SECTION 1 – WELCOME

Welcome to Lake View Charter School!

We are happy to have you join us at Lake View Charter School (LVCS or School). We believe our school is truly unique. We serve a diverse group of talented and hardworking students. We regard the work we do as being of utmost importance. Therefore, we have very high expectations for professionalism and performance for each one of our employees. All employees should treat all individuals, including students, teachers, administrators, volunteers, and family members, with respect, and approach all situations as opportunities to learn.

This handbook has been written to provide you with an overview of LVCS, its personnel policies and procedures, and your benefits as a LVCS employee.

This handbook is intended to explain in general terms those policies that most often apply to your day-to-day work activities. This handbook cannot anticipate every situation or answer every question about employment, and it is not an employment contract. Employees are expected to read this handbook thoroughly upon receipt, to know and abide by the policies outlined herein, and as revised over time, throughout their employment. No LVCS guideline, practice, manual or rule may alter the “at-will” status of your relationship with LVCS.

In order to retain necessary flexibility in the administration of its policies, procedures and benefits, LVCS reserves the right to change, deviate from, eliminate, or revise the handbook, except for the at-will provisions, at any time, without notice, whenever LVCS determines that such action is warranted. For these reasons, we urge you to check with your supervisor to obtain current information regarding the status of any particular policy, procedure or practice. This handbook supersedes and replaces all previous personnel policies, practices and procedures.

We welcome you and wish you great success and fulfillment at LVCS.
SECTION 2 – GENERAL

This handbook has been written to serve as a guide for the employer/employee relationship. This handbook applies to faculty and staff at LVCS.

This handbook contains only general information and guidelines. It is not intended to be comprehensive or to address all the possible applications of, or exceptions to, the general policies and procedures described. For that reason, if you have any questions concerning eligibility for a particular benefit, or the applicability of a policy or practice to you, you should address your specific questions to your supervisor or Human Resources. You are responsible for reading, understanding, and complying with the provisions of this handbook. Our objective is to provide you with a work environment that is constructive to both personal and professional growth.

Neither this handbook nor any other LVCS document confers any contractual right, either express or implied, to remain in LVCS’ employ, nor does it guarantee any fixed term or condition of your employment. Except as otherwise provided in an executed employment agreement, your employment is not for any specified period of time and may be terminated at will, with or without cause and without prior notice, by LVCS or you may resign for any reason at any time.

No supervisor or other representative of LVCS except the Principal, with the approval of the Board of Directors, has the authority to enter into any agreement for employment for any specified period of time, or to make any agreement contrary to the above. Further, the procedures, practices, policies and benefits described herein may be modified or discontinued from time to time with or without advance notice. We will try to inform you of any changes as they occur.

SECTION 4 – EMPLOYMENT

EMPLOYMENT APPLICATIONS
We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

EQUAL EMPLOYMENT OPPORTUNITY
LVCS is an equal opportunity employer. In accordance with applicable law, LVCS prohibits discrimination against any employee or applicant for employment on the basis of an individual’s protected status, including race/ethnicity (which includes, but is not limited to, traits historically associated with race, including, but not limited to, hair texture and protective hairstyles), color, religious creed (which includes, without limitation to religious dress and grooming practices), gender, gender identity, gender expression, color, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, age, sexual orientation, marital status, parental status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity/expression, military service, veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), genetic information, protected medical leaves, domestic violence victim status, political affiliation, or any other consideration protected by applicable law. Also in accordance with applicable law, LVCS prohibits discrimination against any qualified disabled employee or applicant, against a disabled veteran, or against a veteran of the Vietnam era with a physical or mental disability. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics. LVCS will ensure that applicants and employees are treated in all aspects of employment without unlawful discrimination because of these or any other protected basis. Such aspects of employment include, but are not limited to, recruitment, hiring, promotion, demotion, transfer, layoff, termination, compensation, and training. Additionally, in accordance with applicable law, LVCS prohibits all forms of unlawful harassment of a sexual or other discriminatory nature. Any conduct contrary to this policy is prohibited. This policy applies to all applicants and employees of LVCS.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, LVCS will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to LVCS. An applicant or employee who believes he or she requires an accommodation in order to perform the essential functions of the job should contact Human Resources and request such an accommodation, specifying what accommodation
he or she needs to perform the job. LVCS will analyze the situation, engage in an interactive process with the individual, and respond to the individual’s request.

If you believe you have been subjected to discrimination, please follow the complaint procedure outlined below.

HARASSMENT

It is the policy of LVCS to ensure equal employment opportunity without discrimination or harassment on the basis of race (which includes, but is not limited to, traits historically associated with race, including, but not limited to, hair texture and protective hairstyles), religious creed (which includes, without limitation, to religious dress and grooming practices), color, national origin (which includes, but is not limited to, national origin groups and aspects of national origin, such as height, weight, accent, or language proficiency), ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex (which includes pregnancy, childbirth, breastfeeding, and related medical conditions), gender, gender identity, gender expression, age, sexual orientation, military or veteran status (including state and federal active and reserve members as well as those ordered to duty or training), immigration/citizenship status or related protected activities (which includes undocumented individuals and human trafficking), protected medical leaves, domestic violence victim status, political affiliation, or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations. These categories include a perception that the individual has any of these characteristics or is associated with a person who has (or is perceived to have) any of these characteristics.

LVCS prohibits any such discrimination or harassment. In addition, we prohibit abusive conduct/workplace bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors or other third parties, who have workplace contact with our employees. This policy applies to all applicants and employees (or other listed individuals), whether related to conduct engaged in by fellow employees or someone not directly connected to LVCS (e.g. an outside vendor, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business or field trips, meetings and business or school-related social events.

What is Harassment?

Harassment can take many forms. As used in this Employee Handbook, the terms “discrimination” and “harassment” includes all unwelcome conduct that comprises the following behavior pertaining to any of the above protected categories or characteristics:

- Offensive remarks, comments, jokes or slurs pertaining to an individual’s race, religion, sex, sexual orientation, gender or gender identity or gender expression, age, national
origin or ancestry, disability, citizenship, veteran status, or any other protected status as defined by law or regulation whether verbally or by electronic means including email, and/or text messages

• Offensive sexual remarks, sexual advances, flirtations, or requests for sexual favors regardless of the gender of the individuals involved and whether verbally or by electronic means

• Offensive physical conduct, including, but not limited to, touching, blocking normal movement or interfering with another’s work regardless of the gender of the individuals involved, including, but not limited to threats of harm, violence or assault

• Offensive pictures, drawings or photographs or other communications, including email, text messages, or other forms of electronic communication

• Holding work functions in inappropriate venues, such as a strip-club

• Sex or gender based practical jokes, sexual favoritism

• Threatening reprisals due to an employee’s refusal to respond to requests for sexual favors or for reporting a violation of this policy

• Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, regardless of gender, when:
  o Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment;
  o Submission to, or rejection of, such conduct by an individual is used as a basis for employment decisions affecting such individual;
  o Such conduct has the purpose or effect of substantially interfering with the individual’s work performance or creating an intimidating, hostile or offensive working environment.

What is abusive conduct/workplace bullying?

• Conduct of an employee in the workplace that a reasonable person would find hostile, threatening, intimidating, humiliating and unrelated to an employer’s legitimate business interests.
  o Use of derogatory remarks, insults and/or epithets.
  o Verbal or physical conduct that sabotages or undermines a person’s work performance that is threatening, humiliating or intimidating.

• Bullying, gossip, profanity, abusive conduct and negative comments are destructive to our School culture, create false rumors, disrupt school operations and interfere with the privacy of others.

What is Retaliation?

Retaliation against an individual for reporting harassment, discrimination, abusive conduct or for participating in an investigation of a claim of such is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

As used in this policy, “retaliation” means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected
activity may include, but is not necessarily limited to, opposing a practice or conduct the employee reasonably believes to be unlawful, reporting or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an “adverse employment action” means conduct or an action that materially affects the terms and conditions of the employee’s employment status or is reasonably likely to deter the employee from engaging in further protected activity. An adverse employment action may include, but is not limited to, the following: demotion, suspension, reduction in pay, denial of merit salary increase, failure to hire, refusing to promote, denying employment opportunities, changing work assignments or otherwise treating an employee differently.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes he/she has been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

Responsibility

All LVCS employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation and abusive conduct in accordance with this policy.

Reporting

LVCS encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct or retaliation, regardless of the offender’s identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, Principal or Human Resources. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint. In addition, LVCS encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. LVCS recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although confidentiality cannot be guaranteed. LVCS is serious about enforcing its policy against harassment; however, LVCS cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to LVCS’ attention so it can take whatever steps are necessary to correct the problems.

Supervisors must report any and all conduct of which they are made aware, which violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to Human Resources, the Principal or the Chair of the Board of Directors, if appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination.

Investigation/Complaint Procedure

All complaints of harassment, discrimination, retaliation or abusive conduct will be promptly investigated.
LVCS encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

LVCS’ investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter.

All employees are required to fully cooperate with LVCS’ investigation, which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including termination.

During the investigation, LVCS will provide regular progress updates, as appropriate, to those directly involved. LVCS will strive to complete its investigation as efficiently as possible in light of the allegations and will reach any conclusions based on the evidence collected and credibility of the witnesses.

LVCS may investigate conduct in the absence of a formal complaint if LVCS has reason to believe that an individual has engaged in conduct that violates LVCS policies or applicable law. Further, LVCS may continue its investigation even if the original complainant withdraws his or her complaint during the course of the investigation.

Any conduct which LVCS believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as LVCS believes appropriate under the circumstances. Due to privacy protections, LVCS may not be able to fully disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action.

**Conclusion**

This policy was developed to ensure that all employees could work in an environment free from harassment, discrimination, abusive conduct and retaliation. LVCS will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has questions or concerns about these policies should talk with Human Resources or the Principal. Finally, these policies should not, and may not, be used as a basis for excluding or separating
individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of LVCS prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and prerequisites of employment. The prohibitions against harassment, discrimination, abusive conduct, and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

If you believe you have experienced discrimination, harassment, or abusive conduct you may file a Department of Fair Employment and Housing ("DFEH") or Equal Employment Opportunity Commission complaint. For information contact the DFEH or EEOC. You may find their phone numbers in the phone directory.

Training Requirements

LVCS requires all employees to abide by California’s training requirements, which includes training within six months of hire and retraining every two years thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

AT WILL EMPLOYMENT

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both you and LVCS will have the right to terminate your employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, LVCS may eliminate or change any term or condition of your employment (including but not limited to your job assignment, duties, or salary) at will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called “employment at will,” and no one other than the Principal of LVCS with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Principal. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict LVCS’ right to terminate at-will.

OPEN COMMUNICATION POLICY

We want to hear from you. LVCS strongly encourages employee participation in decisions affecting their employment and their daily professional responsibilities. Our greatest strength lies in our employees and our ability to work together. We encourage open communication about all aspects of our school and organization. Employees are encouraged to openly discuss with their supervisors any problems or suggestions they believe would make our organization better and stronger. LVCS is interested in all our employee’s success and fulfillment. We welcome all constructive suggestions and ideas.
Employees who have work-related concerns or complaints are encouraged to discuss them with their supervisor or the Principal. Employees are encouraged to raise their work-related concerns as soon as possible after the events that cause concern. LVCS will attempt to keep the employee’s concerns and complaints and any resulting investigation confidential to the extent feasible. However, in the course of an investigation and/or in resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this Handbook.

LACTATION ACCOMMODATION POLICY

LVCS provides a reasonable amount of break time to accommodate a female employee’s need to express breast milk for the employee’s infant child. The School will also make a reasonable effort to provide the employee with the use of a room or other location in close proximity to the employee’s work area for the employee to express milk in private.

The School reserves the right to deny an employee’s request for a lactation break if the additional break time will seriously disrupt operations.

Employees requesting an accommodation under this policy should comply with the following requirements:

1. The employee should complete an accommodation request form and contact the employee’s supervisor or Human Resources to request designation of a location and time to express breast milk under this policy.
2. The requested break time should, if possible, be taken concurrently with other scheduled break periods. Nonexempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid.

Retaliation for making a lactation accommodation request is strictly forbidden. If the employee believes she has been retaliated against it should be reported immediately to her supervisor, Human Resources or Principal. Discrimination against and harassment of lactating employees in any form is unacceptable, a form of prohibited sex/gender discrimination, will not be tolerated at LVCS and will be handled in accordance with LVCS’ policy on discrimination and harassment.

PUBLIC RELATIONS

The success of a school depends upon the quality of the relationship among the school, its employees, students, parents and the general public. The public impression of LVCS and its interest in our school will be formed in part, by LVCS employees. Our employees are ambassadors. The more goodwill an employee promotes, the more employees, students, parents and the general public will respect and appreciate the employee, LVCS and our School’s services.

Below are several things employees can do to help leave people with a good impression of LVCS.

These are the building blocks for our continued success:

• Communicate with parents regularly.
• Act competently and deal with others in a courteous and respectful manner.
• Communicate pleasantly and respectfully with other employees at all times.
• Follow up on requests and questions promptly, provide business-like and personable replies to inquiries and requests, and perform all duties in an orderly manner.
• Respond to email and voicemail within 24 hours during the workweek.
• Take great pride in your work and enjoy doing your very best.

WHISTLEBLOWER POLICY

LVCS is committed to maintaining a workplace where employees are free to raise good faith concerns regarding certain business practices, specifically: (1) reporting suspected violations of law, including but not limited to federal laws and regulations; (2) providing truthful information in connection with an inquiry or investigation by a court, agency, law enforcement, or other governmental body; and (3) identifying potential violations of LVCS policy, specifically the policies contained in LVCS’ Employee Handbook.

An employee who wishes to report a suspected violation of law or LVCS Policy may do so by contacting the Principal, Assistant Principal or Human Resources.

LVCS expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against employees who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of LVCS policy. Any employee who engages in retaliation will be subject to discipline, up to and including termination.

Any employee who believes that he or she has been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately report the retaliation to one of the following: the Principal, Assistant Principal or Human Resources. Any supervisor, manager, or human resources staff member that receives complaints of retaliation must immediately inform the Principal or Chair of the Board of Directors, if appropriate.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality as much as possible (although confidentiality cannot be guaranteed) and consistent with a full and fair investigation. Human Resources and a member of LVCS’ administration will conduct the investigation or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings as appropriate.
SECTION 5 – THE EMPLOYMENT PROCESS

EMPLOYEE STATUS AND CLASSIFICATIONS

Each LVCS employee is either a “full-time,” “part-time,” or “temporary” employee and either an “exempt” or “non-exempt” employee. Some of the policies and benefits described in this handbook depend on whether the employee is full-time or part-time. Full-time employees are those employees regularly scheduled to work 30 or more hours or more each week. Part-time employees are those regularly scheduled to work less than 30 hours each week. Temporary employees are those employed for short-term assignments or in connection with a specific project or event. Temporary employees are not eligible for employee benefits, except those mandated by applicable law.

Every member of the team is designated as a “Certificated employee” or “Classified employee.” Some of the policies and benefits described in this handbook depend on how the employee is designated.

Exempt

This category includes all regular employees who are determined by the School to be exempt from certain wage and hour provisions of state and federal laws. Exempt employees are paid a fixed salary that is intended to cover all of the compensation to which they are entitled. Exempt employees will be expected to work the number of hours necessary to complete their assigned responsibilities. Because they are exempt, such employees are not entitled to additional compensation for extra hours of work. Typically, full-time Teachers and Administrators are exempt employees.

Non-Exempt

This category includes all regular employees who are covered by certain wage and hour provisions of state and federal laws. Non-exempt employees are entitled to overtime and doubletime pay as well as meal and rest breaks, as prescribed by law. Typically, all part-time and temporary employees are non-exempt. Additionally, most Classified staff are typically non-exempt employees.

Certificated Employee

Certificated Employees are teachers and administrators. Teachers are B-Basis (11 Months) or C-Basis (10 Months) employees. Administrators are A-Basis (12 Months).

Classified Employee

Classified Employees include those employees hired by LVCS that do not primarily instruct students, nor require state certification, such maintenance, assistants and other operational employees. Full-time Classified employees are A-Basis (12 Months), B-Basis (11 Months), D-Basis (11 months) or C-Basis (10 Months) employees.
WORK SCHEDULES

All employees will be assigned a work schedule suitable for their job assignment and will be expected to begin and end work according to the schedule. Please note that schedules may vary depending on a variety of factors including whether you work during the academic year or on an annual basis. The Principal or your supervisor will assign your individual work schedule. In order to accommodate the needs of our business, it may be necessary to change individual work schedules on either a short-term or long-term basis. All employees are expected to be at their desks or workstations at the start of their scheduled shift, ready to work. If you need to modify your schedule, request the change with Human Resources or your supervisor. All schedule changes or modifications must be approved by the Principal.

LVCS reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment.

Non-exempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. Non-exempt employees are not allowed to work “off the clock.” Attendance at School-sponsored functions is not compensated unless the supervisor has required you to attend. Employees violating these rules may be subject to disciplinary action up to and including termination.

WORKWEEK AND WORKDAY

LVCS’ workweek is from Sunday at 12:00 A.M. through the following Saturday at 11:59 P.M. LVCS’ standard workday is 12:00 A.M. to 11:59 P.M. (midnight) each day.

SPECIAL VIRTUAL CLASSROOM EMPLOYMENT CONDITIONS

Position Responsibilities:

1. Teachers may be assigned a “Virtual Class” or “Virtual Classes”

2. Teachers are provided, at LVCS’ expense, a computer capable of maintaining a high speed internet connection for their entire virtual class.

3. Teachers must be available each school day from 8:00 a.m. – 5:00 p.m. by internet and/or phone.

4. Teachers may be required to conduct a virtual classroom session up to two (2) hours per day for grades TK – 8 and up to three (3) hours per day for grades 9 – 12.

5. Teachers must have access to a phone for calling/responding to students/parents during the teacher’s scheduled time within two (2) hours by phone or four (4) hours by internet.
6. Teachers will use the tracking and monitoring system integrated into the student’s assigned course. Teachers will provide continual monitoring of the student’s progress and their scheduled benchmarked progress status.

7. Teachers will be responsible for all virtual school required record keeping and reporting.

**Training:**
Teachers are required to attend training sessions hosted virtually or in-person. Mileage reimbursement will follow standard LVCS protocols and procedures.

**Worksites:**
Most classes will be held virtually. Teachers may work from home.

**ATTENDANCE AND PUNCTUALITY**

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality is considered an essential function of all positions. If you are unable to report for work on any particular day, you must call your supervisor at least one hour before the time you are scheduled to begin working for that day. If you call in less than one hour before your scheduled time to begin work, you will be considered tardy for that day. Absent extenuating circumstances or a medical provider’s order excusing you from work for a period of time, you must call in on any day you are scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify your supervisor personally at the earliest possible moment. In some circumstances, you may be required to provide verification of the reason or documentation for your absence.

More than three instances of tardiness by a non-exempt employee or instructional employee during any twelve-month period are considered excessive. Any unexcused absence is considered excessive.

If you fail to report for work without any notification to your supervisor and the absence continues for a period of three business days, the School will determine that you have abandoned your job and voluntarily terminated your employment.

**PROFESSIONAL DEVELOPMENT**

Employees are expected to attend and participate in all professional development sessions and other school sponsored trainings that may be scheduled. While we understand that scheduling conflicts may arise, consistent tardiness, absenteeism and early departures may result in disciplinary action.

When an employee attends a School sponsored professional development and/or training, the time spent in attendance shall be counted as time worked. All employees are required to sign-in and out for the purpose of record keeping. These records will serve as the official roster of attendance.
LVCS will pay hourly employees for attendance at mandatory trainings, lectures and meetings outside of regular working hours at the employee’s hourly rate. As exempt employees, salaried staff may be required to attend training seminars that may be outside of LVCS’ normal business hours with no additional pay.

In the event that an employee must leave early or is unable to attend a scheduled training (i.e. Professional Development sessions), during their normal work hours, an employee MUST put in a time-off request according to the time-off policy. Employees may also be required to attend make-up sessions of any missed training.

Failure to comply with this policy may result in disciplinary action.

TIME RECORDS (NON-EXEMPT EMPLOYEES)

Non-exempt employees must accurately complete time records within the School’s time keeping system on a daily basis. Each time record must show the exact time work began and ended, the meal periods taken, and your signature. Absences and overtime must be accurately identified on your time record. Non-exempt employees are not allowed to work “off the clock.” All time actually worked must be recorded. You cannot record time and/or submit a time record for another employee. Each employee must sign and submit his or her own time record. Employees must record all time actually worked.

Exempt employees must report full days of absence from work. Deductions from an exempt employee’s salary will be made only in accordance with applicable law. Employees should immediately contact Human Resources with any questions concerning their pay so that inadvertent errors can be corrected.

OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime or doubletime. Failure to obtain such approval may subject an employee to discipline, up to and including termination. However, in all cases, the School will compensate its non-exempt employees for all hours worked.

OFF THE CLOCK WORK

LVCS prohibits all non-exempt employees from working off the clock at any time. All time worked must be recorded on the employee’s timesheet. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours.

MEAL AND REST PERIODS (NON-EXEMPT EMPLOYEES)

All non-exempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During your meal periods and rest periods, you may not work at all. You are excused from all duties. In addition, please understand that you may not combine required meal or rest periods in order to take a longer break. Also, you may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that you believe you cannot take a meal or rest period, or you are unable to take a full meal or rest period pursuant to
School policy or you must begin your meal period more than five hours after your work period began, you must notify Human Resources in advance whenever possible (and, in any event, as soon as possible) so that the proper measures may be taken.

Failure to comply with the School’s policy regarding meal and/or rest periods can lead to discipline, up to and including termination.

**Meal Periods**

Non-exempt employees (hourly employees) scheduled to work more than five hours in a day are given a 30-minute duty-free unpaid meal period. The meal period must be taken before the end of the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin his or her meal period no later than 12:00 p.m. (noon). The employee may waive this meal period if his/her workday will be completed within a total of six hours or less. To waive a meal period, the employee must receive prior written approval from their supervisor and complete a “Meal Period Waiver” form.

If an employee’s day exceeds ten hours of work time, the employee is entitled to an additional 30-minute duty-free meal break. The employee only may waive this second meal period if he/she has taken the required first meal break of at least 30 minutes and his/her workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from their supervisor and complete a “Second Meal Period Waiver” form.

Non-exempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed, late or short meal periods on that days’ time record and to the employee’s supervisor immediately. The meal period must be accurately recorded on the employee’s time sheet. Meal periods are unpaid time and employees are free to leave the premises. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

**Rest Periods**

Non-exempt employees are authorized and permitted to take a 10-minute rest period for each four (4) hours of work or major portion thereof. Your supervisor may schedule your rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time; they cannot be waived by the employee in order to shorten the workday or used towards additional time off.

Non-exempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period immediately as set forth below. Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.
Reporting Missed, Late or Short/Interrupted Meal and Rest Periods

Any employee who misses a meal or rest period or who experiences a late, short, or interrupted meal period – for any reason – must immediately report this issue in writing (via email) to Human Resources on the same workday that he or she experienced the non-compliant meal or rest period. The employee must include a description providing a thorough explanation for the non-compliant meal or rest period.

If an employee voluntarily chooses to miss a meal or rest period or take a late, short, or interrupted meal period (e.g., I chose to take my lunch later in the day or I chose to refuse an “authorized” meal period at the time provided by LVCS), the employee is not entitled to premium pay (one additional hour of pay). If an employee involuntarily experiences a missed meal or rest period or a late, short, or interrupted meal period (e.g., my supervisor asked me to handle a client call or meeting that caused me to miss or take a late meal period), the employee is entitled to premium pay. Employees must report the reason for the non-compliant meal or rest period to Human Resources.

PAYDAYS

Employees are paid semi-monthly in accordance with the School’s payroll schedule. The Payroll Coordinator or his or her designee will distribute checks to those who do not have direct deposit. If a normally scheduled pay day falls on a weekend or holiday, paychecks will be distributed the preceding business day.

A written, signed authorization is required for mail delivery or for delivery of your paycheck to any other person. If you have automatic deposit for your paycheck, your funds will be deposited to the financial institution you requested by the end of business on the scheduled payday. While an automatic deposit may actually credit to your account before your actual “payday,” the School is not responsible for automatic payments or withdraws dated prior to your actual payday and you should not depend on early deposits of your pay.

If a wage garnishment order is received by LVCS for one of our employees, we are obligated by law to comply with the demand. The effected employee will receive notice from his or her supervisor or Human Resources as soon as possible.

PAYROLL WITHHOLDINGS

LVCS is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability Insurance from each employee’s paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, LVCS must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.
If an employee believes an error has been made in his or her pay or deductions LVCS will work in good faith to resolve errors as soon as possible. The employee should notify the Payroll Coordinator or his or her designee of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee’s paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, then he or she should ask Human Resources to explain it. The employee may change the number of withholding allowances he or she wishes to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W4 form and submitting it to Human Resources.
SECTION 6 - CONDITIONS OF EMPLOYMENT

IMMIGRATION LAW COMPLIANCE
LVCS employs only those authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present original documentation establishing identity and employment eligibility as outlined on the I-9 instruction forms. Former employees who are rehired must also complete the form if they have not completed an I-9 with LVCS within the past three years or if their previous I-9 is no longer retained or valid.

CREDENTIAL REQUIREMENTS
If you are a credentialed team member, you must provide copies of your credential, official transcripts, and/or test scores prior to your first day of actual work. Failure to provide these documents may delay your ability to begin work.

You are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both your Principal and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided.

If a teacher fails to obtain the appropriate credential, or allows a credential, certificate, registration, or required course deadline to expire, or fails re-certification, training, or testing, the School reserves the right to suspend the teacher without pay until the teacher’s credential is cleared, or release the teacher from at-will employment as necessary.

TUBERCULOSIS TEST
Before the first day of employment, all new employees must have had a tuberculosis test as described in Education Code 49406 or a TB Risk Assessment (pursuant to AB1667) within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination or a completed Risk Assessment within the previous 60 days or a certification showing that he or she was examined within the past four (4) years and was found to be free of communicable tuberculosis. The current physician’s statement or Risk Assessment must be on file in the office before the first day of employment. Failure to provide documentation on time may result in delay of your ability to begin work or termination.

TB Clearance is good for four years and it is the employee’s responsibility to remain in compliance and ensure the School has a valid certificate on file.

CRIMINAL BACKGROUND CHECK
As required by law, all individuals working or volunteering at the School will be required to submit to fingerprinting and a criminal background investigation.
The School shall, on a case-by-case basis, determine whether a volunteer will have more than limited contact with pupils or consider other factors requiring a criminal background check for such a volunteer.

CHILD ABUSE AND NEGLECT REPORTING ACT

Since our employees work directly with children, they are in a position to detect instances of child abuse and neglect. It is LVCS’ policy that all School employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

“All child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.”

While each employee has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. Teachers or staff who become aware of suspected child abuse should report the suspicions as required.

It is extremely important that LVCS’ employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity.

Your direct supervisor is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without LVCS’ assistance, he or she is required to notify LVCS of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with LVCS.

PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to Human Resources. All requests should be put in writing preferably on the form maintained by LVCS. If the request includes a request for copies the employee or former employee may be required to pay for the actual costs of copying. Employer will respond to such a request within 30 days of receipt of the written request.

Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports, or records obtained prior to
employment, prepared by examination committee members or obtained in connection with a promotional examination.

CHANGES IN EMPLOYEE INFORMATION

An employee is responsible for notifying Human Resources about changes in the employee’s personal information and changes affecting the employee’s status (ex. name changes, address or telephone number changes, marriages or divorces, etc.). This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.
SECTION 7 – PERFORMANCE

PERFORMANCE EVALUATIONS

Performance evaluations generally are conducted annually to provide both employees and supervisors with the opportunity to discuss the employee’s position, tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss methods for improving performance. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee an increase in salary or promotional opportunities, or even continued employment. Salary increases and promotions are solely within the discretion of LVCS and depend upon many factors in addition to performance.

Teachers:

At the start of each academic year, each Teacher will meet with their Regional Coordinator to establish Performance Objectives or SMART Goals for that school year. The Teacher will put these objectives in writing in accordance with a template to be provided by the Regional Coordinator.

The Regional Coordinator will generally evaluate the Teacher’s performance at least once a year formally and on an ongoing basis informally. The evaluation will be based on factors including the Teacher’s job description, accomplishment of the Performance Objectives, the LVCS’ charter, and standards for teaching performance developed by the Principal, the LVCS Board of Directors, and/or other LVCS staff.

In addition to these more formal performance evaluations, LVCS encourages you and your supervisor to discuss your job performance on an ongoing basis.

LVCS’ provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit LVCS’ right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Employment is at the mutual consent of the employee and LVCS. Accordingly, either the employee or LVCS can terminate the employment relationship at-will, at any time, with or without reason and with or without notice.

Classified Staff:

Formal evaluations are generally held once each year. You will be provided a copy of the evaluation tool and as part of the process you will do a self-evaluation. Your supervisor may schedule your evaluation time in advance so that you are prepared for the process.

In addition to these more formal performance evaluations, LVCS encourages you and your supervisor to discuss your job performance on an ongoing basis.
SECTION 8 – LEAVES

FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and are employed at a worksite where there are 50 or more employees of the School within 75 miles.

Ordinarily, you must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as possible. You should use the School’s request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

1. The birth of an employee’s child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;

2. The care of the employee’s spouse, child, parent, or registered domestic partner with a “serious health condition”;

3. The “serious health condition” of the employee;

4. The care of the employee’s spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or

5. Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee’s spouse, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

A “serious health condition” is one that requires inpatient care in a hospital or other medical care facility or continuing treatment or supervision by a health care provider. You may take a leave under paragraph (2) above only if due to a serious health condition, your spouse, child, parent, or registered domestic partner requires your care or assistance as certified in writing by the family member’s health care provider. If you are seeking a leave under paragraph (3) above, you must

1 Employees may qualify for FMLA/CFRA Leave only if the School has 50 or more employees, the employees work within 75 miles of their respective worksites and meet other eligibility requirements set forth above. Please check with Human Resources to determine whether you are eligible for FMLA/CFRA leave.
provide the School with a medical certification from your health care provider establishing eligibility for the leave, and you must provide the School with a release to return to work from the health care provider before returning to work. You must provide the required medical certification to the School in a timely manner to avoid a delay or denial of leave. You may obtain the appropriate forms from Human Resources.

Family and medical leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12-month period will be defined as a “rolling twelve months” looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as family and medical leave will be counted against your state and federal family and medical leave entitlements to the fullest extent permitted by law.

You will be required to use any available PTO during unpaid family and medical leave. You will also be required to use any available paid sick leave during unpaid family and medical leave that is due to your own or a family member’s serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California’s State Disability Insurance plan or Paid Family Leave program) or workers’ compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or paid sick leave.

