Curriculum Implementation

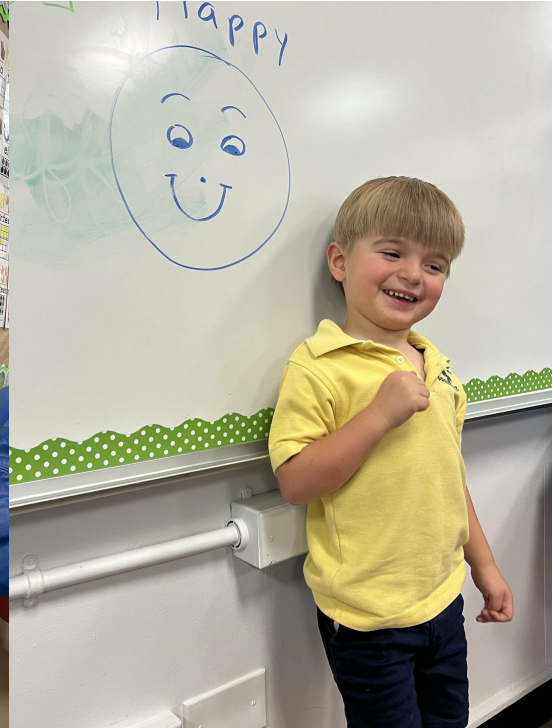

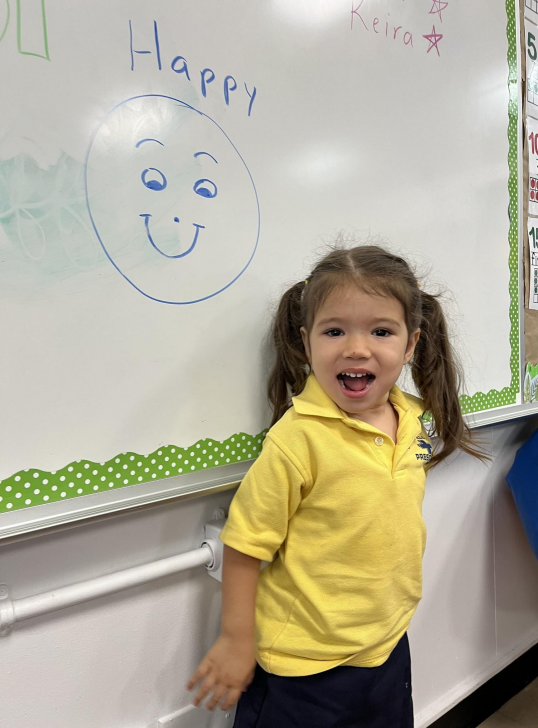

Dear Preschool Class, Our focus this week was Emotions. During Circle Time, we discussed things that make us feel happy, sad, mad, and scared. Then we talked about what we can do to make us feel better when we are unhappy. We provided art activities in which they labeled their emotions with a happy and sad faces. We continued with a story called *Go Away Big Green Monster* by Ed Emberley. We asked the children what things scare them and created a monster art project. They were very brave and scared the monsters away like in the story telling them "...and don't come back!". Our activities focused on vocabulary, fine motor, color recognition, counting, and socialization. This week they also had their first music session with Mrs. Davis & practiced our first fire drill. -Mrs. Barajas
