Curriculum Focus

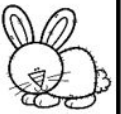

- Current Project:
Spring / Parts of a Flowers
- Focus Concepts
Letters: L,U,V,W
Numbers: 10-13

Important Dates

- Apr 10-17 Holy Week & Easter
- Apr 15-24 Easter Break
- Sun May 1 Family Dance 6-8pm
- Sun May 8 Mother's Day
- Mon May 9 Owen's Birthday
- Fri May 20 Celeste's Birthday
& Multicultural Day

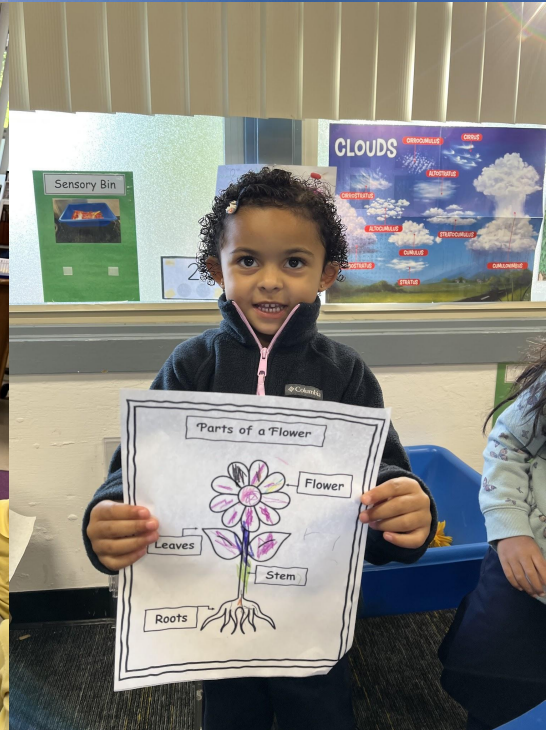

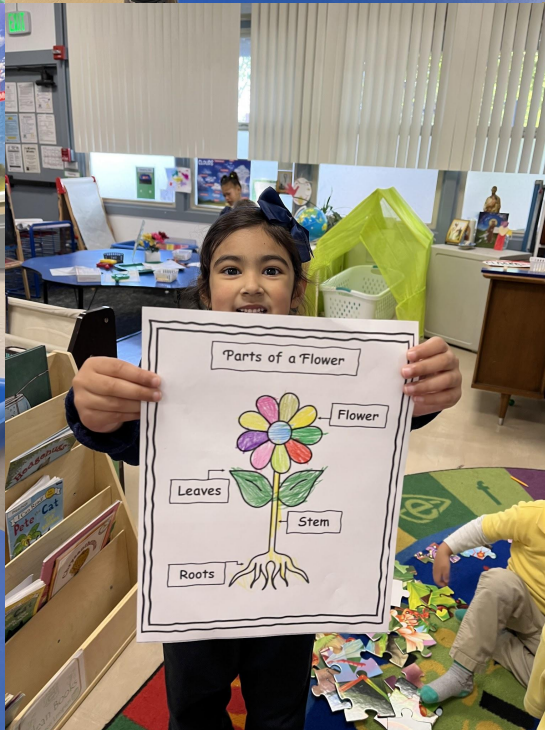

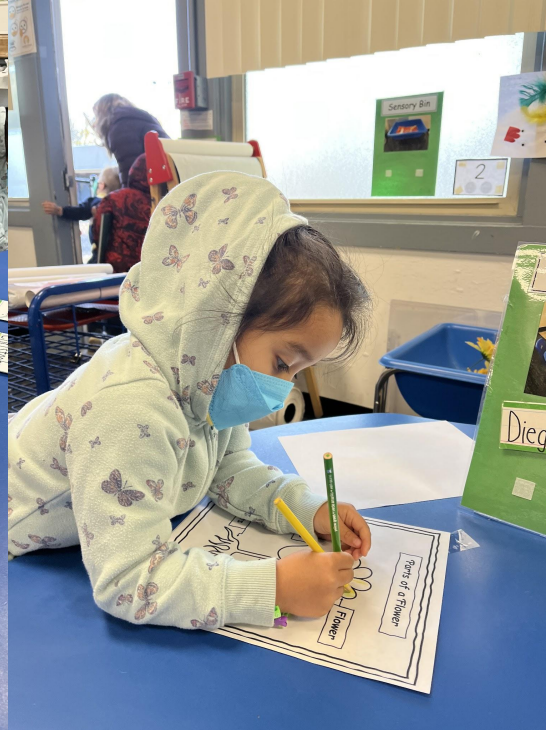

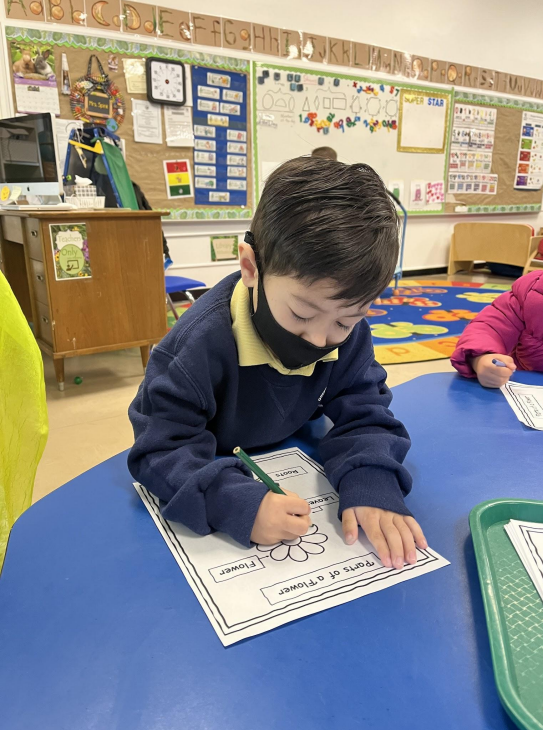

