SAINTS' Scoop Newsletter ***October 6th, 2021***

Dear Queen of All Saints School Families,

Mahalo nui! *Thank you very much.* Our school auction was so much fun and was a big success. I want to give a big thank you to everyone who attended, our parents who were involved in the planning, volunteers who secured restaurants and dessert donations, those who volunteered their time and worked at the event (servers, photographers, beverage and ticket booths, games, check-in/check-out, kitchen help), our amazing and efficient clean-up crew, Erleen Richards who served as the auction chair, and anyone who I inadvertently left out. The DJ was amazing as was our auctioneer, Doug Talmadge. The laughter and good times lasted throughout the evening with attendees socializing long after the last song was played. Stayed tuned for an auction recap following results from our Online After-Auction.

You may have noticed that our playground received a few uplifts.

- Proceeds from our fundraisers, including last year's school auction, were used to finance the upgrade to the hill at a cost of \$24,500. I want to thank Mr. Bill who spent many hours researching products and contacting companies who could work within our \$25,000 budget with a product that was made in the U.S. and is architect-approved for schools. The product we selected is IPEMA certified.
- Over the summer the school financed the new asphalt coating on the blacktop.
- This weekend, the Concord Rotary and YV-Interact donated their time to repaint the map of the USA.
- We are eagerly awaiting this week's arrival of our horizontal climbing wall. In the next few weeks, Mr. Bill will be working with a small crew to help facilitate the installation of this exciting \$12,000 addition to the playground.

Your participation in our fundraisers makes all of this possible for your children. Thank you!

With blessings and gratitude,
Mrs. Lucia Prince
