

# THE PRESENTATION SCHOOL

LOVE LEARN LEAD

Dear Parents,

If February was any indication, March will be fast (and wet). Everything is worth your attention, so please make note of all important dates and reminders.

We are excited to host [Children's Museum of Sonoma County](#) this summer. Please read below for information regarding upcoming fun and engaging summer opportunities at Presentation School.

We celebrate Ash Wednesday this week and the beginning of the journey through lent. Please remember that Wednesday is a Dress Uniform Day.

You will remember that we moved our REFB food drive to Lent this year, and will gather food donations outside classrooms through the Easter Season.

We are also using our yearly Lenten challenge - "multiplying our talents"- to raise awareness and support for Pets Lifeline of Sonoma. We will send home a note Wednesday to share different ways to join us in this effort to help our neighbors who don't have enough to eat and animals that need homes.

**The School Play is coming!** It is not to be missed. See below!

**THE BIG DANCE IS COMING FRIDAY!** Info sent home this week.

Lastly a note from Mr. K:

This past Friday our Middle School students, alongside Sonoma High School and Middle School students, competed in the Sonoma County STEAM showcase, hosted by SCOE at the Santa Rosa Fairgrounds.

For the past month, 6th, 7th, and 8th graders have thought through, practiced, learned about, and built a project that centered around the theme of "Unseen Possibilities."

Each student became an expert on their project, and described their presentation for the judges. Students spent between 20-40 minutes explaining their project, how it centered around specifically around STEAM, and answering questions for the judges. I am so incredibly proud of the thought these students put into their presentations.

If you are interested in seeing some of these amazing projects, please come to the school Science Fair this Thursday in the activity center from 1-2. Mr. Kuschner

**See you Monday,**

## March Value: Courage

### *Essential Questions*

What is courage?

What does it mean to do the right thing even if it is difficult?

What are some ways that one can show courage at Presentation School and in our communities?

What does it mean to stand up for others who can't stand up for themselves?

Why is it difficult to do what is right when others are doing wrong?

*Lent is a journey we walk with God. In this time of reflection,  
let us call upon those things that make us better people:  
Kindness, Concern for Others, Gratitude for the many gifts we  
have been given. Amen.*
