

Dear Parents,

We hope you are all finding your footing with this completely new unknown. As I said last Wednesday, the school has pulled together in incredible ways. This is an exercise in community, in every way. I recognize, now more than ever, how essential our mission is to create a community of learners who THINK CRITICALLY and CREATIVELY, COMMUNICATE EFFECTIVELY, AND SOLVE PROBLEMS COLLABORATIVELY.

We had a positive start to a negative event, but there will be things that don't work, so please keep communicating with your teachers. The faculty are working to adjust instruction to accommodate different circumstances for kids. This week, our specialized teachers will add instruction in Arts, PE, and Spanish.

We have a regularly scheduled Board Meeting on Wednesday, so I will send an update Thursday evening, and include anything relevant at that time.

I remain so grateful for the support of this school community, and in times like this, the value of our school is all the more apparent.

Thank you, and we look forward to seeing your kids tomorrow.

Scott

Lord, make me an instrument of your peace

Where there is hatred, let me sow love

Where there is injury, pardon

Where there is doubt, faith
Where there is despair, hope
Where there is darkness, light
And where there is sadness, joy
O Divine Master, grant that I may
Not so much seek to be consoled as to console
To be understood, as to understand
To be loved, as to love
For it is in giving that we receive
And it's in pardoning that we are pardoned
And it's in dying that we are born to Eternal Life
Amen

The logo features the words "SUPPORT", "LOCAL", and "BUSINESS" stacked vertically in a bold, black, sans-serif font. The letter "O" in "SUPPORT" is replaced by a solid black heart. The word "LOCAL" is flanked by two sets of three horizontal lines, resembling a stylized equals sign or a balance scale.
