Curriculum Implementation

This week as we discussed feelings and shapes we read *Spookly the Square Pumpkin* and we discussed how Spookly was sad when he felt he was different, but happy when he realized being different helped his friends! We made square Spookly art using orange paper, googly eyes, & green squeeze caps. The Toddlers also created square frames, and stuck square papers to them. Next week we will compare the two shapes we have learned so far! - Mrs. Spink
