SAINTS' Scoop Newsletter

February 10, 2021

Dear Queen of All Saints School Families,

Can you believe that we are already more than halfway through the school year? Where is the time going? Trimester 2 Progress Reports were sent home and/or made available to families via the PowerSchool Portal (Grades 4th-8th). Please acknowledge receipt of your child's Progress Report by signing and returning their report or the acknowledgment letter.

Congratulations to our Fun Run t-shirt design winners. There were so many outstanding designs that it was a very difficult choice. Our Mission Statement states that we inspire students to "achieve their highest academic and creative potential", and providing students with this design opportunity gives all of our talented students a moment to shine.

COVID-19 UPDATES AND IMPORTANT INFORMATION- PLEASE READ

All schools in California were recently required to update their reopening plans. I was also required to sign and submit the COVID-19 Guidance Checklist and COVID-19 Prevention Program (CCP) documents verifying that we are abiding by the safety plan. In addition, I must complete a required bi-weekly survey providing information on our school's in-person/distance learning. I am happy that the report continues to demonstrate that we have successfully implemented in-person instruction while also meeting the needs of our distance learners. Thank you for making this possible with the commitment to safety that we are all making to keep our entire QAS family safe during these trying times.

TRAVEL REMINDER

With this week's upcoming 4-day weekend and Easter break on the horizon, please make note of the school's quarantine requirements based on guidance from the county health department and the state of California. Thanks to your diligence and your honesty and transparency about traveling, we have been able to mitigate the spread of COVID-19 on our school campus. I recognize that the requirements may be frustrating and that it has not been easy, but your efforts in helping us keep all of our students, including your child, and staff safe are greatly appreciated.

If you travel more than 120 miles, or if you have a long weekend or vacation outside of our immediate area, please let us know when you return. Students will be required to quarantine for ten days from the date of their return, with no exceptions. Mrs. Francisco will provide you with the date that your child(ren) may return to in-person learning. The teachers will be notified of which students will be Zooming their classes while they are quarantining. I appreciate the sacrifices that all of you are making, and I thank you for your patience, grace, and joyful spirit.

Happy Valentine's Day

Blessings for a wonderful week,

Mrs. Lucia Prince

The school's *social media* postings are **outstanding** thanks to faculty, staff, and families who provide such rich content showcasing our school's academic and enrichment programs, activities, and events and telling our story of Catholic education. The videos and photos posted to our Instagram and Facebook accounts have caught the attention of prospective families and other Catholic schools (even one in Florida!) If you are not following us on your social media, you are missing out. Connect with us on Instagram at queenofallsaints_concord and Facebook @QASConcord.
