

## 2020-2021 SCHOOL SUPPLIES

All classrooms will collect a \$25/student fee for classroom supplies for science and STEM activities and other classroom supply needs. In consideration of the financial hardships some families may have faced due to Covid-19, please contact Mrs. O'Connor if you need special consideration for the fee.

In an effort to be responsible stewards of the Earth, we encourage students to reuse school supplies, such as earphones, partially used notebooks, pens, crayons, pencils, supply pouches, protractors, compasses, rulers, etc. from last year whenever possible.

Please label the supplies with your child's first and last name, as the supplies will not be shared.
