

#### **MISSION**

Queen of All Saints School is a **culturally diverse** Catholic community dedicated to developing the whole child with compassion and integrity. Catholic Schools in the Diocese of Oakland educate children in the Catholic **faith** and nurture their minds, bodies, and soul, **inspiring** them to live the **Gospel** of Jesus Christ, achieve their highest **academic** and creative potential, and actively **serve** and enrich the **community**.

June 18, 2020

Dear Incoming Fourth Grade Families,

We are busy making preparations for another exciting year at Queen of All Saints and look forward to the 2020-2021 school year. To continue providing our students with a rigorous and relevant curriculum, our incoming Fourth Grade students have an **OPTION** to be part of the school's one-to-one Chromebook program. There are shared devices in each classroom, but this opportunity will enable the student to have access to their own Chromebook during the school day for curricular purposes. This will be a requirement once the students enter 5th grade.

In accordance with school policy, Chromebooks must be purchased through the school and are linked to the school's network. The school will be placing a bulk order during the summer, with the Chromebooks arriving in time for the start of the new school year. The cost is approximately \$350.00 per student laptop, which includes tax, shipping, Google Chrome licensing, and limited insurance. Full payment of \$350 per student must be received before we place the order on August 1, 2020.

We are offering a World's Finest candy fundraiser to help defray the cost of your new Chromebook. Please complete the google form that will be sent to your email by Friday June 29, 2020, regarding your interest in fundraising by purchasing cases of World's Finest chocolate. Each case of chocolate is \$30.00, payable at the time of order. You will collect \$60.00 per case sold, and use the \$30.00 profit per case for payment toward the Chromebook charge on your FACTS account.

Your student will receive access to their Chromebook at Back-to-School Night after the family signs a technology agreement and financial commitments are up to date. Each student will have full access to their own Chromebook, but the computers will remain at school; class time is given to complete a majority of their computer-based work. Students will be given the Chromebook to take home upon graduating from Queen of All Saints once all financial responsibilities have been met.

We are thrilled to continue providing our students with a state of the art technology program, giving students access to the proper tools to assist in their academic achievement while simultaneously increasing preparedness for their future high school requirements.

Thank you for your continued support.

Best Regards,

Mrs. Prince
