Curriculum Implementation

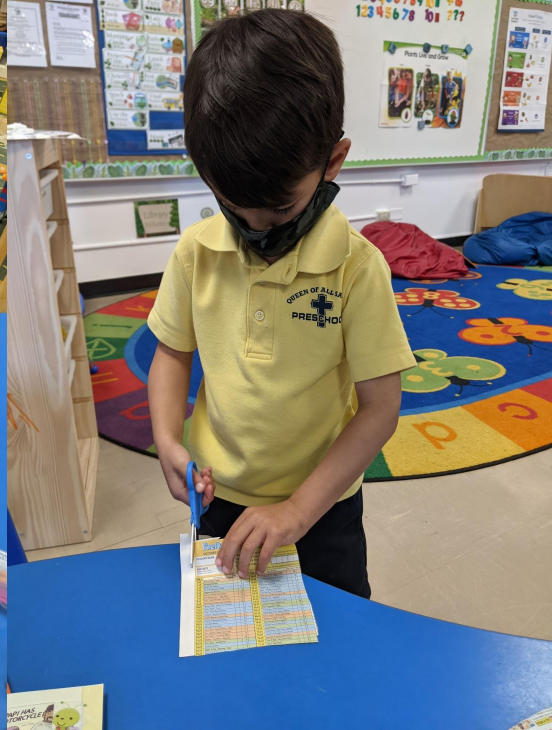

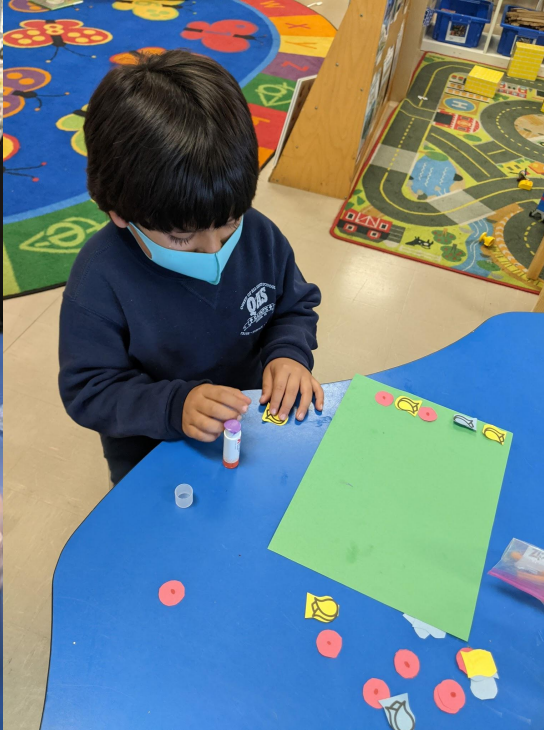

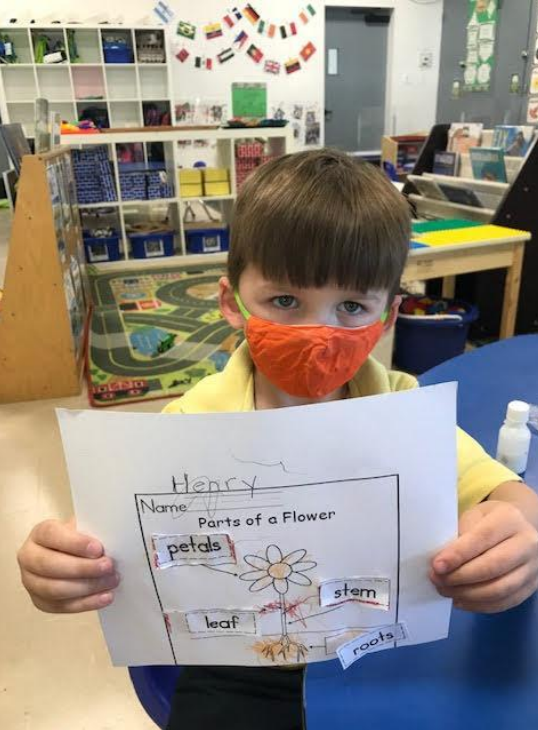

Our bug project over the last few weeks has led us into our new flower project! Thank you to those of you who gave the teachers flowers during Teacher Appreciation Week. We are now using them to explore the [parts of the flower](#) and [how flowers grow](#). We also gave flower offerings to Mother Mary during the May Crowning Procession. We [read about flowers](#) and discussed patterning using [flower cutouts](#) to make our own art as well. We ended our Easter celebrations by reading the story of [Jesus' Ascension](#) to heaven after his period of teaching on Earth that came during the Resurrection. We also made still life paintings of flowers using q-tips as paint brushes and we finished another round of the alphabet. We will start our final alphabet round of the year Monday!
