## SAINTS' Scoop Newsletter

### December 2, 2020

Dear Queen of All Saints School Families,

Happy Advent! This past Sunday we celebrated the beginning of Advent by lighting the candle of Hope. Advent means “arrival” or “coming.” Each classroom has an Advent wreath with candles that the teachers will symbolically light at the beginning of each week as we prepare our hearts for Jesus. In the coming weeks, we will light the candles of Peace, Love, and Joy.

We will spread Advent blessings and Christmas cheer to the community with student-made Christmas cards. We are using the children’s cards that they created during their asynchronous instruction and are sending them to our neighbors, generous donors, supportive alumni, and prospective families. What a great way to spread the news about Jesus directly from our students’ hearts!

As part of our Advent journey, we are looking forward to commemorating the Feast of St. Nicholas this Friday (Feast day is Sunday, December 6th) and the Feast of the Immaculate Conception on Tuesday, December 8th.

In addition to our Advent activities, we are festive activities in December for our of the Scoop for more information on Days of Christmas.

committed to providing fun and students. Please see the last page Queen of All Saints School’s 11

Have a wonderful first week of Advent!

With blessings and gratitude,  
*Mrs. Lucia Prince*

### Important Reminders & Information:

#### Students who are ill/injured with non-covid symptoms:

Per the school reopening parent meeting, students who are staying home for the day due to non-covid related illness are to focus on resting and getting better and are not to Zoom with their class. They will return to school when they are feeling better and will complete any missed work at that time.

#### Early or Extended Vacation:

Per our Family Handbook, when families elect to take an extended vacation the teachers do not provide classwork or homework packets for the student(s). Per our Distance Learning policy, student(s) who are on vacation will not be allowed to zoom in with their teacher. Distance Learning is reserved for

families who have chosen to not return to school or for students who are required to quarantine or self-isolate.

While on vacation, your child(ren) may check their Google Classroom, SeeSaw, or other online platforms their class is using, do their work at their own pace, and submit the work accordingly, but they will not Zoom with their class. Please refer to the Vacation Policy below taken from the [Family Handbook](#), page 41.

### **School Status**

Unless otherwise directed, Queen of All Saints will remain open for in-person instruction. You will be notified immediately via School Messenger (email, text, and or phone call) if there are any changes. Families who choose to move from in-person instruction back to distance learning should inform the school as soon as possible with an email sent to [queenofallsaints@csdo.org](mailto:queenofallsaints@csdo.org).

### **Travel Advisory**

\*\*\*As of today, there is no prohibition on family travel during the holidays. Nevertheless, the goal of the school is to maintain a COVID-19 safe school, so travel over the holidays is strongly discouraged. ([Governor Newsom Travel Advisory](#).) Families have a responsibility for assuring their children come to school only if they are free of COVID-19 symptoms. Please remember that If students show COVID-19 symptoms while attending school, they will be removed from school promptly. Please see the *Recommendations for Staying Safe from COVID-19 During the Holidays*, concerning holiday travel in several languages, including [English](#), [Spanish](#), and [Tagalog](#).

**VACATION POLICY/HOMEWORK DURING VACATION ABSENCE** Absence for other reasons (unexcused absences): Absences for vacations beyond those indicated on the school calendar are not excused. When parents wish to take their child out of school for several days for personal reasons, the Principal and the teachers should be contacted within a reasonable amount of time prior to the planned trip. At this time, the Principal will advise the parents on the effects of an absence on the student's schoolwork. The final decision for absenteeism, however, is the responsibility of the parent. Specific assignments will not be given to the student prior to the trips, and teachers should not be asked. Assignments whose due dates have been given to the class prior to the absence are to be met by the student, either by submitting the assignment prior to the absence or by making arrangements to ensure the assignment arrives to the teacher on the due date. If these assignments are not turned in by the designated date, zero credit will be earned. In addition, students should be prepared to take ALL missed tests and quizzes (regardless of the date assigned) on the day he/she returns to school as tests and quizzes will be administered in a timely manner. Upon return, a student will have 24-hours to turn in all missed daily work and homework assigned during their absence to receive full credit.

### **Rainy Day Optional Early Dismissal Car Line**

We have received quite a bit of positive feedback on our newly implemented optional early dismissal on rainy days. Because we are not able to gather all of the children under covered shelter in the car line while also maintaining physical distancing protocols, we required a process that would keep the children safe and dry while also ensuring a smooth and efficient dismissal and car line. Starting carline dismissal at 2:30 for families who opt to arrive early has helped us keep students safe and dry and has eased carline congestion on rainy days.

- Rainy Day Early Dismissal is Optional - families may still elect to arrive at 3:00 for regular dismissal time.

- A Rainy Day Optional Early Dismissal Car Line email will be sent out by 1:30 p.m. if we feel that it will be raining during Car Line. Directions will be embedded in the email.
- To assist staff and teachers during this process, please have your family sign in your dashboard where it is easily visible. Quickly seeing your family name and student grade makes for a quicker dismissal process as teachers use their walkie-talkies to dismiss students from their classrooms.
- On Rainy Day Dismissal, Car Line gates remain open for our regular 3:00 dismissal.
