Curriculum Implementation

We learned more sharing skills this week, giving the children choices they can refer to when they are having a conflict over a mutually desired item. We taught them about (1) asking politely for a turn, (2) finding another item until the other child is done, (3) asking to trade for a different toy, and (4) waiting for a timer to ring. We created more triangle art, including a fish with a triangle tail. With the hot weather this week, we also played with ice! Mrs. Spink