Benefit accrual, such as PSL, PTO, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a family and medical leave, group health benefits will be maintained as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

If you do not return to work on the first workday following the expiration of an approved family and medical leave, you will be deemed to have resigned from your employment. Upon returning from such a leave, you will normally be reinstated to your original or an equivalent position and will receive pay and benefits equivalent to those you received prior to the leave, as required by law. In certain circumstances, “key” employees may not be eligible for reinstatement following a family and medical leave. The School will provide written notice to any “key” employee who is not eligible for reinstatement.

If you have any questions concerning, or would like to submit a request for a family and medical leave of absence, please contact Human Resources.
Pursuant to the California New Parent Leave Act (“NPLA”), eligible employees may request a new parent leave of absence pursuant to this policy. Eligible employees are those who have been employed by the School for at least 12 months, have worked at least 1,250 hours during the 12 months immediately prior to the new parent leave of absence, and are employed at a worksite where there between 20 and 49 employees of the School within 75 miles.

If an employee is employed at a worksite where there are 50 or more employees of the School within 75 miles, and is otherwise eligible for leave pursuant to the federal Family and Medical Leave Act (“FMLA”) and the California Family Rights Act (“CFRA”), the employee will be eligible for leave pursuant to FMLA and CFRA in lieu of being eligible for leave pursuant to NPLA. In other words, an employee cannot be eligible for leave under both NPLA and FMLA/CFRA. While the School is subject to compliance with FMLA and CFRA, it is the School’s belief that none of its employees are currently eligible for FMLA/CFRA pursuant to the qualifying conditions set forth in applicable statutes/regulations. If an employee has questions about eligibility under NPLA, FMLA, or CFRA, please contact Human Resources.

An employee may request leave under this policy for the following baby-bonding reasons: the birth of an employee’s child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child. This leave may be taken for up to 12 workweeks during the designated 12-month period, which will be defined as a “rolling twelve months” looking backward over the preceding 12 months to calculate how much leave time has been taken and therefore determine the amount of leave that is available. This leave may be taken in addition to the Pregnancy Disability Leave set forth below, subject to those terms and conditions.

Notwithstanding the previous paragraph, if both of the child’s parents work for the School, the parent-employees dually share the 12-week leave entitlement under NPLA. In other words, each parent-employee is not separately entitled to 12 weeks of leave. Each parent does not get 12 weeks of leave. The School may grant simultaneous leave to both parents.

Ordinarily, you must request a planned new parent leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, you must request the leave as soon as practicable. You should use the School’s request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

When an approved new parent leave ends, the employee will be reinstated to the same position or a comparable position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and

2 Employees may qualify for NPLA Leave only if the School has between 20 and 49 employees, the employees work within 75 miles of their respective worksites and meet other eligibility requirements set forth above. Please check with Human Resources to determine whether you are eligible for NPLA leave.
conditions of employment than if the employee had been continuously employed in this position
during the new parent leave. If the same position is not available, the employee will be offered a
comparable position in terms of such issues as pay, location, job content, and promotional
opportunities, if one exists. An employee has no greater right to reinstatement to a comparable
position or to other benefits or conditions of employment than an employee who has been
continuously employed in another position that is being eliminated.

New parent leave is unpaid. However, you may utilize any available PTO and PSL during your
leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such
as California’s State Disability Insurance plan or Paid Family Leave program), the employee and
the School may mutually agree to supplement such benefit payments with available PTO/PSL.
The use of such benefits does not extend the length of the leave.

Benefit accrual, such as PTO and holiday pay, if any, will be suspended during new parent leave
and will resume upon return to active employment. Group health benefits will be maintained
during the approved new parent leave as if you were continuously employed. However, you must
continue to pay your share of applicable premiums (for yourself and any dependents) during the
leave.

For more information on new parent leave, please contact Human Resources.

**PREGNANCY DISABILITY LEAVE**

The School provides pregnancy disability leaves of absence without pay to eligible employees who
are temporarily unable to work due to a disability related to pregnancy, childbirth, or related
medical conditions. Employees should make requests for pregnancy disability leave to their
supervisor at least 30 days in advance of foreseeable events and as soon as possible for
unforeseeable events. A health care provider’s statement must be submitted, verifying the need
for such leave and its beginning and expected ending dates. Any changes in this information
should be promptly reported to Human Resources. Employees returning from pregnancy disability
leave must submit a health care provider’s verification of their fitness to return to work.

The School will make a good faith effort to provide reasonable accommodations and/or transfer
requests when such a request is medically advisable based on the certification of a health care
provider. When an employee’s health care provider finds it is medically advisable for an employee
to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based
on planned medical treatment because of pregnancy, the School may require the employee to
transfer temporarily to an available alternative position. This alternative position will have
equivalent rate of pay and benefits and must better accommodate recurring periods of leave than
the employee’s regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum
of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use
any unused allotted sick time during any unpaid portion of pregnancy disability leave. Employees
may also elect to use any available PTO during any unpaid portion of pregnancy disability leave.
If an employee is receiving benefit payments pursuant to a disability insurance plan (such as
California’s State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available PTO and/or sick leave.

Benefit accrual, such as PTO, sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if you were continuously employed. However, you must continue to pay your share of applicable premiums (for yourself and any dependents) during the leave.

So that an employee’s return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the School with at least one week’s advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceased to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If you have any questions regarding pregnancy disability leave, please contact Human Resources.

ADDITIONAL LEAVES

Some of the following leaves are designated with asterisks, which means that application and employee eligibility requirements of the leave (either in part or in whole) depends on whether the School employs the minimum number of employees indicated below. Policies without an asterisk apply regardless of the number of School employees.

*The School has 15 or more employees

**The School has 16 or more employees

***The School has 25 or more employees

Should you have any questions as to eligibility requirements of any leave policy, please contact Human Resources.

MILITARY SPOUSE LEAVE***

An eligible employee-spouse of a qualified service member is entitled to take ten (10) days unpaid leave during a period when the spouse is on leave from deployment during a period of military conflict.
An eligible employee must work an average of 20 hours per week; must provide notice of his or her intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave; and submit written documentation certifying that the service member will be on leave during the time the leave is required.

The employee may use available PSL or PTO for this leave.

**WORKERS’ COMPENSATION LEAVE**

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers’ compensation leave. The duration leave will depend upon the rate of recovery and the medical provider’s recommendation. Workers’ compensation leave will run concurrently with any other applicable medical leave of absence (i.e. FMLA/CFRA if applicable). Human Resources will reach out to employees that have requested a workers’ compensation leave regarding employer provided health insurance benefits. If you have any questions concerning this leave and/or any benefit related questions, please contact Human Resources.

**BEREAVEMENT LEAVE**

LVCS provides regular full-time employees up to three (3) days of paid bereavement leave, beyond sick or personal time, due to the death of an immediate family member. This includes a parent (including an in-law and step-parent), spouse, domestic partner, dependent, sibling, stepsibling, grandparent or grandchild. If a funeral is more than 500 miles from your home, you may receive paid leave for five (5) days with prior approval from your supervisor.

**JURY DUTY LEAVE**

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their supervisor. Employees must report for work whenever the court schedule permits. Either the School or the employee may request an excuse from jury/witness duty if, in the School’s judgment, the employee’s absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any available PTO during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with the School, the School will provide time off with pay.

**TIME OFF TO VOTE**

The School will allow any non-exempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the employee’s regular shift, whichever
allows the most free time for voting and the least time off from work unless the School and the employee agree otherwise. The employee may be required to prove he or she is a registered voter.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Available PTO may be used for this time off.

SCHOOL ACTIVITIES LEAVE***

The School encourages employees to participate in the school activities of their child(ren). If you are the parent or guardian of a child who is in school up to grade 12, or who attends a licensed daycare facility, you may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility, to find, enroll or reenroll your child in a school or with a licensed childcare provider and/or to address a childcare provider or school emergency.

The leave is subject to all of the following conditions:

- The time off for school activity participation cannot exceed eight (8) hours in any calendar month, or a total of forty (40) hours each year;
- Unless it is an emergency, employees planning to take time off for school visitations must provide as much advance notice as possible to their supervisor;
- If the School employs both parents, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor;
- Employees must use existing PTO in order to receive compensation for this time off;
- Employees who do not have paid time off available will take the time off without pay.
- Documentation of participation may be requested and will be sufficient if it is provided in writing by the school or the licensed childcare/daycare facility.

SCHOOL APPEARANCE/SUSPENSION LEAVE

If the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In compliance with California Labor Code section 230.7, no discriminatory action will be taken against an employee for taking time off for this purpose.

This leave is unpaid but the employee may choose to use available PTO. You will not be discharged or discriminated against because of an absence protected by this law.
CRIME VICTIM LEAVE

Employees are allowed to be absent from work to attend judicial proceedings related to a violent felony, serious felony (as defined by the California Penal Code) or felonies related to theft or embezzlement if they are:

- A victim of such a crime;
- An immediate family member (i.e., spouse, registered domestic partner, child, step-child, sibling, step-sibling, parent, step-parent, or the child or a registered domestic partner) is a victim of such a crime.

An employee must give reasonable advanced notice to the School by providing documentation of the proceeding. Documentation may be from any of the following:

- Notice from the court or government agency setting the hearing;
- The district attorney or prosecuting attorney’s office; or
- The victim/witness assistance office advocating on the victim’s behalf.

This leave is unpaid but the employee may choose to use available PSL or personal time off (PTO). You will not be discharged or discriminated against because of an absence protected by this law.

DOMESTIC VIOLENCE LEAVE/SEXUAL ASSAULT LEAVE***

If you are a victim of domestic violence, you may take unpaid time off to obtain or attempt to obtain judicial relief, such as obtaining restraining orders, to help insure your health, safety or welfare or that of your child(ren). Employees may use available PTO (if applicable) or PSL. Otherwise, the time off is unpaid. All employees can take time off from work to get medical attention or services from a domestic violence shelter, program, or rape crisis center, or receive psychological counseling, or safety planning related to domestic violence, sexual assault, or stalking.

You must give the School reasonable notice unless advance notice is not feasible, and provide certification that you are seeking such assistance.

Certification may be sufficiently provided by any of the following:

- A police report indicating that you were a victim of domestic violence or sexual assault;
- A court order protecting or separating you from the perpetrator of an act of domestic violence or sexual assault, or other evidence from the court or prosecuting attorney that you appeared in court; or
- Documentation from a medical professional, domestic violence advocate, health care provider, or counselor that you are undergoing treatment for physical or mental injuries or abuse resulting in victimization from an act of domestic violence or sexual assault.
Employees have the right to ask the School for help or changes in their workplace to make sure they are safe at work. The School will work with its employees to see what changes can be made. Changes in the workplace may include putting in locks, changing shifts or phone numbers, transferring or reassigning the employee, or help with keeping a record of what happened to the employee. The School may ask the affected employee for a signed statement certifying that this request is for a proper purpose and may also request proof showing the need for an accommodation. The School will maintain confidentiality to the extent possible regarding any requests for accommodations under this policy.

The School will also, to the extent allowed by law, maintain the confidentiality to the extent possible of an employee requesting leave under this provision. The School will not discharge, discriminate, or retaliate against an employee who exercises their rights under this law. Domestic violence, sexual assault, and stalking victim’s leave for medical treatment does not exceed or add to the unpaid leave time that FMLA/CFRA allows.

LVCS is committed to ensuring employees are not treated differently or retaliated against because of any of the following:

- The employee is a victim of domestic violence, sexual assault, or stalking.
- The employee asked for time off to get help.
- The employee asked LVCS for help or changes in the workplace to ensure safety at work.

Employers are prohibited from discharging, discriminating, or retaliating against an employee who is a victim of domestic violence, the victim of sexual assault or stalking for taking time off to seek medical attention, obtain services from a domestic violence shelter or program or rape crisis center, obtain psychological counseling, participate in safety planning, or temporary or permanent relocation.

**MILITARY LEAVE**

California’s military leave laws, found at Military & Veterans Code section 389 et seq. and the Uniformed Services Employment and Reemployment Rights Act (“USERRA”), found at 38 U.S.C. Section 4301 et seq., ensure that employees are not adversely affected in their employment after taking leave for military service. Employees who serve in the military and are entitled to a military leave of absence without pay from the School under applicable laws should notify Human Resources regarding the need for military leave.

Please see Human Resources for more information regarding job reinstatement rights upon completion of military service.

**ADULT LITERACY LEAVE***

Pursuant to California law, the School will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on the School. The School does not provide paid time off for
participation in an adult literacy education. However, you may utilize available PTO if you want compensation for this time off. If you do not have any PTO available, you will be permitted to take the time off without pay.

ORGAN DONOR / BONE MARROW DONOR LEAVE*

If you donate an organ to another person you may take up to thirty (30) days paid leave per year for this process or up to five (5) days paid leave for the donation of bone marrow.

You must give as much notice as is practicable and must provide certification of the medical necessity of the procedure. You will be required to use up to ten (10) days of any available paid leave (sick and/or PTO) for organ donation and up to five (5) days of available paid leave (sick and/or PTO) for bone marrow donation. This leave does not run concurrently with FMLA/CFRA. You must have been employed for at least a 90-day period immediately preceding the beginning of the leave, if otherwise eligible.

You may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to receive paid time off and other benefits as if they had continued working. The employee shall be required to pay any portion of their benefits they are currently paying.

An employee shall not have any greater rights during this leave than if he or she had been actively working during this time, but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

DRUG & ALCOHOL REHABILITATION LEAVE***

LVCS will reasonably accommodate any employee who volunteers to enter an alcohol or drug rehabilitation program, if the reasonable accommodation does not impose an undue hardship on the School. Reasonable accommodation includes time off without pay and adjusting work hours. You may use allotted and unused sick leave. All reasonable measures to safeguard your privacy will be maintained.

This policy in no way restricts LVCS’ right to discipline an employee, up to and including termination of employment, for violation of LVCS’ Substance and Alcohol Policy.

VOLUNTEER CIVIL SERVICE LEAVE

You are allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter, reserve police officer, or emergency rescue personnel. This is an unpaid leave, but the employee may use any earned sick, and/or PTO.

CIVIL AIR PATROL LEAVE**

LVCS provides eligible employees who are volunteer members of the California Wing of the Civil Air Patrol and are called to emergency operational missions up to (10) days of unpaid leave per
calendar year. Leave for a single emergency operational mission will generally be limited to three days unless an extension is granted by appropriate government entities and approved by the School.

To be eligible, employees must have been employed with LVCS for 90 days immediately preceding the commencement of leave. Additionally, the School may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave requested or taken.

Employees may use available paid time off for leave taken under this policy. The notice and eligibility requirements for any such paid time off will generally apply to an employee’s request for use of PTO under this policy.
SECTION 9 – BENEFITS

SCHOOL HOLIDAYS

The School observes 12 paid holidays during the year:

- New Year’s Day
- Martin Luther King Day
- Lincoln’s Birthday
- Washington’s Birthday
- Memorial Day
- Independence Day
- Labor Day
- Veteran’s Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve Day
- Christmas Day

To be eligible for holiday pay, an employee must be full-time and non-exempt and must work both the business day before and after the holiday. Part-time employees, temporary employees, exempt employees and teachers are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays.

Eligible employees will receive time off with pay at their regular rate of pay on the School-observed holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if you receive 8 hours of holiday pay on Monday and work 40 hours Tuesday-Saturday (8 hours/day), you will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to their supervisor. The employee may use paid time off (PTO) if the employee has unused PTO available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- At the Supervisor’s request/approval
- Due to closure of schools because of inclement weather
- Due to sickness with a doctor’s note verifying need for absence
- Prior to or following Jury Duty or Bereavement Leave
PAID TIME OFF (PTO) - A BASIS ONLY

Full-time A-Basis (12 Months) school based employees are entitled to paid time off (PTO) according to this policy. PTO days may be used for vacation, personal time, illness, or time off to care for family or dependents. All other employees, including teachers, temporary employees, part time employees are not eligible to receive or accumulate PTO.

PTO must be scheduled at least five (5) days in advance and approved by your supervisor, except in the case of an illness or emergency. In the case of illness or emergency you are required to contact your immediate supervisor at least one (1) hour before your shift begins, if possible or otherwise as soon as practicable. Employees using extended PTO time (in excess of three (3) days) must submit a request at least two (2) weeks before the extended PTO or, if used as sick time, the employee may be required to submit a doctor’s release upon return to work. Your supervisor uses his/her discretion to approve PTO without advance notice.

Unless used for illness related purposes, PTO may not be taken the last week of the school year, or on scheduled in-service and/or training days, testing administration day, or immediately before or after holidays without supervisor’s permission.

All full-time A-Basis (12 Months) employees may be eligible to receive up to ten (10) days (i.e., 80 hours) of PTO each school year (July 1- June 30). Once an employee’s PTO balance reaches twenty (20) days (i.e., 160 hours), the employee stops receiving any additional PTO until PTO is used and the employee’s balance falls below the 20-day cap. PTO days will not accumulate during any unpaid leave of absence.

The following terms also apply to PTO:

- For both non-exempt and exempt employees, vacation time may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday, he or she will be required to use available PTO to make up for the absence.

- In the event an employee has exhausted his or her PTO, any additional time off must be approved by their supervisor and will be taken without pay.

- Any employee who misses three (3) consecutive days of work without notice to their supervisor may be deemed to have abandoned his/her job and voluntarily resigned from employment.

- Upon separation of employment, employees will be paid their earned PTO based on their date of separation and their regular rate of pay.

- To the extent permitted by law, PTO accumulated prior to the start of a requested and approved unpaid leave of absence must be used to cover hours missed before the start of the unpaid leave.

As with all of its policies and procedures, the School reserves the right to modify, alter, or otherwise eradicate this policy at its sole and absolute discretion to the extent allowed by law.
SICK LEAVE

The School enacted this policy in accordance with the California Healthy Workplaces, Healthy Families Act to provide paid sick leave (“PSL”) to eligible employees.

Eligible Employees

All employees (including teachers, part-time and temporary employees) who work for the School more than 30 days within a year in California are allotted PSL as set forth in this policy.

Permitted Use

Eligible employees may use their allotted PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee or the employee’s family member. For purposes of this policy, “family member” means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. “Child” means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in loco parentis. “Parent” means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee’s spouse or registered domestic partner. “Spouse” means a legal spouse, as defined by California law.

Employees may also use their PSL to take time off from work for reasons related to domestic violence, stalking, or sexual assault.

Allotment

PSL days are allotted as set forth below to eligible employees:

• Full-time A-Basis, B-Basis, C-Basis, and D-Basis school based employees:

  On July 1 of each year, eligible employees will be allotted ten days (80 hours) of PSL per school year (July 1 – June 30), which unused PSL days will carryover year to year subject to a cap of 18 days (144 hours). Employees hired after July 1 but before December 31 will receive ten days (80 hours) of PSL on his or her first day of employment. Employees hired after December 31 will receive five days (40 hours) of PSL on his or her first day of employment.

• All other eligible employees:

  All other eligible employees will be allotted three days (24 hours) of PSL each school year (July 1 – June 30) on July 1 or on his or her first day of employment, even if hired mid-year. PSL days are “use it or lose it” and, as such, do not carry over from year to year.

Limits on Use

Eligible employees may use PSL beginning on the 90th day of employment.

PSL may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday for a reason covered by this policy, he or she will be required to use PSL to make up for the absence.
Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable.

Termination

Employees will not receive pay in lieu of unused PSL. Unused PSL will not be paid out upon termination.

No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

PAID SICK LEAVE DONATION POLICY

Personal Hardship

Employees who have exhausted all paid sick leave (PSL) may request donations from co-workers through this policy. The PSL donation policy applies to employees suffering from a catastrophic illness or other medical emergency, which for the purposes of this policy, constitutes an employee’s or a family member’s medical condition that will require the prolonged/extended absence of the employee from duty and will result in a substantial loss of income to the employee due to the exhaustion of all PSL available.

Eligibility

Employees who are experiencing hardship due to a catastrophic illness or medical emergency are eligible to request and receive donations of PSL from other employees who have agreed to surrender leave to the School sponsored leave bank.

Requests for Donations

A written request for PSL donations that describes the specific medical emergency or medical condition must be submitted to Human Resources. Human Resources will verify the employee’s eligibility, and make a written determination which will be given to the employee as soon as practical.

Donations of Paid Leave

Employees who have more than 24 hours of PSL and who wish to donate PSL to the School sponsored leave bank on behalf of an eligible employee shall complete a PSL Donation Form indicating the number of PSL hours to be donated and the employee, if any, who the employee requests receive the benefit of the donation. All such donations are voluntary and irrevocable.

1. Donating employees must maintain a minimum of 24 hours of PSL after reducing their leave balance to effect the donation.
2. In any 12-month period, no employee may donate more than 40 hours.
3. Voluntary donations of PSL are final upon submission of a signed PSL Donation Form that satisfies the conditions established by this policy. The donating employee’s PSL balance account shall thereupon be reduced by the hours donated.

4. Donated hours not used by the eligible employee during the hardship period shall remain in the eligible employee’s PSL account balance.

5. The names of donating employees, hours donated, and the value of such donations shall be kept confidential to the extent possible.

Valuation of Donated PSL

The value of the donated paid leave shall be determined by multiplying the number of hours donated by the donating employee’s current hourly rate to determine the value of the donation in dollars (“Donation Value”). The Donation Value shall then be divided by the eligible employee’s current hourly rate to determine the number of hours to be added to the eligible employee’s PSL balance. Human Resources shall periodically notify the eligible employee of donations made pursuant to this policy. The eligible employee may then request to receive payment for these hours, which will be treated as taxable “wages” to such eligible employee for the payroll period utilized. No employee shall receive payment for more than 40 hours of paid leave, whether allotted or donated, during any week unless required by state or federal law.

INSURANCE BENEFITS

Full-time employees are entitled to insurance benefits offered by LVCS. These insurance benefits will include medical, dental, and vision. The School will set a defined contribution towards the employee’s insurance premiums that are sponsored by LVCS. This amount will be determined on an annual basis. The employee’s portion of the monthly premiums will be deducted from the employee’s paycheck on a pre-tax basis.

If medical insurance premium rates increase, employees may be required to contribute to the cost of the increase to retain coverage. Unless otherwise mandated by law, employees on a leave of absence may be responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA. If you have any benefit related questions while on a leave of absence, please contact Human Resources.

Full-time employees will also be covered under an insurance policy that includes Life, Short-term Disability and Long-Term Disability at no cost to the full-time employee. Additional voluntary insurance plans will be offered through the School that will be the employee’s responsibility to purchase and pay for.

COBRA BENEFITS

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under LVCS’ health plan when a “qualifying event” would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee’s hours or leave of absence, divorce or legal separation, and a dependent child no longer meeting eligibility requirements.
Under COBRA, the employee or beneficiary pays the full cost of coverage at LVCS group rates plus an administration fee. LVCS or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under LVCS’ health insurance plan. The notice contains important information about the employee’s rights and obligations.

SOCIAL SECURITY/MEDICARE

If you are a full time regular employee contributing to a teacher’s retirement system (PERS/STRS), your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your spouse, or former spouse, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

LVCS withholds income tax from all employees’ earnings and, if elected, participates in FICA (Social Security), for temporary employees and Medicare withholding and matching programs as required by law.

STATE DISABILITY INSURANCE (WAGE SUPPLEMENT)

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are ill or have non-work related injuries, or may be eligible for work related injuries if they are receiving workers’ compensation at a weekly rate less than the SDI rate. Specific rules and regulations relating to SDI eligibility are available from Human Resources.

PAID FAMILY LEAVE (WAGE SUPPLEMENT)

Under California law, eligible employees may participate in the Paid Family Leave (“PFL”) program, which is part of the state’s unemployment compensation disability insurance program. The PFL program provides up to six weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill or injured child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child (birth, foster care, adoption). The PFL program does not provide job protection or reinstatement rights. It is a wage supplement provided concurrently while an employee takes an eligible leave of absence under LVCS policy and applicable law.

LVCS will require you to take up to two weeks of unused PTO prior to your receipt of benefits under the PFL program.

The program will be administered in a manner consistent with California law. For more information regarding this program, you may contact the California Employment Development Department.
WORKER’S COMPENSATION INSURANCE

Eligible employees are entitled to workers’ compensation insurance benefits when suffering from an occupational illness or injury. This benefit is provided at no cost to the employee.

In the event of an occupational injury or illness (as defined under Workers’ Compensation Law) an employee may be covered by workers’ compensation insurance instead of group insurance.

If an employee should become injured or in any way disabled on the job, he or she must report the injury immediately to his or her supervisor. It is a felony to file a fraudulent or false workers’ compensation claim.
SECTION 10 – EMPLOYEE COMMUNICATIONS POLICY

COMMUNICATIONS POLICY

Every employee is responsible for using LVCS’ computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the Internet (“Communications Systems”), properly and in accordance with this policy. Any questions about this policy should be addressed to the employee’s immediate supervisor.

The Communication Systems are the property of LVCS and have been provided for use in conducting LVCS business. All communications and information transmitted by, received from, created, or stored in its LVCS’ Communication Systems are records and property of LVCS. The Communication Systems are to be used for School purposes only. Employees may, however, use LVCS technology resources for the following incidental personal uses so long as such use does not interfere with the employee’s duties, is not done for pecuniary gain, does not conflict with LVCS business, and does not violate any LVCS policies:

- To send and receive necessary and occasional personal communications;
- To use the telephone system for brief and necessary personal calls; and
- To access the Internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided that employees adhere to all other usage policies.

No Expectation of Privacy

LVCS has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the Internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the Internet, and reviewing Email and instant messages sent and received by users and/or voicemails. Further, LVCS may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of LVCS’ Communication Systems constitutes consent to all the terms and conditions of this policy.

Even if employees use a password to access the Communication Systems (or any aspect thereof), the confidentiality of any message stored in, created, received, or sent from LVCS’ Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish LVCS’ right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed LVCS upon request for any reason that LVCS, in its discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not truly eliminate the messages from the system. All Email
messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send, or receive on the Communication Systems.

Notwithstanding the foregoing, even though LVCS has the right to retrieve, read, and delete any information viewed, created, sent, received, or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of the Principal.

Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment, and responsibility than they would use for letters or internal memoranda written on LVCS letterhead.

Offensive and Inappropriate Material

LVCS’ policy against discrimination and harassment, sexual or otherwise, applies fully to LVCS’ Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other classification protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or other characteristic protected by law) may not be downloaded from the Internet or displayed or stored in LVCS’ computers. Employees encountering or receiving this kind of material should immediately report the incident to their Principal.

LVCS may (but is not required) to use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by LVCS networks. Employees who encounter inappropriate or sexually explicit material while browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to LVCS’ blocking software.

Solicitations

LVCS’ Communication Systems may not be used to solicit for political causes, commercial enterprises, outside organizations, or other non-job-related solicitations. Approval from the Principal is required before anyone can post any information on commercial on-line systems or the Internet.
Licenses and Fees

Employees may not agree to a license or download any material over the Internet for which a registration fee is charged without first obtaining the express written permission of his/her Principal.

Games and Entertainment Software

Employees may not use a LVCS Internet connection to download games or other entertainment software, or to play games over the Internet.

Confidential Information

Employees may not transmit information over the Internet or through email that is confidential or proprietary. Employees are referred to LVCS’ “Confidential Information” policy, contained herein, for a general description of what LVCS deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

Copyrights and Trademarks

LVCS’ Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from his/her Principal. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor.

Any LVCS approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices. Absent prior approval from a supervisor to act as an official representative of LVCS, employees posting information must include a disclaimer in that information stating, “Views expressed by the author do not necessarily represent those of LVCS.”

Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video, and picture files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related. In addition, employees should routinely delete outdated or otherwise unnecessary voicemails, Emails and computer files. These deletions will help keep the system running smoothly and effectively, as well as minimize maintenance costs.

To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to LVCS’ network must do so through an approved Internet firewall. Accessing the Internet directly by modem is strictly prohibited unless the computer you are using is not connected to LVCS’ network.
Files obtained from sources outside LVCS including disks brought from home; including files downloaded from the Internet, news groups, bulletin boards, or other online services; files attached to email; and files provided by customers or vendors, may contain dangerous computer viruses that may damage LVCS’ computer network. Employees should never download files from the Internet, accept email attachments from outsiders, or use disks from non-LVCS sources, without first scanning the material with LVCS approved virus checking software. If you suspect that a virus has been introduced into LVCS network, notify technology personnel immediately.

Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

Amendment and Modification of this Policy

LVCS reserves the right to modify this policy at any time, with or without notice. LVCS may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources, which shall control in the event of a conflict.

SOCIAL MEDIA POLICY

LVCS has adopted the following policy with regard to employees’ behavior on social networking sites including but not limited to Facebook, Twitter, LinkedIn, Pinterest, Instagram, SnapChat and YouTube. If you wish to use networking protocols or set up a social media site as a part of the educational process, please work with your administrators and technology staff to identify and use a restricted, School-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control of, such sites.

Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Teachers are not to initiate “friendships” with students or parents. Employees must delete any students already on their “friends” list immediately.

With regard to social networking content, employees should not use commentary deemed to be defamatory, obscene, proprietary, or libelous with regard to any School-related business or policy, employee, student, or parent. Additionally, employees should exercise caution with regards to exaggeration, obscenity, copyrighted materials, legal conclusions, and derogatory remarks or characterizations. Employees should weigh whether a particular posting puts his/her effectiveness as a School employee at risk. LVCS encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

Due to security risks, employees must be cautious when installing the external applications that work with the social networking site. At a minimum, it is recommended that all employees should have all privacy settings set to “Only Friends”. The settings “Friends of Friends” and “Networks and Friends” open your content to a large group of unknown people, including students.
Personal or Professional Blogs

If you are developing a website or writing a blog that will mention LVCS, you must identify that you are an employee of the organization and that the views expressed on the blog or web site are yours alone and do not represent the views of LVCS. Unless given permission by your Principal, you are not authorized to speak on behalf of LVCS or to represent that you do so. If you are developing a site or writing a blog that will mention LVCS, as a courtesy to the organization, please let your Principal know in advance of publication. Your Principal may choose to visit your blog or social networking site from time to time.

You may not share information that is confidential and proprietary with regard to LVCS. This includes, but is not limited to, information about curriculum, School dynamics, School programs, future goals, or current challenges within the organization. These are given as examples only and do not cover the range of what LVCS considers confidential and proprietary. If you have any questions about whether information has been released publicly or doubts of any kind, speak with your Principal.

When writing a blog or participating in any other social networking site, employees should speak respectfully about LVCS and our current and potential employees, students, parents, and competitors. Name-calling or behavior that will reflect negatively on the organization’s reputation is discouraged. Note that the use of copyrighted materials, unfounded, harassing, libelous, or derogatory statements, or misrepresentation is not viewed favorably by LVCS and can result in disciplinary action, up to, and including termination.

