

Happy Sunday Presentation Families:

We have a big day tomorrow for Read Across American Day (see info below). All parents should have received your online sign ups for Conferences next week. Please do not delay to sign up for Spring Conferences now.

Also, if you are interested in hearing more about the school's financial picture, please join us tomorrow at 8:20 in the library, before Read Across America Day in the gym.

Re-enrollment is live tomorrow, and due March 6th. Please don't delay, as we are making plans for next year. Thank you.

See below for the winners of the Love, Learn, Lead awards this month.

Lastly, below is the message we sent last week regarding the Corona Virus. Please follow your best judgement and simply keep kids home when they are sick, and reinforce the importance of washing their hands with soap and water, coughing or sneezing into their elbow, and keeping their hands out of their mouth and face.

See you Monday,

Scott Parker

[This Week in Sports](#)

Please join us Monday morning from 8:45-9:45 in the activity center to read with your child as we celebrate and launch Read Across America Day and Reach for the Stars!

A promotional graphic for the "REACH!! FOR THE STARS" program. The background is light blue with a pattern of colorful stars. The title "REACH!!" is written in large, colorful, stylized letters, with a star trailing from the end of the word. Below it, "FOR THE STARS" is written in smaller, blue, block letters. Underneath the title, it says "A Reading Incentive Program". To the left, a purple text box states: "Kids benefit by developing a reading routine and receiving books and prizes based on pledges and reading time!". At the bottom left is the logo for "USBORNE BOOKS & MORE Educational Services", which includes a stylized book icon. On the right side, a young girl with dark hair is shown from the chest up, holding an open book titled "The Usborne Big Book of Rockets and Spacecraft". The book cover features illustrations of rockets, planets, and spacecraft. A yellow starburst on the book cover says "with a Giant Fold-out!".

Feb 27, 2020

Dear Presentation School Families:

The Leadership team met yesterday to discuss the growing concern of the Coronavirus (COVID-19). The Presentation School has and will continue to take all the recommended precautions for our students, especially as recommended by the nation and state's public health organizations. As the CDC emphasized, there is *not currently a coronavirus pandemic in the United States*. A pandemic occurs when a disease is spreading from a variety of sources across a large region, and the number of cases across the US is still small.

However, given how quickly the global situation is evolving, we are monitoring new developments and will continue to reevaluate our steps and actions daily. We will address this relatively new and emerging concern with the following best practices:

- Enforcing great hygiene, like washing hands thoroughly and covering up coughs/sneezes
- Asking all faculty, staff, and students who are feeling ill to stay home until they recover.

Our community is prepared to alter our procedures and planning should the situation change, [including strategies, if need be, like virtual schooling]. We are also thinking ahead regarding the impact of spring travel, upcoming school trips, and other non-typical school activities will have in the context of the coronavirus. We will communicate any changes affirmatively when the time is appropriate.

It is important to remember that handling the spread of a contagion like the coronavirus is primarily a task for public health agencies. Any directives from the World Health Organization, CDC, or local governmental organizations will be followed.

We will frequently remind students to wash their hands with soap and water. We will use our hand sanitizing stations that are located in every classroom on campus throughout the day. We will remind students to avoid touching their eyes and face. We will remind kids to cough or sneeze into a sleeved elbow. We will wipe down each surface at the end of the day with a disinfectant.

We ask that you share our prevented measures with your students at home.

Mostly, Please keep your child home when ill, and do not return to school until a minimum of 24 hours after the end of a fever.

Lastly, it is essential that we recognize that this virus is still emerging, and at this point poses few serious health effects for the majority of our community. Over-reaction is as much of concern and under-reaction, so please remind your children that they are safe will be safe at school. We have learned a great deal about managing unknown and emerging risks, such as fire an power outages. We will be vigilant, but balanced in our response to this problem.

Thank you,

The Presentation School Leadership

would you like to more about where our money goes at The Presentation School?

Please join us this Monday, March 2, at 8:20am in the Library, before Read Across America begins.

Members of our Finance Committee, Board of Trustees will expand on the recent State of School meetings and review :

- Operating budget details, highlighting key areas of expense
- Overview of the school's debt and strategies for strengthening the school's financial security
- Forecast for the next school year
- Tuition assistance

All current parents are welcome.

Conferences! Conference Manager is live!

Please sign up today. The system will close on
Friday March 13, 2020 at 8:00 AM.

You can access the Conference Manager at:
<https://presentationschool.schoolsoft.com/login.jsf>

If you wish to contact the school, you can reach Pat Tierney at 7079350122.

Vaping, dabbing, and juuling, oh my!

Making sense of modern substance use through science.

📅 March 19th at 7:00pm
📍 TPS Activity Center

Are you concerned about your children being exposed to vaping and other substance use? Want to know how to talk about vaping and other substance use at home?

LOVE LEARN LEAD

Each month we are recognizing students who exemplify our school's values of Love Learn and Lead. These students showcase our values in and out of the classroom with their teachers and peers.

Kindergarten-Crosby

Learn

Crosby tackles learning with an optimistic attitude and willingness to work hard on a daily basis.

First Grade- Wesley Shapiro

Love

Wesley demonstrates kindness and service by regularly offering to help in the classroom and clean. He is aware of others around him and what they need and is always happy to offer his help to them.

Second Grade- Isla Blackshear

Lead

Isla B. is a very hard worker and always puts in more effort than is required on her academic and creative projects. She doesn't do this to please others, but to deepen her own understanding and to add more layers of detail. She is always on task, treats her friends with kindness and respect, and is a humble leader. Lead on, Isla B!

Third Grade-Broxton Wong

Learn

Broxton is an extremely hard worker who takes pride in what he does. He is always receptive to feedback on how he can improve and he maintains a positive attitude. I admire his strong work ethic.

Fourth Grade-Gianna Diggins

Love

Gianna has a never-give-up attitude. She listens attentively and is always cheerful. She never gives up but instead finds another way to solve the problem or get the job done.

Fifth Grade-Ivan Snow

Lead

Ivan speaks up for others and communicates his intentions clearly. He regularly speaks up for his friends and does his best to include everyone in activities.

Sixth Grade-Callie Diggins

Love

Callie is always kind-hearted in the classroom and she looks for the good in others. Her positive outlook on life is a model for her classmates, as is her generosity, patience, and honesty. Simply put, Callie makes the classroom a better place to be.

Seventh Grade-Donovan Riebli

Learn

Donovan works really hard in class and asks clarifying questions often. He perseveres through difficult work with a positive attitude.

Eight Grade- Beata Blood

Learn

Beata is a motivated and serious student. She is determined and shows resiliency in her studies. Beata is a student that thinks critically, creatively, and collaboratively.

PE- Sadie Gilbert

Lead

Sadie is a natural leader who encourages her classmates and challenges herself to excel. She is kind and respectful and sets an example for others to follow.

Music-Charlie Goode

Lead

Charlie brings a constant smile into the classroom and is quick to share kind thoughts about his teacher and classmates. He is a fully engaged, cheerful learner who leads by example.

Science-Charlie Wilhelm

Lead

Charlie brings a constant smile into the classroom and is quick to share kind thoughts about his teacher and classmates. He is a fully engaged, cheerful learner who leads by example.

Science- Alexandra Lucas Lopez

Love

Alexandra is a true example of kindness and respect.

Art-Olivia Pinkin

Lead

Olivia leads by being ready to learn, participate, and help out in Art class. She does her best work and always has a positive attitude and something kind to say.
