

Dear Parents:

- **Presentation School utilizes online enrollment through Beehively!** This process streamlines enrollment management, minimizes error, and provides us with accurate and updated Emergency and Safety Information for each child at school.
- **Enrollment agreements are due by April 3rd.** Please do not delay. After April 3rd, we will begin accepting students who have already applied from our wait pool. We certainly hope that every student returns next year, but want to make sure we can plan for any foreseeable changes.
- You will be sent information on **Magnus Health** an online database, we use to streamline student's health, medical and emergency info. It is required by the school that this information be completed.
- **All Tuition (even if paid by check) will be processed through FACTS** (our tuition management system). This step helps us to ensure accurate accounting and to further reduce our reliance on paper whenever possible.
- If you plan on applying for **Financial Assistance**, the application deadline is **April 1st**. The application can be found on our website.
- **When your registration is complete, you will receive a notice from Beehively.**
- **You will then be sent instructions from Shanna Rodgers**, Accounting Specialist, regarding FACTS.
- The online enrollment process will take approximately 15 minutes. Please complete each section to secure your child's space for next year.
- If you need any support in on-line registration please contact Beehively
