

N.E.W. Academy of Science and Arts

School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Eric Todd, Principal

Principal, N.E.W. Academy of Science and Arts

About Our School

Greetings! It is a wonderful privilege to serve as principal at the NEW Academy of Science and Arts. We are a family of educators in a community in the shadows of beautiful downtown Los Angeles. We strongly believe that every child will flourish when given a meaningful and rigorous education, and are committed to the academic and artistic development of our students. Our faculty and staff are dedicated and highly qualified instructors who will make every effort to ensure that each of our children experience success.

The mission of N.E.W. Academy of Science and Arts Charter School is to create a child-centered environment where students are able to work cooperatively, become self-directed, think critically, develop self-esteem and self-assurance, and have respect for cultural diversity. N.E.W. Academy of Science and Arts Charter School has three specific performance objectives:

1. To promote student progress in academic and artistic achievement, with an emphasis on the arts and sciences.
2. To develop social, as well as community ethics and values in the students' character development with parental participation.
3. To implement the most appropriate curriculum for every child after initial assessment.

NASA has shown significant growth and improvement in the area of, STUDENT ACHIEVEMENT AND EDUCATIONAL PERFORMANCE, resulting in growth in all subgroups. Our 2018-19 Dashboard shows that NASA's students have gained one or more performance levels in both ELA and Mathematics. We also continue to use consistent assessment tools, while using in-depth and ongoing data analysis to help modify our curriculum and instructional design.

Our school administration continues to develop innovative ways in positioning our students to be prepared, competitive citizens in our local community, and the world. Thank you for visiting our site. We welcome you to stop by our campus, when in the area.

Eric A. Todd, Ed.D.
Principal

School Description and Mission Statement (School Year 2019—20)

N.E.W. Academy of Science and Arts Charter School has been preparing students in grades TK-5 for academic success and community service since 2003. Located in the Pico Union/Westlake neighborhoods of Los Angeles, our students have exemplified excellence despite the many challenges associated with poverty. Most of the families represented by our students are immigrants from Mexico and Central America, where languages and dialects other than English are spoken in the home. N.E.W. Academy of Science and Arts (NASA) provides clear and high expectations, a personalized and supportive learning environment which recognizes students' accomplishments, family-school-community partnerships, and integrated technology in the classroom, with a culturally sensitive enriched curriculum.

NASA's mission is to create a child-centered environment where students are able to work cooperatively, become self-directed, think critically, develop self-esteem and self-assurance, and have respect for cultural diversity. We have three specific performance objectives:

1. To promote student progress in academic and artistic achievement, with an emphasis in the arts and sciences,
2. To develop social, as well as community ethics and values in the students' character development with parental participation,
3. To implement the most appropriate curriculum for every child after initial assessment.

Additionally, NASA implements the, "Character Counts!" frame work across its curriculum to help students develop good character in accordance with the program's Six Pillars – Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. We also offer a Language Academy due to the unique needs of our large English learner population. In this program NASA provides academic content and instruction in Spanish and English. NASA is a model for innovative child centered learning and instruction that embrace the community as a foundation to teach and create lifelong learners and confident global leaders for the 21st century.

The mission and vision of N.E.W. Academy of Science and Arts is to build a community of lifelong learners who will become leaders in a multicultural environment. The vision also includes a creative, safe, healthy environment for children. A place that honors family values and provides a safe environment where children are allowed to fail without fear, and view fear as another opportunity for learning; and gives children exposure to multiple situations in a variety of environments in order that they acquire confidence, and self-respect for others.

The school is a catalyst for reinforcing positive values in the community; a place that is an integral part of the community; an extension of the community; an investment in the community; and a model for innovative learning with an emphasis that teaches every child to be an educated, productive citizen of the world.

Student Enrollment by Grade Level (School Year 2018—19)

Grade Level	Number of Students
Kindergarten	92
Grade 1	67
Grade 2	72
Grade 3	61
Grade 4	70
Grade 5	45
Total Enrollment	407

Last updated: 1/28/2020

Student Enrollment by Student Group (School Year 2018—19)

Student Group	Percent of Total Enrollment
Black or African American	0.70 %
American Indian or Alaska Native	%
Asian	%
Filipino	%
Hispanic or Latino	98.30 %
Native Hawaiian or Pacific Islander	%
White	0.50 %
Two or More Races	0.50 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	100.00 %
English Learners	77.90 %
Students with Disabilities	10.60 %
Foster Youth	%
Homeless	1.00 %

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017— 18	School 2018— 19	School 2019— 20	District 2019— 20
With Full Credential	17	19	17	21054
Without Full Credential	2	1	2	783
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	1103

Last updated: 1/29/2020

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017— 18	2018— 19	2019— 20
Misassignments of Teachers of English Learners	2	1	2
Total Teacher Misassignments*	2	1	2
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

General

N.E.W. Academy of Science and Arts (NASA) takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the LEA uses a facility survey instrument (FIT) developed by the State of California OPSC. The results of this survey are available at the school office, at the LEA office.

