligation hereunder. Brokers shall be third party beneficiaries of the provisions of Paragraphs 1.10, 15, 22 and 31. If Lessor fails to pay to Brokers any amounts due as and for brokerage fees pertaining to this Lease when due, then such amounts shall accrue Interest. In addition, if Lessor fails to pay any amounts to Lessee's Broker when due, Lessee's Broker may send written notice to Lessor and Lessee of such failure and if Lessor fails to pay such amounts within 10 days after said notice, Lessee shall pay said monies to its Broker and offset such amounts against Rent. In addition, Lessee's Broker shall be deemed to be a third party beneficiary of any commission agreement entered into by and/or between Lessor and Lessor's Broker for the limited purpose of collecting any brokerage fee owed.

15.3 **Representations and Indemnities of Broker Relationships**. Lessee and Lessor each represent and warrant to the other that it has had no dealings with any person, firm, broker, agent or finder (other than the Brokers and Agents, if any) in connection with this Lease, and that no one other than said named Brokers and Agents is entitled to any commission or finder's fee in connection herewith. Lessee and Lessor do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto.

16. Estoppel Certificates.

(a) Each Party (as "**Responding Party**") shall within 10 days after written notice from the other Party (the "**Requesting Party**") execute, acknowledge and deliver to the Requesting Party a statement in writing in form similar to the then most current "**Estoppel Certificate**" form published BY AIR CRE, plus such additional information, confirmation and/or statements as may be reasonably requested by the Requesting Party.

(b) If the Responding Party shall fail to execute or deliver the Estoppel Certificate within such 10 day period, the Requesting Party may execute an Estoppel Certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by the Requesting Party, (ii) there are no uncured defaults in the Requesting Party's performance, and (iii) if Lessor is the Requesting Party, not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the Requesting Party's Estoppel Certificate, and the Responding Party shall be estopped from denying the truth of the facts contained in said Certificate. In addition, Lessee acknowledges that any failure on its part to provide such an Estoppel Certificate will expose Lessor to risks and potentially cause Lessor to incur costs not contemplated by this Lease, the extent of which will be extremely difficult to ascertain. Accordingly, should the Lessee fail to execute and/or deliver a requested Estoppel Certificate in a timely fashion the monthly Base Rent shall be automatically increased, without any requirement for notice to Lessee, by an amount equal to 10% of the then existing Base Rent or $100, whichever is greater for remainder of the Lease. The Parties agree that such increase in Base Rent represents fair and reasonable compensation for the additional risk/costs that Lessor will incur by reason of Lessee's failure to provide the Estoppel Certificate. Such increase in Base Rent shall in no event constitute a waiver of Lessee's Default or Breach with respect to the failure to provide the Estoppel Certificate nor prevent the exercise of any of the other rights and remedies granted hereunder.

(c) If Lessor desires to finance, refinance, or sell the Premises, or any part thereof, Lessee and all Guarantors shall within 10 days after written notice from Lessor deliver to any potential lender or purchaser designated by Lessor such financial statements as may be reasonably required by such lender or purchaser, including but not limited to Lessee's financial statements for the past 3 years. All such financial statements shall be received by Lessor and such lender or purchaser in confidence and shall be used only for the purposes herein set forth.

17. Definition of Lessor. The term "**Lessor**" as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Lessee's interest in the prior lease. In the event of a transfer of Lessor's title or interest in the Premises or this Lease, Lessor shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Lessor. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Lessor shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Lessor. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Lessor shall be binding only upon the Lessor as hereinabove defined.

18. Severability. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

19. Days. Unless otherwise specifically indicated to the contrary, the word "**days**" as used in this Lease shall mean and refer to calendar days.

20. Limitation on Liability. The obligations of Lessor under this Lease shall not constitute personal obligations of Lessor, or its partners, members, directors, officers or shareholders, and Lessee shall look to the Project, and to no other assets of Lessor, for the satisfaction of any liability of Lessor with respect to this Lease, and shall not seek recourse against Lessor's partners, members, directors, officers or shareholders, or any of their personal assets for such satisfaction.

21. Time of Essence. Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

22. No Prior or Other Agreements; Broker Disclaimer. This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Lessor and Lessee each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

23. Notices.

23.1 **Notice Requirements**. All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, or by email, and shall be deemed sufficiently given if served in a manner specified in this Paragraph 23. The addresses noted adjacent to a Party's signature on this Lease shall be that Party's address for delivery or mailing of notices. Either Party may by written notice to the other specify a different address for notice, except that upon Lessee's taking possession of the Premises, the Premises shall constitute Lessee's address for notice. A copy of all notices to Lessor shall be concurrently transmitted to such party or parties at such addresses as Lessor may from time to time hereafter designate in writing.

23.2 **Date of Notice**. Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given 72 hours after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices delivered by hand, or transmitted by facsimile transmission or by email shall be deemed delivered upon actual receipt. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

23.3 **Options.** Notwithstanding the foregoing, in order to exercise any Options (see paragraph 39), the Notice must be sent by Certified Mail (return receipt requested), Express Mail (signature required), courier (signature required) or some other methodology that provides a receipt establishing the date the notice was received by the Lessor.

