

## AGE REQUIREMENTS

The child must be at least two years old and **completely** potty-trained to enter St. Anthony Preschool.

## CURRICULUM

We utilize a multi-faceted approach based upon theories of development in young children. Our approach encompasses a combination of curriculum including: High Scope, Projected Based, Reggio Emilia, Creative Curriculum. The activities offered each day are designed to expand your child's social skills, introduce religion, and stimulate creative potential. Examples of daily curriculum are posted. St. Anthony Preschool's program is designed to develop early literacy skills with age-appropriate activities that will ready your child for school success.

The curriculum includes learning concepts that are individualized as a way of meeting the developmental needs of each child. The curriculum is planned and developed providing interactive and age appropriate activities. Learning activities integrate opportunities for cultural awareness, health and safety, socio-emotional growth, and nutrition. Teachers plan experiences so that children can learn in a large group, small groups, and individually on a daily basis.

Tuition rates are based on a whole school year and then divided equally per month.

Students must attend and adhere to scheduled days per the contract. When a special event is scheduled on a day that the child does not attend, parents may bring the child only for the specific time of the event.

For extended illnesses over three weeks, credit may be arranged with a note from the child's doctor.

Tuition is due on the 1<sup>st</sup> of each month and delinquent after the 15<sup>th</sup>. A late charge of \$15.00 per month will be assessed any time tuition is paid after the 15<sup>th</sup> of each month. All tuition will be paid through **FACTS Financial Management System.**

### **TIPS FOR SUCCESS**

Mark all of your child's clothing, blanket, etc. with a laundry marker.

Check your child's cubby and the parent communications box each day when you pick him/her up. You may find your child's work as well as receipts, notices etc.

If there is a change in your child's normal routine, or something out of the ordinary is happening in your home or family life that might affect your child's behavior, please advise your child's teacher.

Upon arrival, each child will be checked for wellness. If the teacher feels the child should not be at school, the Director will call, and you must pick up the child.

For safety purposes, children must be escorted into and out of the classroom. Please do not leave children unattended in vehicles.

If you need to change your child's days of attendance, complete the required form and turn it in to the preschool director, Johanna Oliva.

Always feel free to ask questions!