Buildings

N.E.W. Academy of Science and Arts charter school opened its doors in 2003 in 2 buildings established by New Economics for Women in 1993, 1995, and then a third building established in 1996. The Loma campus at Casa Loma houses the main office, and 5 classrooms. The Villa campus at the Villa Mariposa building houses 4 classrooms. The La Posada campus at La Posada Building houses 3 classrooms. The Prosperity campus is the latest addition and houses 6 classrooms.

Maintenance and Repair

Maintenance staff from N.E.W. and CQ Maintenance ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

N.E.W. Academy of Science and Arts has its own custodial staff that provides cleaning services. The principal and School Business Manager work daily with the custodial staff to ensure a clean and safe school. NASA students are safe on school grounds before, during, and after school. Additionally, the school has sufficient playground, classrooms, and staff space to support teaching and learning. The conditions based on the most recent F.I.T . done in January 2018 is good. The campuses are cleaned daily and regularly by our cleaning staff.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
English Language Arts / Literacy (grades 3-8 and 11)	43.0%	42.0%	43.0%	45.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	46.0%	51.0%	32.0%	34.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/28/2020

CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2018—19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	177	176	99.44%	0.56%	42.05%
Male	90	90	100.00%	0.00%	37.78%
Female	87	86	98.85%	1.15%	46.51%
Black or African American	--	--	--	--	
American Indian or Alaska Native					
Asian					
Filipino					
Hispanic or Latino	173	172	99.42%	0.58%	42.44%
Native Hawaiian or Pacific Islander					
White	--	--	--	--	
Two or More Races	--	--	--	--	
Socioeconomically Disadvantaged	177	176	99.44%	0.56%	42.05%
English Learners	166	165	99.40%	0.60%	40.00%
Students with Disabilities	15	14	93.33%	6.67%	14.29%
Students Receiving Migrant Education Services					
Foster Youth					
Homeless					

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2018—19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	177	175	98.87%	1.13%	50.86%
Male	90	90	100.00%	0.00%	55.56%
Female	87	85	97.70%	2.30%	45.88%
Black or African American	--	--	--	--	
American Indian or Alaska Native					
Asian					
Filipino					
Hispanic or Latino	173	171	98.84%	1.16%	50.88%
Native Hawaiian or Pacific Islander					
White	--	--	--	--	
Two or More Races	--	--	--	--	
Socioeconomically Disadvantaged	177	175	98.87%	1.13%	50.86%
English Learners	166	164	98.80%	1.20%	50.00%
Students with Disabilities	15	14	93.33%	6.67%	28.57%
Students Receiving Migrant Education Services					
Foster Youth					
Homeless					

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 1/28/2020

CAASPP Test Results in Science for All Students
Grades Five, Eight and High School
Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
Science (grades 5, 8, and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018–19 school year. However, these data are not available for inclusion in the 2018–19 SARC posting due February 1, 2020. These data will be included in the 2019–20 SARC posting due February 1, 2021.

Last updated: 1/28/2020

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2018—19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
5	71.20%	0.00%	0.00%

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/28/2020

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

The Board of Directors adopts policies that encourage parent involvement in the Charter School. However, parent engagement is never forced or required of parents. N.E.W. Academy of Science and Arts has created a school culture and climate where parents and families are embraced as partners in the education of each child. The Charter School staff understands that one of the primary predictors of student success is parent involvement in the education of their children.

Parents of N.E.W. Academy of Science and Arts students are encouraged and expected to participate in the educational experience of their child(ren) because they are the first educators of their children. Teachers and staff receive ongoing training in the importance of parent involvement, specific strategies to enhance their partnership in teaching their child, and in the regulations which set parameters for involvement. Teachers are encouraged to build relationships with the families of their students and receive resources for reaching out to parents. Teachers are also encouraged to make home visits and conferences in order to bring the Charter School further into the community and to show them families that we value their backgrounds. Stakeholders provide input for the LCAP.

Equally important, N.E.W. Academy of Science and Arts provides ongoing parent education classes and workshops which are two pronged. Parents receive workshops on how to enrich their role as educators of their children. For example, some of the activities focus on helping parents understand how to create a home environment that encourages learning; express high expectations for their children; and help their children form a vision for their own future. Other activities teach parents the significance of their involvement in the Charter School, on how to be active members of the school site council and the Charter English Learner Advisory Council (CELAC).

NEW Economics for Women (NEW) our Founding organization, is a Community Development Organization focused on improving the lives of women and their families. Some students from these families attend NASA and their parents are given opportunities to become engaged with our school through parent involvement. NEW has created several initiatives that have allowed parents to participate in our educational program. One example is its partnership with KABOOM, which help to establish a playground at the kindergarten and transitional kindergarten site. With NEW's help, our TK-K students were then able to remain at their site rather than having to travel to another site for recess. NASA has also partnered with NEW in securing a grant that has helped our families /parents who speak indigenous languages. Additionally, these resources have provided help with child care services for parents of students entering Transitional Kinder and Kinder programs. Dialect translation services have helped aid communication of childcare health and safety issues. Instructional videos in Quiche or other dialects have further assisted families who speak indigenous languages.