24. Waivers.

(a) No waiver by Lessor of the Default or Breach of any term, covenant or condition hereof by Lessee, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Lessee of the same or of any other term, covenant or condition hereof. Lessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Lessor's consent to, or approval of, any subsequent or similar act by Lessee, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent.

(b) The acceptance of Rent by Lessor shall not be a waiver of any Default or Breach by Lessee. Any payment by Lessee may be accepted by Lessor on account of monies or damages due Lessor, notwithstanding any qualifying statements or conditions made by Lessee in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Lessor at or before the time of deposit of such payment.

(c) THE PARTIES AGREE THAT THE TERMS OF THIS LEASE SHALL GOVERN WITH REGARD TO ALL MATTERS RELATED THERETO AND HEREBY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE TO THE EXTENT THAT SUCH STATUTE IS INCONSISTENT WITH THIS LEASE.

25. Disclosures Regarding The Nature of a Real Estate Agency Relationship.

(a) When entering into a discussion with a real estate agent regarding a real estate transaction, a Lessor or Lessee should from the outset understand what type of agency relationship or representation it has with the agent or agents in the transaction. Lessor and Lessee acknowledge being advised by the Brokers in this transaction, as follows:

(i) *Lessor's Agent*. A Lessor's agent under a listing agreement with the Lessor acts as the agent for the Lessor only. A Lessor's agent or subagent has the following affirmative obligations: *To the Lessor*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessor. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(ii) *Lessee's Agent*. An agent can agree to act as agent for the Lessee only. In these situations, the agent is not the Lessor's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Lessor. An agent acting only for a Lessee has the following affirmative obligations. *To the Lessee*: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Lessee. *To the Lessee and the Lessor*: (a) Diligent exercise of reasonable skills and care in performance of the agent's duties. (b) A duty of honest and fair dealing and good faith. (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the Parties. An agent is not obligated to reveal to either Party any confidential information obtained from the other Party which does not involve the affirmative duties set forth above.

(iii) *Agent Representing Both Lessor and Lessee*. A real estate agent, either acting directly or through one or more associate licenses, can legally be the agent of both the Lessor and the Lessee in a transaction, but only with the knowledge and consent of both the Lessor and the Lessee. In a dual agency situation, the agent has the following affirmative obligations to both the Lessor and the Lessee: (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either Lessor or the Lessee. (b) Other duties to the Lessor and the Lessee as stated above in subparagraphs (i) or (ii). In representing both Lessor and Lessee, the agent may not, without the express permission of the respective Party, disclose to the other Party confidential information, including, but not limited to, facts relating to either Lessee's or Lessor's financial position, motivations, bargaining position, or other personal information that may impact rent, including Lessor's willingness to accept a rent less than the listing rent or Lessee's willingness to pay rent greater than the rent offered. The above duties of the agent in a real estate transaction do not relieve a Lessor or Lessee from the responsibility to protect their own interests. Lessor and Lessee should carefully read all agreements to assure that they adequately express their understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional. Both Lessor and Lessee should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

(b) Brokers have no responsibility with respect to any default or breach hereof by either Party. The Parties agree that no lawsuit or other legal proceeding involving any breach of duty, error or omission relating to this Lease may be brought against Broker more than one year after the Start Date and that the liability (including court costs and attorneys' fees), of any Broker with respect to any such lawsuit and/or legal proceeding shall not exceed the fee received by such Broker pursuant to this Lease; provided, however, that the foregoing limitation on each Broker's liability shall not be applicable to any gross negligence or willful misconduct of such Broker.

(c) Lessor and Lessee agree to identify to Brokers as "Confidential" any communication or information given Brokers that is considered by such Party to be confidential.

26. No Right To Holdover. Lessee has no right to retain possession of the Premises or any part thereof beyond the expiration or termination of this Lease. In the event that Lessee holds over, then the Base Rent shall be increased to 150% of the Base Rent applicable immediately preceding the expiration or termination. Holdover Base Rent shall be calculated on a monthly basis. Nothing contained herein shall be construed as consent by Lessor to any holding over by Lessee.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. Covenants and Conditions; Construction of Agreement. All provisions of this Lease to be observed or performed by Lessee are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

29. Binding Effect; Choice of Law. This Lease shall be binding upon the Parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located. Signatures to this Lease accomplished by means of electronic signature or similar technology shall be legal and binding.

30. Subordination; Attornment; Non-Disturbance.

30.1 **Subordination**. This Lease and any Option granted hereby shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Lessee agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Lessor under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Lessee, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

30.2 **Attornment**. In the event that Lessor transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Lessee shall, subject to the non-disturbance provisions of Paragraph 30.3, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Lessee and such new owner, and (ii) Lessor shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Lessor's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior lessor or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Lessee might have against any prior lessor, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior lessor which was not paid or credited to such new owner.