All employees who engage in social networking may be legally liable for anything he/she writes or presents online. Employees can be disciplined, if appropriate, by LVCS for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment.

This policy should not be construed, and will not be applied, in a manner that violates employee rights under the National Labor Relations Act.

Employees may not comment on a student’s blog or a student’s other social networking commentaries.

Employees may not use trade names, or logos belonging to the School without express written permission of the Principal.

Failure to comply with LVCS’ social media policy will result in disciplinary action, up to, and including, immediate termination.

EQUIPMENT POLICY

LVCS attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops,
and any other equipment that may be assigned to them if the loss is due to willful misconduct or gross negligence.

**Laptop Computers**

Each staff member assigned a laptop for professional use shall be required to sign a laptop Agreement Form and will be charged for any damages, loss or theft to the laptop caused by willful misconduct or gross negligence.

Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School.

Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of such equipment. Such precautions shall include, but not be limited to the following:

- Keep the computing device in a locked and secured environment when not being used;
- Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures;
- Keep food and drinks away from all computing devices and work areas;
- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty office); and
- Keep the computing device in sight at all times while in public places, such as public transportation, airports, restaurants, etc. Should an employee’s computing device be lost or stolen, the employee must:
  - Immediately report the incident to his/her immediate supervisor and/or Principal;
  - Obtain an official police report documenting the theft or loss; and
  - Provide a copy of the police report to his/her immediate supervisor or Principal.

If the employee fails to adhere to these procedures, the employee may be held legally and financially responsible to the School for the replacement of such equipment.

The School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

There is no expectation of privacy in School equipment. The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to management review, monitoring, and auditing by the School. Other audits may be performed on the usage and internal controls as deemed necessary.
Non-compliance with any policies or procedures regarding Employee Computers and Portable Computing Devices issued by the School will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School.

CELL PHONE POLICY

Personal cell phone use is not permitted while you are working. Cell phones should be turned off and stored with your other personal belongings while you are working.

If you are required to perform business on a cell phone for LVCS while driving, you must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on your cell phone while driving a School vehicle or your own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages, and email.

If you are assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

Telephone Calls and Texting

While at work and during staff meetings, the employee’s undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

NO SOLICITATION/DISTRIBUTION POLICY

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, LVCS has established the following policy concerning solicitation and the distribution of written materials other than those directly related to the School’s business.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed, or controlled by LVCS.

Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks.

Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Additionally, distribution of written materials of any kind by LVCS employees is prohibited at all times in all working areas on School premises.

Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by LVCS.
School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School. LVCS must approve any postings prior to posting.

LVCS reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business.

Employees are required to leave School premises and other work areas at the completion of their workday. Employees are not permitted to enter or remain on School premises or work areas unless the employee is on duty, scheduled for work, coming to or departing from scheduled work, or otherwise has specific authorization from their supervisor.

Definitions

If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If you are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to your supervisor.

ANTI -NEPOTISM POLICY

Policy Statement

It is the policy of LVCS to avoid Nepotism, which means to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts of interest, or management disruptions exist due to a relationship between a LVCS decision-maker and his or her Family Member. This policy is to ensure effective supervision, internal discipline, security, safety, and positive morale in the workplace and to avoid the potential for problems of actual or perceived favoritism, conflicts in loyalty, discrimination, and appearances of impropriety or conflict of interest. This policy applies to all LVCS board members, employees, individual consultants hired or retained by LVCS, and School Services Providers hired or retained by LVCS.

Relationships between LVCS board members, employees, consultants, or School Services Providers are permissible under the following circumstances:
(a) Family Members of LVCS board members, employees, individual consultants, or School Services Providers shall not be hired for or retained in an employment position if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other.

(b) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not result in an adverse impact on work productivity or performance. The determination of whether there is an adverse impact shall be in the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or in the case of a board member, in the discretion of the LVCS board of directors.

(c) Any time a board member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not create an actual conflict of interest under the law, and shall not create a detrimental perceived conflict of interest. The determination of whether there is a detrimental perceived conflict of interest shall be in the discretion of the supervisor(s) of the employee(s), consultant(s) or School Services Provider(s), or in the case of a board member, in the discretion of the LVCS board of directors.

Definitions

“Family Members” include an employee's parent, child (natural, adopted, or legal guardianship), spouse, domestic partner, brother, sister, grandparent, grandchild, step-relationships within the preceding categories, brother-in-law, sister-in-law, son-in-law, daughter-in-law and father-in-law.

“Nepotism” describes a work-related situation in which there is the potential for favoritism toward a Family Member (such as giving a job, promotion, biased performance reviews, or more favorable working conditions) on the basis of the familial relationship.

“School Services Provider” shall mean any provider of school services to LVCS, and in the case of an organization shall mean be the responsible individual at such organization that provides school services to LVCS.

Procedures

When a Family Member of a current LVCS board member, employee, individual consultant, or School Services Provider applies to become a board member or employee, or requests to be a consultant or School Services Provider, the Family Member’s application/request must be denied if a conflict under this policy exists (e.g., if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other). Special circumstances may be reviewed by the Board in the event that LVCS’ best interests would be served otherwise.

When a Family Member of a current LVCS board member, employee, individual consultant, or School Services Provider applies for a transfer to a new employment position within LVCS, the Family Member’s application must be evaluated to determine whether a conflict under this policy exists. If a conflict exists, the application for transfer must either be denied or one of the Family
Members must seek a position transfer to avoid the conflict, if any such opportunity exists. In the event that no such opportunity exists, the application for transfer must be denied.

In implementing this policy, it is permissible to ask an applicant, potential consultant, or School Services Provider to state whether he or she has a Family Member who is presently employed by or on the board of LVCS, but such information may not be used as a basis for an employment decision except as stated herein.

When a relationship that creates a conflict with this policy occurs during employment, LVCS will attempt to arrange a transfer or change in position/duties to eliminate the conflict. If a suitable transfer/change in position/duties is not available, one of the employees may be separated from service. Every attempt will be made to effect transfer or separation on the basis of agreement between the employees involved and LVCS. If a mutual agreement is unattainable, the Board will determine, in LVCS’ best interest, which employee is to be transferred or separated.

Responsibilities

The Principal or designee shall coordinate with the current employee’s direct supervisor to develop appropriate plans to ensure that a Family Member’s employment does not conflict with this policy. If the situation cannot be resolved by a transfer, then the Principal or designee will deny the application for employment. Special circumstances may be reviewed by the Board in the event that LVCS’ best interests would be served by the employment of a Family Member.

The Principal or designee shall investigate reports of Nepotism and take appropriate action. Employees are required to disclose changes in their personal situations to the Principal or designee which may be covered by this policy. Supervisors may inquire about the family relationship between employees to determine the appropriateness of the working relationship under this policy. The Board shall make the final determination concerning potential conflicts with this policy involving the Principal.

VIOLENCE IN THE WORKPLACE

LVCS has adopted a policy prohibiting workplace violence. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve or affect LVCS or which occur on LVCS property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

- All threats or acts of violence occurring on LVCS premises, regardless of the relationship between LVCS and the parties involved
- All threats or acts of violence occurring off LVCS premises involving someone who is acting in the capacity of a representative of LVCS

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

Violations of this policy by any individual on LVCS property will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors or to their Principal.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, the employee must report the

There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.
SECTION 11 – STANDARDS OF CONDUCT

PERSONAL STANDARDS

Each employee must be neatly groomed and wear clothing that is professional and appropriate for the employee’s position. Your Principal or immediate supervisor will inform you of any special clothing requirements. Employees will not be permitted to wear clothing or otherwise present an appearance that may cause disruption, be taken as offensive, or reduce productivity.

Consult your supervisor if you have any questions regarding appropriate attire.

TEACHER-STUDENT INTERACTIONS

Boundaries Defined

For the purposes of this policy the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behavior

Some activities may seem innocent from a staff member’s perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, inappropriate or sexual misconduct.

Staff members must understand their own responsibilities for ensuring they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation
- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
• Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator
• Listening to or telling stories that are sexually oriented
• Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
• Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
• Giving students a ride to/from school or school activities without parental permission
• Being alone in a room with a student at school with the door closed
• Allowing students in your home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
• Remarks about the physical attributes or physiological development of anyone
• Excessive attention toward a particular student
• Sending emails, text messages, Facebook responses, or letters to students if the content is not about school activities

Acceptable and Recommended Behaviors
• Obtaining parent’s written consent for any school activity (exclusive of tutorials)
• Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions
• Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment)
• Keeping the door open when alone with a student
• Keeping reasonable and appropriate space between you and the student
• Stopping and correcting students if they cross your own personal boundaries
• Keeping parents informed when a significant issue develops about a student
• Keeping after-class discussions with a student professional and brief
• Immediately asking for advice from senior-staff or administration if you find yourself in a difficult situation related to boundaries
• Involving your supervisor in discussion about boundaries that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student’s fixation on an adult)

• Making detailed notes about an incident that in your best judgment could evolve into a more serious situation later

• Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers

• Asking another staff member to be present, or within close supervisory distance, when you must be alone with a student after regular school hours

• Prioritizing professional behavior during all moments of student contact

• Asking yourself if any of your actions, which are contrary to these provisions, are worth sacrificing your job and career

Reporting
When any staff member becomes aware of another staff member, volunteer, guest or vendor having crossed the boundaries specified in this policy, or has a reasonable suspicion of misconduct, he or she must report the suspicion to their immediate supervisor or the Principal promptly. Reasonable suspicion means it is based on facts which would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the School as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating
The School will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as it deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible.

Consequences
Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

CUSTOMER & PUBLIC RELATIONS
The School’s image in front of students, parents (i.e. our “customers”) and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. It is possible an employee may come into contact with a
dissatisfied or hostile individual based on the nature of the employee’s work. If this happens, you should immediately notify your supervisor or the Principal. We will absolutely not tolerate conduct toward our customers or the general public that might be interpreted as unlawful discrimination or harassment. If you witness conduct in violation of this policy, you should immediately bring it to the attention of your supervisor or the Principal.

PROHIBITED CONDUCT

The following is a list of conduct that is prohibited and will not be tolerated by the School. It is not an all-inclusive list, but rather a list designed to give examples of the types of conduct prohibited by the School.

The School prohibits audio or video recordings in the workplace, during working hours, without authorization of the School due to privacy and confidentiality concerns and protections.

The School devotes significant time, energy, and expense to develop and acquire its trade secrets and confidential information. As an employee of the School you will, during the course of your employment, have access to and become familiar with various trade secrets and confidential
information that are owned by the School. An employee shall not, directly or indirectly, disclose or use any of the foregoing information other than for the sole benefit of the School, either during the term of your employment or at any other time thereafter. This information shall not be disclosed except through normal channels and with authorization. Any and all trade secrets or confidential information shall be returned to the School during extended leaves of absence or upon termination.

During your employment with the School, you will not be permitted nor required to breach any obligation to keep in confidence proprietary information, knowledge, or data acquired during your former employment. You must not disclose to the School any confidential or proprietary information or material belonging to former employers or others.

Violations of this policy may result in disciplinary action, up to and including termination.

CONFLICTS OF INTEREST

All employees must avoid situations that result in actual or even potential conflicts of interest. Personal, social, and economic relationships with competitors, suppliers, customers, parents, or co-employees that may impair an employee’s ability to exercise good judgment on behalf of the School or which give the appearance of such impairment create an actual or potential conflict of interest. For example, romantic or personal relationships between a supervisor and subordinate employee can lead to supervisory problems, claims of harassment, and morale problems.

Any employee involved in such situations or relationships must immediately and fully disclose the nature of the situation or relationship to the Principal so a determination can be made as to whether an actual or potential conflict exists, and if so, how to correct the situation.

LVCS expects employees to devote their best efforts to the interests of our school. LVCS recognizes your right to engage in activities outside of your employment, which are of a private nature and unrelated to our business. However, outside activities (second jobs, side businesses, clubs, etc.) must not interfere with your ability to fully perform your job duties at LVCS or create a conflict of interest with your statutory duty of loyalty to the School. The School prohibits employees from working with another School or external organization that competes with LVCS whether as a regular employee or as a consultant.

If you have any questions whether an action or proposed course of conduct would create a conflict of interest, you should immediately contact the Principal to obtain advice on this issue. A violation of this policy will result in immediate and appropriate discipline, up to and including, immediate termination.

This policy is in addition to LVCS’ Revised Nonprofit Conflict of Interest Policy and Conflict of Interest Code.

Outside Employment

If you are a full time employee we expect that you devote your full professional effort to your position at LVCS. If you wish to participate in outside work activities you are required to obtain written approval from the Principal prior to starting those activities. Approval will be granted
unless the activity conflicts with LVCS’ interests. In general, outside work activities are not allowed when they:

- Prevent you from performing work for which you are employed at LVCS.
- Involve organizations that are doing or seek to do business with LVCS including actual or potential vendors.
- Violate provisions of law or LVCS policies or rules.
- When the employee is on a medical leave (FMLA/CFRA/PDL or any other medical leave).

Your obligations to LVCS must be given priority. Full time employees are hired and continue employment with the understanding that LVCS is their primary employer and that other employment, commercial involvement or volunteer activity that is in conflict with the business interests of the school is strictly prohibited.

POLICY REGARDING INCONSISTENT, INCOMPATIBLE OR CONFLICTING EMPLOYMENT, ACTIVITY OR ENTERPRISE BY SCHOOL PERSONNEL

Policy Statement

It is the policy of LVCS that its officers and employees may not engage in any outside activity, employment, or enterprise for compensation which is inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of LVCS. During working hours or on school premises, officers or employees shall not engage in political or religious activities, or recruit or solicit students or members of the public for political or religious activities.

An officer’s or employee’s outside activity, employment, or enterprise for compensation shall be determined to be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of LVCS if any of the following apply:

2. It involves receipt or acceptance by the officer or employee of any money or other consideration for the performance of an act that would otherwise be required within the scope of the officer or employee’s duties with LVCS.
3. It involves the performance of an act as part of the outside activity that involves services performed for LVCS.
4. It affects the officer’s or employee’s work hours, interferes or conflicts with the officer’s or employee’s job duties, raise any ethical or conflict of interest concerns, or create any conditions that impact the officer’s or employee’s job performance.

Officers and employees may not use LVCS’ name, logo, supplies, equipment or other property in connection with any outside activities.
**Procedure**

In the event that an officer or employee believes that an outside activity for compensation may be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of LVCS, the officer or employee shall obtain a written determination of the Principal or his or her designee that the outside activity is not in violation of this policy before engaging in such activity.

**EXPENSE REIMBURSEMENT POLICY**

In order to be eligible for reimbursement, employees must follow the protocol set forth in the school’s relevant fiscal and accounting policies and procedures. In general, the immediate supervisor must have previously approved all expenses, prior to the employee spending money. All receipts pertaining to the reimbursement must be original and detailed, and should be submitted to the appropriate supervisor for review and approval, prior to submission for final approval and payment.

**POLICY CONFIRMING RESTRICTION ON THE PROVISION OF FUNDS OR OTHER THINGS OF VALUE TO STUDENTS, PARENTS OR GUARDIANS**

**Policy Statement**

It is the policy of LVCS that LVCS shall not provide any funds or thing of value to any student or his or her parent or guardian that a school district could not legally provide to a similarly situated student, or his or her parent or guardian. Additionally, a student, parent or guardian shall not use his or her status as a student, parent or guardian with LVCS in order to obtain funds or thing of value from LVCS. For example, this policy prohibits an individual from utilizing his or her status as a parent or guardian to obtain a vendor contract with LVCS for compensation. It also prohibits an individual from utilizing his or her status as a parent or guardian to refer or encourage any students enrolled in LVCS, or their parents or guardians, to select that individual or his or her company or another provider of services, in connection with the student’s education at LVCS, resulting in the individual’s receipt of funds or thing of value from LVCS.

**Procedures**

The prior approval of the Principal or his or her designee must be obtained for any of the following in order to ensure that it does not conflict with this policy:

1. Any funds or thing of value provided to a student, parent or guardian which has not previously been approved. This applies in any situation in which a student, parent or guardian would any funds or thing of value, whether in their capacity as a student, parent, guardian, vendor, service provider or other circumstance.

2. Any proposed incentive to be offered to students or parents.
In requesting approval, the educational purpose of any such funds, thing of value or incentive must be provided to the Principal or his or her designee.
SECTION 12 – SAFETY

SUBSTANCE AND ALCOHOL POLICY

It is the intent of LVCS to promote a safe, healthy and productive work environment for all employees. The School recognizes that the illegal and/or excessive use of drugs and/or alcohol is not conducive to safe working conditions, employees’ health, efficient operations, or School success.

For purposes of this policy, “illegal drugs” includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana and marijuana vaping or other recreational marijuana use), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). “Drug paraphernalia” means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. “Under the influence” means that the employee is affected by alcohol, prescription medication that impairs cognitive or physical functions, and/or illegal drugs in any detectable manner.

The School complies with all Federal and State regulations regarding drug use while on the job. This policy prohibits the following:

• Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol during working hours, including meal and break periods, or in the presence of pupils;
• Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol on School property at any time;
• Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol while attending a School function or event:
• Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on the School’s premises:
• Refusing to submit to an inspection or testing when requested by administration:

Employees taking physician-prescribed medications, which impairs the employee’s job performance, (including medical prescribed marijuana) should not report to work. In addition, if you are required to take any kind of prescription or nonprescription medication that will affect your ability to perform your job, you are required to report this to Human Resources. Human Resources will determine if it is necessary to temporarily place you on another assignment or take other action as appropriate to protect your safety and the safety of other employees and students. Employees taking physician-prescribed medication which will not impair their job performance
may be required to present a statement from the prescribing physician to the employee’s supervisor indicating the duration of the prescription and stating that the use of the prescription will not impair the employee’s ability to perform his or her specific job duties. This policy does not require or request the prescribing physician or the employee to identify any prescription drug or the medical condition for which it is prescribed. No employee shall use or have in his or her possession on the School premises any prescription medication other than medications currently prescribed by a physician for the employee.

This policy will not be construed to prohibit the use of alcohol at social or business functions. However, employees must remember their obligation to conduct themselves appropriately at all times while at School-sponsored functions or while representing the School.

The School may at times conduct unannounced searches of School property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with any other School-related policy. As a result, employees do not have an expectation of privacy in this regard.

Violation of this Substance and Alcohol Policy may result in disciplinary action, up to and including termination, at the School’s sole discretion.

Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance.

Compliance with this Substance and Alcohol Policy is a condition of employment at the School. Failure or refusal of an employee to cooperate fully, sign any required document, submit to any inspection, or follow any prescribed course of substance abuse treatment will result in discipline, up to and including termination.

Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, the School may report such illegal drug activities to an appropriate law enforcement agency.

The School may require a test by intoxilator, blood test, urinalysis, medical examination of those persons whom the School reasonably suspects of using, possessing, or being under the influence of a drug or alcohol or is acting in such manner that they may harm themselves or another employee.

Any refusal to submit to such testing will be considered a positive screen. An employee’s consent to submit to such a test is required as a condition of employment, and an employee’s refusal to consent may result in disciplinary action, including termination for a first refusal or any subsequent refusal. The School shall determine the manner in which such testing is conducted with the goal being to ensure that the test results are accurate.
Such a test may be required of employees involved in any work-related accident or unsafe practice where the safety of the employee or other employees was jeopardized. Periodic retesting may also be required following positive test results or after any violation of this policy or rehabilitation.

EMPLOYEE HANDBOOK ACKNOWLEDGEMENT

By my signature below, I acknowledge that I have received a copy of Lake View Charter School’s (“LVCS”) Employee Handbook, on the date indicated below and agree to my at-will employment as described below. I acknowledge that it is my responsibility to read and review the Employee Handbook carefully. I also acknowledge that it is my responsibility to ask for clarification if I do not understand any of the policies included in the Employee Handbook.

I understand that the Employee Handbook contains important information regarding LVCS’ expectations, policies and guidelines and that I am expected to comply with these expectations, policies and guidelines at all times. I understand that the Employee Handbook does not provide a binding contract, but provides guidelines for personnel concerning some of LVCS’ policies.

In particular, I have read and understand LVCS’ Anti-Nepotism Policy, Policy Regarding Inconsistent, Incompatible or Conflicting Employment, Activity or Enterprise by School Personnel, Policy Confirming Restrictions on the Provision of Funds or Other Things of Value to Students, Parents or Guardians, and restrictions and procedures to avoid Conflicts of Interest.

Just as I am free to terminate the employment relationship with LVCS at any time, LVCS, in its sole discretion, also reserves the right to modify or terminate the employment relationship with me at any time for any or no reason and with or without notice. Further, there is no agreement, express or implied, written or verbal, between the employee and LVCS for any specific period of employment, for continuing or long-term employment, or for guaranteed terms and conditions of employment. No one other than the Principal of LVCS, with the approval of the Board of Directors, has the authority to alter your employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Principal. This is the entire agreement between LVCS and me regarding this subject. All prior or contemporaneous inconsistent agreements are superseded. If I have an individually negotiated written employment agreement with LVCS, then the terms and conditions of that agreement will prevail to the extent it differs from the policies in this Handbook.

LVCS reserves the right to modify, alter, add to or delete any of the policies, guidelines or benefits contained in this handbook at any time with or without notice.

Other than LVCS Board of Directors, no other entity or person has the authority to modify this employee handbook.

FOR PERSONNEL SERVICES

This Memorandum of Understanding ("MOU") is entered into as of July 1, 2019 ("Effective Date") by and between the following California nonprofit public benefit corporations, which may each be referred to herein as a "Party" or collectively as the "Parties" to this MOU: Blue Ridge Academy, Mission Vista Academy, Granite Mountain Charter School, Triumph Academy, Heartland Charter School, Clarksville Charter School, Feather River Charter School, Cabrillo Point Charter School, The Cottonwood School, Lake View Charter School, Winship Community School, Pacific Coast Academy, Yosemite Valley Charter School and Monarch River Academy.

WHEREAS, Schools are nonclassroom-based public charter schools using the same educational model dedicated to providing students with a flexible personalized learning experience that empowers families to tailor a program designed around the specific needs of each student.

WHEREAS, each School employs certificated teachers designated as having the responsibility for the general supervision of their students’ independent study pursuant to Education Code § 51747.5(a).

WHEREAS, Education Code § 51749.5(a)(3) authorizes nonclassroom-based charter schools, like the Schools, to enter into a memorandum of understanding for personnel services with other charter schools, school districts, or county offices of education whereby one charter school can lease its certificated teachers to provide instructional services to another charter school.

WHEREAS, the Schools’ respective education programs are geared towards sharing instructional staff because they have similar curricula and allow staff to instruct and supervise students from remote locations.

WHEREAS, the Schools desire to use the flexibility afforded under Education Code § 51749.5(a)(3) to share instructional personnel because this will further the Schools’ shared goal to successfully implement their education programs in an efficient and cost effective manner.

WHEREAS, it is the intent of the Parties to lease personnel amongst each other according to the terms and conditions set forth in this MOU.

NOW, THEREFORE, in consideration of their mutual promises set forth in this MOU, the Parties desire to, and hereby agree as follows:

1. Leased Employees. During the term of this MOU, the Parties may lease credentialed general education teachers and other instructional support staff, such as special education staff, to perform the Services ("Services") set forth in Attachments A and B. The term “Leased Employee” shall refer to
any employee leased between the Parties pursuant to this MOU.

2. **Lessor and Lessee Schools.** The Parties acknowledge each School may both (i) employ an individual who will provide educational services to another School; and (ii) receive educational services from an individual employed by another School. The term “**Lessor School**” refers to a School leasing its employee(s) to another School pursuant to the terms of the MOU. The term “**Lessee School**” refers to a School receiving instructional services from another School’s employee(s) pursuant to the terms of the MOU. Each Party may serve as a Lessor School and Lessee School under this MOU, and shall meet the obligations set forth in this MOU dependent on their role as a Lessor School and/or Lessee School.

   a. **Assignment of Leased Employees.** Lessee School and Lessor School shall collaborate on determining which Leased Employees will be assigned to Lessee School. As Lessor School is the employer of its Leased Employees, Lessor School retains sole discretion in the assignment of Leased Employees. Lessee School is responsible for assigning its students to Leased Employees. Lessor School and Lessee School shall work together to appropriately memorialize Leased Employees under this MOU, including dates of service and numbers of students served.

3. **Fees.** The fees to be paid by Lessee School to Lessor School for the services provided by Leased Employees are calculated based on the specific services provided the staff:

   a. **Attachment A: Personnel Leasing Calculated by Number of Students Served.** Lessor School shall lease credentialed teachers performing the functions described in Attachment A for a Lessee School. Lessee Schools shall be charged based on the number of students served by each Leased Employee. The amount charged per student is **$291.**

   b. **Attachment B: Personnel Leasing at a Flat Rate.** Instructional support staff performing the functions described in Attachment B shall be charged at a hourly rate. The costs for leasing these employees do not fluctuate based on the numbers of students served. The cost-per-personnel is equal to: Attachment B.

4. **Monthly Invoices.** Lessor School will provide an invoice to a Lessee School for the fees set forth in Section 3 of this MOU on a monthly basis. Lessee School shall pay invoices within thirty (30) days of receipt. Lessee School shall be provided access to reasonable backup documentation for such costs upon request.

5. **Lessor School Responsibilities:**

   a. Comply with all applicable federal and state statutes, laws and regulations.

   b. Lessor School shall ensure Leased Employees who serve as supervising teachers retain the credentials necessary to comply with Education Code §§ 47605(l) and 51747.5(a) and the Lessee School’s charter petition (“Charter Petition”). Lessor School shall also ensure Leased Employees have undergone a tuberculosis risk assessment and/or testing prior to commencing services to Lessee School to the extent required by the Charter Petition and applicable law.

   c. Lessor School shall ensure that all Leased Employees providing Services to the Lessee School under this MOU receive required training, including, but not limited to initial and annual training on mandated child abuse or neglect reporting.
d. Lessor School shall ensure that (i) all Leased Employees providing Services under this MOU have been cleared for employment through the Department of Justice in compliance with the Charter Petition and applicable law; and (ii) no Leased Employee has been convicted of a serious or violent felony (as defined by Penal Code § 667.5 and § 1192.7)

e. Lessor School agrees that it is the sole and exclusive employer of Leased Employees performing Services at a Lessee School under this MOU. Lessor School shall supervise and make all employment decisions with respect to its employees in its sole discretion, including all hiring, evaluation, termination, compensation and benefits decisions. Lessor School will be responsible for the supervision of its employees, subject to input from the Lessee School.

f. Lessor School may terminate the assignment of a Leased Employee from a Lessee School in its sole discretion. Lessor School shall endeavor to provide as much notice as practicable to the Lessee School before terminating the assignment of a Leased Employee.

6. Lessee School Responsibilities:

a. Comply with all applicable federal and state statutes, laws and regulations, including laws applicable to charter schools offering independent study.

b. Lessee School is responsible for ensuring the education program and curriculum complies with the Charter Petition. Lessee School shall provide technical assistance and other support to Leased Employees to help ensure the Services align with the Charter Petition.

c. Lessee School shall have the right to supervise Leased Employees’ activities while they are on assignment to Lessee School to ensure they are meeting their performance obligations. In addition to any obligations set forth by Lessor School as their employer, while performing Services to support Lessee School, Leased Employees shall abide by and be subject to applicable policies and procedures adopted by Lessee School.

d. With Lessor School’s permission, Lessee School may participate with Lessor School in the hiring, evaluation, compensation, and discipline decisions concerning Leased Employees. Lessee School may unilaterally, upon providing written notice to Lessor School, remove a Leased Employee assigned to Lessee School. Upon providing such notice, Lessee School may collaborate with Lessor School (or another School) to assign a different Leased Employee to support the Lessee School as necessary.

e. Lessee School shall make available to Lessor School, in a timely manner, all data, files, documentation, or other information necessary or appropriate for the performance of the Services. Lessee School will be responsible for, and Lessor School shall be entitled to rely upon, the content, accuracy, completeness, and consistency of all such data, materials, and information.

f. Provide to Lessor School, in writing, copies of any school-specific rules and or regulations applicable to Lessor School while providing services to Lessee School.

g. Lessee School shall provide a safe working area for Leased Employees when necessary for Leased Employees to be on a Lessee School location.

h. Provide feedback to Lessor School regarding Leased Employees’ performance.

7. Relationship Between Lessor and Lessee Schools.
a. Leased Employees are, and shall remain, the employees of the Lessor School, and shall be subject to the ultimate direction and control of Lessor School and its governing board, officers, and other representatives. The termination of this MOU shall not terminate the employment relationship of any Leased Employee with Lessor School. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party.

b. Lessor School shall have full and sole legal control over and responsibility for payment of all compensation and benefits to Leased Employees, including retirement benefit system contributions (e.g., STRS, as applicable), as well as the full and sole responsibility for ensuring compliance with any and all applicable state and federal income tax withholding, state and federal unemployment and disability insurance withholding and contributions, wage and hour obligations, social security tax withholding and contributions, and other applicable employment law requirements. Assuming Lessor School participates in CalSTRS, the Parties acknowledge Leased Employees are employees of the Lessor School for CalSTRS purposes.

c. Lessor School shall each be responsible for its compliance with workers’ compensation coverage obligations, wage and hour obligations, and any other applicable federal or state employment laws. Pursuant to Labor Code section 3602, Lessor School agrees to retain workers’ compensation coverage for all Leased Employees for the duration of their support to as Lessee School. Lessor School shall ensure the Leased Employees have proper and necessary insurance coverage when working for Lessee School and shall provide evidence of such coverage to the Lessee School upon request.

8. Term and Termination. The term of this MOU commences on July 1, 2019 and continues through June 30, 2020, and shall then automatically renew for consecutive one (1) year terms, unless and until earlier terminated as set forth in subsection (a) herein and subject to any amendments pursuant to Section 9 herein.

a. Termination Without Cause. Any Party may terminate its participation in this MOU for any reason upon sixty (60) days’ written notice to all Parties. Termination of participation by any Party(ies) shall not terminate the MOU as to any other Party, nor relieve the terminating Party(ies) of any obligations incurred prior to the effective date of such termination. Following termination of a Party’s participation in the MOU, (i) the terminating Party shall pay Lessor School(s) any unpaid portion of fees owed through the effective date of termination; and (ii) the other Party(ies) shall pay the terminating Party (if it served as a Lessor School) for Services provided before the effective termination.

9. Amendments. This MOU may be amended as follows:

a. Changes in the Law. In the event that any new enactment, repeal, or change of any federal, state, or local law, regulation, interpretation of law or regulation by an authorizer or regulator, or court or administrative decision or order materially affects the performance of any of the Parties in conformity with this MOU, the Parties shall promptly commence negotiations in good faith regarding a mutually agreeable approach (including without limitation, an amendment to the MOU) to address the changes. If, despite such good faith negotiations, the Parties are unable to agree upon an acceptable approach, the MOU shall terminate for all Parties without further obligation or liability among the Parties, upon any Party’s sixty (60) days’ written notice to the other Parties, or in such lesser time as is reasonable under the circumstances. If termination occurs for reasons set forth in this subsection, Parties are responsible for paying fees as set forth in Section 8(a).

a. Mutual Agreement. The Parties may amend this MOU with mutual written consent of all Parties.
10. **Work Product; Intellectual Property.** Any work product that is created by Lessor School, including by any Leased Employee, in the context of providing Services shall be the property of that Lessor School. Any intellectual property owned by a Lessee School and used by a Lessor School related to the Services shall remain the property of that Lessee School. Similarly, any intellectual property owned or created by a Lessor School, including by any of the Leased Employees, that is utilized as part of providing the Services shall remain the property of Lessor School. No Party shall have the right to grant a license, sublicense, or any other use or rights to the property of another Party. Upon termination or expiration of this MOU, the property of each Party in the possession of any other Party shall be returned and/or destroyed.

11. **Confidentiality.** Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Party(ies), as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards to reasonably protect the confidentiality of the other Parties’ Confidential Information.

   a. **Confidential Information** means non-public information marked either “confidential” or “proprietary,” or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

   b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to a School under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

   c. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed.

12. **Student Information.** Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“FERPA”) and other applicable state and federal laws pertaining to student information and privacy.

   a. To the extent necessary, the Lessor School shall be designated as having a legitimate educational interest in accessing a Lessee School’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Lessor School to access personally identifiable information from student education records from the Lessee School as part of its performance of the Services. For purposes of this MOU, the term “personally identifiable information” (“PII”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

   b. Lessor School shall not use or disclose pupil records, including PII, received from or on behalf of another School except as necessary with respect to the performance of the Services, as
required by law, or as otherwise authorized in writing by the applicable Lessee School. Lessor School shall protect the student education records it receives from or on behalf of another School no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor School shall notify the affected Lessee School(s) as soon as practicable, and shall, upon the affected Lessee School(s)’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

13. Insurance. Each Party shall maintain customary and reasonable insurance coverage necessary for performance of the Services, including professional liability for errors or omissions and/or directors and officers coverages, comprehensive general liability coverage, and automobile liability coverage. Each Party shall be responsible for obtaining and maintaining workers’ compensation coverage and unemployment insurance for its employees.

14. Liability. Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

15. Indemnification. Each Party shall defend, indemnify, and hold the other Parties, and their employees, officers, directors, and agents, free and harmless against any liability, loss, claims, demands, damages, expenses, and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of the performance of its obligations under this MOU, except for such loss or damage caused solely by the negligence or willful misconduct of another Party. Each Leased Employee shall be under the immediate supervision and control of the Lessee School when providing Services for that Lessee School. Therefore, the Lessee School shall defend, indemnify, and hold the other Parties, and their employees, officers, directors, and agents, free and harmless against any liability, loss, claims, demands, damages, expenses, and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of the performance of a Leased Employee providing Services to a Lessee School, except for such loss or damage caused solely by the negligence or willful misconduct of another Party.

16. Assignment. No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

17. Dispute Resolution. The Parties shall attempt to negotiate in good faith to resolve any dispute arising from or relating to this MOU before resorting to litigation.

18. Notice. All notices, requests, demands, or other communications (collectively “Notice”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

See Attachment C

19. Headings. The descriptive headings of the sections and/or paragraphs of this MOU are inserted for convenience only, are not part of this MOU, and do not in any way limit or amplify the terms or provisions of this MOU.
20. **Entire Agreement.** This MOU constitutes the entire agreement between the Parties with respect to the subject matter contained herein and supersedes all agreements, representations and understandings of the Parties with respect to such subject matter made or entered into prior to the date of this MOU.

21. **No Waiver.** No waiver of any provision of this MOU shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

22. **Severability.** If any provision of this MOU is invalid or contravenes California law, such provision shall be deemed not to be a part of this MOU and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential purpose of this MOU.

23. **Governing Law.** This MOU shall be governed by and interpreted under California law.

24. **Authority to Contract.** Each Party warrants to the others that it has the authority to enter into this MOU, that it is a binding and enforceable obligation of said Party, and that the undersigned has been duly authorized to execute this MOU.

Residency Policy

California law requires that certain residency requirements are established in order for a student to be enrolled in an independent study charter school for which average daily attendance may be claimed. California law requires that a student be a California resident and requires that the student is a resident of the county in which the apportionment claim is reported or of a county immediately adjacent to the county in which the apportionment claim is reported. [EC §§ 47612(b), 5147.3]

The purpose of the Lake View Charter School Governing Board approving this Residency Policy is to accomplish the following:

1. Define Residency
2. Outline Residency for a Student on an Extended Vacation
3. Establish the Location Materials Will Be Mailed To
4. Outline the Procedures When a Student’s Residency is in Question
5. Outline the Parent/Guardian/Education Rights Holder’s Right Regarding Determination of Nonresidency
6. Outline the Procedures for Children of Military Families

1. **Definition of Residency:** A student has residency in the state and county of the residence of the parent/guardian with whom that student maintains his or her place of abode. Residence denotes any factual place of abode of some permanency that is more than a mere temporary sojourn. Owning a home in California or in a particular county does not qualify a student to attend Lake View Charter School, unless it can be shown that the student is also living in the home at least three days per week during the school year.

2. **Residency for a Student on an Extended Vacation:** A student on an extended vacation lasting longer than four weeks, but less than six months, will not be deemed to have lost California residency.

3. **The Location Material Will Be Mailed To:** All materials will be mailed to, and any in person services will be held at, the address identified in the student’s records in his/her proof of residence documentation, unless an alternative location is agreed upon by the teacher of record.

4. **Student’s Residency is in Question:** If there is reason to believe that a student’s residency is in question, Lake View Charter School may investigate in order to determine authenticity of the home address. When it is determined that a student lives outside of California and/or an authorized county, Lake View Charter School will provide written notice of the determination of nonresidency within five days of Lake View Charter School’s intention to disenroll the student.

5. **Parent/Guardian/Education Rights Holder’s Right Regarding Determination of nonresidency:** The notice shall contain an explanation of the parent/guardian/education
rights holder’s right to request a hearing adjudicated by a neutral officer within a reasonable number of days at which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses and at which the pupil has the right to bring legal counsel or an advocate to dispute the finding of nonresidency. If the parent/guardian/educational rights holder does not request a hearing within five days of receipt of the notice, the right to a hearing is waived and the student will be immediately disenrolled. If the student’s parent, guardian or educational rights holder initiates the hearing, the student shall remain enrolled and shall not be disenrolled until Lake View Charter School issues a final decision.

6. Children of Military Families: Lake View Charter School will serve children of military families, as defined by Education Code section 49701, as follows:

0) Allow the student to continue his or her education in Lake View Charter School, regardless of change of residence of the military family during that school year, for the duration of the student’s status as a child of a military family; or

1) For a student whose status changes due to the end of military service of his or her parent during a school year, comply with either of the following, as applicable:
   
a. If the student is enrolled in kindergarten or any of grades 1 to 8, inclusive, allow the student to continue his or her education in Lake View Charter School through the duration of that academic school year;
   
b. If the child is enrolled in high school, allow the student to continue his or her education in Lake View Charter School through graduation.

For purposes of providing special education services, Lake View Charter School will continue to provide special education services for children of military families as required by law.
9th Grade Math Placement Policy

Lake View Charter School recognizes the importance of each student’s achievement in all subject areas, including mathematics as critical for college and career readiness. This policy is in place to adopt a fair, objective, and transparent mathematics placement policy and protocol for pupils entering Grade 9, and for all learners in all subgroups taking multiple objective academic measures of pupil performance into consideration.

The purpose of the Lake View Charter School Governing Board approving this 9th Grade Math Placement Policy is to accomplish the following:

1. Outline a Mathematics Placement Protocol
2. Establish Procedures for Timely Recourse
3. Establish Procedures for Annual Review of Data
4. Establish a Limitation on the Use of Subjective Placement Measures
5. Outline Assessment Protocol
6. Establish Policy Availability
7. Outline Compliance with the Education Code

1. Mathematics Placement Protocol: Therefore, in accordance with the California Mathematics Placement Act of 2015, this Governing Board directs staff to create, implement, and monitor a mathematics placement protocol for pupils entering grade nine. This policy must include the following objective elements when considering student placement:

   • Multiple objective academic measures of pupil performance;
   • Interim and summative assessments that are aligned to state-adopted content standards in mathematics;
   • At least one placement checkpoint within the first month of the school year to ensure accurate placement and permit reevaluation of individual student progress;
   • Annual examination of pupil placement data;
   • Clear and timely recourse for questions regarding pupil placement;
   • Regular evaluation of students’ progress.

2. Procedures for Timely Recourse: The School Director shall implement a procedure, including clear and timely recourse, whereby each pupil and his or her parent or legal guardian may question their placement in a mathematics class.

3. Annual Review of Mathematics Placement Data: School staff shall annually review aggregate school wide data on math placement and compare placements school wide with
placements of students in various racial/ethnic, gender, and socioeconomic (e.g., free/reduced meal-eligible) subgroups to ensure that pupils who are qualified to progress in mathematics courses are not held back in a disproportionate manner. The staff shall report on the aggregate results of this review to the Board.

4. **Limitation on Use of Subjective Placement Measures:** Subjective measures, such as placement recommendations, may not be considered in determining 9th grade mathematics placement. However, recognizing that facilitators and counselors are often aware of students’ talents and abilities that are not reflected in objective data, an exception to this prohibition may be made to advance a student to a higher mathematics class than objective data indicates.

5. **Assessment Protocols:** Assessment protocol shall be reported to the Board on an annual basis and before any changes in assessment protocol or assessment software are implemented.

6. **Policy Availability:** This policy will appear on the school’s website and be included in the student/family handbook.

7. **Compliance with the Education Code:** This policy is in compliance with California Education Code 51224.7
   [https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201520160SB359](https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201520160SB359)
Title IX Policy

Title IX is a federal law that was passed in 1972 to ensure that male and female students and employees in educational settings are treated equally and fairly. It protects against discrimination based on sex (including sexual harassment). In addition, Title IX protects transgender students and students who do not conform to sex stereotypes. State law also prohibits discrimination based on gender (sex), gender expression, gender identity, and sexual orientation.

The purpose of the Lake View Charter School Governing Board approving this Residency Policy is to accomplish the following:

1. Establish a Title IX Coordinator
2. Outline Student and Employee Title IX Rights
3. Establish the Procedures for Filing a Complaint
4. Provide Resources for Additional Information
5. Establish the Notice of Nondiscrimination

1. **Title IX Coordinator:** The Charter School will provide a Title IX Coordinator.
   
   **Title IX Coordinator - Julie Haycock**
   
   **Email - JulieH@Inspireschools.org**
   
   **Phone Number – (916) 660-2924**

2. **Student and Employee Title IX Rights:** Under California Education Code section 221.8:
   
   a. You have the right to fair and equitable treatment and you shall not be discriminated against based on your sex
   
   b. You have the right to be provided with an equitable opportunity to participate in all academic extracurricular activities
   
   c. You have the right to receive equitable treatment and benefits in the provision of all of the following:
      
      i. Equipment and supplies
      
      ii. Transportation and daily allowances
      
      iii. Access to tutoring
      
      iv. Coaching
      
      v. Medical and training facilities and services
      
      vi. Publicity
   
   d. You have the right to have access to a gender equity coordinator to answer questions regarding gender equity laws.
   
   e. You have the right to contact the State Department of Education and the California Interscholastic Federation to access information on gender equity laws.
   
   f. You have the right to file a confidential discrimination complaint with the United States Office of Civil Rights or the State Department of Education if you believe you have been discriminated against or if you believe you have received unequal treatment on the basis of your sex.
g. You have the right to pursue civil remedies if you have been discriminated against.
h. You have the right to be protected against retaliation if you file a discrimination complaint.

3. **Filing a Complaint:** If you feel you were discriminated against in violation of Title IX, please contact the Title IX Coordinator. It is the coordinator’s primary responsibility to ensure the Charter School complies with the requirements of Title IX.

You may also file a complaint of discrimination with the US Department of Education Office for Civil Rights (“OCR”).

**How do I file a complaint of discrimination with the US Department of Education Office for Civil Rights (“OCR”)?**

You may contact an OCR enforcement office to obtain a complaint form or you may file a discrimination complaint by using the on-line complaint form.

**What do I need to include in my complaint?**

You should let us know which school, college or other institution you are complaining about, the person(s) who has been discriminated against, when the discrimination occurred, and you should sign and date the letter and let us know how we can reach you by phone and letter so that we can contact you. If filing on-line, you will still need to provide an original signature by mail, which may be done by printing and mailing a “Consent Form” linked from the bottom of the on-line complaint form.

**How soon after the discrimination do I need to file?**

You need to file your complaint within 180 calendar days after the discrimination. There are certain limited circumstances that allow our agency to grant a waiver. If you need more information about your situation, contact the OCR enforcement office responsible for the state in which the institution is located.

**How promptly will OCR respond to my complaint?**

OCR will promptly acknowledge receiving your complaint and will contact you by letter or telephone to let you know whether we will proceed further with your complaint.

**What is OCR’s role during the complaint process?**

OCR’s role is to be a neutral fact-finder and to promptly resolve complaints. OCR has a variety of options for resolving complaints, including facilitated resolutions and investigations. OCR does not act as an advocate for either party during the process.

**What if I am already pursuing my complaint within the school district or college or with another agency?**

OCR does not handle cases that are being addressed by another agency or within a school’s or college’s formal grievance procedure if OCR anticipates that the agency you filed with will provide you with a resolution process comparable to OCR’s. Once the other complaint process is completed, you have 60 days to refile your complaint with OCR. OCR’s first step will be to determine whether to defer to the result reached in the other process.

**Do I have to file an OCR complaint before I can file a claim in court?**

The regulations under Title VI, Title IX, Section 504 and Title II do not require you to file with OCR prior to filing a claim under these laws in Federal court. The regulations under the Age Discrimination Act, however, allow you to file a claim in Federal court under that law only after: 1) 180 days have elapsed since you filed the complaint with OCR and OCR
has made no finding, or 2) OCR issues a finding in favor of the recipient. If this occurs, OCR will promptly notify you and remind you of your right to file in court. If you are considering filing in court, bear in mind that OCR does not represent complaining parties or provide advice regarding court filings. You would need to use the services of your own attorney. Also, if you proceed with your claim in a court, OCR will not continue to pursue your OCR complaint.

The Charter School District does not discriminate on the basis of sex in admission to or employment in its education programs or activities. Inquiries concerning the application of Title IX and its implementing regulations may be referred to the Title IX coordinator or to the OCR.
Independent Study Policy

Lake View Charter School may offer independent study to meet the educational needs of pupils enrolled in the charter school. Independent study is an alternative education designed to teach knowledge and skills of the core curriculum. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully.

The purpose of the Lake View Charter School Governing Board approving this Independent Study Policy is to accomplish the following:

1. Establish the Time in Which an Assignment Must Be Completed
2. Establish the Procedure for Placement Determination
3. Outline What Must Be Included in a Current Written Agreement
4. Outline How Average Daily Attendance Will Be Calculated
5. Establish Compliance with the Education Code
6. Establish the Implementation of the Independent Study Policy

1. **Time in Which an Assignment Must Be Completed:** For pupils in all grade levels offered by the School, the maximum length of time that may elapse between the time an assignment is made and the date by which the pupil must complete the assigned work shall be twenty (20) school days.

2. **Placement Determination:** A pupil may miss two (2) assignments during any period of twenty (20) school days before an evaluation is conducted to determine whether it is in the best interest of the pupil to remain in independent study. Therefore, whether any pupil fails to complete two (2) assignments during any period of twenty (20) school days, the Director of Academic Program or his or her designee shall conduct an evaluation to determine whether it is in the best interest of the pupil to remain in independent study. A writing record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. This record shall be maintained for a period of three years from the date of the evaluation and if the pupil transfers to another California public school, the record shall be forwarded to that school.

3. **Current Written Agreement:** A current written agreement shall be on file for each independent study pupil, including but not limited to, all of the following:
   - The manner, time, frequency, and place for submitting a pupil’s assignments and for reporting his or her progress.
   - The objectives and methods of study for the pupil's work, and the methods utilized, to evaluate that work.
   - The specific resources, including materials and personnel, which will be made available to the pupil.
   - A statement of the policies adopted herein regarding the maximum length of time allowed between the assignment and the completion of a pupil's assigned work, and the
number of missed assignments allowed prior to an evaluation of whether or not the pupil should be allowed to continue in independent study.

- The duration of the independent study agreement, including beginning and ending dates for the pupil's participation in independent study under the agreement. No independent study agreement shall be valid for any period longer than one school year. Semester, or one half year for a school on a year-round calendar.

- A statement of the number of course credits or, for the elementary grades, other measures of academic accomplishment appropriate to the agreement, to be earned by the pupil upon completion.

- The inclusion of a statement in each independent study agreement that independent study is an optional educational alternative in which no pupil may be required to participate. In the case of a pupil who is referred or assigned to any school, class or program pursuant to Education Code Section 48915 or 48917, the agreement also shall include the statement that instruction may be provided to the pupil through independent study only if the pupil is offered the alternative of classroom instruction.

4. **Average Daily Attendance:** It is the policy of this Board that each student is, at a minimum, expected to accomplish the following inorder for the student to be counted as present/attending for Average Daily Attendance (ADA) purposes:

   - Students will initial “Monthly Independent Study Log” on the school days where they have completed school work Monday through Fridays that are not school holidays. Parents/guardians will sign the monthly log under the following statement: “By signing this log, I verify that my student completed school work on these days.”

Instructional Funds Policy

Lake View Charter School is committed to giving students the same opportunities that are offered at non-charter district schools. District schools often provide opportunities for music, art, sports, field trips, and other ways to extend the learning experience.

The purpose of the Lake View Charter School Governing Board approving this Lake View Charter School Curriculum and Enrichment Funds Policy is to accomplish the following:

1. Establish Assurances & Procedural Safeguards
2. Determine Specific Funding Amount
3. Clarify What Funds Can Be Used For
4. Clarify When Funds Can Be Used
5. Identify Non-Consumable Category Groups
6. Authorize Establishment of Lending Libraries

1. Establish Assurances & Procedural Safeguards: The school will use a system with multiple checks and internal controls to ensure all instructional funds are utilized appropriately and lawfully.
   Ordering Process:
   i. Parent requests curriculum, service/class, and or product through the Lake View Charter School Enrichment Centre (in-house, online ordering system).
   ii. Teacher consistent with Lake View Charter School’s policies and procedures reviews and determines whether or not the requested item has appropriate educational value and prior to approval, will ensure the service or product is nonsectarian in nature in accordance with Ed. Code 47605(d)(1), which states, “a charter school shall be nonsectarian in its programs, and all other operations”.
   iii. Enrichment staff member also ensures that the requested item is evaluated for appropriate educational value and prior to approval, ensures that the service or product is nonsectarian in nature in accordance with Ed. Code 47605(d)(1), which states, “a charter school shall be nonsectarian in its programs, and all other operations”.

2. Determine Specific Funding Amount: The funding amount for the 2019-2020 school year will be $2,600 for TK-8th students and $2,800 for 9-12th students. The families’ chosen curriculum is deducted from the allocated funding amount. Currently, curriculum costs range from $150 to $1,000 per student. This amount may be adjusted at any time at Board discretion or based on budget need.

   • Clarify What Funds Can Be Used For: Instructional Funds will first be used toward the student’s core subjects, technology items, then other enrichment products and services, and other appropriate items to extend the learning experience like fieldtrips, educational travel and related educational conferences/workshops. Limit on educational travel: A student may only use instructional funds to sign up for one
educational travel experience per school year. Up to $965 of students Instructional Funds can be applied to their educational travel experience. Any deposits required to hold a student’s spot on an educational travel tour cannot be paid using instructional funds. Educational content is all that can be covered by instructional funds. Travel costs such as transportation, food and lodging cannot be paid using instructional funds. Parents or guardians planning to travel with their student must pay 100% of their travel and tour costs. Up to $350 a year may be used on parent trainings or workshops that directly support students learning. All use of funds must be approved by the student’s credentialed teacher consistent with Lake View Charter School’s policies and procedures.

3. **Clarify When Funds Can Be Used:** Instructional Funds may be used when students are in session or when they are not in session. For example, students may extend their learning by taking a class on an evening or Saturday outside of the regular instructional day. Furthermore, since Lake View Charter School considers the Instructional Funds as encumbered to support the specific student consistent with policies and procedures, students are able to utilize these instructional funds during the traditional "summer months" and throughout their time at Lake View Charter School in order to enhance and expand innovative learning opportunities helping to minimize the effects of learning loss typically seen come fall. Consistent with the practices of many non-charter districts supporting student learning or remediation during times when school is not in session, is an acceptable use of funds for students. Funds can be transferred between siblings enrolled at Lake View Charter School and co-used with administrative approval.

4. **Identify Non-Consumable Category Groups:** All items in the following categories are considered non-consumable and must be returned as school property:
   i. Technology, Electronics, and Media (CDs/DVDs)
   ii. Textbooks and Teacher Manuals
   iii. Science Equipment
   iv. Musical Equipment
   v. Games and Puzzles

5. **Authorize Establishment of Lending Libraries:** As a general benefit to ALL Lake View Charter School families, non-consumables other than technology that are returned will be available for borrowing in our newly established Lending Libraries to be located within our current offices.
Homeless Education Policy

Lake View Charter School is committed to ensuring that homeless students are provided equal access to the same free, appropriate public education provided to other children and youth. Homeless students will be given access to the education and other services that such students need to ensure that they have an opportunity to meet the same challenging State student academic achievement standards to which all students are held. Homeless students will not be stigmatized or segregated in a separate school or program based on the student’s status as homeless.

The purpose of the Lake View Charter School Governing Board approving this Homeless Education Policy is to accomplish the following:

1. Define Homeless Children and Youth
2. Identify the Homeless Liaison’s Responsibilities
3. Explain the Requirements for Enrollment of Homeless Children and Youth
4. Identify Enrollment Disputes and the Dispute Resolution Process
5. Define Comparable Education Services for Homeless Children and Youth

1. Definitions:

- **Homeless children and youths** means individuals who lack a fixed, regular and adequate nighttime residence and includes children and youths:

  - Who are sharing the housing of other persons due to loss of housing, economic hardship or a similar reason; are living in motels, hotels, trailer parks (not including mobile home parks), or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;

  - Who have a primary nighttime residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings;

  - Who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;

  - Who are migratory children who qualify as homeless for purposes of this part because the children are living in circumstances described above.

- **Unaccompanied youth** includes a youth not in the physical custody of a parent or guardian.

- **The Charter School is the school of origin** when the student attended the Charter School when permanently housed or was last enrolled when the student became homeless. The Charter School will not be considered the school of origin when it is contrary to the wishes of a student’s parent(s) or guardian(s), or is not in the best interest of the student.

  In determining the best interest of the child or youth, the School shall:
Presume that keeping the child or youth in the school of origin is in the best interest of the child or youth, less it is contrary to the request of the child’s or youth’s parent or guardian, or unaccompanied youth;

Consider student-centered factors related to the child’s or youth’s best interest, including factors related to the impact of mobility on achievement, education, health, and safety of homeless children and youth, giving priority to the request of the child’s or youth’s parent or guardian or unaccompanied youth;

If, after conducting the best interest determination based on consideration of the presumption identified above and the student-centered factors identified above, the School determines that it is not in the child’s or youth’s best interest to attend the School, the School shall provide the child’s or youth’s parent or guardian or the unaccompanied youth with a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth, including information regarding the right to appeal; and

In the case of an unaccompanied youth, ensure that the School liaison assists in placement or enrollment decisions, gives priority to the views of such unaccompanied youth and provides notice to such youth of the right to appeal.

A child or youth or unaccompanied youth shall be considered homeless for as long as he/she is in a living situation described above.

2. **Homeless Liaison Responsibilities:** The Charter School’s homeless liaison is required to do all of the following:

- Ensure that homeless children and youths are identified by school personnel through outreach and coordination activities with other entities and agencies;

- Ensure that homeless children and youth enroll in, and have a full and equal opportunity to succeed in the School;

- Ensure that homeless children and youths have access to and receive educational services for which such families, children, and youth are eligible, including referrals to health care services, dental services, mental health and substance abuse services, housing services and other appropriate services;

- Ensure that the parents or guardians of homeless children and youths are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children;

- Ensure that enrollment disputes are mediated in accordance with the dispute resolution process outlined below;

- Ensure that public notice of the educational rights of homeless children and youths is disseminated in locations frequented by parents or guardians, including schools, shelters, public libraries and soup kitchens, in a manner and form understandable to the parents and guardians of homeless children and youths, and unaccompanied youths;

- Ensure that school personnel providing services participate in professional development and other technical support as determined appropriate by the State Coordinator;

- Ensure that unaccompanied youths 1) are enrolled in school; 2) have opportunities to meet the same
challenging State academic standards as the State establishes for other children and youth, including implementation of procedures to identify and remove barriers that prevent youths from receiving appropriate credit for full or partial coursework satisfactorily completed while attending a prior school; and 3) are informed of their status as independent students and that the youths may obtain assistance from the liaison to receive verification of such status for purposes of the Free Application for Federal Student Aid.

3. **Enrollment:** All homeless students are required to follow the school’s process for enrolling students, including filling out and submitting the school’s enrollment packet on time. As with all students, enrollment depends upon availability. In the event of an oversubscription in a grade, homeless students will participate in the lottery as with any other student.

If the homeless student seeking to enroll is unable to produce records normally required for enrollment, such as previous academic records, medical records, proof of residency or other documentation, this will not serve as a basis for non-enrollment. Provided that the enrollment process has been followed in all other respects, a homeless student will be enrolled in the School despite the missing paperwork. Upon enrollment, the School will contact the school last attended by the student to obtain relevant academic and other records.

If the student needs to obtain immunizations, or immunization or medical records, the School will immediately refer the parent or guardian of the student, or the unaccompanied youth, to the Homeless Liaison, who shall assist in obtaining necessary immunizations, or immunization or medical records.

4. **Enrollment Disputes and the Dispute Resolution Process:** If a dispute arises over enrollment in the Charter School of a homeless student, the student will be immediately enrolled to the Charter School in which enrollment is sought, pending resolution of the dispute. “Enrolled” means attending classes and participating fully in school activities.

The Charter School will refer the student and/or his/her parents or guardians to the Homeless Liaison, who will carry out the dispute resolution in accordance with the process set forth below, as expeditiously as possible after receiving notice of the dispute. In the case of an unaccompanied youth, the Homeless Liaison will ensure that the youth is immediately enrolled in school pending resolution of the dispute.

Parents, guardians and unaccompanied youth may provide written or oral documentation to support their positions about enrollment and may seek assistance of social services, advocates, and/or service providers in the dispute process.

The Charter School will provide the parent or guardian of the student with a written explanation of the Charter School’s decision regarding enrollment, including the rights of the parent, guardian or unaccompanied youth’s appeal the decision. The written explanation will be complete, as brief as possible, simply stated and provided in a language that the parent, guardian or unaccompanied youth can understand.

If the dispute remains unresolved at the Charter School level or is appealed, then the Charter School Homeless Liaison will forward all written documentation and related paperwork to the homeless liaison at the county office of education (COE). The COE’s homeless liaison will review these materials and determine the school selection or enrollment decision within five (5) working days of receipt of the materials. The COE homeless liaison will notify the Charter School and parent/guardian/unaccompanied youth of the decision.

If the dispute remains unresolved at the COE level or is appealed to the State, then the COE homeless liaison will forward all written documentation and related paperwork to the State Homeless Coordinator. Upon review, the CDE will notify the parent/guardian/unaccompanied youth of the decision relating
enrollment in the Charter School within ten working days of receipt of the materials.

5. **Comparable Education Services:** Each homeless student will be provided access to services comparable to services offered to other students in the Charter School, including but not limited to the following:
   - Educational services for which the homeless student meets federal, state and local program eligibility criteria
   - Programs in career and technical education

*This policy was adapted from the Charter School Development Center- Homeless Youth Policy.*

1. Definitions:
   - Harassment: Harassment is unwelcome verbal or physical conduct prohibited by law directed toward, or differential treatment of, a student or staff member because of his/her membership (or perceived membership) in any protected group or on any other prohibited basis. The harasser can be a student, a School official or employee, or someone who is not an employee of the School, such as a vendor or parent. Examples of such conduct include, but are not limited to:
     - Offensive or degrading remarks, verbal abuse, or other hostile behavior such as insulting, teasing, mocking, name calling, degrading, or ridiculing another person or group

     - Physical assault or stalking

     - Graphic and written offensive or derogatory statements, which may include use of cell phones or the Internet
Harassment does not have to include intent to harm, be directed at a specific target or involve repeated incidents. Harassment creates a hostile environment when the conduct is sufficiently severe, pervasive or persistent so as to interfere with or limit a student’s ability to participate in or benefit from the services, activities or opportunities offered by the School.

- **Sexual Harassment:** Sexual harassment is a form of harassment based on sex, including sexual harassment, gender harassment and harassment based on pregnancy, childbirth or related medical conditions. It generally involves unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender–based harassment of a person of the same sex as the harasser. The following is a partial list of violations:
  
  o Unwanted sexual advances
  o Offering educational benefits in exchange for sexual favors
  o Making or threatening reprisals after a negative response to sexual advances
  o Visual conduct: Leering, making sexual gestures, displaying of suggestive objects or pictures, cartoons or posters
  o Verbal conduct: Making or using derogatory comments, epithets, slurs and jokes
  o Verbal sexual advances or propositions

  o Physical conduct: Touching, assault, impeding or blocking movements

- **Intimidation:** Intimidation includes adverse actions intended to fill another with fear, to overawe or cow, as through force of personality or by superior display of wealth, talent, etc., or to force another into or deter from some action by inducing fear.

- **Bullying:** Bullying may take place in a variety of hostile acts that are carried out repeatedly over time. The acts involve a real or perceived imbalance of power, with the more powerful child or group attacking those who are less powerful. It may be physical (hitting, kicking, spitting, pushing), verbal (taunting, malicious teasing, name calling, threatening), or psychological (spreading rumors, manipulating social relationships, or promoting social exclusion, extortion or intimidation). Bullying is any severe or pervasive action or conduct directed toward one or more students that have the effect of one or more of the following: 1) places a reasonable student in fear of harm to that student’s person or property; 2) causes a reasonable student to experience a substantially detrimental effect on his or her physical or mental health; 3) causes a reasonable student to experience substantial interference with his or her academic performance; 4) causes a reasonable student to experience interference with his or her ability to participate in or benefit from the services, activities or privileges provided by the School.

  Other types of bullying:
  
  o Sexual bullying includes many of the actions typical of bullying behavior with the added actions of exhibitionism, voyeurism, sexual propositioning, sexual harassment and sexual abuse (touching, physical contact, sexual assault).
  o Bias or hate–motivated bullying is a basic bias against or hate for a person or group. Examples include taunting one’s race, religion, national origin, sexual orientation, or physical or mental disabilities. The bullying behavior may also be aggressive, antagonistic, and assaultive.
  o Hazing is a form of aggressive behavior that usually involves intimidation and humiliation during an initiation for a student organization or body, club, group or sports team. It may involve conduct that is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current or prospective pupil. Hazing does not include athletic events or school–sanctioned events.
Cyberbullying involves bullying conduct that is created or transmitted by means of an electronic device, including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer or pager communicating any of the following: 1) a message, text, sound or image; 2) a post on a social network Internet Web site, including a “Burn Page,” an impersonation of another student, and a false profile.

- **Retaliation:** Retaliation is any adverse action taken against a student because he or she filed a charge of harassment, discrimination, intimidation or bullying complaint to the School or another agency or participated in an investigation about the same (such as an internal investigation or lawsuit), including as a witness. Retaliation also includes adverse action taken against someone who is associated with the individual opposing the perceived harassment, discrimination, intimidation or bullying.

2. **Who the Policy Applies to:** It shall be a violation of this policy for any student, teacher, administrator or other employee of Lake View Charter School to discriminate against, harass, intimidate or bully another student, teacher, administrator, other employee or anyone associated with Lake View Charter School through conduct or communication. This policy applies to all applicants and employees, whether related to conduct engaged in by fellow employees or someone not directly connected to Lake View Charter School (e.g. an outside vendor, consultant or customer).

3. **Where the Policy Applies:** Conduct prohibited by these policies is unacceptable in the workplace and in any work–related setting outside the workplace, such as during business or field trips, meetings and business or school–related social events.

4. **Responsibility:** All Lake View Charter School employees have a responsibility for keeping our work environment free of discrimination, harassment, intimidation, and bullying.

5. **Reporting:** Lake View Charter School encourages reporting of all perceived incidents of discrimination, harassment, intimidation, bullying, or retaliation, regardless of the offender’s identity or position. Individuals who believe that they have been the victims of such conduct should discuss their concerns with their immediate supervisor, the Executive Director, or the Deputy Executive Director. In addition, Lake View Charter School encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. Lake View Charter School recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although it is understood that an investigation will normally require the involvement of third parties. Lake View Charter School is serious about enforcing its policy against harassment; however, Lake View Charter School cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to Lake View Charter School’s attention so it can take whatever steps are necessary to correct the problems.

6. **Investigation/Complaint Procedure:** All complaints of harassment or discrimination will be promptly investigated. If the investigation substantiates the accusations, the appropriate corrective action will be taken. This may include, but not be limited to, reprimand, suspension or dismissal, depending on the nature and severity of the offense. Appropriate action will also be taken in the event the accusations are intentionally false or malicious in intent.

Individuals who believe they have been the victims of conduct prohibited by this policy statement or believe they have witnessed such conduct should discuss their concerns with their immediate supervisor, the Executive Director, or the Deputy Executive Director. Lake View Charter School encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been
established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. Confidentiality will be maintained throughout the investigatory process to the extent consistent with adequate investigation methods and appropriate corrective actions. Misconduct constituting harassment, discrimination or retaliation will be dealt with appropriately. Responsive action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as Lake View Charter School believes appropriate under the circumstances. Willful false and malicious complaints of harassment, discrimination or retaliation may be subject to appropriate disciplinary action.

7. Consequences for Retaliation: Retaliation against an individual who has a complaint or has formally reported discrimination, harassment, intimidation, or bullying or has participated in an investigation of such a complaint is a serious violation of this policy and, like discrimination, harassment, intimidation, or retaliation itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

8. Immigration Status: If the Charter School possesses information that could indicate immigration status, citizenship status or national origin information, the School shall not use the acquired information to discriminate against any students or families or bar children from enrolling in or attending school. If parents or guardians choose not to provide information that could indicate their or their children’s immigration status, citizenship status or national origin information, the School shall not use such actions as a basis to discriminate against any students or families or bar children from enrolling or attending school.

Each year, the School shall educate students about the negative impact of bullying other students based on their actual or perceived immigration status or their religious beliefs or customs. The School shall also train teachers, staff and personnel to ensure that they are aware of their legal duty to take reasonable steps to eliminate a hostile environment and respond to any incidents of harassment based on the actual or perceived characteristics noted above. Such training shall provide School personnel with the skills to do the following:

- Discuss the varying immigration experiences among members of the student body and school community;
- Discuss bullying–prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims;
- Identify the signs of bullying or harassing behavior;
- Take immediate corrective action when bullying is observed; and
- Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior.

9. Parental Notification: Each year, the School shall notify parents and guardians of their children’s right to a free public education, regardless of immigration status or religious beliefs. This information shall include information related to the “Know Your Rights” immigration enforcement established by the California Attorney General. The School shall also inform students who are the victims of hate crimes of their right to report such crimes.

Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Executive Director or designee.

The notification shall include information regarding the prohibition of discrimination, harassment, intimidation, and bullying; unlawful student fees; local control and accountability plan (LCAP) requirements; and requirements related to the educational rights of foster youth, homeless students, former juvenile court school students, and children of military families. (Education Code 262.3, 48853, 48853.5, 49010-49013, 49069.5, 51225.1, 51225.2, 52075; 5 CCR 4622)

  - A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to
90 days by the Executive Director or designee for good cause upon written request by the complainant setting forth the reasons for the extension.

- Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, the Charter School staff shall assist him/her in the filing of the complaint.

- If a complaint is not filed in writing but the Charter School receives notice of any allegation that is subject to the UCP, the Charter School shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation confirms that discrimination has occurred, the Charter School will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

- A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part of the Charter School's educational program, including curricular and extracurricular activities.

- A foster youth, homeless student, former juvenile court school student, or child of a military family who transfers into a district high school or between district high schools as applicable shall be notified of the Charter School's responsibility to:

  - Accept any coursework or part of the coursework that the student has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency, and to issue full or partial credit for the coursework completed
  - Not require the student to retake any course or a portion of a course which he/she has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency
  - If the student has completed his/her second year of high school before the transfer, provide the student information about the Charter School-adopted coursework and Board-imposed graduation requirements from which he/she may be exempted pursuant to Education Code 51225.1

- The complainant has a right to appeal the Charter School's decision to CDE by filing a written appeal within 15 calendar days of receiving the Charter School's decision.
In any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the respondent also shall have the right to file an appeal with CDE in the same manner as the complainant, if he/she is dissatisfied with the Charter School's decision.

- The appeal to CDE must include a copy of the complaint filed with the Charter School and a copy of the Charter School's decision.

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the Charter School web site and may be provided through the Charter School-supported social media, if available.

The Executive Director or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the Charter School's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in the Charter School speak a single primary language other than English, the Charter School's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the Charter School shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

4. The Charter School's Responsibilities: All UCP-related complaints shall be investigated and resolved within 60 calendar days of the Charter School's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Charter School shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

All complainants shall be protected from retaliation.

5. Filing of Complaints: The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, the Charter School staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:
• A complaint alleging violation of applicable state or federal law or regulations governing the
programs specified in the accompanying Board policy (item #1 of the section "Complaints Subject
to the UCP") may be filed by any individual, public agency, or organization. (5 CCR 4630)

• Any complaint alleging noncompliance with law regarding the prohibition against requiring
students to pay student fees, deposits, and charges or any requirement related to the LCAP may be
filed anonymously if the complaint provides evidence, or information leading to evidence, to
support an allegation of noncompliance. A complaint about a violation of the prohibition against
the charging of unlawful student fees may be filed with the principal of the school or with the
Executive Director or designee. However, any such complaint shall be filed no later than one year
from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)

• A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation,
or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful
discrimination or by a person who believes that an individual or any specific class of individuals
has been subjected to it. The complaint shall be initiated no later than six months from the date
when the alleged unlawful discrimination occurred, or six months from the date when the
complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time
for filing may be extended for up to 90 days by the Executive Director or designee for good cause
upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

• When a complaint alleging unlawful discrimination (such as discriminatory harassment,
imintimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation
or other response as appropriate, depending on the specificity and reliability of the information
provided and the seriousness of the allegation.

• When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation,
or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the
compliance officer shall inform him/her that the request may limit the Charter School's ability to
investigate the conduct or take other necessary action. When honoring a request for confidentiality,
the Charter School shall nevertheless take all reasonable steps to investigate and resolve/respond to
the complaint consistent with the request.

6. Mediation: Within three business days after the compliance officer receives the complaint, he/she may
informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to
resolve complaints that involve more than one student and no adult. However, mediation shall not be
offered or used to resolve any complaint involving an allegation of sexual assault or where there is a
reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to
mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as
discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties
agree to make the mediator a party to relevant confidential information. The compliance officer shall also
notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer
shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the
complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful
and the complaint is withdrawn, then the Charter School shall take only the actions agreed upon through
the mediation. If mediation is unsuccessful, the Charter School shall then continue with subsequent steps specified in this administrative regulation.

7. **Investigation of Complaint:** Within ten business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the Charter School's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the Charter School's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the Charter School shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the Charter School to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

8. **Report of Findings:**

- OPTION 1: Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant, and respondent if there is one, a written report, as described in the section "Final Written Decision" below, within 60 calendar days of the Charter School's receipt of the complaint. (5 CCR 4631)
• OPTION 2: Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the Charter School's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the Charter School's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the Charter School's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

9. Final Written Decision: The Charter School's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with the Charter School’s legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the Charter School's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the Charter School shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

• The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
  o Statements made by any witnesses
  o The relative credibility of the individuals involved
  o How the complaining individual reacted to the incident
  o Any documentary or other evidence relating to the alleged conduct
  o Past instances of similar conduct by any alleged offenders
  o Past false allegations made by the complainant
For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- The manner in which the misconduct affected one or more students' education
- The type, frequency, and duration of the misconduct
- The relationship between the alleged victim(s) and offender(s)
- The number of persons engaged in the conduct and at whom the conduct was directed
- The size of the school, location of the incidents, and context in which they occurred
- Other incidents at the school involving different individuals

Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- The corrective actions imposed on the respondent
- Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.
- Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence

Notice of the complainant's and respondent's right to appeal the Charter School's decision to CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

- He/she may pursue available civil law remedies outside of the Charter School's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)
• The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to
discrimination complaints based on federal law. (Education Code 262.3)

• Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or
age may also be filed with the U.S. Department of Education, Office for Civil Rights at
www.ed.gov/ocr within 180 days of the alleged discrimination.

10. **Corrective Actions:** When a complaint is found to have merit, the compliance officer shall adopt any
appropriate corrective action permitted by law. Appropriate corrective actions that focus on the Charter
School’s environment may include, but are not limited to, actions to reinforce the Charter School’s policies;
training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment,
imidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to
the respondent may include, but are not limited to, the following:

• Counseling

• Academic support

• Health services

• Assignment of an escort to allow the victim to move safely about campus

• Information regarding available resources and how to report similar incidents or retaliation

• Separation of the victim from any other individuals involved, provided the separation does not
penalize the victim

• Restorative justice

• Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

• Determination of whether any past actions of the victim that resulted in discipline were related to
the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment,
imidation, or bullying), appropriate corrective actions that focus on a student offender may include, but
are not limited to, the following:

• Transfer from a class or school as permitted by law

• Parent/guardian conference

• Education regarding the impact of the conduct on others

• Positive behavior support

• Referral to a student success team
• Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law

• Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Charter School shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The Charter School may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the Charter School does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the Charter School shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the Charter School shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

11. Appeals to the California Department of Education: Any complainant who is dissatisfied with the Charter School's final written decision of a complaint regarding any specified federal or state educational program subject to the UCP may file an appeal in writing with CDE within 15 calendar days of receiving the Charter School's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) is dissatisfied with the Charter School's final written decision, he/she, in the same manner as the complainant, may file an appeal with CDE.

The complainant or respondent shall specify the basis for the appeal of the decision and how the facts of the Charter School's decision are incorrect and/or the law has been misapplied. The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the Charter School's decision in that complaint. (5 CCR 4632)

Upon notification by CDE that the complainant or respondent has appealed the Charter School's decision, the Executive Director or designee shall forward the following documents to CDE: (5 CCR 4633)

   b) further recognizes that suicide is a leading cause of death among young people,

   c) the has an ethical responsibility to take a proactive approach in preventing deaths by suicide, and
d) acknowledges the school’s role in providing an environment which is sensitive to individual and societal factors that place youth at greater risk for suicide and one which helps to foster positive youth development.

In recognition of the need to protect the health, safety and welfare of its students, to promote healthy development, to safeguard against the threat or attempt of suicide among school aged youth, and to address barriers to learning, Lake View Charter School - South hereby adopts a policy, which corresponds with and supports other federal, state and local efforts to provide youth with prevention education, early identification and intervention, and access to all local resources to promote health and prevent personal harm or injury.

With the intention of creating a safe and nurturing educational entity that minimizes suicidal ideation in students, we also recognize our duty to protect the health, safety, and welfare of our students, and aim to safeguard students and staff against suicide attempts, deaths and other trauma associated with suicide. These safeguards include ensuring adequate supports for students, staff, and families affected by suicide attempts and loss. Because the emotional wellness of students greatly impacts learning, motivation, and educational success, the current policy shall be paired with other policies that support the emotional and behavioral wellness of students. Our policy is based on research and best practices in suicide prevention, and has been adopted with the understanding that suicide prevention activities decrease suicide risk, increase help-seeking behavior, identify those at risk of suicide, and decrease suicidal behaviors. Empirical evidence refutes a common belief that talking about suicide can increase risk or “place the idea in someone’s mind.”

In an attempt to reduce suicidal behavior and its impact on students and families, the school has developed strategies for suicide prevention, intervention, and postvention, and the identification of the mental health challenges frequently associated with suicidal thinking and behavior. These strategies shall include professional development for parents/guardians, caregivers, students, and school personnel who regularly interact with students or serve in a position to recognize the risk factors and warning signs of suicide.

2. Parental/Guardian Involvement: Parents and guardians play a key role in youth emotional and behavioral health, including suicide prevention. This policy is meant to be used as a tool for parents/guardians to be informed and actively involved in decisions regarding a child’s welfare. Parents/guardians who learn the warning signs and risk factors for suicide are better equipped to connect with professional help when necessary. The school encourages and advises parents/guardians to take every statement regarding suicide or personal harm seriously and avoid assuming that a child is simply seeking attention.

Parents and guardians can also contribute to factors and conditions that reduce vulnerability to suicidal and self-harming behavior, for vulnerable youth populations. Feeling accepted by parents or guardians is a critical protective factor for vulnerable youth populations. As educators, Lake View Charter School - South faculty and staff can help protect vulnerable youth populations by ensuring that parents and guardians have adequate resources regarding family acceptance and the essential role it plays in students’ behavioral and emotional health.
3. Key Terms and Definitions:

- **At Risk** A student who is defined as high risk for suicide is one who has made a suicide attempt, has the intent to die by suicide, or has displayed a significant change in behavior suggesting the onset or deterioration of a mental health condition. The student may have thought about suicide including potential means of death and may have a plan. In addition, the student may exhibit feelings of isolation, hopelessness, helplessness, and the inability to tolerate any more pain. This situation would necessitate a referral, as documented in the following procedures.

- **Crisis Team** A multidisciplinary team of primarily administrative, mental health, safety professionals, and support staff whose primary focus is to address crisis preparedness, intervention/response, and recovery. These professionals have been specifically trained in crisis preparedness through recovery and take the leadership role in developing crisis plans, ensuring school staff can effectively execute various crisis protocols, and may provide mental health services for effective crisis interventions and recovery supports.

- **Mental Health** A state of mental and emotional being that can impact choices and actions that affect wellness. Mental health problems include mental and substance use disorders.

- **Postvention** Suicide postvention is a crisis intervention strategy designed to reduce the risk of suicide and suicide contagion, provide the support needed to help survivors cope with a suicide death, address the social stigma associated with suicide, and disseminate factual information after the suicide death of a member of the school community.

- **Risk Assessment** An evaluation of a student who may be at risk for suicide, conducted by the appropriate school staff (e.g., school psychologist or school counselor). This assessment is designed to elicit information regarding the student’s intent to die by suicide, previous history of suicide attempts, presence of a suicide plan and its level of lethality and availability, presence of support systems, and level of hopelessness and helplessness, mental status, and other relevant risk factors.

- **Risk Factors for Suicide** Characteristics or conditions that increase the chance that a person may try to take his or her life. Suicide risk tends to be highest when someone has several risk factors at the same time. Risk factors may encompass biological, psychological, and or social factors in the individual, family, and environment.

- **Self-Harm** Behavior that is self-directed and deliberately results in injury or the potential for injury to oneself. Can be categorized as either non-suicidal or suicidal. Although self-harm often lacks suicidal intent, youth who engage in self-harm are more likely to attempt suicide.

- **Suicide** Death caused by self-directed injurious behavior with any intent to die as a result of the behavior. Note: The coroner’s or medical examiner’s office must first confirm that the death was a suicide before any school official may state this as the cause of death.

- **Suicide Attempt** A self-injurious behavior for which there is evidence that the person had at least some intent to kill himself or herself. A suicide attempt may result in death, injuries, or no injuries. A mixture of ambivalent feelings such as wish to die and desire to live is a
common experience with most suicide attempts. Therefore, ambivalence is not a sign of a less serious or less dangerous suicide attempt.

- **Suicidal Behavior**: Suicide attempts, intentional injury to self associated with at least some level of intent, developing a plan or strategy for suicide, gathering the means for a suicide plan, or any other overt action or thought indicating intent to end one’s life.

- **Suicide Contagion**: The process by which suicidal behavior or a suicide influences an increase in the suicidal behaviors of others. Guilt, identification, and modeling are each thought to play a role in contagion. Although rare, suicide contagion can result in a cluster of suicides.

- **Suicidal Ideation**: Thinking about, considering, or planning for self-injurious behavior which may result in death. A desire to be dead without a plan or intent to end one’s life is still considered suicidal ideation and should be taken seriously.

4. **Risk Factors and Protective Factors:**

   **Risk Factors** are characteristics or conditions that increase the chance that a person may try to take her or his life or participate in self-harming behaviors. These risks tend to be highest when someone has several risk factors at the same time.

   **The most frequently cited risk factors for suicide are:**

   1. Major depression (feeling down in a way that impacts your daily life) or bipolar disorder (severe mood swings)
   2. Problems with alcohol or drugs
   3. Unusual thoughts and behavior or confusion about reality
   4. Personality traits that create a pattern of intense, unstable relationships or trouble with the law
   5. Impulsivity and aggression, especially along with a mental disorder
   6. Previous suicide attempt or family history of a suicide attempt or mental disorder
   7. Serious medical condition and/or pain

   It is important to bear in mind that the large majority of people with mental disorders or other suicide risk factors do not engage in suicidal behavior.

   **Protective Factors** are characteristics or conditions that may help to decrease a person’s risk of suicide or self-harming behaviors. While these factors do not eliminate the possibility of suicide, especially in someone with risk factors, they may help to reduce that risk. Protective factors for suicide have not been studied as thoroughly as risk factors, so less is known about them.

   **The most frequently cited protective factors of suicide include:**

   1. Receiving effective mental health care
   2. Positive connections to family, peers, community, and social institutions such as marriage and religion that foster resilience
   3. The skills and ability to solve problems
It is important for school districts to be aware of student populations that are at elevated risk of suicidal or self-harming behavior based on various factors:

1. Youth living with mental and/or substance use disorders. While the large majority of people with mental disorders do not engage in suicidal behavior, people with mental disorders account for more than 90 percent of deaths by suicide. Mental disorders, in particular depression or bipolar (manic-depressive) disorder, alcohol or substance abuse, schizophrenia and other psychotic disorders, borderline personality disorder, conduct disorders, and anxiety disorders are important risk factors for suicidal behavior among your people. The majority of people suffering from these mental disorders are not engaged in treatment, therefore school staff may play a pivotal role in recognizing and referring the student to treatment that may reduce risk.

2. Youth who engage in self-harm or have attempted suicide. Suicide risk among those who engage in self-harm is significantly higher than the general population. Whether or not they report suicidal intent, people who engage in self harm are at elevated risk for dying by suicide within 10 years. Additionally, a previous suicide attempt is a known predictor of suicide death. Many adolescents who have attempted suicide do not receive necessary follow up care.

3. Youth in out-of-home settings. Youth involved in the juvenile justice or child welfare systems have a high prevalence of many risk factors of suicide. Young people involved in the juvenile justice system die by suicide at a rate about four times greater than the rate among youth in the general population. Though comprehensive suicide data on youth in foster care does not exist, one research found that youth in foster care were more than twice as likely to have considered suicide and almost four times more likely to have attempted suicide than their peers not in foster care.

4. Youth experiencing homelessness. For youth experiencing homelessness, rates of suicide attempts are higher than those of the adolescent population in general. These young people also have higher rates of mood disorders, conduct disorders, and post-traumatic stress disorder.

5. American Indian/Alaska Native youth. In 2009, the rate of suicide among American Indian/Alaska Native youth ages 15-19 was more than twice that of the general youth population. Risk factors that can affect this group include substance use, discrimination, lack of access to mental health care, and historical trauma.

6. LGBTQ (lesbian, gay, bisexual, transgender, or questioning) youth. The CDC finds that LGBTQ youth are four times more likely, and questioning youth are three times more likely, to attempt suicide as their straight peers. The American Association of Suicidology reports that nearly half of young transgender people have seriously considered taking their lives and one quarter report having made suicide attempt. Suicidal behavior among LGBTQ youth can be related to experiences of discrimination, family rejections, harassment, bullying, violence and victimization. For those youth with baseline risk for suicide (especially those with a mental disorder), these experiences can place them at increased risk. It is these societal factors, in concert with other individual factors such as mental health history, and not the fact of being LGBTQ that will elevate the risk of suicidal behavior for LGBTQ youth.

7. Youth bereaved by suicide. Studies show that those who have experience suicide loss, through the death of a friend or loved one, are at increased risk for suicide themselves.

8. Youth living with medical conditions and disabilities. A number of physical conditions are associated with an elevated risk for suicidal behavior. Some of the conditions include chronic pain, loss of mobility, disfigurement, cognitive styles that make problem-solving a challenge, and other chronic limitations. Adolescents with asthma
are more likely to report suicidal ideation and behavior than those without asthma. Additionally, studies show that suicide rates are significantly higher among people with certain types of disabilities, such as those with multiple sclerosis or spinal cord injuries.

5. **Warning Signs of Suicide:** It is vital to suicide prevention that individuals are equipped to recognize the warning signs of someone who is seriously contemplating suicide. Behaviors that may mean a person is at immediate risk for suicide and thus prompt you to take action right away include:

- Talking about wanting to die or to kill one’s self
- Looking for a way to kill one’s self, such as a new or sudden interest in buying a gun
- Talking about feeling hopeless or like there’s no point in living or carrying on
- Unusual or unexpected visits or calls to family and friends to say “goodbye” as if they will not be seen again
- Sudden efforts to get one’s affairs in order, e.g., making a will out of the blue or giving away prized possessions
- A sudden sense of calm and happiness; though this might sound contradictory, if an extremely depressed person suddenly seems calm or happy, this can mean the person has made a decision to commit suicide. *Do not assume a person expressing a desire to die is joking.* Ask if they are serious. And make sure to follow up. Someone might say they are only joking when in fact the “joke” is motivated by a sincere desire to die. Suicide is not a joking matter; do not treat it as such. Less immediate, but still concerning, warning signs of suicidal ideation include:

- Feeling anxious or agitated
- Sudden reckless behavior
- Significant changes in sleep behavior (hardly sleeping, sleeping too much)
- Withdrawing or isolating from others
- Talking about feeling trapped
- Talking about pain feeling unbearable
- Talking about being a burden to others
- Increased use/abuse of alcohol or drugs
• Extreme mood swings

The above behaviors do not necessarily indicate suicidal ideation in and of themselves. However, when combined with other factors (like a recent, painful loss or public moment of humiliation), they should take on a new sense of urgency to intervene with help.

6. Responding to the Warning Signs: The most important thing you can do is take the person seriously. Do not judge them; do not make them feel bad; do not make a joke about it even if it makes you feel uncomfortable. Above all, do not assume the person is only seeking attention. That is not your judgment to make and you making it could be a life-threatening mistake. Be there, support them, and take immediate action. That immediate action should include, at the very minimum, the following:

• Talk to the person. Let them know you care about them.

• Listen without judging. This means you need to set aside whatever religious or theological beliefs you have about suicide in the abstract. This moment is about helping the human being in front of you who needs support.

• Try not to act/appear shocked. The person is already in distress; an overwhelming display of emotions on your part could only further distress them and make them feel they should not talk to you.

• Ask the person directly, “Are you thinking of ending your life?” or “Are you considering killing yourself?” Though it might make you uncomfortable, remember these four concrete questions: Suicidal? Method? Have what you need to follow through with plan? When?

The more information you know, the better you can help the suicidal person as well as the professionals that need to get involved. Also, asking these questions can help you determine how significant the risk. The more developed the person’s suicidal plan, the higher the risk. For example, if the person has a method and a time in mind, the risk is extremely high.

• If the person says, “No,” continue to be with the person and give support and stay in touch for the next few days, repeating the above process.

• If the person says, “Yes,” and has a plan and access to lethal means, do not leave the person alone. Get a professional involved. Immediately contact a local mental health professional, law enforcement, a local hospital emergency department, and/or the National Suicide Prevention Lifeline (1–800–273–8255).

• Provide any relevant information you may have about the person to those who are managing the crisis.

• Keep in contact with the person after the crisis and provide ongoing care and support.

• Draw on other leaders and volunteers in your home and school community to provide support
If a person ever asks you to keep their suicidal feelings or thoughts secret, refuse. The most loving response to someone feeling suicidal is getting them the help they need. A life is at risk. If the risk of chronic/not immediate: Sometimes people may display warning signs of suicide or feel suicidal but not have any plans to actually commit suicide. Their risk may be low, but their suicidal feelings or thoughts are still causing significant distress in their lives. Even though their risk of actually attempting suicide is low, you should still reach out and do your best to support them. Here are some ways you can do so:

- Ask them directly about their feelings and thoughts. You’d be surprised how willing some people are to talk about their suicidal urges. It might even be a relief for them to have someone to talk to about those urges. The Help Guide gives the following suggestions for starting such a conversation:

    ▪ **Ways to start a conversation about suicide:** I have been feeling concerned about you lately. Recently, I have noticed some differences in you and wondered how you are doing. I wanted to check in with you because you haven’t seemed yourself lately.

    ▪ **Questions you can ask:** When did you begin feeling like this? Did something happen that made you start feeling this way? How can I best support you right now? Have you thought about getting help?

    ▪ **What you can say that helps:** You are not alone in this. I’m here for you. You may not believe it now, but the way you’re feeling will change. I may not be able to understand exactly how you feel, but I care about you and want to help. When you want to give up, tell yourself you will hold off for just one more day, hour, minute—whatever you can manage.

Educate yourself about suicide. Study more about suicide, its causes, and how to show love to someone who struggles with it.

Do not talk about suicidal people as if they are “crazy” or “insane.” Use words that will not make them feel like isolating themselves even more. Most suicidal people are not clinically psychotic. They might be grief-stricken or depressed, but do not make them feel like they should be locked up in an asylum.

Help the person find professional assistance. Offer to help them find a counselor or therapist; offer to help fill out forms for applying to your county or state’s mental health care system.

Encourage positive lifestyle changes, such as exercising more. Start small: for example, invite the person to going for a walk or hiking with you on the weekend.
Help the person make a safety plan. Help the person develop a set of concrete and specific steps they promise to follow if they feel particularly suicidal. The plan should include things they promise to avoid (alcohol, drugs, etc.) and things they promise to do instead (call you, call another friend or therapist, etc.).

If necessary, have the person temporarily give you anything that they could use to commit suicide, such as unneeded, extra medications, razors, knives, etc.

Continue to stay in touch and support the person over the long-term. Repeat the above steps as needed.

7. **For Parents - Suicide Discussion/Communication: Talking to your Children:** Here are some suggestions to help you with introducing the subject:

- **Be courageous:** There is no shame in admitting that suicide is a scary issue. As parents, you probably want to protect your kids from all sorts of scary things. But you also have an obligation to teach them how to face reality and equip them to deal with all the scary things reality can bring. Here’s the truth: your kids are going to learn about suicide one way or another. So would you rather that they learn about it from the media or a friend who suddenly kills himself, or would you rather that you have the opportunity to educate them in advance? So face those fears and dive right in.

- **Pick a time where you can have an uninterrupted conversation:** Start the conversation when you have the best chance of having your child’s attention. A car ride, for example, ensures that your child will have fewer distractions than at home with the TV on. While you want to make sure your child gives you their attention, also make sure they don’t feel trapped. Remember: if talking about suicide makes you uncomfortable, it can also make your child feel uncomfortable. So make sure you not only have their attention, but that you do so in an environment that feels non-threatening and open.

- **Plan in advance:** Think about what you want to say and make sure you have the right information to talk to your child accurately and helpfully about suicide. Make notes or plan a script if you want.

- **Tailor the conversation to your child’s age:** When talking about suicide (or any big, serious topic, for that matter), make sure that you keep the conversation at a level that is appropriate for that child’s developmental level. For younger children, your descriptions can be shorter and simpler. For older children, give longer and more detailed answers. Additionally, older children will likely have many questions. If you don’t know the answer to a question, don’t be afraid to say that. You can make it into a learning experience and research the answer with your child together. That’s much better than inaccurate or misleading information.

- **Explain suicide in a way that dispels common myths:** Let your children know not only the facts about suicide, but also what depression is and how it can make people feel suicide is their only escape. Let them know that suicide is never a necessity and that there is always hope. Let them know that they are not bad if they feel sad or upset and that it’s ok to tell you if they do feel this way. Make sure they feel safe in your
home and that they do not have to pretend to always be happy. Let them know you will not judge them if they are feeling down and that you love them no matter how happy or sad they are.

- **Encourage them to talk to trusted adults:** Let your kids know that they can talk to you if they are feeling depressed or suicidal. Or let them know that if they ever feel uncomfortable talking to you about depression or suicide, that they can always talk to another trusted family member or adult in your community. The important thing is that they do not hold their feelings inside until they become so unbearable they feel like they are going to explode.

- **Let your child speak:** Ask your child what they think about the topic. Just be direct, e.g., “Have you thought about suicide? What do you think about it? Do your friends think about it? Do you know who you can talk to if you’re feeling these feelings?”

- **Listen to your child:** If you ask your child what they think, make sure to be silent and give them the space to talk. If they say something that is inaccurate or that worries you, definitely be honest but do not interrupt them. Wait until they are done, affirm that you heard what they said and appreciate that they shared their thoughts with you, and then address whatever issues you feel need to be corrected.

- **Seeking Assistance:** There are differing situations where your child’s distress may become apparent. Your child may reveal their suicidal thoughts to you, a friend, or a trusted adult. Whoever becomes aware of your child’s distress must immediately seek assistance. In seeking assistance, your child’s safety is the first consideration. The child should never be left alone during this crisis. If your child has a physician or therapist, call to alert them of the situation.

**For the Child/ Student:** School can be an exciting time, filled with new experiences, but at times you might feel as though it is more of a struggle. This information is meant to help you as you work through a tough time.

Life can be stressful. Between the friend drama, packed schedules, classes, clubs, relationships, sports, jobs, parental expectations, figuring out who you are, uncertainty over things, and not getting enough sleep, life can occasionally get you down and feel overwhelming. That is normal.

What is not normal is struggling through each day, feeling like things will only get worse. Maybe you feel like you have lost control, that nothing matters, or that you are alone. These feelings may indicate a condition that requires professional help, such as depression, anxiety or other mental health conditions.

Not everyone experiences mental health conditions in the same way, but **everyone struggling with their mental health deserves help.** Depression is among the most common conditions experienced. It is a complex medical illness that significantly interferes with an individual’s ability to function, enjoy life, and feel like themselves.
A number of factors may contribute to a person becoming depressed; genetic predisposition and stressful life events can certainly play a role, but sometimes depression can occur without an obvious cause. This means that anyone can become depressed, even those who seemingly have every reason to be happy.

Depression commonly affects your thoughts, your emotions, your behaviors, and your overall physical health. Experiencing any one of these symptoms on its own does not constitute depression; a diagnosis of depression requires several of these symptoms to occur for at least two weeks. Here are some of the most common symptoms that point to the presence of depression:

- **Feelings:**
  - Sadness
  - Hopelessness
  - Guilt
  - Moodiness
  - Angry outbursts
  - Loss of interest in friends, family, and favorite activities

- **Thoughts:**
  - Trouble concentrating
  - Difficulty making decisions
  - Trouble remembering
  - Thoughts of harming oneself
  - Delusions and/or hallucinations can also occur in cases of severe depression

- **Behaviors:**
  - Withdrawing from people
  - Substance abuse
  - Missing work, school, or other commitments
  - Attempts to harm oneself (e.g., cutting)

- **Physical/Somatic Problems:**
  - Tiredness or lack of energy
If you are experiencing symptoms of depression, it is important to talk to a trusted adult (parent, teacher, counselor, coach, or clergy) or doctor so that you can get the help you need. **Depression does not go away on its own, but with the appropriate help it can be treated.** Studies show that more than 80% of people with depression can feel better with talk therapy (counseling) and/or medication. Maybe you have noticed that your friend has not been acting like themselves lately and you are worried about whether or not they are really “fine” after all. If you think a friend may be depressed, show them you care by reaching out. Give yourself time to talk in a private, comfortable place. Honestly share what you have noticed (changes in behavior, things they have said or done) and ask them how they are feeling. Let them know that you are asking them because you care, because you want them to feel better, and because there is help. Let them know that there is hope and help available, and support them to get the help they need. If you don’t feel comfortable asking your friend, share your concerns with a trusted adult who can. Talking about mental health can be difficult, but reaching out and getting help for depression is one of the most courageous, important things you can do for yourself or for a friend. **It might even save a life.**

- Resources at home or outside school:
  - Talk to a parent or older relative
  - Call your pediatrician or physician
  - Talk to a trusted adult, teacher, or guidance counselor
  - National Suicide Prevention Lifeline: 800-273-8255
  - If someone is in immediate danger, **call 911. Getting help does not mean that you have failed, it demonstrates courage, hope, and means you’ve allowed others to show they care.**

### 8. Assessment and Referral:

When a student is identified by a staff person as potentially suicidal, e.g., verbalizes about suicide, presents overt risk factors such as agitation or intoxication, the act of self-harm occurs, or a student self-refers, the student will be seen by a school employed mental health professional within the same school day to assess risk and facilitate referral. If there is no mental health professional available, a school nurse or administrator will fill this role until a mental health professional can be brought in.

- School staff will continuously supervise the student to ensure their safety.
- The designated mental health and suicide prevention coordinator (s) will be made aware of the situation as soon as reasonably possible.
• The mental health professional/coordinator will contact the student’s parent or guardian, and will assist the family with urgent referral. When appropriate, this may include calling emergency services or bringing the student to the local hospital emergency department, but in most cases will involve setting up an outpatient mental health or primary care appointment and communicating the reason for referral to the healthcare provider.

• Staff will ask the student’s parent or guardian for written permission to discuss the student’s health with outside care, if appropriate.

**Protecting the health and well-being of all students is of utmost importance. A suicide prevention policy serves to assist and protect all students through the following steps:**

• Students should be made aware of and informed about recognizing and responding to warning signs of suicide in peers and friends, using coping skills, using support systems, and seeking help for themselves and friends.

• Lake View Charter School – South will designate a suicide prevention coordinator to serve as a point of contact for students in crisis and to refer students to appropriate resources.

• When a student is identified as being at risk, they will be assessed by a school employed mental health professional who will work with the parents, staff, and student, and help connect them to appropriate local resources.

• Students will have access to national resources which they can contact for additional support.

• All students will be expected to help create a school culture of respect and support in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell an adult (e.g. teacher, parent) if they, or someone they know, is feeling suicidal or in need of help.

• Students should also know that because of the life or death nature of these matters, confidentiality or privacy concerns are secondary to seeking help for students in crisis.

**Coping Skills/Healthy Behaviors:** These are positive actions and behaviors that a student engages in to help them through their struggles on a daily basis. Some coping strategies include activities that students can do in order to regulate his/her emotions; ask the student for input, and teach him/her additional strategies if necessary. Strategies may include: slow breathing, yoga, play basketball, draw, write in journal, take a break from school activities to drink water, listen to music.

**Places I Feel Safe:** These are places that the student feels most comfortable. It should be a safe, healthy, and generally supportive environment. This can be a physical location, an imaginary happy place, or in the presence of safe people. Help students identify a physical and/or emotional state of being. Places may include: my being with my friends, youth group at church, imagining I am on a beach watching the waves.
School Support: Any school staff member or administrator can check in with a student regularly (regardless of whether or not the student seeks out help). Notify student’s teacher(s) and request monitoring and supervision of the student (keeping in mind not to share confidential information).

Adult Support: It is important that a student also feel connected with healthy adults at home or in their community. The student should trust these adults and feel comfortable asking for help during a crisis. Identify how student will communicate with these individuals and include a phone number. Some adults may include: family (e.g., grandparent, aunt, uncle, adult sister); clergy (e.g. youth pastor); or neighbor.

9. Prevention: School Policy Implementation: A suicide prevention coordinator shall be designated by the Mission Vista Administration. This may be an existing staff person, such as a School Counselor or School Psychologist. The suicide prevention coordinator will be responsible for planning and coordinating implementation of suicide prevention for the school.

The school suicide prevention coordinator will act as a point of contact in the school for issues relating to suicide prevention and policy implementation. All staff members shall report students they believe to be at elevated risk for suicide to the school mental health/suicide prevention coordinator.

Providing a safe, positive, and welcoming school climate; and ensuring that students have trusting relationships with adults serves as the foundation for effective suicide prevention efforts. Bullying and suicide-related behaviors have a number of shared risk factors including mental health challenges (e.g., depression, hopelessness, and substance use/abuse). Youth who report frequently bullying others and those who report being frequently bullied are at increased risk for suicidal thoughts and behavior. Bully-victims (those who report both bullying others and being bullied) are at the highest risk for suicidal thoughts and behaviors. Keep in mind the relationship between bullying and suicide is more complex and less direct than it might appear. While bullying may be a precipitating event, there are often many other contributing factors, including underlying mental illness.

Prevention efforts should also address non-suicidal self-injury (NSSI or "cutting"). While the behavior is typically not associated with suicidal thinking, it is a red flag that someone is distressed and does increase the risk for suicidal thinking and behaviors. It is important that school staff learn to recognize the signs of NSSI, including cuts, burns, scratches, scabs, and scrapes, especially those that are recurrent and if explanations for the injuries are not credible. Suicide risk assessment should always be a part of intervention with the student who displays NSSI.

Staff Professional Development: All staff will receive annual professional development on risk factors, warning signs, protective factors, response procedures, referrals, post-vention, and resources regarding youth suicide prevention. The professional development will include additional information regarding groups of students at elevated risk for suicide, including those living with mental and/or substance use disorders, those who engage in self-harm or have attempted suicide, those in out-of-home settings, those experiencing homelessness, American Indian/Alaska Native student, LGBTQ students, students bereaved by suicide and those with medical conditions or certain types of disabilities. Additional professional development in risk assessment and crisis intervention will be provided to school employed mental health professionals and school nurses.
Identification and Intervention: Early identification and intervention are critical to preventing suicidal behavior. When a parent/caregiver or school staff become aware of a student exhibiting potential suicidal behavior, they should immediately and contact a member of the school's crisis response team for a suicide risk assessment and support. If the appropriate staff is not available, 911 should be called. Typically, it is best to inform the student what you are going to do every step of the way. Under no circumstances should the student be left alone (even in a bathroom/ restroom). Reassure and supervise the student until a 24/7 caregiving resource (e.g., mental health professional or law enforcement representative) can assume responsibility.

Designated members of the school crisis team should conduct a suicide risk assessment. The purpose of the assessment is to determine the level of risk and to identify the most appropriate actions to ensure the immediate and long-term safety and well-being of the student. This should be done by a team that includes a school-employed mental health professional.

Caregiver notification is a vital part of suicide prevention. The appropriate caregiver(s) must always be contacted when signs of suicidal thinking and behavior are observed. Typically this is the student's parent(s); however, when child abuse is suspected protective services should be contacted. Even if a child is judged to be at low risk for suicidal behavior, schools may ask caregivers to sign a form to indicate that relevant information has been provided. Regardless, all caregiver notifications must be documented. Caregivers also provide critical information in determining level of risk. Whether a student is in imminent danger or not, it is strongly recommended that lethal means are (e.g., guns, poisons, medications, and sharp objects) are removed or made inaccessible.

Refer to community services if warranted. Referral options to 24 hour community-based services should be identified in advance. It is best to obtain a release from the primary caregiver to facilitate the sharing of information between the school and community agency.

Help the parent/caregiver and/or school staff to develop with the student a safety plan. Helping the student to develop a written list of coping strategies and sources of support that can be of assistance when he or she is having thoughts of suicide (e.g., a safety plan) is recommended. Suicide prevention hotlines (e.g., 800-273-TALK) and the app MY3 (my3app.org) can be helpful elements of such a plan.

Schools are legally responsible for documenting every step in the assessment and intervention process. A documentation form for support personnel and crisis response team members should be developed to record all suicide intervention actions and caregiver communication. Student information must be kept confidential but there are exceptions to FERPA when safety is of concern. Staff responsible for the safety and welfare of the student should be provided with the information necessary to work with the student and preserve the safety. School staff members do not need clinical information about the student or a detailed history of his or her suicidal risk or behavior. Discussion among staff should be restricted to the student's treatment and support needs.

Keep tabs on the rumor mill (including social media). If you hear or see something credible, refer the student to a school-employed mental health professional or crisis response team member. At the same time, gossip about particular incidents and students should also be discouraged.
Please Remember:

If it seems that an individual is in immediate danger of hurting himself or herself: Take the person to a hospital Emergency Room to be evaluated by a health professional.

If the person refuses help: Call 9-1-1 for police evaluation of the individual. If the person is a danger to self or others, the officer can transport the person to a hospital where he or she may be held.

Postvention. Following a suicide, school communities must strike a delicate balance. Students should have an opportunity to grieve, but in a way that does not glorifying, romanticizing or sensationalizing suicide, which may increase suicide risk for other students.

Confirm facts. Confirm the facts related to the death with the family and/or police. Inform other schools in the district with students related or close to the deceased. Contact the family to offer condolences, ask what the school can do to help, offer resources, and to discuss communication with the school community. Protect and gather the personal effects of the deceased for the family and/or the police. Pay close attention to other students (and staff) who may also be at risk of suicidal behavior.

Resources needed. In some situations, schools may have adequate resources to handle the aftermath of a suicide. However, it is critical that schools assess the impact of the suicide on the school community to determine the level of postvention support needed. Factors to consider include how well known the student was, if the suicide was public (e.g., occurred at a school event), and/or if the deceased had shared his/her suicidal intentions with others (particularly to large numbers of other students via social media). These factors generally increase the impact and thus the potential postvention needs of members of the school community.

Contagion. Suicide contagion occurs when suicidal behavior is imitated. The effect is strongest among adolescents: they appear to be more susceptible to imitative suicide than adults, largely because they may identify more readily with the behavior and qualities of their peers. Guilt, identification, and modeling are each thought to play a role in contagion. Sometimes suicide contagion can result in a cluster of suicides. Studies indicate that 1-5% of all suicides within this age group are due to contagion (100-200 teenage cluster suicides per year).

Suicide postvention strategies designed to minimize contagion include avoiding sensationalism or giving unnecessary attention to the suicide, avoiding glorifying or vilifying of suicide victims, and minimizing the amount of detail about the suicide shared with students.

If there appears to be contagion, school administrators should consider taking additional steps beyond the basic crisis response, including stepping up efforts to identify other students who may be at heightened risk of suicide, collaborating with community partners in a coordinated suicide prevention effort, and possibly bringing in outside experts.

Memorials. Memorials in particular run the risk of glamorizing suicide and should thus be implemented with great care. Living memorials are recommended such as making donations to a local crisis center, participating in an event that raises awareness about suicide prevention, or providing opportunities for service activities in the school that emphasize the importance of student's taking care of each other.
Care for the caregiver. It is important that administrators and crisis team members not underestimate the potential impact that a suicide can have on school staff members. School leaders should promote a culture in which both the students and the adults in the building feel comfortable asking for help and/or to take a break. Providing contact information and encouraging staff to meet their own mental health needs is an important first step in ensuring that staff are adequately supported.

Grief. Understanding the nature of grief can help us better cope with loss. Grief is a natural, healthy process that enables us to recover from terrible emotional wounds. Grief can affect our thinking, behavior, emotions, relationships, and health. People may experience sleeplessness, exhaustion, indigestion, lack of appetite, or memory lapses. Recognizing that these are common reactions to grief can help us minimize them by reaching out to friends, or joining a community support group.

The journey through grief has four phases:

- **Shock** – In the days and weeks immediately following a devastating loss, common feelings include numbness and unreality, like being trapped in a bad dream.

- **Reality** – As the fact of the loss takes hold, deep sorrow sets in, accompanied by weeping and other forms of emotional release. Loneliness and depression may also occur.

- **Reaction** – Anger, brought on by feelings of abandonment and helplessness, may be directed toward family, friends, doctors, and the one who died or deserted us. Other typical feelings include listlessness, apathy, and guilt over perceived failures or unresolved personal issues.

- **Recovery** – Finally, there is a gradual, almost imperceptible return to normalcy. This is a time of adjustment to the new circumstances in life.

These phases vary in duration for each person, so the school should not impose a timetable upon anyone. Some people need a year or two, while others may take less time. Holidays, anniversaries, and birthdays can trigger intense grief, especially the first year. Everyone grieves differently – depending on personality, religious beliefs, maturity, emotional stability, and cultural traditions.

a. Term: This Agreement shall be effective as of August 1, 2019 until June 30,
2020.

b. Termination: Vendor may terminate this Agreement for cause after providing

Agreement at any time, with or without cause in its sole discretion with same-
day written notice. Upon termination, School shall pay Vendor for all necessary
and approved Services rendered pursuant to this Agreement and relevant
Enrichment Certificate(s) up to the effective date of termination. School has no
obligation to pay Vendor for any Services provided after the effective date of
termination. The termination of this Agreement constitutes a termination of any
active invoices and Enrichment Certificates.

SECTION 2. SERVICES.

a. Scope of Services: Vendor is hereby engaged by School to perform the student
enrichment services specified in Exhibit A, incorporated herein by reference
("Services"), subject to the terms and conditions contained herein. Vendor
assumes full responsibility for the performance of the Services provided under
the terms of this Agreement. School does not guarantee any minimum amount of work by this Agreement.

b. **No Authority to Bind School:** Vendor understands and agrees that Vendor lacks the authority to bind School contractually, conduct business on School’s behalf, or incur any obligations on behalf of School. Specifically, Vendor agrees not to represent himself/herself or any Vendor employees, agents, or contractors as an employee of School in any capacity, including, but not limited to, when interacting with School students, parents, vendors, or employees.

c. **Responsibility for Performance:** Vendor assumes full responsibility for the performance of Vendor’s duties under the terms of this Agreement and warrants that Vendor and its employees, contractors, and other agents are fully qualified in Vendor’s specialized skill or expertise to perform such duties. Vendor will not enter into any contract or engagement that conflicts or interferes with Vendor’s duties under this Agreement.

d. **Compliance with Charter Petition and Law:** Except when otherwise expressly required by applicable law, School shall not be responsible for monitoring Vendor’s compliance with the law, charter petition, and Agreement. Vendor acknowledges that School must comply with Education Code § 220’s prohibitions against discrimination, obligations to provide a free appropriate education to students with exceptional needs pursuant to the Individuals with Disabilities Education Act (“IDEA”) and Section 504 of the Rehabilitation Act, and be non-sectarian in its programs. Vendor must be non-sectarian in any Services provided to School students. Vendor shall ensure its performance of its Services complies with these legal and charter petition requirements. If Vendor performs any Services in a manner that is contrary to law, Vendor shall bear all claims, costs, losses and damages (including, but not limited to, reasonable attorneys’ fees and costs) arising therefrom.

e. **Service Limitations:** Vendor shall not serve any School students for more than twelve (12) hours a week under this Agreement or any other arrangement. Vendor is prohibited from providing services under this Agreement to a relative (e.g., child, sibling, etc.) of the Vendor or an employee, officer, or agent of the Vendor. School shall not be responsible for paying Vendor for the prohibited services described in this subsection. A violation of this subsection constitutes a material breach of the Agreement.

### SECTION 3. PAYMENT.

School is not responsible for the costs of Services without issuance of an Enrichment Certificate. The Enrichment Certificate will detail requested Services, dates of Services, fees for Services, and other relevant information. Vendors must first receive an Enrichment Certificate before providing Services to students. School does not pay for Services in
advance. If an Enrichment Certificate expires, Vendor must cease providing Services until it receives another Enrichment Certificate.

b. **Vendor Invoice**: School shall pay Vendor for Services performed through invoices. Vendor will remit one (1) itemized invoice after completing the Services pursuant to an Enrichment Certificate. Vendors should submit invoices to **CCS-invoicing@inspireschools.org**. School will endeavor to pay undisputed invoice amounts within thirty (30) days of receipt.

Upon School’s request, Vendor shall provide copies of certification or licensure. Subject to the terms of this Agreement, Vendor shall render all Services hereunder in accordance with this Agreement and Exhibit A, Vendor’s independent and professional judgment and in compliance with all applicable laws and with the generally accepted practices and principles of Vendor’s trade. Vendor is customarily engaged in the independently established trade, occupation, or business of the same nature as the Services performed.

b. **Relationship**: The School is not an employer of Vendor or its employees, contractors, or agents and shall not supervise individuals as such in carrying out the Services to be performed by Vendor under the terms of this Agreement. It is expressly understood between the parties that Vendor and its employees, contractors, and agents are not employee(s) of School.

c. **Licenses**: Vendor warrants that Vendor is engaged in an independent and bona fide business operation, markets him/her/itself as such, is in possession of a valid business license/insurance when required, and is providing or capable of providing similar services as set forth in Exhibit A to others.
d. **No Training or Instruction:** Although School may at times provide information concerning its business and students to Vendor, School will not provide any training or instruction to Vendor concerning the manner and means of providing the Services that are subject to this Agreement because Vendor warrants that Vendor is highly skilled in its industry.

**SECTION 5. TAXES.** Because Vendor is not an employee of School, all compensation called for under this Agreement shall be paid without deductions or withholdings, and will be accompanied by an IRS Form 1099, as applicable, at year end. Vendor is responsible for the reporting and payment of any state and/or federal income tax or other withholdings on the compensation provided under this Agreement or any related assessments. In addition, Vendor shall fill out and execute a Form W-9. In the event that the Internal Revenue Service or the State of California should determine that Vendor or its employee(s) is/are an employee of School subject to withholding and social security contributions, Vendor acknowledges consistent with this Agreement that all payments due to Vendor under this Agreement are gross payments, and the Vendor is solely responsible for all income taxes, social security payments, or other applicable deductions thereon.

**SECTION 6. Following DOJ clearance, Vendor will certify to School that no one working on behalf of Vendor (e.g., Vendor employees, agents, or contractors) working with School students have been convicted or have pending charges of a violent or serious felony as defined in Penal Code sections 667.5(c) and 1192.7(c). The cost of the background check is the Vendor’s responsibility.

b. **First Aid & CPR Certification:** Upon School’s request, Vendor shall ensure its employees, agents, or contractors obtain First-Aid and CPR Certification.
c. **Supervision:** Vendor is responsible for supervising and ensuring students have a safe environment from the time they are dropped off to receive Services and until the responsible party picks them up. Students may not be left unattended during Vendor’s provision of Services. Vendor may not transport students without School’s express written permission.

d. **Student Discipline:** Vendor acknowledges that School is responsible for managing and overseeing the education program, which incorporates the Vendor’s enrichment services. Vendor must notify School when students act inappropriately and may require discipline. School is responsible for issuing discipline to students. If Vendor learns a student may pose a health or safety threat to himself/herself or to other individuals, Vendor must immediately notify the School. If Vendor wishes to remove a participant from their Services, the Vendor shall notify School and the parties will discuss appropriate measures.

**SECTION 9. INDEMNIFICATION AND INSURANCE.**

a. **Indemnification:** To the maximum extent allowable by law, Vendor will indemnify, defend, and hold harmless School, its officers, directors, employees, agents and volunteers from and against all claims, demands, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies, including interest, penalties, attorneys’ fees, and costs that such entities or persons may incur that arise out of or relate to this Agreement or the alleged negligence, recklessness or willful misconduct of Vendor, including of Vendor’s officers, directors, employees, subcontractors, agents, representatives, volunteers, successors, assigns or anyone for whom Vendor is legally responsible. Vendor’s indemnity, defense and hold harmless obligations shall survive the termination of this Agreement. To the maximum extent allowable by law, Vendor also agrees to hold harmless, indemnify, and defend School from any and all liability, damages, or losses (including reasonable attorneys’ fees, costs, penalties, and fines) School suffers as a result of (a) Vendor’s failure to meet its obligations under Sections 4-6, or (b) a third party’s designation of Vendor or Vendor’s employees, agents, or contractors as an employee of School regardless of any actual or alleged negligence by School.

b. **General Liability Insurance Limits:** Vendor agrees to maintain general liability insurance coverage, including both bodily injury and property damage, with at least the following coverage limits:

   i. $1,000,000 per occurrence
   ii. $2,000,000 general aggregate
   iii. $500,000 personal & adv. injury

c. **Additional Insurance Requirements:** Vendor’s insurance shall constitute primary coverage for any loss or liability arising from or relating to this Agreement and any insurance held by School shall constitute secondary, excess coverage. School may require additional insurance coverage.
depending on the Services and shall communicate these insurance requirements to the Vendor in conjunction with the provision of an Enrichment Certificate. Vendor’s insurance policies required under this Agreement shall name School as additionally insured.
SECTION 10. CONFIDENTIALITY.

a. Confidential Information: Vendor acknowledges that during the course of performing Services, Vendor may become privy to confidential, privileged and/or proprietary information important to the School. Vendor further acknowledges its obligations under the Family Educational Rights and Privacy Act (“FERPA”) and California Uniform Trade Secrets Act. Vendor shall ensure that all of its employees, agents and contractors agree to the requirements of this section prior to receiving any Confidential Information (defined below). Vendor shall not use or disclose during or after the term of this Agreement, without the prior written consent of School, any information relating to School’s employees, directors, agents, students or families, or any information regarding the affairs or operations of School, including School’s confidential/proprietary information and trade secrets (“Confidential Information”). Confidential Information, whether prepared by or for the School, includes, without limitation, all of the following: education records, student rosters, medical records, personnel records, information technology systems, financial and accounting information, business or marketing plans or strategies, methods of doing business, curriculum, lists, email addresses and other information concerning actual and potential students or vendors and/or any other information Vendor reasonably should know is treated as confidential by the School. The only allowed disclosures of Confidential Information are (i) with prior written consent of School; (ii) after the information is generally available to the public other than by reason of a breach by Vendor of this agreement to maintain confidentiality; (iii) after the information has been acquired by Vendor through independent means and without a breach of Vendor’s duties to School under this Agreement or otherwise; or (iv) pursuant to the order of a court or other tribunal with jurisdiction if Vendor has given School adequate notice so that School may contest any such process. Personally identifiable student information may only be used as necessary to meet Vendor’s obligations under this Agreement. Vendor must take all necessary and appropriate steps to protect and safeguard all of School’s Confidential Information and proprietary information from unauthorized disclosure.

b. Disclosure of Records: School will provide Vendor with those records requested by Vendor that are reasonably necessary to allow Vendor to perform the Services. Vendor shall use any such records only for the purpose provided and not for the benefit of any other person or entity. Upon termination of this Agreement or School’s request, Vendor will immediately surrender to School or destroy all Confidential Information and other materials provided to Vendor by School, including all physical copies, drafts, digital or computer versions.

SECTION 11. ENTIRE AGREEMENT. This Agreement and its incorporated exhibits constitute the entire agreement between the parties with respect to the subject matter contained herein and supersede all agreements, representations and understandings of the parties with respect to such subject matter made or entered into prior to the date of this Agreement.
SECTION 12. DISPUTE RESOLUTION.

a. Informal Dispute Resolution: If there is any dispute or controversy between the parties arising out of or relating to this Agreement, the parties shall first meet and confer informally in an attempt to resolve the issue.

b. Mediation: If reasonable efforts at informal resolution are unsuccessful, the parties shall participate in a mediation with a mutually-agreed upon mediator. Any costs and fees, other than attorneys’ fees, associated the mediation shall be shared equally by the parties.

c. Arbitration: If School has paid more than $25,000 to Vendor for Services since the start of the previous fiscal year, and efforts to resolve the dispute at mediation are unsuccessful, the parties agree that such dispute will be submitted to private and confidential arbitration by a single neutral arbitrator through Judicial Arbitration and Mediation Services, Inc. ("JAMS") at the nearest JAMS location, or other service agreed upon by both parties, and that such arbitration will be the exclusive final dispute resolution method under this Agreement. The JAMS Streamlined Arbitration Rules & Procedures in effect at the time the claim or dispute is arbitrated will govern the procedure for the arbitration proceedings between the parties. The arbitrator shall not have the power to modify any of the provisions of this Agreement. The decision of the arbitrator shall be final, conclusive and binding upon the parties hereto, and shall be enforceable in any court of competent jurisdiction. The party initiating the arbitration shall advance the arbitrator’s initial fee. Otherwise and thereafter, each party shall bear their own costs of the arbitration proceeding or litigation to enforce this Agreement, including attorneys’ fees and costs. Except where clearly prevented by the area in dispute, both parties agree to continue performing their respective obligations under this Agreement until the dispute is resolved, subject to the right to terminate this Agreement. Nothing in this Agreement is intended to prevent either party from obtaining injunctive or equitable relief in court to prevent irreparable harm pending the conclusion of any such arbitration.

SECTION 13. MODIFYING THE AGREEMENT. No supplement, modification, or amendment of this Agreement shall be binding unless in writing and executed by both parties.

SECTION 14. NO WAIVER. No waiver of any provision of this Agreement shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.

SECTION 16. SEVERABILITY. If any provision of this Agreement is invalid or contravenes applicable law, such provision shall be deemed not to be a part of this Agreement and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential business purpose of this Agreement.

Lake View Charter School is committed to ensuring that all enrolled students and all employees are safe and secure. Lake View Charter School believes that a beginning step toward safer schools is the development of a comprehensive plan for school safety by every school. Lake View Charter School intends that parents, students, teachers, administrators, counselors, classified personnel, and community agencies develop safe school plans as a collaborative process. The plan will be reviewed and updated on an annual basis and proposed changes will be submitted to the Board for approval.

Section A: General Information – School Safety - Includes Employee Fingerprint/Background Check - Ed Code 44237

Part 2: Legislative Requirements

The California Education Code (sections 35294-35294.9) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

This requirement was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 187/SB 334 to contain the following elements:

Plans for Charter Schools must “identify appropriate strategies and programs that provide and maintain a high level of school safety and address the school’s procedures for complying with existing laws related to school safety, including but not limited to” the following:

A. Employee Fingerprint/Background Check – Ed Code 44237
B. Child Abuse Reporting Procedures - Penal Code 11165.5 & .6
C. Emergency/Disaster Plans – Ed Code 32287; CCR Title 8, Sec 3220; ADA
D. Suspension/Expulsion policies and procedures – Ed Code 48915
E. Procedures to notify teachers of dangerous pupils – Ed Code 49079
F. Discrimination and Harassment Policy (include hate crime reporting procedures and policies)*
G. Schoolwide Dress Code (if it exists - including prohibition of gang-related apparel)
H. Procedures for safe ingress and egress of pupils, parents, and school employees to and from school site (pick-up, drop-off, maps, etc.)
I. A safe and orderly environment conducive to learning at the school

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

Part 3: Maintaining a Safe and Orderly Environment

It is a priority of the administration and staff at Lake View Charter School that every student who attends our school will be provided with an environment in which the students not only feel physically safe, but that there is also a positive school climate in all activities.

Our administration and staff desire to provide an orderly, caring, and nondiscriminatory learning environment in which all students can feel comfortable and take pride in their school and their achievements.

Our administration encourages staff to teach students the meaning of equality, human dignity, and mutual respect, and to employ cooperative learning strategies that foster positive interactions among students from diverse backgrounds.

Students shall have opportunities to voice their concerns about school policies and practices and to share responsibility for solving problems that affect their school. Staff shall encourage and reward success and achievement, participation in community projects, and positive student conduct.

Our school network promotes nonviolent resolution techniques in order to encourage attitudes and behaviors that foster harmonious relations. Staff shall receive training which implements and supports conflict resolution (California Education Code Sections 32230-32239, 35160, 35160.1, 44806).

Lake View Charter School remains in compliance with existing laws related to school safety. This plan outlines several elements critical to maintaining a safe school environment.

Part 4: Criminal Background Check

CRIMINAL BACKGROUND CHECK

Lake View Charter School recognizes the importance of maintaining a safe workplace with employees who are honest, trustworthy, qualified, reliable, and nonviolent, and do not present a risk of harm to students, coworkers or others. Lake View Charter School will perform applicant background checks and employee investigations as required by Education Code section 47605 [b][f], which requires that “each employee of the school furnish the school with a criminal record summary”.

All employees must have Live Scan fingerprint results on file with Lake View Charter School. Proof of Live Scan fingerprinting is a requirement of employment and the results must be provided to Lake View Charter School prior to the first day of work. Live Scan fingerprinting will be required of all job applicants, employees, and volunteers as required by California and federal law. Background checks may also be required of employees whose job duties involve care of students, handling of money, valuables or confidential information, or as otherwise deemed prudent by the school. These background checks are performed through a fingerprinting service coordinated by the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Any and all information obtained by Lake View Charter School may be taken into consideration in evaluating one’s suitability for employment, promotion, reassignment, or retention as an Employee.

Lake View Charter School shall also request subsequent arrest notification from the Department of Justice and take all necessary action based upon such further notification.

Lake View Charter School may occasionally find it necessary to investigate current employees, where behavior or other relevant circumstances raise questions concerning work performance, reliability, honesty, trustworthiness, or potential threat to the safety of coworkers, students or others. Employee investigations may, where appropriate, include credit reports and investigations of criminal records, including appropriate inquiries about any arrest for which the employee is out on bail. In the event that a background check is conducted, Lake View Charter School will comply with the federal Fair Credit Reporting Act and applicable state laws, including providing the employee with any required notices and forms. Employees subject to an investigation are required to cooperate with Lake View Charter School’s lawful efforts to obtain relevant information, and may be disciplined up to and including suspension without pay and/or termination for failure to do so.

Employees with adverse background information (such as certain specific criminal conviction) may be ineligible for employment with Lake View Charter School.
Child abuse reporting law (Penal Code Section 11166) requires that a Lake View Charter School employee who has reason to believe that a child has been subjected to abuse, report the incident to the proper authorities.

At Lake View Charter School, protecting children from child abuse is a major priority. Each year the administration sets aside time to meet with staff to discuss child abuse indicators and to remind teachers of the procedures to follow when abuse is suspected.

Employees of Lake View Charter School are familiar with Penal Code Section 11166 and understand the requirement that certificated and classified personnel report suspected child abuse immediately or as soon as practically possible to the Senior Director or to Children’s Protective Services by telephone. They are aware that a call must be followed within at least 36 hours by a written report to the child protective agency.

All staff is aware of the location of a Child Abuse Information Folder that is kept on file and updated regularly. It includes informational literature, guidelines for recognizing abuse and specific directions for reporting it.

The determination as to who should be contacted will depend greatly upon the situation at hand. The local law enforcement agency will dispatch a unit to the school as soon as possible. Children’s services may take much longer to respond. School personnel should always take into consideration the severity of the abuse and the extent to which the student’s safety is at risk.

Section B: Child Abuse Reporting Procedures - Penal Code 11165.5 &.6

Part 1: Child Abuse Reporting Procedures

The requirements of school personnel and the identification and reporting of known or suspected child abuse to a protective agency is mandated by the State of California Penal Code. In fact, failure to do so on the part of school personnel could lead to penalties which might be imposed on these individuals. Lake View Charter School board policies are continually updated to reflect appropriate legislation. Excerpts from the California Penal Code and Lake View Charter School Board Policy are presented below.

From California Penal Code Section 11166

…any child care custodian, health practitioner, or employee of a child protective agency who has knowledge or observes a child in his or her professional capacity within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

Lake View Charter School
– Child Abuse Prevention Programs

Recognizing that our responsibility to students includes the protection of their physical and mental well-being, the Governing Board desires to provide whatever opportunities or resources may be available for the prevention of child abuse.

The Board agrees with the Legislature that:

1. Child abuse and neglect is a severe and increasing problem in California.

2. School districts and preschools are able to provide an environment for training of children, parents, and all school district staff.

3. Primary prevention programs in the school districts are an effective and cost-efficient method of reducing the incidence of child abuse and neglect and for promoting healthy family environments.

Part 1: Child Abuse Reporting Procedures

Lake View Charter School

2. “Mandated Reporters” are those people defined by law as “child care custodian,” “medical practitioners” and non-medical practitioners” and include virtually all school employees. The following school personnel are required to report:

Teachers, administrators, supervisors of child welfare and attendance, certificated pupil personnel employees, employees of a child care institution, head start teachers, school psychologists, licensed nurses, counselors, presenters of child abuse prevention programs and those instructional aides or other classified employees trained in child abuse reporting.

3. “Child Protective Agencies” are those law enforcements and child protective services responsible for investigating child abuse reports, including the local police or sheriff department, county welfare or juvenile probation department and child protective services.

4. “Reasonable Suspicion” means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse. (California Penal Code 11166)

Reporting Procedures

1. To report known or suspected child abuse, any employee (as defined above) shall report by telephone to the local child protective agency.

The telephone report must be made immediately, or as soon as practically possible, upon suspicion. The verbal report will include:

a. The name of the person making the report.
b. The name of the child.
c. The present location of the child.
d. The nature and extent of any injury.
e. Any other information requested by the child protective agency, including the information that led the mandated reporter to suspect child abuse.
Lake View Charter School
– Child Abuse and Neglect (Continued)

At the time the verbal report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Within thirty-six (36) hours of making the telephone report, the mandated reporter will complete and mail a written report to the local child protective agency.

The written report shall include completion of the required standard Department of Justice form (DOJ SS 8572).

The mandated reporter may request and receive copies of the appropriate form either from the school district or directly from the local child protective agency.

Detailed instructions for completion of the form are on the back sheet of the form. Reporters may request assistance from the site administrator in completing and mailing the form; however, the mandated reporter is still responsible for ensuring that the written report is correctly filed.

3. Employees reporting child abuse to a child protective agency are encouraged, but not required, to notify the site administrator or designee as soon as possible after the initial verbal report by telephone. The site administration, when notified, shall inform the Superintendent.

Administrators so notified shall provide the mandated reporter with any assistance necessary to ensure that the verbal or written reporting procedures are carried out according to state law and district regulations. If requested by the mandated reporter, the Senior Director may assist in the completion and filing of these forms.

Legal Responsibility and Liability

1. Mandated reporters have absolute immunity. School employees required to report are not civilly or criminally liable for filing a required or authorized report of known or suspected child abuse.
Lake View Charter School
– Child Abuse and Neglect (Continued)

2. A mandated reporter who fails to report an instance of child abuse, which he/she knows to exist or reasonably should know to exist, is guilty of a misdemeanor and is punishable by confinement in jail for a term not to exceed six (6) months or by a fine of not more than one thousand dollars ($1,000) or both. The mandated reporter may also be held civilly liable for damages for any injury to the child after a failure to report.

3. When two (2) or more persons who are required to report jointly, have knowledge of suspected instance of child abuse, and when there is agreement, and a single report may be made and signed by the person selected. However, if any person who knows or should know that the person designated to report failed to do so, that person then has a duty to make the report.

4. The duty to report child abuse is an individual duty and no supervisor or administrator may impede or inhibit such reporting duties. Furthermore, no person making such a report shall be subject to any sanction.

Release of Child to Peace Officer
When a child is released to a peace officer and taken into custody as a victim of suspected child abuse, the Senior Director shall not notify the parent or guardian as required in other instances of removal of a child from school, but rather shall provide the peace officer with the address and telephone number of the child’s parent or guardian.

It is the responsibility of the peace officer to notify the parent or guardian of the situation. Peace officers will be asked to sign an appropriate release or acceptance of responsibility form (cf. 5145.11 – Questioning and Apprehension).

Part 1: Child Abuse Reporting Procedures

Lake View Charter School
– Child Abuse and Neglect (Continued)

When School Employees are Accused of Child Abuse
Regardless of who child abusers may be, the major responsibilities of mandated reporters are to (1) identify incidents of suspected child abuse, and (2) comply with laws requiring reporting of suspected abuse to the proper authorities. Determining whether or not the suspected abuse actually occurred is not the responsibility of the school employee. Such determination and follow-up investigation will be made by a child protective agency.

Parent/guardians or members of the public accusing school employees of child abuse should be made aware of the ramifications of making false reports and should be provided with information regarding child abuse and child abuse reporting.

Pending the outcome of an investigation by a child protective agency and prior to the filing of formal charges, the employee may be subject to reassignment or a paid leave of absence.

Disciplinary action resulting from the filing of formal charges or upon conviction shall be in accordance with district policies, regulations and/or collective bargaining agreements. The Senior Director or designee should consult with legal counsel in implementing either suspension or dismissal.

Section C: Emergency/Disaster Plans - Ed Code 32287; CCR Title 8, Sec 3220 ADA

Part 1: General Information - Disaster

Lake View Charter School will take all necessary measures to keep students, staff and visitors safe in the event of a disaster. The following sections of this plan outline basic responsibilities for all staff for specific incidents.

The Lake View Charter School has developed a Standardized Emergency Management System (SEMS) Plan that outlines in more detail, specific responsibilities for Emergency Response Teams at this school.

This Emergency Action Plan is being developed to provide information to the staff at Lake View Charter School to ensure pertinent information is available in the case of an incident that warrants a response. It is written in accordance with California Code of Regulations, Title 8, Section 3220 which outlines the components required for a plan. There are also components of the Standardized Emergency Management System (SEMS) and National Incident Management System (NIMS), including the Incident Command System incorporated in this plan. The purpose for the inclusion is that while Lake View Charter School may not have students on site, it will serve as an Emergency Operations Center if a multi-site incident occurs and support is needed for school or local community. At that time, the role of Lake View Charter School would be to serve as a resource and clearinghouse for information.

The plan is developed with a multi-hazard perspective to make it applicable to the widest range of emergencies and disasters, both natural and human caused. However, Administrators retain the flexibility to modify procedures and/or organization structure as necessary to accomplish the emergency response and recovery missions in the context of a particular hazard scenario.

PLAN IMPLEMENTATION

A key component to this plan is the Incident Command System (ICS). The five basic functions of: Management, Operations, Logistics, Planning/Intelligence and Finance/Administration must remain consistent, but the formation of the teams within those sections can be flexible to meet each school’s needs.

To properly complete the EOP, the school needs to: (1) Assign roles for Management staff and Section Chiefs (2) form the site emergency teams, (3) provide the appropriate training for all staff (4) conduct exercises to test the plan, and (5) update the plans as needed.

Employees shall be offered training on the specifics of this plan when it is initially developed and when new employees are hired. Employees should be retrained when the plan changes due to a change in the layout or design of the facility, when new equipment, hazardous materials, or processes are introduced that affect evacuation routes, or when new types of hazards are introduced that require special actions. It would also be helpful to provide annual awareness training as a reminder. General training for employees should address the following:

- Individual roles and responsibilities.
- Threats, hazards, and protective actions.
- Notification, warning, and communications procedures.
- Emergency response procedures.
- Evacuation, shelter, and accountability procedures.
- Location and use of common emergency equipment.
- Emergency shutdown procedures.

Additional training may also need to be provided (i.e. first-aid procedures, portable fire extinguisher use, etc.) depending on the responsibilities allocated employees in the plan.

Once the emergency action plan has been reviewed with employees and everyone has had the proper training, it is a good idea to hold practice drills as often as necessary to keep employees prepared. Include outside resources such as fire and police departments when possible. After each drill, gather management and employees to evaluate the effectiveness of the drill. Identify the strengths and weaknesses of your plan and work to improve it.
ABOUT EMERGENCY MANAGEMENT SYSTEMS

Through the years, those agencies responsible for disaster response have come up with several different models for coordinating that response. Although these models differ, they share a common background: The Incident Command System (ICS). As a member of your school’s emergency response team, you will need to be familiar with ICS and the emergency management systems used in California.

Incident Command System (ICS) Developed in the 1970’s by Southern California Fire Protection Agencies, this system was designed to coordinate multi-jurisdictional response. The beauty of ICS is that it is based upon common terminology and on the division of response activities into five functional units that essentially eliminates the possibility of the duplication of efforts. ICS became the model for the state’s system.

Standardized Emergency Management System (SEMS) Developed in response to the lack of agency and multi-jurisdictional coordination during the Oakland Fires of 1991, SEMS became the state-wide standard for coordinated emergency response. All agencies involved in emergency response are legally required to use SEMS. In fact, the STATE reimbursement of local costs incurred for emergency response/recovery is tied to the use of SEMS.

National Incident Management System (NIMS) After the national tragedy on September 11, 2001, it became clear that the country needed an emergency response system to address incidents that affected the entire nation. The national government looked at the system used in California and used it as a model to develop a national response system called NIMS. It is a FEMA approved emergency response system and will become the national model. National compliance was expected by 2006 but is still in progress. FEDERAL funding for emergency response/recovery grants is tied to the use of NIMS.

SCHOOL RESPONSE

In 1994 the State of California legislators passed the Petris Bill. This bill requires schools (who are considered to be special districts) to use the SEMS model in planning for, and responding to, school emergencies and disasters. HOME LAND SECURITY PRESIDENTIAL DIRECTIVE HSPD-5, which mandated the development and implementation of NIMS, now requires schools to integrate that system into their plans as well.
WHAT SPECIFIC LAWS* APPLY TO SCHOOLS

THE FIELD ACT
(Garrison Act and Riley Act)

Sets building code standards for construction and remodeling of public schools and assigns the responsibility for assuring building code compliance to the Division of the State Architect.

THE KATZ ACT

Requires schools to establish an earthquake emergency system:

- Develop a disaster plan
- Conduct periodic drop and cover drills, evacuation procedures and emergency response actions—once each quarter in elementary schools and once each semester in secondary schools
- Provide training to students and staff in emergency response procedures
- Be prepared to have your school serve as a possible public shelter
- Take mitigation measures to ensure the safety of students and staff—such as securing equipment and furniture.
PUBLIC EMPLOYEES ARE DISASTER SERVICE WORKERS
California Government Code Section 3100

All school employees are considered disaster service workers when:

- A local emergency has been proclaimed
- A state emergency has been proclaimed
  or,
- A federal disaster declaration has been made

**NOTE:** During a declared disaster, school employees are required, by law, to serve as disaster service workers and cannot leave their school site until formally released.

- Certificated employees risk losing their teaching credentials
- Classified employees may be charged with a misdemeanor

*This is not a legal opinion, confirmation is required determine if your organization is exempt from any regulations targeting schools. The assumption is that the laws apply to all public schools.

**POST-DISASTER SHELTERS**

Schools are required by both federal statute and state regulation to be available for shelters following a disaster.

- The American Red Cross has access to schools to set up shelters
- Local governments have access to schools to set up shelters
- Plan and make arrangements in advance to assure that you are prepared.

**THE PETRIS BILL**
California Government Code Section 8607

Requires schools to respond to disasters using the Standardized Emergency Management System (SEMS) by December 1996.

- ICS - (Incident Command System) organizing response efforts into five basic functions: Management, Operations, Logistics, Planning/Intelligence and Finance/Administration
- EOC - (Emergency Operations Center) setting up a central area of control using the five basic functions
- Coordinate all efforts with the operational area (county) EOC, city EOC and county office of education EOC
- Incorporation of SEMS into all school plans, training and drills
- Documentation of the use of SEMS during an actual emergency

HSPD-5 requires Federal departments and agencies to make the adoption of NIMS by state and local organizations a condition for Federal preparedness assistance (grants, contracts and other activities) by Fiscal Year 2005.

**NIMS training requirements:** All school employees (as designated Disaster Services Workers) are to complete ICS100, ICS200 and IS700.

**USING SEMS AND NIMS IN YOUR SCHOOL - AN OVERVIEW**

Within SEMS and NIMS, an emergency response organization, known as the Incident Command System, consists of five Sections:

**Management:** responsible for policymaking with respect to disaster planning and preparedness and for the overall coordination of emergency response and recovery activities. This section has four members, the EOC Director/Incident Commander (IC), the Public Information Officer (PIO), the Safety Officer, and the Liaison Officer (LO). In short: they are the leaders.

**Planning/Intelligence:** responsible for creating the action plans and checklists that will be used by all of the sections during crisis response and recovery. The section is comprised of two teams: the Situation Status Team and the Documentation Team. During an emergency, these teams gather, analyze, disseminate, and record information critical to the functioning of the Management Section. Planning/Intelligence are often referred to as the thinkers.

**Operations:** responsible for response preparedness of the Assembly/Shelter, Communications, Crisis Intervention, Light Search and Rescue, First Aid, Student Release/Staff Accounting, and Maintenance/Fire/Site Security Teams. During a disaster, this section directs response activities of all of these teams and coordinates that response with the Management Section. These folks represent the doers.

**Logistics:** prior to a disaster, this section is in charge of creating a transportation plan, and ensuring that there are adequate supplies of food, water, and equipment for crisis response. During an emergency, the section’s two teams, the Supplies/Staffing Team and the Transportation Team provide services, personnel, equipment, materials, and facilities, as needed. They are the getters.

**Finance/Administration:** in charge of creating policies and procedures for documenting costs associated with emergency response. This section has one team, called the Recordkeeping Team. During a disaster, they activate contracts with vendors, keep time records, track receipts, and account for expenditures. Their efforts make it possible for schools to reclaim costs associated with response and recovery activities from the state. They also gather all paperwork and documentation at the end of the incident for inclusion in the After Action Report (AAR). They are called the payers.
THE EMERGENCY OPERATIONS CENTER

During an emergency, the Management Section gathers together in an area/room to set-up a “command center” also known as the Emergency Operations Center (EOC). In the EOC, the Management Section makes decisions affecting response activities based upon information coming in from the Section Chiefs.

A Word About Unified Command

The control of and response to emergencies is the sole responsibility of the site teams until first responders arrive. Once they arrive, incident command transitions to “Unified Command.” This transition is immediately facilitated by an on-site briefing of first responders by the Management Staff and Section Chiefs. Following the initial briefing, the site’s Incident Commander will begin to work closely with representatives of each response agency to plan and carry out response activities. Other employees may be asked to participate as well, depending upon the incident at hand and the available staffing of emergency responders. All staff should be prepared to participate if necessary.

In the EOC, this means that first responder representatives will essentially be running response activities in consultation with the organization’s Management Staff and Section Chiefs. In the field, Team Leaders and Team Members will work alongside first response teams, unless the EOC Director/Incident Commander has deemed it is too dangerous or unsafe for them to do so. Remember, first responders are professionals. Work with them and take your cues from them.
The Dual Role of the School Office

- The School must organize to respond to incidents that occur at their location
  - Ensure that the School has a functional Emergency Action Plan
  - Ensure that School staff are trained and well prepared

- The School office must also organize to provide support when the incident happens at school sites within the organization
  - Provide leadership
  - Provide assistance with response and recovery, when needed
  - Ensure that school staff are trained and well prepared
  - Ensure that each school has a functional Emergency Operations Plan

INCIDENT COMMAND SYSTEM AND DIVISION OF LABOR

Divisions of Labor

Each one of the five functions have certain roles and responsibilities during a disaster or school emergency. The Management Section oversees response activities in consultation with the Chiefs of the Operations, Logistics, Planning/Intelligence, and Administration/Finance Sections. Each of these sections in turn, has a team or teams tasked with implementing very specific components of the emergency response plan.
INSERT SITE MAP

(include life and fire safety elements, i.e. fire extinguishers, first aid kits, emergency supplies, etc.)
INSERT STAFF ROSTER
The following Standard Operating Procedures have been developed to address a multitude of incidents that could occur at a school office or student location. This is a living document that should be updated and modified as additional information is acquired. A hazard assessment should be conducted to identify specific areas of concern for your location in order to maximize the number of response situations included in this plan.

EVACUATION PROCEDURES

Earthquakes, fire, bomb threats, hazardous chemical spill, or an incident on or near campus are just a few examples of an emergency incident situation that may require that portions of a building or an entire school building be evacuated.

The building Emergency Preparedness Committee should identify evacuation areas on site and alternative off-sites areas should it be necessary to evacuate.

A safe evacuation route must be able to accommodate moving a large number of people, while not exposing employees to danger. The location and type of emergency necessitates evaluation and possible adjustments to the usual evacuation routes. This evaluation will determine if the building should be evacuated in segments or if stationing a person at certain exits is necessary so that staff can be re-routed away from danger.

The movement of staff out of buildings requires accounting for every employee. In order to account for staff, work area supervisors must have available employee lists so that missing or extra staff can be reported immediately to the Command Posts (school; law enforcement; fire). When evacuating their work area, work site supervisors must bring with them the location roster and emergency supplies.

**During an evacuation, the following procedures must be followed:**

- ✓ Move staff to the designated Evacuation Area.
- ✓ Take roll by completing Staff Accountability Form
- ✓ Runners collect Staff Accountability Report from classroom or work areas.
- ✓ If employee has an assignment on Emergency Management Team Organizational Chart, report to the Command Post (CP) and sign in.
- ✓ Report to Incident Commander (IC) for briefing and assignment.
LOCKDOWN/REVERSE EVACUATION PROCEDURES

Some emergencies may prevent safe evacuation and require steps to isolate staff from danger by instituting a lockdown. Other emergencies may occur prior to the work day, during break or lunch periods, or after the work day. When staff may be outside the school building or work site, a reverse evacuation should be initiated.

All employees and must be familiar with the specific actions they must take during a lockdown or reverse evacuation. Discussions, training, and practice drills are essential to make these procedures workable.

In the event of a lockdown or reverse evacuation, work area supervisors must utilize the following procedures:

✓ If outside, move to the nearest building or room providing it is a safe route and that you are not moving in the direction of danger.
✓ If inside, stay inside.
✓ Lock door(s) to buildings and or work areas.
✓ If possible, quickly close all windows and then move away from the windows.
✓ Use caution when allowing late reporting staff to enter into a classroom.
✓ Have staff hide, if appropriate.
✓ Take roll using Staff Accountability Form.

Report any “extra” staff that sought cover in your work area. Take this form with you if you are directed by the Incident Commander to evacuate your work area at a later time.

✓ Await further instructions from the Incident Commander via public address system, phone or an e-mail notification to all staff.
✓ **DO NOT** use the telephone to call out as all lines must be keep open, unless there is a dire emergency in your work area.
✓ Remain in the room/office until a member of the Emergency Management Team or a law enforcement officer arrives with directions.
A “SIZE-UP” is a nine-step continual data gathering process that determines if it is safe to perform a certain emergency task, whether fire suppression, search and rescue, facilities assessment, etc. A size-up enables first responders to make decisions and respond appropriately in the areas of greatest need. The nine steps in a “size-up” are:

1. Gather Facts:
   - What has happened?
   - How many people are involved?
   - What is the current situation?
   - Does the time of day or week affect this situation?
   - Do weather conditions affect the situation (e.g. forecast, temperature, wind, rain)?
   - What type(s) of structures are involved?
   - Are buildings occupied? If yes, how many?
   - Are there special considerations involved (e.g. children, elderly, disabled)?
   - Are hazardous materials involved at or near the situation?
   - Are other types of hazards likely to be involved?

2. Assess and Communicate the Damage:
   - Take a lap around each building and try to determine what has happened, what is happening now, and what may happen next.
   - Are normal communications channels functioning (e.g. ICS, radios, e-mail, phones)?

3. Consider Probabilities:
   - What is likely to happen?
   - What is the worst-case scenario?

4. Assess Your Own Situation:
   - Are you in immediate danger?
   - Have you been trained to handle this situation?
   - What resources are available which can assist with your current situation?

5. Establish Priorities:
   - Are lives at risk? Remember, life safety is the first priority!
   - Can you and available resources handle this situation SAFELY without putting others at risk?
   - Are there more pressing needs at the moment? If yes, what are they?

6. Make Decisions:
   - Base decisions on the answers to Steps 1 through 3 and the priorities that your team has established.
   - Where will deployment of resources do the most good while maintaining an adequate margin of safety?

7. Develop an INCIDENT ACTION PLAN:
   - Develop a plan that will help you accomplish your priorities.
● Simple plans may be verbal, but more complex plans should always be written.
● Determine how personnel and other resources should be deployed.

8. Take Action:
● Execute your plan, documenting deviations and status changes so that you can accurately report the situation to first responders, the Incident Command Post, the EOC, or other agencies that respond to the scene (e.g. fire, law enforcement, medical, media, coroner, parents).

9. Evaluate Progress:
● At reasonable intervals, evaluate progress in accomplishing the objectives in the plan of action (Incident Action Plan) to determine what is working and what changes you may have to make to stabilize the situation

BOMB THREAT

TELEPHONE BOMB THREAT
● During the call, complete the bomb threat checklist found on the next page.
● Stay on the line with the caller as long as possible, continuing to try and obtain more information about the threat.
● Have someone else call 911 (first 9 is to obtain outside line) and notify the School office.
● Without using portable radios or cell phones, organize a meeting with the school’s Emergency Management Team (EMT). Radio and cell phone usage can resume once you are 300 feet away from school premises as a bomb could be hidden outside.
● If necessary, implement the ICS with only those positions deemed necessary.
● Assign a recorder to document events as they take place.
● Any search of the site should be done under the direction of law enforcement.
● The decision to evacuate the location is the responsibility of the Senior Director or his/her designee.
● If an evacuation is ordered, do not touch anything while leaving the building. Report any suspicious items to the Incident Commander.
● Follow off-site evacuation procedures.
● If the caller identifies a location where the device has been placed, avoid evacuating through the identified area.
● EMT members responsible for off-site evacuation and student accounting should begin making preparations for an orderly transition of the students/staff to the evacuation site.
● If an announcement is made over the school PA to evacuate, remind teachers and site supervisors to bring their class or work area rosters and emergency supplies.
● When the off-site evacuation location is reached, account for all students and staff. Report missing students/staff to the Incident Commander. The Incident Commander will report missing students/staff to the law enforcement agency assisting with the evacuation.
● Re-entry onto the school campus can only take place at the direction of Incident Commander.

E-MAIL BOMB THREAT
● Save the e-mail message.
● Print a copy of the message and give to the Senior Director, law enforcement, and the Technology Department.
● Follow applicable procedures from above.

FIRE/EXPLOSION
Apart from arson, major causes of fires include improper handling and storage of flammable liquids, overloaded electrical outlets, and excessive accumulation of rubbish.

FIRE DRILL PROCEDURES
- NO advance notice of fire drills should be given to building occupants.
- All drills shall be conducted using the same procedures that would be followed in case of an actual fire.
- Fire drills should be conducted at different hours of the day.
- An appropriate number of staff members should know how to reset the fire alarm.
- Immediately after the alarm has sounded for the drill, call the Fire Department non-emergency number to advise that this is only a drill.
- Keep documentation for each drill and record notable events for future consideration/improvement.

POSTING OF EVACUATION ROUTES
- A map, showing the primary and secondary evacuation routes shall be posted inside each room. The evacuation map shall have the office location highlighted and be placed on the wall so that an arrow indicating the exit route is pointing in the direction of the exit from the room.
- The map shall be labeled “EVACUATION PLAN” in bold letters and prominently posted in hallways, offices, bathrooms, cafeterias, lounges.

FIRE/EXPLOSION CHECKLIST
- If fire or smoke is detected, or a burning odor is sensed, pull the closest fire alarm to initiate building evacuation procedures.
- Call 911 to report all known information about the incident.
- Site administration should assign a recorder to begin documentation of the event.
- Before leaving a work area, the work area supervisor or their designee should make sure all windows are closed.
- Procedures for anyone with special-needs should be planned in advance and practiced.
- Administration should initiate the Incident Command System (ICS) and the designee assumes the role of the Incident Commander (IC) and establishes a Command Post staging area.
- Supervisors are to complete the Staff Accountability Report.
- Data collected from the Staff Accountability Form will determine if the Incident Commander needs to activate additional portions of the ICS, such as First Aid, Medical, Search and Locate/Rescue, etc.
- Establish contact with fire and law enforcement agencies.
- The fire department will give clearance to site administration when it is OK for staff to re-enter the building or an alternative plan if the building will not be able to be occupied.
EARTHQUAKE
An earthquake’s effect on facilities will vary from building to building. Fire alarm or sprinkler systems may be activated by the shaking. Elevators and stairways will need to be inspected for damage before they can be used. Another major threat during an earthquake is from falling objects and debris. Injuries may be sustained during the earthquake while evacuating the building(s) or upon re-entry. Use the following guidelines/procedures to manage the incident:

IF INDOORS
- **DROP, COVER AND HOLD ON** by getting under a desk or table. Protect eyes, head and neck.
- Move away from windows and objects that could fall.
- Stay under desk or table until shaking stops.
- Listen for emergency instructions.
- Evacuate building if necessary and stay away from buildings, utility poles and large objects while transferring to the assembly area.
- Account for all staff using Staff Accountability Report.

IF OUTDOORS
- Move away from buildings, utility poles and large objects.
- Avoid all downed electrical lines.
- Do not touch any wire or any metal objects.
- Sit down in a safe area.
- Move to assembly area and begin accounting for all staff.

IN VEHICLE:
- Stop vehicle in a safe location away from power lines, overpasses or buildings.
- Stay in vehicle and establish radio contact with School office.

GENERAL GUIDELINES (AFTER THE QUAKE):
- Be prepared for aftershocks and ground motion.
- Evaluate immediate area for earthquake related hazards (fire, building collapse, gas leaks, downed electrical lines, wires, etc.).
- Account for all staff.
- Activate necessary portions of the ICS in collaboration with the site emergency team.
- Determine injuries and provide basic first aid via Medical/First Aid Group.
- Call 911 if there is a major emergency that is life threatening. You may not get a response from 911 if a major disaster has occurred affecting a large local area. **As we have been warned, we may be on our own for several hours or days.**
- Establish communication with your Supervisor and Incident Commander
- Assist any law enforcement or fire units that may respond to your site.
- Control internal and external communications, including contact with school sites and city agencies by use of telephones, cell phones, radios, runners, e-mail, text messages, or other means.
- Refer all media inquiries to the PIO.
- In communication with the school sites, assess the overall situation, how long students and staff might be at school, how supplies might be distributed and sheltering of students and staff.
SHOOTING/STABBINGS
No single warning sign can predict that a dangerous act will occur; however, certain warning signs may indicate that someone is close to behaving in a way that is potentially dangerous to self and/or others. Imminent warning signs usually are present as a sequence of overt, serious, or hostile behaviors or threats directed at peers, staff (usually more than one staff member), as well as the person’s immediate family.
IMMINENT WARNING SIGNS REQUIRE AN IMMEDIATE RESPONSE AND MAY INCLUDE THE FOLLOWING

- Physically fighting with peers or family members.
- Hostile interactions with law enforcement that involve a number of recorded incidents.
- Hostile interactions with staff and administration.
- Destruction of property (school, home, community).
- Severe rage for seemingly minor reasons.
- Detailed (time, place and method) threats (written and/or oral) to harm or kill others.
- Possession and/or use of firearms and other weapons.
- Self-injurious behaviors or threats of suicide.
- Is carrying a weapon, particularly a firearm, and has threatened to use it.

WHAT TO DO IF A SHOOTING/STABBING OCCURS AT THE SCHOOL OFFICE

- The first indications of a shooting may include: sound of gunfire, loud cracking sounds, banging noises, windows shattering, glass exploding, bullets ricocheting or a report of a stabbing incident on campus.
- Call 911. Identify your address, and succinctly explain the emergency incident and exact location. Stay on the line until the 911 dispatcher has all the information needed to respond to the situation.
- Activate Incident Command System (ICS) with Emergency Management Team.
- Establish Command Post and appoint Incident Commander and communicate location to law enforcement and fire/rescue units.
- Notify appropriate individuals, i.e. Administrators, Policy Group.
- Provide information, when practicable, about the incident to staff via PA system, e-mail or by phone.
- Account for all staff members by using phone or e-mail or other communication means. Attempt to determine if the shooter/stabber is still on the work site.
- Attempt to determine if the weapon has been found or secured.
- Attempt to determine if the shooter/stabber has been identified.
- Assign a liaison (preferably an administrator) to interface with law enforcement and fire department.
- Liaison can supply law enforcement with radio or phone communication, phone numbers, maps, keys, and other information deemed pertinent to the safe operation of the incident.
- Gather witnesses in secure room for law enforcement questioning. DO NOT allow witnesses to talk to one another (to protect the investigation). Assign staff to stay with witnesses until law enforcement arrives.
- Develop plan to evacuate staff to an off-site or alternate evacuation area should it be necessary to evacuate the building.
- Gather information of staff members involved in the incident.
- Prepare written statements for telephone callers and media in cooperation with law enforcement and the Senior Director. Can a message be placed on the website?
- Provide a liaison representative for family members for any injured staff members.
- Provide Crisis Response Team to provide counseling and to help deal with any psychological factors.

IF STAFF ARE OUTSIDE, THEY SHOULD BE TRAINED AND/OR INSTRUCTED TO
- Move or crawl away from gunfire, trying to put barriers between you and the shooter.
● Understand that many barriers may visually conceal a person from gunfire but may not be bulletproof.
● Try to get behind or inside a building. Stay down and away from windows.
● When reaching a relatively safe area, stay down and do not move. Do not peek or raise head.
● Listen for directions from law enforcement.
● Provide your name to work area supervisor who is accounting for all staff.
● Help others by being calm and quiet.
● Provide law enforcement with as much information as possible, such as:
  ✓ Is suspect still on site and do you know current location?
  ✓ Where was the specific location of occurrence?
  ✓ Are there wounded staff members? How many?
  ✓ Description of all weapons (hand gun, shotgun, automatic, dangerous objects, explosive devices, other).
  ✓ Describe sound and number of shots fired.

SCENE OF INCIDENT
● The scene of an incident/crime shall be preserved.
● With the exception of rescue and law enforcement personnel, no one is allowed to enter the immediate area or touch anything.
● Any witnesses, including staff members, should be held near the area of the incident and be made available to law enforcement for questioning.
● Law enforcement responding to the incident will coordinate activities at the scene of the incident and finished, release the area to school officials when finished.
DEATH AND/OR SUICIDE

Death at a workplace is rare; however, you should be prepared in the event of a death whether it be caused by earthquake, explosion, building collapse, fire, choking, heart attack, seizure, or an incident such as a shooting/stabbing, fight, suicide, etc.

Organizations should also be prepared for the sudden, unexpected death of a staff member or a family member that does not occur on the school campus (automobile accident, sudden death, drive by shooting, gang violence, etc.).

Guidelines to utilize in the event of a death are outlined below.

DEATH OCCURS AT SCHOOL

- Call 911. Identify your address and briefly outline the emergency and location on campus.
- Notify the school administration.
- Activate the Incident Command System if necessary and contact the school Emergency Management Team. Assign staff as needed.
- Notify the Managing Director’s office.
- Isolate other staff from scene.
- If there is a death, do not move body. Law enforcement will contact the coroner’s office so that the body can be removed, and any personal items of the victim can be returned to family or secured as evidence.
- DO NOT disturb or touch anything if the event is declared a crime scene.
- Secure area with yellow caution tape and assign staff to guard area.
- Gather all witnesses and place them in a secure location. Tell witnesses not to discuss any part of their observations until law enforcement arrives to interview or release them. Assign staff to monitor witnesses.
- Consider impact on staff. Activate the Crisis Response Team as appropriate.
- If the deceased is an employee, the Senior Director must notify Cal-OSHA within the 8-hour time requirement. Law enforcement or fire department may inform you they will contact Cal-OSHA; however, the School still must make certain it calls Cal-OSHA.
- Monitor staff emotional responses. Following a death there may be:
  ✓ Self-referrals
  ✓ Parent referrals
  ✓ Reports and concerns expressed by relatives or good friends
  ✓ Students who have experienced a recent loss.
- Develop a list of students and staff members that are having emotional symptoms.
HOSTAGE SITUATIONS
In any hostage situation, the primary concern must be the safety of staff. Individuals who take hostages are frequently disturbed and the key to dealing with them is to make every attempt to avoid antagonizing them. Communication and demeanor with a hostage taker must be handled in a non-threatening, non-joking manner, always remembering that it may take very little to cause an individual to become violent.

IF THE OFFICE IS TAKEN HOSTAGE
- Do not use words such as “hostage,” “captives,” or “negotiate.”
- Stay calm.
- No heroics, challenges or confrontation.
- Obey all commands.
- When safe, call 911. Identify your work site and give the exact location in the building of the incident. Stay on the phone until law enforcement arrives to assume control of the situation.
- If possible, assign another staff member to notify the Site administrator.
- If possible, initiate a work site lockdown to stabilize areas around the incident and make for an easier evacuation.
- The work site emergency team shall activate the Incident Command System and make needed assignments including staging a Command Post (CP) and appointing an Incident Commander (IC).
- If possible, the emergency team should provide law enforcement with a liaison from the work site. The liaison can assist in providing name of IC, location of CP and obtaining maps, keys, radio and phone numbers, etc.
- Keep all radios, television sets, and computers turned off to minimize any possibility that suspect can hear or see “NEWS REPORTS.”
- Make an effort to establish rapport with suspect. Provide your first name. Find out his/her first name and use first names, including those of other staff members involved in the situation. If you do not know first names, refer to the hostages(s) as men, and women.
- Be calm and patient and wait for help. Keep in mind that the average hostage incident lasts approximately six (6) to eight (8) hours, and the average barricade incident lasts approximately three (3) hours. TIME IS ON YOUR SIDE.
- Anticipate a point of law enforcement entry, rescue and how suspects will be apprehended.

WHEN THE HOSTAGE LOCATION IS OTHER THAN AN OFFICE
- Immediately call 911. Identify your address and the situation, providing the exact location of the incident. STAY ON THE LINE UNTIL LAW ENFORCEMENT ARRIVES.
- While on the phone with the 911 dispatcher report the following if known:
  ✓ Number of suspect(s)
  ✓ Names(s) of suspect(s) (if known)
  ✓ Description of suspect(s):
    ➢ Male or Female
    ➢ Race
    ➢ Weight (Light; Lean; Heavy; Obese) stay away from using lbs.
    ➢ Height (short; medium; tall) avoid using feet/inches
    ➢ Hair
    ➢ Eyes
    ➢ Approximate age
➢ Description of clothing
➢ Anything special or unusual, like:
  o Scars
  o Tattoos
  o Burn marks
  o Birthmarks
  o Pierced body parts
  o Jewelry
✓ Exact location of suspect (building, room) and include North, South, East or West in your directions.
✓ Approximate number of staff in hostage area.
✓ Are weapons or explosive devices involved?
✓ Have any shots been fired? If yes, describe sound and number of shots fired.
✓ Are there reports of any injuries or emergency medical needs (medication)? Describe exact location and condition of victim(s).
✓ Are there any demands the suspect has made?
✓ Is there any other background information, past problems with suspect, demeanor, possible motive, or vendettas against staff or particular staff member?

If the hostage situation is on one side of the building, law enforcement will likely want to enter from the other side. Inform law enforcement exactly where the “Hostage Situation” is located and advise law enforcement what you consider to be the best “other side” entrance for law enforcement response.
  • If possible, assign another staff member to notify the Site Administrator.

WHILE WAITING FOR LAW ENFORCEMENT
  • If you can safely communicate to other offices by phone, implement lockdown procedures. For this situation, **DO NOT** set off any alarms as the bell may cause staff to panic and rush into a dangerous area.
  • **DO NOT EVACUATE** until instructed or escorted by law enforcement.
  • Complete Staff Accountability Report.

ONCE LAW ENFORCEMENT ARRIVES
  • Law enforcement will need assistance in identifying witnesses. Gather witnesses in a secure location but do not let them talk with one another (to protect the investigation).

THE SITE EMERGENCY TEAM SHOULD MAKE PLANS TO
  • Establish their Command Posts and assignment of necessary personnel.
  • Record all events.
  • Account for all staff.
  • Prepare for a possible off-site evacuation route and location.
  • Establish a media staging area.
  • Alert Crisis Response Team for possible counseling of staff.

HOSTILE VISITOR

A hostile visitor could be an irate parent, a staff member, a neighbor, or an acquaintance of a staff member. The situation may begin in the front office; however, the individual may bypass the office and go directly to the target of his/her hostility. It is the responsibility of staff to protect staff, attempt to defuse the situation, and, if necessary, notify law enforcement.
UNDERSTANDING NONVERBAL MESSAGES
Body language plays a role in communication. Nonverbal cues are especially crucial when dealing with a person who is upset and potentially violent. Pay attention to signs that a person is angry or frightened. These include:

- Trembling
- Sweating
- A red face
- Crossed arms
- Clenched jaw or fists
- Shallow breathing
- Glaring or avoiding eye contact
- Pacing the floor
- Sneering
- Crying
- Ranting

SEND THE RIGHT NONVERBAL MESSAGES
Don’t get too close. An angry or upset person feels threatened by someone who stands too close. Give the person two to four feet distance from you.

Avoid doing any of the following:
- Glaring or staring at the visitor
- Threatening mannerisms such as clenched fists and a raised voice.
- Getting angry

Consider doing the following:
- Be courteous and confident
- Do not touch the individual
- Protect yourself at all times
- Find another staff member to join you or keep the meeting in an open area
- Listen to the visitor, giving him/her the opportunity to vent
- Do not disregard the person’s opinion or blame the person.

ATTEMPT TO USE PHRASES SUCH AS:
- What can we do to make this better?
- I understand the problem and I am concerned.
- We need to work together on this problem.

WHAT TO DO:
- As soon as possible, call 911 and stay on the line. State your address, and exact location of hostile visitor. Identify building by letter (A, B, C, D, etc.) or number and use directions (North, South, East or West) for law enforcement as they enter the grounds. Give a description of the hostile visitor.
- If possible, assign a staff member to meet law enforcement and direct them to the location.
- The staff member should unlock any gate that makes access to campus easier and faster.
- If possible, notify the Site Administrator.
- If necessary, activate the Incident Command System, using only those parts of ICS as determined by the information at hand. Expand ICS as needed.
- Use staff members to keep staff away from the location of the hostile visitor.
CHEMICAL RELEASE/ HAZARDOUS MATERIAL SPILL
A chemical release or hazardous material spill could affect one classroom, an entire worksite or larger area.

HOW SHOULD THE SCHOOL OFFICE PREPARE?
● The Emergency Management Teams should discuss and review plans to “Shelter in Place” or to “Evacuate the Area” using an alternative evacuation staging area.
● Staff should be trained to know what type of Personal Protective Equipment (PPE) and clothing to wear when handling hazardous material. The type of PPE to be worn, if any, is contained in the Safety Data Sheet (SDS).
● Staff utilizing or handling any hazardous material, should know the symptoms of exposure, emergency first aid and treatment for exposure.
● All hazardous materials should be stored in a manner prescribed on the SDS.

HOW SHOULD THE SCHOOL OR DISTRICT RESPOND?
● If a hazardous spill or chemical release occurs within any area of the School office, immediately notify 911. Inform the dispatcher of your school/address and a brief summary of the problem including the name of the hazardous material/chemical, location of the spill and a report of any injuries, illnesses, fire, explosion, etc.
● Approach incident from upwind.
● Stay clear of all spills (vapors, fumes, smoke, fire, possibility of explosion, other).
● Notify Site Administrator.
● Activate necessary portions of Incident Command System (ICS) and appoint Incident Commander. Expand ICS as needed and make necessary assignments appropriate to incident.
● Begin documentation of events.
● The situation or advice from law enforcement, fire department or a hazardous materials unit deployed to the scene of the spill will determine whether to “Shelter-In-Place” or to “Evacuate” the building. If evacuation is ordered, instruct staff to always move crosswind and upwind. Never move downwind into a chemical. To check wind direction, look at movement of trees or flag.
● If “Sheltering-In-Place” and, if possible, shut off all air-conditioning and heating units. Close all windows and door openings and try to seal gaps under doorways and windows with wet cloth or towels.
● Close all shades or drapes. Instruct staff to stay away from windows.
● If gas or vapors have entered the building, take shallow breaths through a cloth or towel.
● Keep telephones lines clear for emergency calls.
● If an evacuation is ordered, follow all instructions.
● Upon reaching alternative evacuation area, take head count and report missing or ill staff to Incident Commander and/or law enforcement.

MEDICAL EMERGENCY
Occasionally a medical emergency will occur, and personnel must be prepared to respond quickly, effectively, and efficiently.

SOME EMERGENCY PREVENTION/PREPAREDNESS GUIDELINES
● Insist that all accidents be reported, even if no visible harm or injury occurred.
● Follow established procedures for issuing medication.
WHAT TO DO IF A MEDICAL EMERGENCY OCCURS

- Assess seriousness of injury and/or illness by doing START (Simple Triage and Rapid Treatment, commonly called Thirty-Two-Can Do). If a staff member fails any of the three simple tests (Respirations, Perfusion, and Mental), their medical status is IMMEDIATE (RED). Administer first aid or CPR as needed.
- Call 911 and be prepared to provide:
  ✓ Your address, building letter (A, B, C, D, etc.), room or floor number
  ✓ Describe illness or type of injury
  ✓ How the illness or type of injury occurred
  ✓ Age of ill or injured staff member
  ✓ Quickest way for ambulance to enter location on site
- Notify the Senior Director.
- Assign a staff member to meet and direct rescue services to location of injured party.
- Notify staff member’s family of situation, including type of injury/illness, medical care being given and location where staff has been transported.
- When appropriate, advise other staff of situation.
- Follow-up with staff member’s family.
GAS ODOR/LEAK
Natural gas has an additive that gives off a distinct odor allowing you to detect (smell) a leak. In most cases, handling a gas leak involves:

- Isolating the area and moving staff to safety.
- Eliminating potential ignition sources.
- Securing the leak.

The primary responsibility of the worksite staff is to determine how to safely house or evacuate staff and to protect property. The following agencies should be contacted:

- Fire Department (Call 911)
- Site Administrator. Have a phone number for a point of contact if a leak is detected after business hours. (see emergency contact list)
- Local Gas Company

GAS ODOR OR LEAK INSIDE A BUILDING

- Evacuate the building(s) and move to a safe assembly area as far away as possible from the targeted building.
- Assign Emergency Management Team members to direct staff evacuating other buildings to stay away from the building with odor/leak.
- If necessary, activate the Incident Command System and establish Command Post.
- Begin completing Staff Accountability Report.
- Report any missing students and staff to Command Post.
- Assign a liaison to interact with Fire Department, Gas Company or law enforcement.

IF GAS ODOR OR LEAK IS DETECTED OUTSIDE THE BUILDING

- It may not be necessary to evacuate the building. Evacuation is called for only if odor seeps into a building.
SHELTER-IN-PLACE PROCEDURES

Why You Might Need to Shelter-In-Place

Chemical, biological, or radiological contaminants may be released accidentally or intentionally into the environment. Should this occur, information will be provided by local authorities, TV or radio on how to protect staff. Because information will most likely be provided on television and radio, it is important to keep a TV or radio on, even during the workday or instructional time. The important thing is for you to follow instructions of local authorities.

Following Are Actions to Follow at Your Worksite:

- Follow reverse evacuation procedures to bring students and staff indoors.
- If there are visitors in the building, provide for their safety by asking them to stay. When authorities provide directions to “shelter-in-place”, they want everyone to take those steps now, where they are, and not drive or walk outdoors.
- Provide for answering telephone inquiries by having at least one telephone available in the room selected to provide shelter for the Office Manager, or the person designated to answer these calls. This room should also be sealed. There should be a way to communicate among all rooms where staff are sheltering-in-place.
- Ideally, provide a way to make announcements over the public address system from the room where the site administrator takes shelter.
- Provide directions to close and lock all windows, exterior doors and any other openings to the outside.
- If there is danger of an explosion, direct that window shades, blinds, or curtains be closed.
- Have employees familiar with the building’s mechanical system turn off all fans, heating and air conditioning systems. Some systems automatically provide for exchange of inside air with outside air – these systems, in particular, need to be turned off, sealed, or disabled.
- Gather essential disaster supplies, such as nonperishable food, bottled water, battery-powered radios, first aid supplies, flashlights, batteries, duct tape, plastic sheeting and plastic garbage bags.
- Designate interior rooms(s) above the ground floor with the fewest windows or vents. The room(s) should have adequate space for everyone to be able to sit in. Avoid overcrowding by selecting several rooms if necessary. Large storage closets, utility rooms, meeting rooms, or conference room without exterior windows will also work well.
- Call emergency contacts and have the phone available if you need to report a life-threatening condition.
- Bring everyone into the rooms that have been designated. Shut and lock the door.
- Use duct tape and plastic sheeting (heavier than food wrap) to seal all cracks around the doors and any vents into the room. Consider precutting plastic sheeting to seal windows, doors, and vents. Each piece should be several inches larger than the space you want to cover so that it lies flat against the wall or ceiling/r. Label each piece with the location of where it fits.
EXTENDED POWER LOSS

In the event of extended power loss to a facility certain precautionary measures should be taken depending on the geographical location and environment of the facility:

- Unnecessary electrical equipment and appliances should be turned off in the event that power restoration would surge causing damage to electronics and effecting sensitive equipment.
- Facilities with freezing temperatures should turn off and drain the following lines in the event of a long-term power loss.
  - Fire sprinkler system
  - Standpipes
  - Potable water lines
  - Toilets
- Add propylene-glycol to drains to prevent traps from freezing
- Equipment that contain fluids that may freeze due to long term exposure to freezing temperatures should be moved to heated areas, drained of liquids, or provided with auxiliary heat sources.

Upon Restoration of heat and power:
- Electronic equipment should be brought up to ambient temperatures before energizing to prevent condensate from forming on circuitry.
- Fire and potable water piping should be checked for leaks from freeze damage after the heat has been restored to the facility and water turned back on.

Lake View Charter School

Section D: Suspension/Expulsions policies and procedures - Ed Code 48915

Process and Procedures

Level I - Immediate Redirection and Verbal Reprimand
Minor issues that are resolved by the supervising adult; behavior is seen as a learning opportunity and is expected to be corrected with no additional interventions; office referral is only needed if the student fails to correct behavior (mostly classroom managed behavior)

Level II - Learning Opportunity~Office Referral, Parent contact, Counselor
Common misbehaviors needing redirection; again seen as a learning opportunity to be handled between the student and supervising adult; in some cases office referral and parent notification is required (mostly managed with teacher)

Level III – Immediate Administrative referral; Parent Contact/Written Documentation, suspensions, Law Enforcement
Severe misbehaviors with potentially strong consequences including school suspensions and legal involvement; supervising adult is not expected to engage in any learning, but rather immediately refer student to the office and insure the safety of staff and students (managed by director)

Administrative Referral
In some cases, student behaviors do not get corrected, or are so severe that they do not allow for a safe and purposeful learning environment. By referring a student to an administrator, the teacher is seeking additional resources to assist in the correction of the behavior. At this point, parents and school administration join the teacher in attempts to meet the behavioral needs of the student.

The following process will be used for all office referrals:
● Student is referred to Administration by supervising adult
● Student completes reflection questions related to incident
● Referral form is returned to the teacher for comments
● Parental contact is made by the student or staff member to explain incident and schedule detention
● Referral form is returned to the Senior Director or designee
● Student conference with the Senior Director is scheduled

- Follow-up phone call from Administration is made when necessary
- Harassment Complaints- Students are occasionally the victim of bullying or harassing behaviors. While common in the school setting, such behaviors are not acceptable and will not be tolerated at any function of our school community.

The following process is designed to assist students who believe they are the victim of such behaviors:
- Student informs teacher or staff person of situation
- Student reports to the office to complete a confidential “Harassment Complaint Form”
- Administrator investigates allegations

Typical consequences for a bully/harasser are as follows:

*Warning*- conference with Senior Director or designee discussing allegations, perceived intentions and future consequences; student is informed that such behavior, as well as any retaliation, will not be tolerated.

*Parental Conference*- Sharing the dangers of bully/harassing behaviors for both parties.

*Suspension*- To insure the safety of staff and students, various forms of suspension may be used in efforts to correct student behavior.

*Expulsion*- If bullying/harassment continues or if any given incident is so severe that a safe learning environment cannot exist, the Senior Director will recommend the expulsion of the offending student.

   Non-Discretionary Expellable Offenses: Students must be recommended for expulsion for any of the following acts when it is determined pursuant to the procedures below that the student:

   Possessed, sold, or otherwise furnished any firearm, explosive, or other dangerous object unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Director or designee’s concurrence.

If it is determined by the Board of Directors that a student has brought a fire arm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994.

4. **Suspension Procedure:** Suspensions shall be initiated according to the following procedures:

   - **Conference:** Suspension shall be preceded, if possible, by a conference conducted by the Director or the Director’s designee with the student and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Director or designee.

   The conference may be omitted if the Director or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference.

   At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. This conference shall be held within two school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a student for failure of the student’s parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student’s parent or guardian at the conference.
Notice to Parents/Guardians: At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

Suspension Time Limits/Recommendation for Expulsion: Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Director or Director’s designee, the student and the student’s guardian or representative will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. This determination will be made by the Director or designee upon either of the following: 1) the student’s presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student’s suspension will be extended pending the results of an expulsion hearing.

2. **Authority to Expel:** A student may be expelled either by the Charter School Board following a hearing before it or by the Charter School Board upon the recommendation of an Administrative Panel to be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and neither a teacher of the student or a Board member of the Charter School’s governing board. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense.

6. **Expulsion Procedures:** Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Director or designee determines that the Student has committed an expellable offense.

Section D: Suspension/Expulsions policies and procedures - Ed Code 48915

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under FERPA) unless the Student makes a written request for a public hearing three (3) days prior to the hearing.

Written notice of the hearing shall be forwarded to the student and the student’s parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the Charter School’s disciplinary rules which relate to the alleged violation;
4. Notification of the student’s or parent/guardian’s obligation to provide information about the student’s status at the Charter School to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student or the student’s parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student’s behalf including witnesses.

7. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses:
The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days’ notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

- The Charter School must also provide the victim a room separate from the hearing room for the complaining witness’ use prior to and during breaks in testimony.
- At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
- The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
- The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
- Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
If one or both of the support persons is also a witness, the Charter School must present evidence that the witness’ presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

- The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.

- Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

- Evidence of specific instances of a complaining witness’ prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.
8. **Record of Hearing:** A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

9. **Presentation of Evidence:** While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing.

If the Administrative Panel decides not to recommend expulsion, the student shall immediately be returned to his/her educational program.
10. **Written Notice to Expel:** The Director or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board’s adopted findings of fact, to the student or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student’s or parent/guardian’s obligation to inform any new district in which the student seeks to enroll of the student’s status with the Charter School.

The Director or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student’s name; and (b) The specific expellable offense committed by the student.

11. **Disciplinary Records:** The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

12. **Right to Appeal:** Per AB 1360, a student being expelled or suspended will be provided “oral or written notice of the charges against the student,” “an explanation of the evidence that supports the charges and an opportunity for the student to present his or her side of the story,” and/or the opportunity for “a hearing adjudicated by a neutral officer within a reasonable number of days at which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate.” Moreover, for any non-voluntary removal, the student’s parent or guardian will be given written notice of intent to remove the student no less than 5 school days in advance, and the parent/guardian will be given the right to challenge the non-voluntary removal under the same procedures as an expulsion.

13. **Expelled Students/Alternative Education:** Students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.
14. **Rehabilitation Plans:** Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the student may reapply to the Charter School for readmission.

15. **Readmission:** The decision to readmit a student or to admit a previously expelled student from another school district or charter school shall be in the sole discretion of the Board following a meeting with the Director or designee and the student and guardian or representative to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. The Director or designee shall make a recommendation to the Board following the meeting regarding his or her determination. The student’s readmission is also contingent upon the Charter School’s capacity at the time the student seeks readmission.

The teacher shall initial the student’s file when reviewing it in the school office. After a referral is made for a student, school staff shall verify with the Parent/guardian/caregiver that follow-up treatment has been accessed. Parents/guardians/caregivers will be required to provide documentation of care for the student prior to returning to school.

If parents/guardians/caregivers refuse or neglect to access treatment for a student who has been identified to be at-risk for suicide or in emotional distress, the suicide prevention coordinator, administrator or other mental health professional will meet with the parents/guardians/caregivers to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of the importance of care. Action Plan for Out-of-School Suicide Attempts

If a suicide attempt by a student is outside of property, it is crucial to protect the privacy of the student and maintain a confidential record of the actions taken to intervene, support, and protect the student. The following steps should be implemented:

Contact the parents/guardians/caregivers and offer support to the family.

Discuss with the family how they would like the school to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.

Obtain permission from the parents/guardians/caregivers to share information to ensure the facts regarding the crisis is correct.

Designate a staff member to handle media requests.

Provide care and determine appropriate support to affected students.

Follow procedures for re-entry to School After a Suicide Attempt.

Re-Entry to School After a Suicide Attempt

A student who threatened or attempted suicide is at a higher risk for suicide in the months following the crisis. Having a streamlined and well planned re-entry process ensures the safety and wellbeing of students who have previously attempted suicide and reduces the risk of another attempt. An appropriate re-entry process is an important component of suicide prevention. Involving students in planning for their return to school provides them with a sense of control, personal responsibility, and empowerment.

A student returning to school following hospitalization, including psychiatric and drug or alcohol inpatient treatment, must have written permission by the health care provider in order to attend school.

A written authorization to exchange/release information should be completed by the parents/guardians/caregivers and appropriate school staff (e.g., school psychologist, school counselor and/or nurse) should consult with the outside mental health or medical treatment team.
If the student has been out of school for any length of time, including mental health hospitalization, the school site administrator or designee should hold a re-entry meeting with key support staff, parent/guardian/caregiver and student to facilitate a successful transition back into school.

The re-entry meeting should include a review of the authorization for return and documentation provided by the outside mental health or medical treatment team.

The documentation provided should be considered in the development of a student safety plan for re-entry.

The school team should confer with student and parents/guardians/caregivers about any specific requests on how to handle the re-entry.

Inform the student’s teachers about possible days of absences.

Allow accommodations for student to make up work (be understanding that missed assignments may add stress to student).

Mental health professionals or trusted staff members should maintain ongoing contact to monitor student’s actions and mood as part of the student safety plan.

Work with parents/guardians/caregivers to involve the student in an aftercare plan.

**POSTVENTION**

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on students and staff. Therefore, it is vital to be prepared ahead of time in the event of such a tragedy. The following are general procedures for the school administrator/director in the event of a completed suicide:

**Gather pertinent information**

Confirm cause of death is the result of suicide, if this information is available.

Identify staff member to be the point of contact with the family of the deceased. Information about the cause of death should not be disclosed to the school community until the family has been consulted and has consented to disclosure.
Assemble district crisis response team

District crisis response team to determine initial response procedures and obtain consultation regarding number of personnel needed for initial response. It is helpful to have the following information available for consultation:
- Demographic information
- Siblings (If any within)
- School Profile
- Known friends/groups
- Identification of additional high risk students

Staff notification

Concerns and wishes of family members regarding disclosure of the death and cause of death should always be taken into consideration when providing facts to students, staff and parents. Some actions to consider:

Assess the extent and degree of psychological trauma and impact to the school community

Establish a plan to notify staff of death, once consent is obtained by the family of the deceased.

Notification of staff is recommended as soon as possible (In person if possible).

To dispel rumors, share accurate information and all known facts about the death.

Emphasize that no one event is to blame for suicide. Suicide is complex and cannot be simplified by blaming individuals, drugs, music and/or school.

Allow staff to express their own reactions and grief; identify anyone who may need additional support and provide resources.

Student notification and support
Concerns and wishes of family members regarding disclosure of the death and cause of death should always be taken into consideration when providing facts to students, staff and parents. Some actions to consider:
Notification of students should be done in small group settings, such as in the classroom. Do not notify students using a public announcement system.

To the extent possible, students should be notified in the same time period to minimize rumors.

When possible, the news should be delivered by staff with whom the students are most familiar and comfortable.

Provide staff with a scripted notification of death for students and

Prepare staff for potential reactions and questions. Review student support plan making sure to clarify procedures and locations for crisis counseling.

Define triage procedures for students and staff who may need additional support in coping with the death.

Identify a lead crisis response staff member to assist with coordination of crisis counseling and support services.

Identify locations on campus to provide crisis counseling to students, staff and parents, as needed.

Identify a mental health professional (School psychologist or school counselor) to check in with students previously identified to be at risk for suicide.

Request substitute teachers, as needed.

Maintain sign-in sheets and documentation on individuals services for follow up, as needed.

Provide students, staff or parents/guardians/caretakers with after hours resource numbers such as the 24/7 Suicide Prevention Crisis Line.

Refer students or staff who require a higher level of care for additional services such as a community mental health provider, or their health care provider. Indicators of students and staff in need of additional support and/or referral may include the following:

Document

Communicate with the larger school community about the suicide death;

Consider funeral arrangements for family and school community;

If the parties discover any terms of this Agreement conflict with the terms of the Charter, this Agreement shall control the handling or resolution of the particular issue in question. To the extent that this Agreement is inconsistent with any of the terms of the Charter, both parties shall meet to amend the Agreement to reach consistency, if the inconsistency is material to the terms of the Charter. If the
parties do not reach agreement regarding the consistency, the parties agree to follow the procedures for dispute resolution as stated in the Charter.

G. The Parties recognize that there are many matters related to the operation of the Charter School and the effective oversight of the Charter School, which go beyond the provisions included in the Charter or need further clarification. The District also acknowledges that the operation of the Charter School is to be solely carried out by the Charter School. This MOU is intended to address those matters that have not been covered in the Charter and to provide guidance on the oversight policies and procedures of the District. Further, this MOU is intended to outline the Parties' agreements governing their respective fiscal and administrative responsibilities and their legal relationships.
