NWEA MAP Growth	<p>North West Evaluation Association</p> <p>Measures of Academic Progress</p>	<p>Literacy & Math: The NWEA MAP Test (Measures of Academic Progress) is an adaptive achievement and growth test. It creates a personalized assessment experience by adapting to each student's learning level—precisely measuring progress and growth for each individual student. If your child correctly answers a MAP question, the computer assessment provides a harder question next. If they miss that same question, then an easier MAP question is asked. This provides essential information about what your child knows and is ready to learn.. Used in a</p>	K-8 YES	K-8 YES	K-8 YES	Plus progress monitoring throughout the year

		MTSS (multi-tier system support) to identify need for classroom intervention and Tier 2 & 3 group & individual intervention support.				
ACCESS for ELLs 2.0	Assessing Comprehension & Communication in English State-to-State for English Language Learners.	English language proficiency in Listening, Reading, Speaking and Writing for identified ELL students: Monitors students' progress in acquiring academic English.	NO	K-8 ELL YES	NO