30.3 **Non-Disturbance**. With respect to Security Devices entered into by Lessor after the execution of this Lease, Lessee's subordination of this Lease shall be subject to receiving a commercially reasonable non-disturbance agreement (a "**Non-Disturbance Agreement**") from the Lender which Non-Disturbance Agreement provides that Lessee's possession of the Premises, and this Lease, including any options to extend the term hereof, will not be disturbed so long as Lessee is not in Breach hereof and attorns to the record owner of the Premises. Further, within 60 days after the execution of this Lease, Lessor shall, if requested by Lessee, use its commercially reasonable efforts to obtain a Non-Disturbance Agreement from the holder of any pre-existing Security Device which is secured by the Premises. In the event that Lessor is unable to provide the Non-Disturbance Agreement within said 60 days, then Lessee may, at Lessee's option, directly contact Lender and attempt to negotiate for the execution and delivery of a Non-Disturbance Agreement.

30.4 **Self-Executing**. The agreements contained in this Paragraph 30 shall be effective without the execution of any further documents; provided, however, that, upon written request from Lessor or a Lender in connection with a sale, financing or refinancing of the Premises, Lessee and Lessor shall execute such further writings as may be reasonably required to separately document any subordination, attornment and/or Non-Disturbance Agreement provided for herein.

31. Attorneys' Fees. If any Party or Broker brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party or Broker who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party or Broker of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred. In addition, Lessor shall be entitled to attorneys' fees, costs and expenses incurred in the preparation and service of notices of Default and consultations in connection therewith, whether or not a legal action is subsequently commenced in connection with such Default or resulting Breach ($200 is a reasonable minimum per occurrence for such services and consultation).

32. Lessor's Access; Showing Premises; Repairs. Lessor and Lessor's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after reasonable prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Lessor may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Lessee's use of the Premises. All such activities shall be without abatement of rent or liability to Lessee.

33. Auctions. Lessee shall not conduct, nor permit to be conducted, any auction upon the Premises without Lessor's prior written consent. Lessor shall not be obligated to exercise any standard of reasonableness in determining whether to permit an auction.

34. Signs. Lessor may place on the Premises ordinary "For Sale" signs at any time and ordinary "For Lease" signs during the last 6 months of the term hereof. Lessor may not place any sign on the exterior of the Building that covers any of the windows of the Premises. Except for ordinary "For Sublease" signs which may be placed only on the Premises, Lessee shall not place any sign upon the Project without Lessor's prior written consent. All signs must comply with all Applicable Requirements.

35. Termination; Merger. Unless specifically stated otherwise in writing by Lessor, the voluntary or other surrender of this Lease by Lessee, the mutual termination or cancellation hereof, or a termination hereof by Lessor for Breach by Lessee, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Lessor may elect to continue any one or all existing subtenancies. Lessor's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Lessor's election to have such event constitute the termination of such interest.

36. Consents. All requests for consent shall be in writing. Except as otherwise provided herein, wherever in this Lease the consent of a Party is required to an act by or for the other Party, such consent shall not be unreasonably withheld or delayed. Lessor's actual reasonable costs and expenses (including but not limited to architects', attorneys', engineers' and other consultants' fees) incurred in the consideration of, or response to, a request by Lessee for any Lessor consent, including but not limited to consents to an assignment, a subletting or the presence or use of a Hazardous Substance, shall be paid by Lessee upon receipt of an invoice and supporting documentation therefor. Lessor's consent to any act, assignment or subletting shall not constitute an acknowledgment that no Default or Breach by Lessee of this Lease exists, nor shall such consent be deemed a waiver of any then existing Default or Breach, except as may be otherwise specifically stated in writing by Lessor at the time of such consent. The failure to specify herein any particular condition to Lessor's consent shall not preclude the imposition by Lessor at the time of consent of such further or other conditions as are then reasonable with reference to the particular matter for which consent is being given. In the event that either Party disagrees with any determination made by the other hereunder and reasonably requests the reasons for such determination, the determining party shall furnish its reasons in writing and in reasonable detail within 10 business days following such request.

37. Guarantor.

37.1 **Execution**. The Guarantors, if any, shall each execute a guaranty in the form most recently published BY AIR CRE.

37.2 **Default**. It shall constitute a Default of the Lessee if any Guarantor fails or refuses, upon request to provide: (a) evidence of the execution of the guaranty, including the authority of the party signing on Guarantor's behalf to obligate Guarantor, and in the case of a corporate Guarantor, a certified copy of a resolution of its board of directors authorizing the making of such guaranty, (b) current financial statements, (c) an Estoppel Certificate, or (d) written confirmation that the guaranty is still in effect.

38. Quiet Possession. Subject to payment by Lessee of the Rent and performance of all of the covenants, conditions and provisions on Lessee's part to be observed and performed under this Lease, Lessee shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

39. Options. If Lessee is granted any option, as defined below, then the following provisions shall apply.

39.1 **Definition**. "**Option**" shall mean: (a) the right to extend or reduce the term of or renew this Lease or to extend or reduce the term of or renew any lease that Lessee has on other property of Lessor; (b) the right of first refusal or first offer to lease either the Premises or other property of Lessor; (c) the right to purchase, the right of first offer to purchase or the right of first refusal to purchase the Premises or other property of Lessor.

