Curriculum Implementation

We've had a spooky festive Red Ribbon/Halloween week! We started off with sports day and lots of gross motor climbing and somersaults. Then we made spider sculptures out of paper cups and pipe-cleaners. We problem solved how best to keep our legs in place. We went on a leaf hunt, exploring different textures, colors, and variations in different types of leaves. Then we glued our leaves to paper. Lasty, we had our Halloween party and we painted pumpkins and shared our costumes with all our friends!
