

Dear Parents,

This is so hard! And we are nearer the beginning than the end, but we will be back and we will be stronger together when we are finally there.

We met as a scattered but committed faculty and staff on Friday. We are continually energized as a staff to learn new tricks and work-arounds from each other, and all in order to support our kids, each other, and our dedicated parents.

We know that the reality of distance learning is different for each family, much of it depending on the number of kids in your homes and the ages of your learners. Please know that we are doing what we are doing because we are committed to learning with the kids through this experience.

What you have seen is a remarkable effort from a team of teachers, and staff, who all love their different parts of the Presentation School education, and want to engage all parts of your children's hearts and minds. With that said, the teachers discussed how to communicate our understanding that *you* are the best judges of what you and your kids need most at any moment, and can manage on a day to day basis. Below, is a note drafted by the lower school teachers, but applicable to all.

Lastly, our incredible 6th grade led the school through our March Courage Liturgy. It is included here, so please have a look if you missed. Thank you to Mr. Durgin, the 6th grade, Ms. Chambliss and Lauren Miller for their hard work coordinating a way for us to be together in prayer and community.

Thank you, and we look forward to seeing your kids tomorrow.

Scott

## March Value: Courage

Liturgy 3.27.20

---

Dear Parents,

We realize how much extra this is for you, and many of you are doing it while working and parenting other children at the same time. It's a lot! When you need to choose what is most important in any moment, choose the thing that will re-ground your family. Take a break, go for a walk, play a game, color together, read a book, or teach your child how to do a household chore. We will understand!

We are all doing this, as a global community, in order to stay healthy and to keep our health care professionals from being inundated during the peak of this pandemic. Our mental health is equally important during this time. So, if you or your child needs to spread the work out over a longer period of time, please feel free to make the call that is best for you and/or your child. It isn't worth it to do all of this, during this unprecedented world health event, if it will cause additional negative consequences for your family.

With Love,

Presentation Teachers

---

**The Annual 3rd Grade Cultural Day happened for students and families this week, from 21 Different Locations!**  
**Students had to create a slideshow of facts from their country of heritage and present it to their families. Well done 3rd grade global learners!**

---

The following is a list of businesses that supported The Presentation School through our fundraisers. We are asking in this difficult time to thank and support them in anyway we can.

Dane Cellars  
Lion Street Design  
Kopelman Team Realestate  
MSI Printing

Not to mention our amazing Patriot League

A VERY SPECIAL THANK YOU TO OUR