39.2 **Options Personal To Original Lessee**. Any Option granted to Lessee in this Lease is personal to the original Lessee, and cannot be assigned or exercised by anyone other than said original Lessee and only while the original Lessee is in full possession of the Premises and, if requested by Lessor, with Lessee certifying that Lessee has no intention of thereafter assigning or subletting.

39.3 **Multiple Options**. In the event that Lessee has any multiple Options to extend or renew this Lease, a later Option cannot be exercised unless the prior Options have been validly exercised.

39.4 **Effect of Default on Options**.

(a) Lessee shall have no right to exercise an Option: (i) during the period commencing with the giving of any notice of Default and continuing until said Default is cured, (ii) during the period of time any Rent is unpaid (without regard to whether notice thereof is given Lessee), (iii) during the time Lessee is in Breach of this Lease, or (iv) in the event that Lessee has been given 3 or more notices of separate Default, whether or not the Defaults are cured, during the 12 month period immediately preceding the exercise of the Option.

(b) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Lessee's inability to exercise an Option because of the provisions of Paragraph 39.4(a).

(c) An Option shall terminate and be of no further force or effect, notwithstanding Lessee's due and timely exercise of the Option, if, after such exercise and prior to the commencement of the extended term or completion of the purchase, (i) Lessee fails to pay Rent for a period of 30 days after such Rent becomes due (without any necessity of Lessor to give notice thereof), or (ii) if Lessee commits a Breach of this Lease.

40. Security Measures. Lessee hereby acknowledges that the Rent payable to Lessor hereunder does not include the cost of guard service or other security measures, and that Lessor shall have no obligation whatsoever to provide same. Lessee assumes all responsibility for the protection of the Premises, Lessee, its agents and invitees and their property from the acts of third parties. In the event, however, that Lessor should elect to provide security services, then the cost thereof shall be an Operating Expense.

41. Reservations.

(a) Lessor reserves the right: (i) to grant, without the consent or joinder of Lessee, such easements, rights and dedications that Lessor deems necessary, (ii) to cause the recordation of parcel maps and restrictions, (iii) to create and/or install new utility raceways, so long as such easements, rights, dedications, maps, restrictions, and utility raceways do not unreasonably interfere with the use of the Premises by Lessee. Lessor may also: change the name, address or title of the Building or Project upon at least 90 days prior written notice; provide and install, at Lessee's expense, Building standard graphics on the door of the Premises and such portions of the Common Areas as Lessor shall reasonably deem appropriate; grant to any lessee the exclusive right to conduct any business as long as such exclusive right does not conflict with any rights expressly given herein; and to place such signs, notices or displays as Lessor reasonably deems necessary or advisable upon the roof, exterior of the Building or the Project or on signs in the Common Areas. Lessee agrees to sign any documents reasonably requested by Lessor to effectuate such rights. The obstruction of Lessee's view, air, or light by any structure erected in the vicinity of the Building, whether by Lessor or third parties, shall in no way affect this Lease or impose any liability upon Lessor.

(b) Lessor also reserves the right to move Lessee to other space of comparable size in the Building or Project. Lessor must provide at least 45 days prior written notice of such move, and the new space must contain improvements of comparable quality to those contained within the Premises. Lessor shall pay the reasonable out of pocket costs that Lessee incurs with regard to such relocation, including the expenses of moving and necessary stationary revision costs. In no event, however, shall Lessor be required to pay an amount in excess of two months Base Rent. Lessee may not be relocated more than once during the term of this Lease.

(c) Lessee shall not: (i) use a representation (photographic or otherwise) of the Building or Project or their name(s) in connection with Lessee's business; or (ii) suffer or permit anyone, except in emergency, to go upon the roof of the Building.

42. Performance Under Protest. If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

43. Authority; Multiple Parties; Execution.

(a) If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

(b) If this Lease is executed by more than one person or entity as "Lessee", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Lessees shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Lessees, and Lessor may rely on the same as if all of the named Lessees had executed such document.

(c) This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

44. Conflict. Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

45. Offer. Preparation of this Lease by either party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

46. Amendments. This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Lessee's obligations hereunder, Lessee agrees to make such reasonable non-monetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

47. Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS AGREEMENT.

48. Arbitration of Disputes. An Addendum requiring the Arbitration of all disputes between the Parties and/or Brokers arising out of this Lease ☑ is ☐ is not

attached to this Lease.

49. Accessibility; Americans with Disabilities Act.

(a) The Premises:

☑ have not undergone an inspection by a Certified Access Specialist (CASp). Note: A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises met all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential.

☐ have undergone an inspection by a Certified Access Specialist (CASp) and it was determined that the Premises did not meet all applicable construction-related accessibility standards pursuant to California Civil Code §55.51 et seq. Lessee acknowledges that it received a copy of the inspection report at least 48 hours prior to executing this Lease and agrees to keep such report confidential except as necessary to complete repairs and corrections of violations of construction related accessibility standards.

