Dear NACP Family,

As NACP's proud principal it is an honor to give our amazing NACP family a warm and enthusiastic Welcome to the 2019-2020 school year! I hope you're enjoying Summer Break and are well rested and ready to begin this new adventure. We look forward to seeing all of you in the next couple of days!

I'd like to start off by sharing with you just how busy it has been at NACP this summer. Preparing a new school year is quite the adventure, we've had days that have gone by ever so slowly and others that have zoomed right by! Getting everything ready is definitely a team effort. Our office staff has worked diligently setting up students and families, placing orders, and keeping our parents informed. They had some fun decorating the office, workroom and their personal desk areas. Our maintenance crew has worked non-stop on beautifying our school. Every single classroom looks brand new- floors waxed, windows washed and every corner dusted. The much needed fresh coat of paint in every classroom makes a noticeable difference! And the team at Beehively has been working on updating our website; it will launch a few days before our first day of school. We can't wait for the big reveal.

We hired an amazing group of talented, passionate, knowledgeable individuals who will add to the richness and talent already at NACP. We look forward to introducing them to the rest of the NACP family! Many thanks to all the teachers who volunteered their time to help with the interviewing process- your input was extremely valuable.

I can keep going and going about all the wonderful happenings at NACP and everything that is in store for the year, but there will be time for that later. ☺ Now to the logistics for the upcoming PDs:

- Kick Off Event (ALL Staff) will take place Monday, August 12, 2019 9:00am to 5:00pm
 - Castaway Restaurant 1250 E. Harvard Rd. Burbank, CA 91501
- Professional Development Days
