

*Where families are
healthy, caring, learning
& growing*

School-Age
Families Connect
with Hubs for:

- Support for parenting, child development and basic resource needs.
- Literacy resources and activities for all ages such as clubs, drawing, journaling, and creating.
- Connection to community resources including health insurance, providers, and basic needs such as financial, food, transportation, and more.
- Public Health Nurse Case management to improve the health of the family including health/developmental assessment, education, client visits and advocacy.

CALL 1-833-EDC-HUBS 1-833-332-4827

Hubs offer support, resources
and connections for families with
children ages 0 - 18.