In the event that the Premises have been issued an inspection report by a CASp the Lessor shall provide a copy of the disability access inspection certificate to Lessee within 7 days of the execution of this Lease.

(b) Since compliance with the Americans with Disabilities Act (ADA) and other state and local accessibility statutes are dependent upon Lessee's specific use of the Premises, Lessor makes no warranty or representation as to whether or not the Premises comply with ADA or any similar legislation. In the event that Lessee's use of the Premises requires modifications or additions to the Premises in order to be in compliance with ADA or other accessibility statutes, Lessee agrees to make any such necessary modifications and/or additions at Lessee's expense.

LESSOR AND LESSEE HAVE CAREFULLY READ AND REVIEWED THIS LEASE AND EACH TERM AND PROVISION CONTAINED HEREIN, AND BY THE EXECUTION OF THIS LEASE SHOW THEIR INFORMED AND VOLUNTARY CONSENT THERETO. THE PARTIES HEREBY AGREE THAT, AT THE TIME THIS LEASE IS EXECUTED, THE TERMS OF THIS LEASE ARE COMMERCIALLY REASONABLE AND EFFECTUATE THE INTENT AND PURPOSE OF LESSOR AND LESSEE WITH RESPECT TO THE PREMISES.

ATTENTION: NO REPRESENTATION OR RECOMMENDATION IS MADE BY AIR CRE OR BY ANY BROKER AS TO THE LEGAL SUFFICIENCY, LEGAL EFFECT, OR TAX CONSEQUENCES OF THIS LEASE OR THE TRANSACTION TO WHICH IT RELATES. THE PARTIES ARE URGED TO:

1. SEEK ADVICE OF COUNSEL AS TO THE LEGAL AND TAX CONSEQUENCES OF THIS LEASE.

2. RETAIN APPROPRIATE CONSULTANTS TO REVIEW AND INVESTIGATE THE CONDITION OF THE PREMISES. SAID INVESTIGATION SHOULD INCLUDE BUT NOT BE LIMITED TO: THE POSSIBLE PRESENCE OF HAZARDOUS SUBSTANCES, THE ZONING AND SIZE OF THE PREMISES, THE STRUCTURAL INTEGRITY, THE CONDITION OF THE ROOF AND OPERATING SYSTEMS, COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT AND THE SUITABILITY OF THE PREMISES FOR LESSEE'S INTENDED USE.

WARNING: IF THE PREMISES ARE LOCATED IN A STATE OTHER THAN CALIFORNIA, CERTAIN PROVISIONS OF THE LEASE MAY NEED TO BE REVISED TO COMPLY WITH THE LAWS OF THE STATE IN WHICH THE PREMISES ARE LOCATED.

The parties hereto have executed this Lease at the place and on the dates specified above their respective signatures.

STANDARD LEASE ADDENDUM

Dated: April 9, 2021
By and Between
Lessor: Poway Executive Plaza, LLC, a California limited liability company
Lessee: Cabrillo Point Academy, a California nonprofit public benefit corporation ("CPA")
Property Address: 13915 Danielson Street, Suite 100 and 102, Poway, CA 92064
(street address, city, state, zip)

Paragraph: 54

A. **ARBITRATION OF DISPUTES**:

Except as provided in Paragraph B below, the Parties agree to resolve any and all claims, disputes or disagreements arising under this Lease, including, but not limited to any matter relating to Lessor's failure to approve an assignment, sublease or other transfer of Lessee's interest in the Lease under Paragraph 12 of this Lease, any other defaults by Lessor, or any defaults by Lessee by and through arbitration as provided below and irrevocably waive any and all rights to the contrary. The Parties agree to at all times conduct themselves in strict, full, complete and timely accordance with the terms hereof and that any attempt to circumvent the terms of this Arbitration Agreement shall be absolutely null and void and of no force or effect whatsoever.

B. **DISPUTES EXCLUDED FROM ARBITRATION**:

The following claims, disputes or disagreements under this Lease are expressly excluded from the arbitration procedures set forth herein: 1. Disputes for which a different resolution determination is specifically set forth in this Lease, 2. All claims by either party which (a) seek anything other than enforcement or determination of rights under this Lease, or (b) are primarily founded upon matters of fraud, willful misconduct, bad faith or any other allegations of tortious action, and seek the award of punitive or exemplary damages, 3. Claims relating to (a) Lessor's exercise of any unlawful detainer rights pursuant to applicable law or (b) rights or remedies used by Lessor to gain possession of the Premises or terminate Lessee's right of possession to the Premises, all of which disputes shall be resolved by suit filed in the applicable court of jurisdiction, the decision of which court shall be subject to appeal pursuant to applicable law 4. Any claim or dispute that is within the jurisdiction of the Small Claims Court and 5. All claims arising under Paragraph 39 of this Lease.

