- 12/12 Feast of Our Lady of Guadalupe
- 12/16 [Blue Star Moms donations](#) due. Start of Simbang Gabi. 12/17 Las Posadas

Curriculum Implementation

Dear Little Saints,

In celebration of fall break coming up the Caterpillars worked on making paper turkeys by tracing their hands. They strengthened their fine motor skills by practicing holding a pencil and using various arts and crafts materials (glue, scissors, pom poms, and crayons) to decorate their turkey. This week the children demonstrated just how much of our classroom routine and expectations they can follow and practice. Due to the change in the weather, we have made adjustments to our routine. We ate our snacks inside as a whole group and had longer indoor play time, including having a mini obstacle course inside the classroom. We were outside at different times of the day to take advantage of the outdoors and fresh air while the rain was away. The changes in the weather gave us the opportunity to witness the children's growth in patience and adaptability. It was quite rewarding to observe the gifts of routine and predictability that we all work so hard to establish since the start of school. It is through the repetition of routine and expectations that they were able to adjust with little to no snags. Way to go Little Saints! In celebration of fall the children created a leaf collage that we hope you could include in your preparation for Thanksgiving!

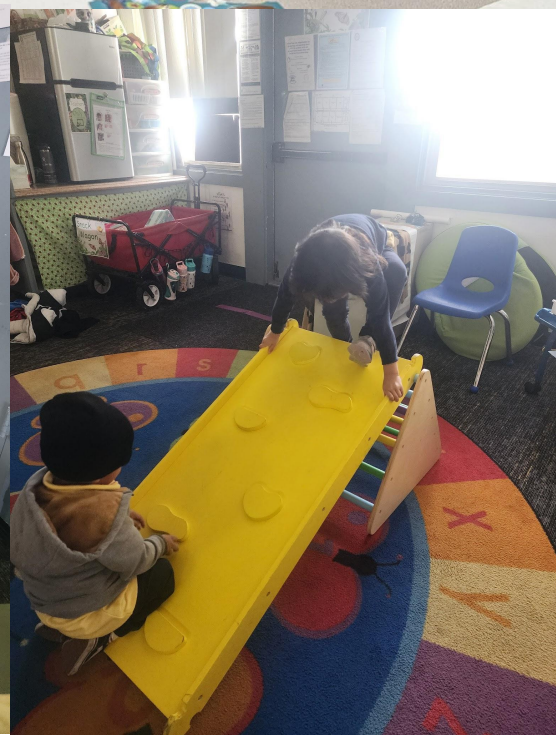

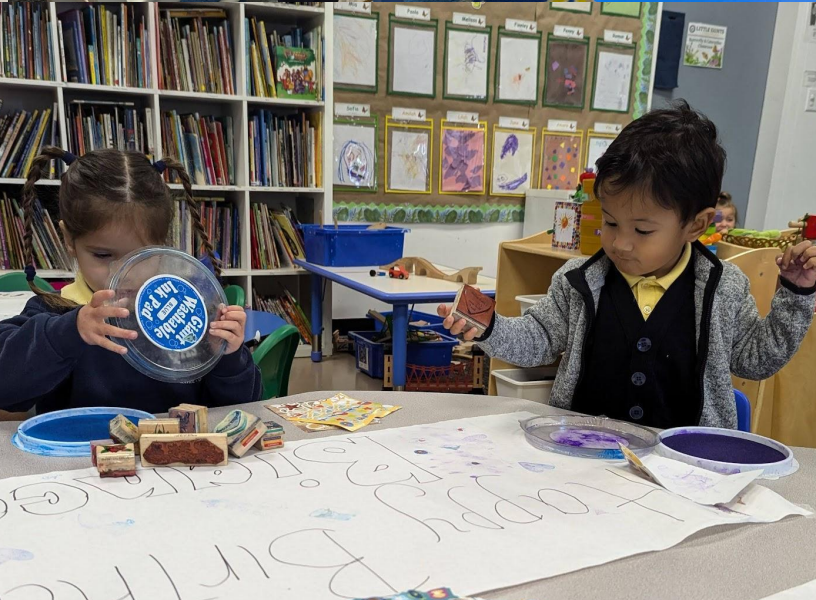

Ms. Santos and Ms. Kilpatrick

Happy Birthday Mrs. Martin!
