

## Parent Engagement Calendar of Meetings

Cabrillo Point Academy values, welcomes, and encourages parent involvement within our school and all elements of your child’s education. As such, we have created a series of workshops, meeting, and other events to keep you informed about the happenings at our school and trainings to help you be an even better teacher to your child. We invite you to review this calendar of all informational and input meetings, which are part of our Parent Engagement Policy (PEP) and plan, and please make every opportunity to attend as often as possible. Please also take a look at the many different Parent Workshops offered through our Parents on Course University. We look forward to seeing you soon!