C. **APPOINTMENT OF AN ARBITRATOR**:

All disputes subject to this Arbitration Agreement, shall be determined by binding arbitration before: ☑ a retired judge of the applicable court of jurisdiction (e.g., the Superior Court of the State of California) affiliated with Judicial Arbitration & Mediation Services, Inc. ("JAMS"), ☐ the American Arbitration Association ("AAA") under its commercial arbitration rules, ☐ ____, or as may be otherwise mutually agreed by Lessor and Lessee (the "Arbitrator"). In the event that the parties elect to use an arbitrator other than one affiliated with JAMS or AAA then such arbitrator shall be obligated to comply with the Code of Ethics for Arbitrators in Commercial Disputes (see: http://www.adr.org/aaa/ShowProperty?nodeId=/UCM/ADRSTG_003867). Such arbitration shall be initiated by the Parties, or either of them, within ten (10) days after either party sends written notice (the "Arbitration Notice") of a demand to arbitrate by registered or certified mail to the other party and to the Arbitrator. The Arbitration Notice shall contain a description of the subject matter of the arbitration, the dispute with respect thereto, the amount involved, if any, and the remedy or determination sought. If the Parties have agreed to use JAMS they may agree on a retired judge from the JAMS panel. If they are unable to agree within ten days, JAMS will provide a list of three available judges and each party may strike one. The remaining judge (or if there are two, the one selected by JAMS) will serve as the Arbitrator. If the Parties have elected to utilize AAA or some other organization, the Arbitrator shall be selected in accordance with said organization's rules. In the event the Arbitrator is not selected as provided for above for any reason, the party initiating arbitration shall apply to the appropriate Court for the appointment of a qualified retired judge to act as the Arbitrator.

D. **ARBITRATION PROCEDURE**:

1. **PRE-HEARING ACTIONS**. The Arbitrator shall schedule a pre-hearing conference to resolve procedural matters, arrange for the exchange of information, obtain stipulations, and narrow the issues. The Parties will submit proposed discovery schedules to the Arbitrator at the pre-hearing conference. The scope and duration of discovery will be within the sole discretion of the Arbitrator. The Arbitrator shall have the discretion to order a pre-hearing exchange of information by the Parties, including, without limitation, production of requested documents, exchange of summaries of testimony of proposed witnesses, and examination by deposition of parties and third-party witnesses. This discretion shall be exercised in favor of discovery reasonable under the circumstances. The Arbitrator shall issue subpoenas and subpoenas duces tecum as provided for in the applicable statutory or case law (e.g., in California Code of Civil Procedure Section 1282.6).

2. **THE DECISION**. The arbitration shall be conducted in the city or county within which the Premises are located at a reasonably convenient site. Any Party may be represented by counsel or other authorized representative. In rendering a decision(s), the Arbitrator shall determine the rights and obligations of the Parties according to the substantive laws and the terms and provisions of this Lease. The Arbitrator's decision shall be based on the evidence introduced at the hearing, including all logical and reasonable inferences therefrom. The Arbitrator may make any determination and/or grant any remedy or relief that is just and equitable. The decision must be based on, and accompanied by, a written statement of decision explaining the factual and legal basis for the decision as to each of the principal controverted issues. The decision shall be conclusive and binding, and it may thereafter be confirmed as a judgment by the court of applicable jurisdiction, subject only to challenge on the grounds set forth in the applicable statutory or case law (e.g., in California Code of Civil Procedure Section 1286.2). The validity and enforceability of the Arbitrator's decision is to be determined exclusively by the court of appropriate jurisdiction pursuant to the provisions of this Lease. The

Arbitrator may award costs, including without limitation, Arbitrator's fees and costs, attorneys' fees, and expert and witness costs, to the prevailing party, if any, as determined by the Arbitrator in his discretion.

Whenever a matter which has been submitted to arbitration involves a dispute as to whether or not a particular act or omission (other than a failure to pay money) constitutes a Default, the time to commence or cease such action shall be tolled from the date that the Notice of Arbitration is served through and until the date the Arbitrator renders his or her decision. Provided, however, that this provision shall NOT apply in the event that the Arbitrator determines that the Arbitration Notice was prepared in bad faith.

Whenever a dispute arises between the Parties concerning whether or not the failure to make a payment of money constitutes a default, the service of an Arbitration Notice shall NOT toll the time period in which to pay the money. The Party allegedly obligated to pay the money may, however, elect to pay the money "under protest" by accompanying said payment with a written statement setting forth the reasons for such protest. If thereafter, the Arbitrator determines that the Party who received said money was not entitled to such payment, said money shall be promptly returned to the Party who paid such money under protest together with Interest thereon as defined in Paragraph 13.5. If a Party makes a payment "under protest" but no Notice of Arbitration is filed within thirty days, then such protest shall be deemed waived. (See also Paragraph 42 or 43)

ADDENDUM TO LEASE

This Addendum is attached to and made a part of the Lease Agreement ("Lease") between Poway Executive Plaza, LLC, a California limited liability company, as Lessor, and Cabrillo Point Academy, a California nonprofit public benefit corporation ("CPA"), as Lessee, dated as of April 9, 2021, for Suite 100 & 102, consisting of approximately 9,225 rentable square feet, located at 13915 Danielson Street, Poway, California.