The Charter School provides translation services and materials in the child's home language to ensure effective communication with parents. N.E.W. Academy of Science and Arts implemented administrative procedures to measure the level of parent satisfaction with Charter School staff, which include surveys administered at the end of the year.

After families have been accepted for enrollment all parents/guardians are encouraged to (a) attend an orientation; and (b) sign a parent compact indicating that they understand the N.E.W. Academy of Science and Arts philosophy, program and outcomes, and accept the responsibilities as set forth in the parent compact. A parent's decision not to attend the orientation or sign the parent compact in no way impacts the student's enrollment or admission. Title I required Compacts for parents/guardians/teacher of all students require their involvement in and support of their child(ren)'s educational experiences. The parent/guardian/teacher commitment continued to address the following:

- Work with the child at home with homework, projects, etc.
- Maintain positive and effective communication with the teacher and staff.
- Ensure that their child attends school on a regular basis and arrives on time.
- Enforce the school code of conduct with their child.
- Enroll their child in academic enrichment programs (After School Institutes, Saturday classes, etc.) if the school deems it necessary.
- Attend at least two parent workshops during the school year.
- Volunteer at the school or from home.

School Site Council (SSC)

Parents/guardians contribute to the life and energy of NASA in many ways including their involvement in the School Site Council (SSC). Every parent can belong to and participate in the SSC. Every parent has a vote and a voice in the SSC.

The ELAC is a committee for parents or other community members who want to advocate for English Learners at the Charter School. The purpose is to advise the Principal, Charter School staff and the School Site Council (SSC) on programs and services for English Learners (ELs). All schools with 21 or more EL students, must have an ELAC.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015—16	District 2015—16	State 2015—16
Dropout Rate	--	13.70%	9.70%
Graduation Rate	--	77.30%	83.80%

Indicator	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
Dropout Rate	--	--	10.80%	11.30%	9.10%	9.60%
Graduation Rate	--	--	79.70%	96.00%	82.70%	83.00%

For the formula to calculate the 2016–17 and 2017–18 adjusted cohort graduation rate, see the 2018–19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

Last updated: 1/28/2020

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

Rate	School 2016—17	School 2017—18	School 2018—19	District 2016—17	District 2017—18	District 2018—19	State 2016—17	State 2017—18	State 2018—19
Suspensions	0.00%	0.00%	0.00%	0.80%	0.80%	0.70%	3.60%	3.50%	3.50%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.00%	0.00%	0.10%	0.10%	0.10%

Last updated: 1/28/2020

School Safety Plan (School Year 2019—20)

Safety is one of the primary concerns of N.E.W. Academy of Science and Arts (NASA). We have a comprehensive Emergency plan that includes all state and federal requirements. The objectives of the plan are to:

1. Protect the safety and welfare of students, employees and staff
2. Provide a safe and coordinated response to emergencies
3. Protect the School's facilities and property
4. Enable the school to restore normal conditions with minimal confusion in the shortest time possible.

Emergency drills are regularly held for earthquake and fire preparedness as well as for Lock-down drills.

Furthermore, procedures and Policies NASA follows to Insure Health and Safety of Pupils and Staff include:

- Each employee furnishes the school with a criminal record summary as described in §44237. Ed. Code §47605 9b)
- Each employee furnishes the school with Tuberculosis clearance.
- All enrolling students provide records documenting immunization against appropriate diseases.
- Policies for safe ingress and egress from school.
- Safety policies and regulations related to provision of food services.
- Staff are trained in CPR. They also receive Blood Borne Pathogen and Epi Pen training. These policies are reviewed on an ongoing basis in the school's staff development efforts and governing Board policies.

The plan is reviewed every year at the beginning of the year. Our Safety committee reviews the plan on an ongoing basis.

Types of Services Funded (Fiscal Year 2018—19)

N.E.W . Academy of Science and Arts (NASA) has an English Language Development Coordinator who serves the needs of all English Learners at the school. NSAP has a Language Academy with a dual language program in English & Spanish which is also supported by the Center for Equity and English Learners, Loyola Marymount University. We provide before and after school programs in partnership with New Economics for Women. Students receive nutritious snacks, help with their homework and are given an opportunity to participate in a wide array of enrichment activities. In collaboration with students, staff develop these activities to reflect the school and student needs. Programming includes science, technology, engineering and math (STEM), the arts, literacy, sports, nutrition and social-emotional learning. We also provide after School Education and Safety program (ASES) which provides literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through our fifth grade. The school has a thriving parent center with a community advocate who organizes parent workshops on parenting, strengthening parent participation in the school and leadership training.
