Curriculum Implementation

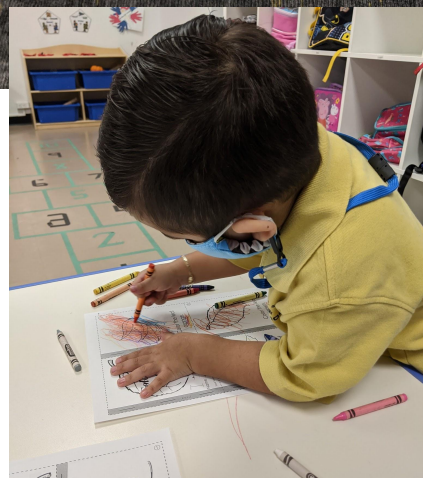

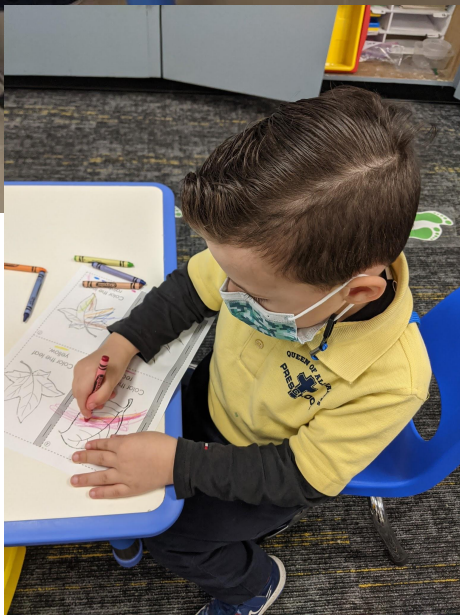

We continued discussing fall and preparing for [Thanksgiving](#) this week. We started our week with a [counting](#) and coloring review activity. We made little [booklets](#) in which we colored leaves a different color on each page. Then we reviewed shapes by creating [Shape Turkeys](#) that had hexagon bodies, pentagon heads, rhombus feathers, and so on. We completed another sequence of the Letter of the Day Alphabet as well! As a review of all the letters we played [Alphabet bingo](#). Each child's board had all 26 capital letters but not necessarily in the same order, this allowed them to have a chance to search for each letter but only allowed for one bingo winner. We ended our week with prayers for a great Thanksgiving and showing our [gratitude to God](#) for the many blessings he has given us.
