## Educate A Child

**Change a child's life forever with the gift of a Saint Hilary School education.**

Our goal is to provide financial assistance to families who can't afford a Saint Hilary education.

*Saint Hilary Kindergarteners enjoy their traditional trip to the local pumpkin patch.*

## WHY GIVE?

### Legacy

Your gift of a Saint Hilary education to a child will provide an enduring legacy of a strong religious and academic foundation allowing him/her to develop their unique personal and intellectual gifts.

## How It Works

Your contribution to the Saint Hilary "Educate a Child" Fund will be applied to tuition for families who have completed a thorough financial review process via the TADS (Tuition Aid Data Services) application to determine need. The families can also apply for tuition assistance from all other sources available to them, including the Archdiocesan Family Grants and the Basic Fund. All families are required to contribute some portion of the tuition expenses.

Your support to cover the cost of educating these deserving children will have a lasting impact on their lives by giving them hope for the future and a chance to fulfill their dreams.

### Diversity

A diverse socio-economic student body broadens world-views, challenges insular thinking, inspires new ideas, and humanizes us all.

### Tax Exemption

All contributions are tax deductible to the fullest extent provided by law.

## Why We Need Your Help

When our Sisters of the Holy Faith taught at the school, they worked tirelessly for little or no compensation. Now, we have equally committed faculty who require competitive salaries. The effect of increased expenses has become more acute today. As middle class salaries continue to trend flat and the cost of living increases, more and more families find it increasingly difficult to afford a Catholic education without some form of assistance.

Other circumstances include families who need temporary help when they experience a sudden job loss or a family medical emergency.
