- 11/20 Ms.Martin's Birthday
- 11/26 Aria's Birthday
- 11/17-26 Thanksgiving Break
- 11/27 Double Good Popcorn Forms Due

Curriculum Implementation

Dear Preschool Class, This week we celebrated many festivities beginning with a Halloween party for the children, a visit with all the Saints, and reverence for Dia De Los Muertos. We are thankful for all the wonderful treats provided by our parents, volunteers and Ms.Ochoa who read an *Earth Day* story with us. Children proudly displayed their costumes while processing in the school parade with cheers and high fives from the big kids and families as they walked by. With the changing season and weather our focus turned to nature exploration. With buckets in hand, children collected "treasures" on a nature hunt around the school. At Circle, Mrs. Lozano talked about using our senses where they played a guessing game smelling a bag with something from nature. In class they use science tools and vocabulary for observation and measurement.

~ Mrs. Martin
