Curriculum Implementation

The Toddlers explored Eric Carl books this week from the *Very Hungry Caterpillar* to *Polar Bear What Do You Hear*. The children built fine and gross motor skills and art concepts by painting recycled egg cartons like hungry caterpillars. We discussed what animal sounds the Polar Bear friends make and then made our own varied sounds with musical instruments like the ukulele and the keyboard. We enjoyed the Run for Fun! Then we ended our week searching for caterpillars, and other things God has made us, with cardboard binoculars. -Mrs. Spink
