- Mon., May 31 Memorial Day No School
- Thur, June 3 Feast of Corpus Christi
- Sunday, June 6 Iann's Birthday
- Fri. June 11, Last Day, 11am Dismissal

Curriculum Implementation

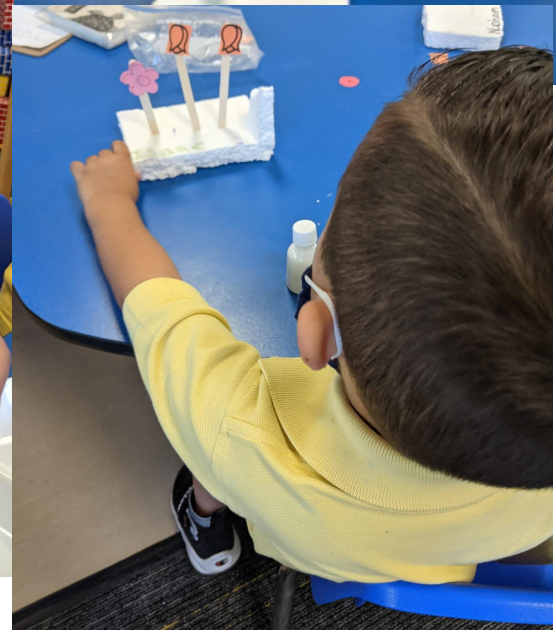

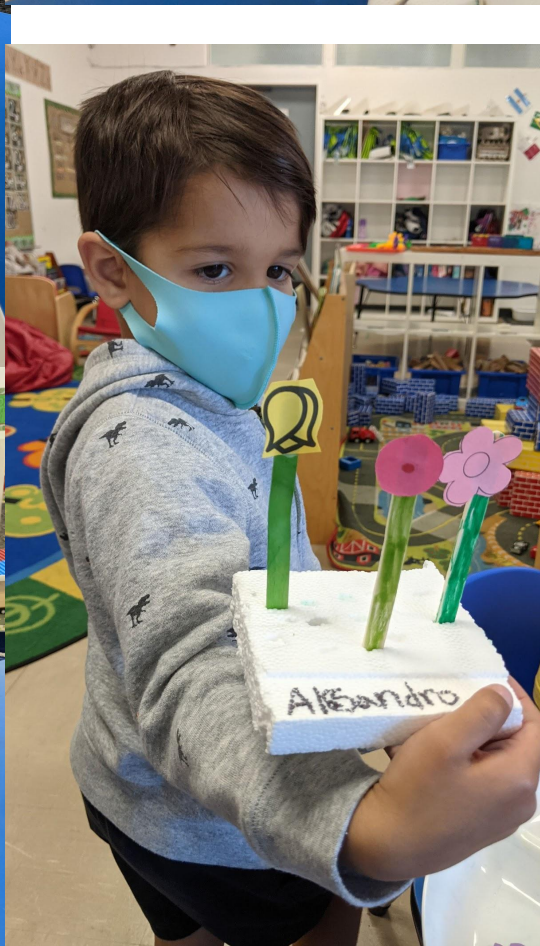

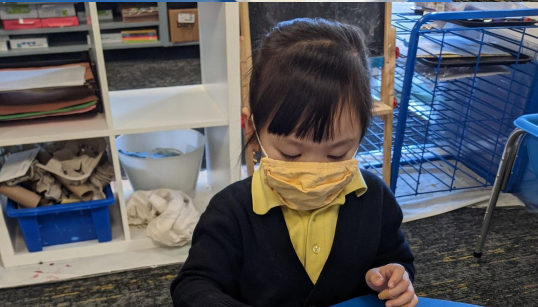

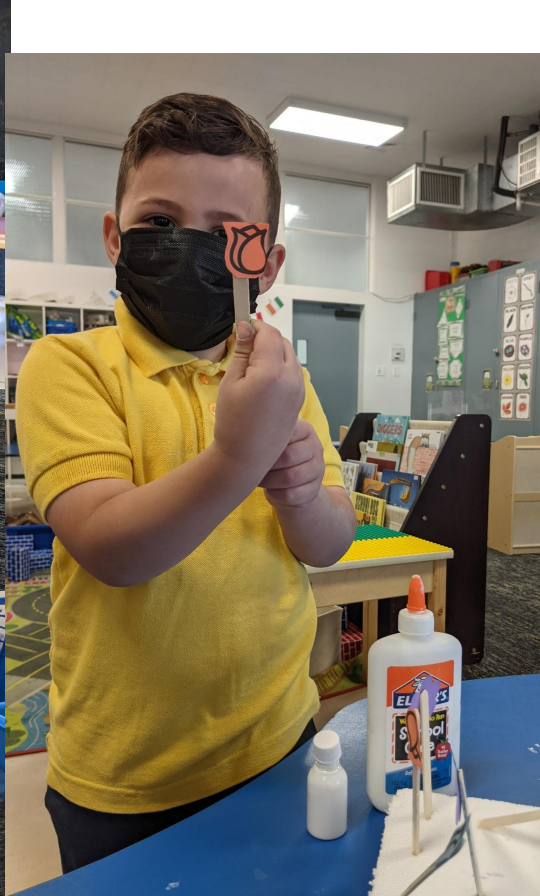

The preschoolers are still showing interest in flowers, so we have continued the flower project into our garden. We learned [how to plant flowers](#) with petunias in pots on our yard and discussing what [plants need](#) from us and our environment to stay healthy and to thrive. The children also made individual [pretend gardens](#) out of craft sticks with flowers glued on and stuck into styrofoam. We created a scientific study of how flowers absorb water by observing white carnations placed in 3 different cups of dyed water. When our letter of the day was D we discussed the different [parts of a dandelion](#) and went on a search for them around our campus. We also played in a seed sensory bin, enjoyed digging in dirt and mud, and sang and danced to the classic "[Ring around the Rosie](#)" song.
