- •8/13 First day of School, 8-10am (no ECP)
- •8/14 Noon Dismissal (ECP only for JrK-8th)

## **Curriculum Implementation**

Dear Little Saints,

It has been a very busy "last week of school" for the Little Saints. They continued their search of rollie pollies and other various insects in our play yard. They ran through an obstacle course during field day. The Little Saints who will be graduating from preschool and starting their JrK journey got a chance to practice walking in a line. They also got to attend morning assembly with the rest of the school. They took a short tour of the JrK classroom. Lastly, they practiced using the hallway bathroom by themselves. We celebrated Pentecost with some coloring sheets. Pentecost marks the moment when the Holy Spirit came upon Jesus' apostles. Red tissue paper was used for the flame, while white tissue paper was used for the Dove. We also read a story about Pentecost from our children's Bible storybook. There have a been a lot of big feelings as the Little Saints process saying goodbye to their friends. We have been having various discussions throughout the week and providing different, healthy outlets that they can use. It is okay to cry. It is okay to be mad. It is okay to squeeze the ball as hard as you can. Thank you families for a wonderful school year. Have an amazing summer break.

-Ms. Kilpatrick & Ms. Santos