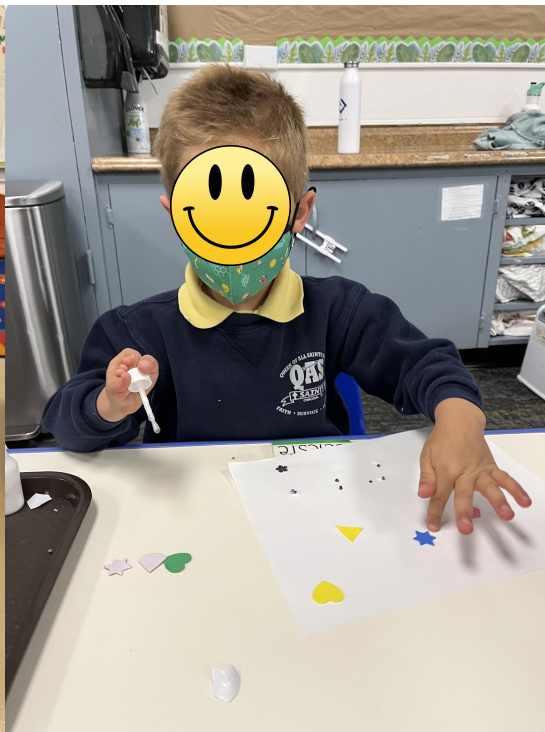

Curriculum Implementation

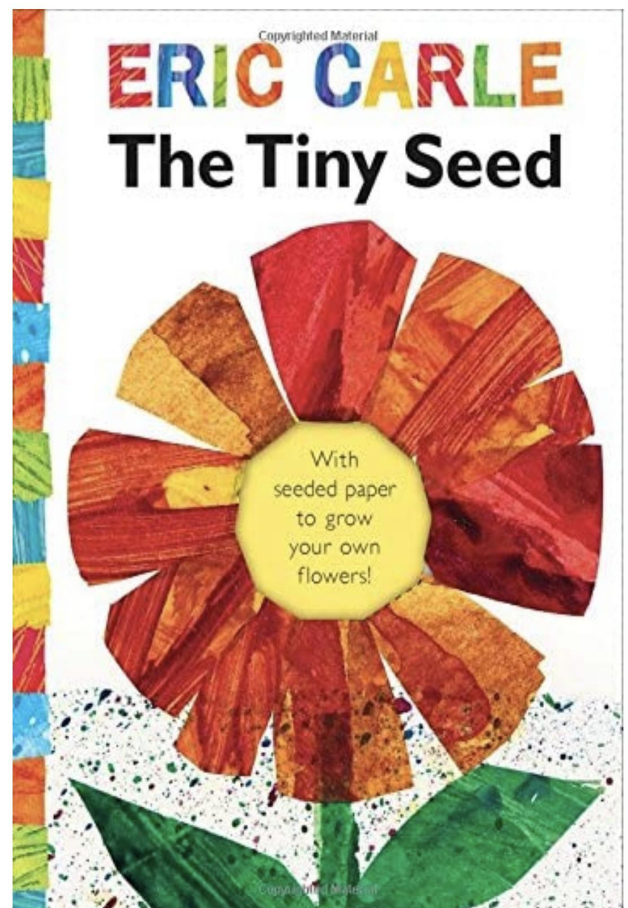

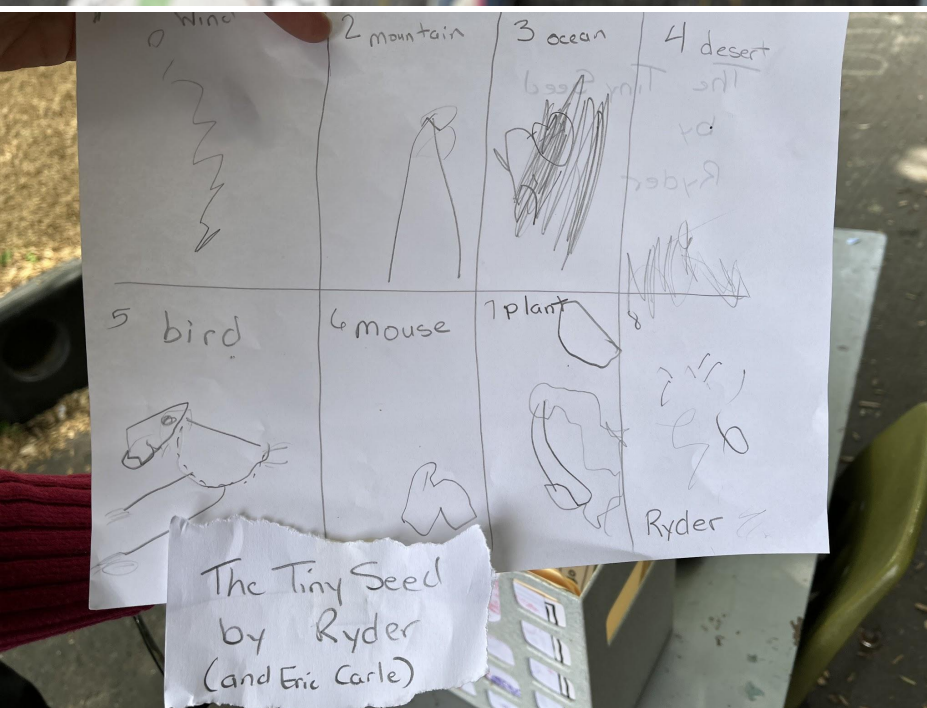

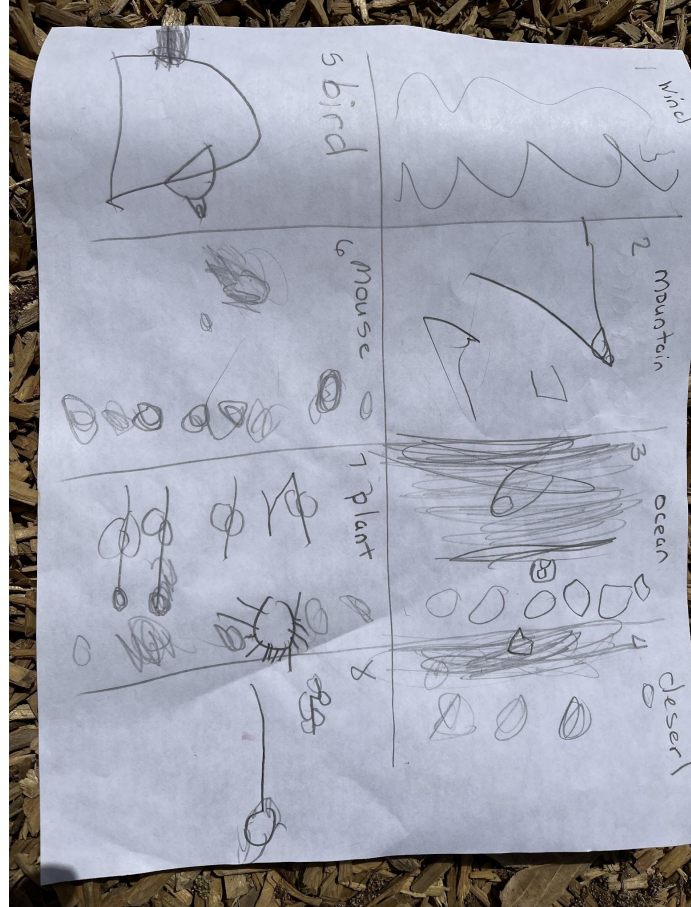

Dear Preschool Class,

Our focus this week was Spring and Parts of a Flower. The children continue to develop fine & gross motor skills when scooping and pouring potting soil. They are learning observational & investigative skills when digging for worms and roly polies in our playground. We provided a coloring page about parts of a flower and discussed how the roots absorb water and nutrients from the soil. They listened to a story named *The Tiny Seed* by Eric Carle and some children were so fascinated that they illustrated their own story of the tiny seed. Another child found a seed in her apple and referred to the story. We will continue with hands-on learning opportunities about planting and gardening. We finished our short week by allowing children to wash each others feet as an example of servicing others, just like Jesus did. - Mrs. Barajas
