

## Independent Study Policy

Mission Vista Academy may offer independent study to meet the educational needs of pupils enrolled in the charter school. Independent study is an alternative education designed to teach knowledge and skills of the core curriculum. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully.

The purpose of the Mission Vista Academy Governing Board approving this Independent Study Policy is to accomplish the following:

1. Establish the Time in Which an Assignment Must Be Completed
2. Establish the Procedure for Placement Determination
3. Outline What Must Be Included in a Current Written Agreement
4. Outline How Average Daily Attendance Will Be Calculated
5. Establish Compliance with the Education Code
6. Establish the Implementation of the Independent Study Policy

**1. Time in Which an Assignment Must Be Completed:** For pupils in all grade levels offered by the School, the maximum length of time that may elapse between the time an assignment is made the date by which the pupil must complete the assigned work shall be twenty (20) school days. The assigned work shall be delivered to the Homeschool Teacher at an in-person meeting on at least two (2) occasions each semester for a minimum of (4) meetings per school year. The in-person meetings are an integral component of the School's educational services. The Senior Director, in the Senior Director's sole discretion, may waive only one in-person meeting per year for a pupil given extraordinary circumstances. If a pupil misses any of the four (4) in-person meetings, absent a Senior Director's waiver, the administrative withdrawal process may be initiated.

**2. Placement Determination:** A pupil may miss two (2) assignments during any period of twenty (20) school days before an evaluation is conducted to determine whether it is in the best interest of the pupil to remain in independent study. Therefore, whether any pupil fails to complete two (2) assignments during any period of twenty (20) school days, the Director of Academic Program or his or her designee shall conduct an evaluation to determine whether it is in the best interest of the pupil to remain in independent study. A writing record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. This record shall be maintained for a period of three years from the date of the evaluation and if the pupil transfers to another California public school, the record shall be forwarded to that school.

- 3. Current Written Agreement: A current written agreement shall be on file for each independent study pupil, including but not limited to, all of the following:**
- The manner, time, frequency, and place for submitting a pupil's assignments and for reporting his or her progress.
  - The objectives and methods of study for the pupil's work, and the methods utilized, to evaluate that work.
  - The specific resources, including materials and personnel, which will be made available to the pupil.
  - A statement of the policies adopted herein regarding the maximum length of time allowed between the assignment and the completion of a pupil's assigned work, and the number of missed assignments allowed prior to an evaluation of whether or not the pupil should be allowed to continue in independent study.
  - The duration of the independent study agreement, including beginning and ending dates for the pupil's participation in independent study under the agreement. No independent study agreement shall be valid for any period longer than one school year.
  - A statement of the number of course credits or, for the elementary grades, other measures of academic accomplishment appropriate to the agreement, to be earned by the pupil upon completion.
  - The inclusion of a statement in each independent study agreement that independent study is an optional educational alternative in which no pupil may be required to participate. In the case of a pupil who is referred or assigned to any school, class or program pursuant to Education Code Section 48915 or 48917, the agreement also shall include the statement that instruction may be provided to the pupil through independent study only if the pupil is offered the alternative of classroom instruction.
  - Each written agreement shall be signed prior to the commencement of independent study, by the pupil, the pupil's parent, legal guardian, or care giver, if the pupil is under 18 years of age, the certificated employee who has been designated as having responsibility or the general supervision of independent study, and all persons who have direct responsibility for providing assistance to the pupil. For purposes of this paragraph "caregiver" means a person who has met the requirements of Part 1.5 (commencing with Section 6550) of the Family Code.
- 4. Average Daily Attendance:** It is the policy of this Board that each student is, at a minimum, expected to accomplish the following in order for the student to be counted as present/attending for Average Daily Attendance (ADA) purposes:
