UPDATE: Stonebridge/Sojourner Truth Academy RFP

Thank you for considering working with Sojourner Truth Academy and Stonebridge World School in the area of 2022-23 student transportation.

There was one question submitted seeking clarification on part of the April 20, 2022 published RFP. Please find that question and answer below. In addition to this message this information will also be posted to <https://sojournertruthacademy.org/contact-us/requests-for-proposals>.

Question	Answer
I am seeking clarification on the references page. What information specifically are you looking for in the section: "DESCRIBE AND DOCUMENT YOUR INVOLVEMENT WITH OTHER COMMUNITIES IN SIMILAR TYPE OF WORK" All of the work we do in our current contracts are student/child transportation. Can you please explain exactly what kind of documentation you are looking for?	-How is this reference similar to Sojourner & Stonebridge schools? (For example urban, serving communities of color, charter schools, Minnesota based, population size etc) -Describe the duration of the service relationship with this reference and the type of service provided (general education, special education, homeless/highly mobile, field trip, summer etc.)

No amendments will be added to the original RFP as originally published.

RFP proposals will be received per the RFP instructions until 11:59 PM, May 9th, 2022. Proposals received after 11:59 PM, May 9th, 2022 will be rejected. Faxed or hard-copy mailed or hand delivered proposals will be rejected and not considered.

The awarded RFP or RFPs will be announced at <https://sojournertruthacademy.org/contact-us/requests-for-proposals> no later than June 1, 2022.
