Filled with the Holy Spirit - Acts 2:1-21

Today is a very special day we call Pentecost. It was the day that God sent His Holy Spirit to breathe life into His church so the church would be all that God intended for it to be. Before God sent His Holy Spirit, the church was lifeless. The church was not witnessing and telling people about Jesus. After the Holy Spirit breathed life into the church, people began telling everyone they saw about Jesus. It didn't even matter if they spoke the same language. Everyone they told about Jesus understood what they were saying. Thousands of people were added to the church. The church became alive and was doing the things God had commanded.

Breathe life into your balloon, and remember that just as the balloon needs to be filled to be what it was intended to be, you and I need the Holy Spirit to fill us so we can be all that God wants us to be.

We thank You, God, for sending Your Holy Spirit. We thank You for breathing life into the church and we thank You for giving Your Holy Spirit to all who believe in Jesus. In Jesus' name we pray, amen.