Unless otherwise defined or the context otherwise indicates, the terms used herein have the meanings defined in the Lease. The provisions of this Addendum shall control over any inconsistent provisions of the Lease. The Lease is hereby modified and supplemented as follows:

50. **TENANT IMPROVEMENTS:** Lessor, at Lessor's sole cost and expense, shall touch up the existing paint as needed. Otherwise, the Lessee accepts the Premises in its current as-is, where-is condition. All Tenant Improvement work shall be provided by Lessor's Tenant Improvement contractor. Additionally, the Lessor will ensure all building systems are in proper working order.

51. **UTILITIES AND JANITORIAL:** Lessee shall be responsible to pay for separately metered electric and voice and data utilities to the Premises. The Rental Rate includes five (5) day per week janitorial services to the suite. Additionally, the building is equipped with individual, roof mounted package units. Since the HVAC units are individual units, Lessee has control over the HVAC for the premises 24 hours per day, 7 days per week. The hours of operation for the common area HVAC units are:

Monday – Friday	8:00 AM to 5:00 PM
Major Holidays	No Service

The Lessor reserves the right to adjust said hours of operation for the overall benefit of the building operation.

52. **BASIC ANNUAL RENT INCREASE:** The Basic Annual Rent as described in Paragraph 1.5 and in Article 4 of this Lease, and the Monthly Installments of the Basic Annual Rent described in Paragraph 1.5 of this Lease shall be adjusted upward by three percent (3%) each year of the lease. This adjustment shall be made twelve (12) months after the Lease Term commences. Therefore, the Rent as described in Paragraph 1.5 of the Lease shall be adjusted accordingly to the following schedule:

Months 1-12	$ 1.45 per rentable square foot per month, or $13,376.25 per month;
Months 13 - Lease Expiration Date	$ 1.50 per rentable square foot per month, or $13,837.50 per month

The rental rates, described as per rentable square foot per month, are, for the most part, approximate and rounded to the nearest $0.01. The Lessee is responsible for paying the monthly rent as shown, per month, rounding to the nearest $1.00.

53. **OPERATING EXPENSES:** The Operating Expense Base as described in Paragraph 1.9 and 4 of the Lease shall be determined by utilizing the actual operating expenses incurred for the calendar year 2021. Notwithstanding anything in Paragraph 4 of the Lease to the contrary, Lessee shall pay Operating Expenses (as defined in Paragraph 4.2 of the Lease) as follows: Lessee shall pay no portion of the Operating Expenses for the building during calendar year 2021. Commencing on January 1, 2022, and continuing for the remaining term of the Lease, Lessee shall pay only increases in Operating Expenses above and beyond the actual Operating Expenses for the building for calendar year 2021 as reasonably determined by Lessor. Lessee shall pay Lessee's proportionate share of such increase based upon 9,225 rentable square feet in Lessee's Premises. Lessee shall pay Lessee's proportionate share of Operating Expense increases on a monthly basis at the same time and in addition to Lessee's payment of Base Rent. The Operating Expenses shall be calculated as if the Building was at least 95% occupied using Generally Accepted Accounting Principles (GAAP) consistently applied.

Please note that the terms "Seller" and "Buyer" are defined by the CA Civil Code to include a lessor and lessee, respectively.

If you are a Listing Agent - you must deliver the form to the seller/lessor before entering into the listing agreement. If the buyer/lessee is not represented by an agent, you must also deliver the form to it within one business day after receiving an offer from the buyer/lessee.

If you are the Buyer's Agent - you must deliver the form to the buyer/lessee as soon as the buyer/lessee seeks your services, but in any event before the buyer/lessee signs an offer. In addition, you must also deliver the form to the seller/lessor before or concurrently with presenting an offer.

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP

(As required by the Civil Code)

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Seller.
To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
(b) A duty of honest and fair dealing and good faith.
(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A selling agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Buyer.
To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
(b) A duty of honest and fair dealing and good faith.
(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer. In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

(a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
(b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, the agent may not, without the express permission of the respective party, disclose to the other party that the Seller will accept a price less than the listing price or that the Buyer will pay a price greater than the price offered. The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional. Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on the reverse hereof. Read it carefully.

2079.13. As used in Sections 2079.14 to 2079.24, inclusive, the following terms have the following meanings:

(a) "Agent" means a person acting under provisions of Title 9 (commencing with Section 2295) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained.

(b) "Associate licensee" means a person who is licensed as a real estate broker or salesperson under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code and who is either licensed under a broker or has entered into a written contract with a broker to act as the broker's agent in connection with acts requiring a real estate license and to function under the broker's supervision in the capacity of an associate licensee.

The agent in the real property transaction bears responsibility for his or her associate licensees who perform as agents of the agent. When an associate licensee owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the associate licensee functions.

(c) "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. "Buyer" includes vendee or lessee.

(d) "Commercial real property" means all real property in the state, except single-family residential real property, dwelling units made subject to Chapter 2 (commencing with Section 1940) of Title 5, mobilehomes, as defined in Section 798.3, or recreational vehicles, as defined in Section 799.29.

