

Peek at Preschool

Queen of All Saints Preschool Program
April 8, 2022

Curriculum Focus

- Current Project:
Plant Life Cycle
- Focus Concepts
Letters: X,Y,Z,C,O
Numbers: 14-18

Important Dates

- Fri, Apr 29 Family Dance 6-8pm
- Sun May 8 Mother's Day
- Mon May 9 Owen's Birthday
- Fri May 20 Celeste's Birthday
& Multicultural Day & PACE
family BBQ 5-7pm
- Fri May 27 Parent-Teacher Conf. Day

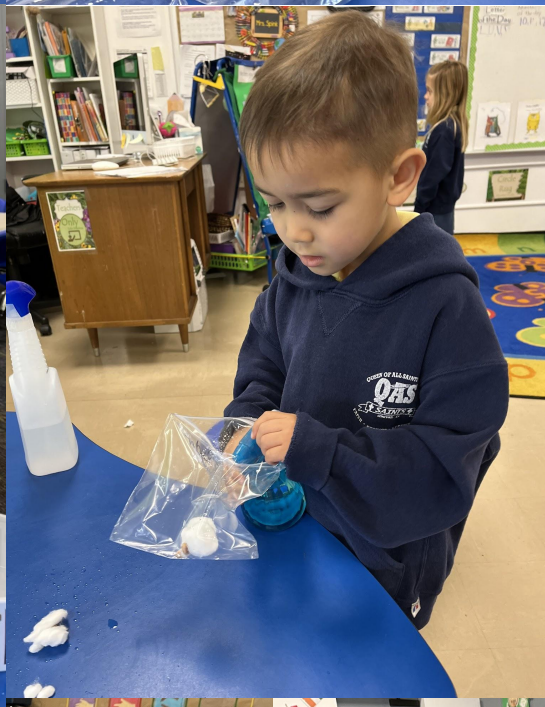

Curriculum Implementation

Dear Preschool Class, This week's activities were centered the Lifecycle of a Plant. The children planted a bean seed. We discussed the bean's texture and color and the needs of a plant (sun light, water, and soil). They will continue learning observational & investigative skills, language and socialization skills as they observe changes in their seed. They strengthened their gross motor and hand-eye coordination when scooping and pouring potting soil that needed to be delivered into a big pot by our gardening area. Then they helped plant a fully grown tomato, bell pepper, and mint plants. At Circle Time they listened to stories like *The Grouchy Ladybug* by Eric Carle, *One Bean* by Anne Rockwell, and *Growing Vegetable Soup* by Lois Ehlert. They role played being seeds and growing into a big plant with Mrs. Clark and for art they made a spring flower collage.
