Curriculum Implementation

Dear Preschool Class, We focused on Christmas. this week! We started our week by lighting the third candle (Pink) of the Advent Wreath that was made by the children and decorated with their hand prints. At Circle Time we asked children what is the meaning of Christmas & their responses were: "Christmas is Ho, Ho, Ho, ornaments, lights, Christmas trees, presents, Santa, and Baby Jesus". We read stories from the Children's Bible about the birth of Baby Jesus & The Sweet Smell Of Christmas by Patricia Scarry. The children each built Nativity with geometric shapes, they decorated a Christmas tree with pompoms and wire. Finally they glued glitter to an angel with their pictures on it, they built skills in religion, fine motor, socialization, math, & color recognition.