(e) "Dual agent" means an agent acting, either directly or through an associate licensee, as agent for both the seller and the buyer in a real property transaction.

(f) "Listing agreement" means a contract between an owner of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer.

(g) "Listing agent" means a person who has obtained a listing of real property to act as an agent for compensation.

(h) "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the listing agent.

(i) "Offering price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property.

(j) "Offer to purchase" means a written contract executed by a buyer acting through a selling agent that becomes the contract for the sale of the real property upon acceptance by the seller.

(k) "Real property" means any estate specified by subdivision (1) or (2) of Section 761 in property that constitutes or is improved with one to four dwelling units, any commercial real property, any leasehold in these types of property exceeding one year's duration, and mobilehomes, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131.6 of the Business and Professions Code.

(l) "Real property transaction" means a transaction for the sale of real property in which an agent is employed by one or more of the principals to act in that transaction, and includes a listing or an offer to purchase.

(m) "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer, and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration.

(n) "Seller" means the transferor in a real property transaction, and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. "Seller" includes both a vendor and a lessor.

(o) "Selling agent" means a listing agent who acts alone, or an agent who acts in cooperation with a listing agent, and who sells or finds and obtains a buyer for the real property, or an agent who locates property for a buyer or who finds a buyer for a property for which no listing exists and presents an offer to purchase to the seller.

(p) "Subagent" means a person to whom an agent delegates agency powers as provided in Article 5 (commencing with Section 2349) of Chapter 1 of Title 9. However, "subagent" does not include an associate licensee who is acting under the supervision of an agent in a real property transaction.

2079.14. Listing agents and selling agents shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and, except as provided in subdivision (c), shall obtain a signed acknowledgment of receipt from that seller or buyer, except as provided in this section or Section 2079.15, as follows:

(a) The listing agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement.

(b) The selling agent shall provide the disclosure form to the seller as soon as practicable prior to presenting the seller with an offer to purchase, unless the selling agent previously provided the seller with a copy of the disclosure form pursuant to subdivision.

(c) Where the selling agent does not deal on a face-to-face basis with the seller, the disclosure form prepared by the selling agent may be furnished to the seller (and acknowledgment of receipt obtained for the selling agent from the seller) by the listing agent, or the selling agent may deliver the disclosure form by certified mail addressed to the seller at his or her last known address, in which case no signed acknowledgment of receipt is required.

(d) The selling agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase, except that if the offer to purchase is not prepared by the selling agent, the selling agent shall present the disclosure form to the buyer not later than the next business day after the selling agent receives the offer to purchase from the buyer.

2079.15. In any circumstance in which the seller or buyer refuses to sign an acknowledgment of receipt pursuant to Section 2079.14, the agent, or an associate licensee acting for an agent, shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.17.

(a) As soon as practicable, the selling agent shall disclose to the buyer and seller whether the selling agent is acting in the real property transaction exclusively as the buyer's agent, exclusively as the seller's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the selling agent prior to or coincident with execution of that contract by the buyer and the seller, respectively.

(b) As soon as practicable, the listing agent shall disclose to the seller whether the listing agent is acting in the real property transaction exclusively as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the listing agent prior to or coincident with the execution of that contract by the seller.

(c) The confirmation required by subdivisions (a) and (b) shall be in the following form:

SAMPLE ONLY – DO NOT FILL OUT

_____ is the Listing agent of (check one): ( ) the seller exclusively; or ( ) both the buyer and seller.

_____ is the Selling agent, *if not the same as the Listing Agent*, of (check one): ( ) the buyer exclusively; or ( ) the seller exclusively; or ( ) both the buyer and seller.

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14.

2079.18. No selling agent in a real property transaction may act as an agent for the buyer only, when the selling agent is also acting as the listing agent in the transaction.

2079.19. The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20. Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21. A dual agent shall not disclose to the buyer that the seller is willing to sell the property at a price less than the listing price, without the express written consent of the seller. A dual agent shall not disclose to the seller that the buyer is willing to pay a price greater than the offering price, without the express written consent of the buyer. This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22. Nothing in this article precludes a listing agent from also being a selling agent, and the combination of these functions in one agent does not, of itself, make that agent a dual agent.

2079.23. (a) A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

(b) A lender or an auction company retained by a lender to control aspects of a transaction of real property subject to this part, including validating the sales price, shall not require, as a condition of receiving the lender's approval of the transaction, the homeowner or listing agent to defend or indemnify the lender or auction company from any liability alleged to result from the actions of the lender or auction company. Any clause, provision, covenant, or agreement purporting to impose an obligation to defend or indemnify a lender or an auction company in violation of this subdivision is against public policy, void, and unenforceable.

2079.24. Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

Please note that the terms "Seller" and "Buyer" are defined by the CA Civil Code to include a lessor and lessee, respectively.

This form must be delivered before or concurrently with the signing of the purchase and sale contract (or lease). In lieu of this form, such confirmation may also be set forth in the purchase and sale contract (or lease).
