

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

This COVID-19 School Reopening Plan has been updated to reflect the State of California's *COVID-19 Reopening In-Person Instruction Framework and Public Health Guidance for K-12 Schools in California, 2020-2021 School Year* issues on January 14, 2021.

https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/COVID-19/Consolidated_Schools_Guidance.pdf

As required, our school has posted a COVID-19 Safety Plan (CSP) - referenced as the COVID-19 School Reopening Plan - on the homepage of our school's website. Our COVID-19 School Reopening Plan includes the school's Cal-OSHA COVID-19 Prevention Program (CPP) and the COVID-19 School Guidance Checklist. The detailed plans describing how our school meets the requirements outlined in the CSP elements are found in this COVID-19 School Reopening Plan.

The health and safety of our students, staff, and families are our highest priorities. We have developed our school's return to in-person instruction plans based on guidance from local and state public health officials. This healthy and safety plan will be updated as the situation and county health orders evolve.

CDC: Back to School Strategies and Tips

- [Reopening with COVID-19: Promote Healthy Behaviors](#)
- [Maintaining Healthy Operations](#)

Cleaning & Disinfecting

Our school will adhere to the disinfection guidelines developed by the California Department of Public Health and the Centers for Disease Control and Prevention for classrooms, workspaces, outdoor spaces, playgrounds, etc. Prior to returning to in-person instruction, the school will receive a deep cleaning. This entire building will be disinfected, including classrooms, using a commercial cleaning service. Electrostatic spraying method using the "N" level of sanitizing chemical per the CDC requirements completed as part of this process. This is the highest level of cleaning, combining the cleaning and disinfecting into one product

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

Daily janitorial service will occur on school days after school hours to ensure that each day will start with newly sanitized classrooms and common areas. There will be daily cleaning and disinfecting of high touch hard surfaces (e.g., tables, desks, chairs, door handles, light switches, phones, copy/fax machines, bathroom surfaces (toilets, countertops, faucets), hydration fountains, and playground equipment) pursuant to CDC guidance.

Bathrooms will be used by only two students at a time. There will be signage for students to follow when going into the bathroom. Cohorts have designated times during the school day for students to go to the bathroom to mitigate the risk of infection.

The sharing of supplies between students will be limited. Each child will have a set of their own materials to use throughout the day, to mitigate the risk of infection within each group. When materials/items that are shared, children will sanitize their hands first, the teacher will sanitize the item(s) after they are done and sanitize the child(ren)'s hands again as well. Students will keep their personal supplies and backpacks in their space and in a basket next to their desks in the classroom.

Cleaning and Disinfecting Video

- [Coronavirus \(COVID-19\): Safely Cleaning and Disinfecting at Work \(7 min\)](#)

Ventilation

St. Anthony will ensure proper ventilation with outside air to improve indoor air quality. All classroom windows and doors will be kept open throughout the day to increase air flow. We will refrain from keeping the windows open when outdoor air pollution is high or when it makes your home too cold, hot, or humid.

Organization of Students / Physical Distancing

All students will remain with their own classes, a stable cohort, throughout the school day. Each stable cohort represents a group of students and staff members that will stay together through the course of a day to eliminate or limit the mixing of students and staff in classes or congregate settings. The number of students per cohort is based on room size and configuration to maintain physical distancing requirements between students and between adults and students.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

These cohorts will not physically interact with each other to minimize exposure. Lunch and recesses will be staggered and classes (cohorts) will not share play areas or play equipment. At this time the play structure will remain closed. St. Anthony School will have two recess times and two lunch times to accommodate these necessary changes.

Recess Schedule:

1st Recess: 9:45am - 10:05am - students eat snack before going outside

2nd Recess: 10:15am - 10:35am - students eat snack before going outside

Lunch Schedule:

1st Lunch: 11:30am students eat lunch in the classroom

11:45am to 12:15pm outside recess

2nd Lunch: 12:10pm students eat lunch in the classroom

12:25pm - 12:55pm outside recess

Outside food delivery (e.g. Parent Food Delivery, Door Dash, Uber Eats, etc.) will not be permitted.

Physical Distancing

Physical distancing is an effective way to prevent potential infection. Employees, students, parents, and visitors will practice staying the recommended distance from others and eliminating contact with others whenever possible. Teacher and other staff desks will be 6 feet away from student and other staff desks. Student chairs will be at least 6 feet from one another, except where 6 feet of distance is not possible after a good-faith effort has been made. If 6 feet of distance is not possible, optimize ventilation, use desk partitions, or arrange desks to minimize face-to-face contact. Distance between student chairs will not be less than 4 feet apart. Taped floor markings will identify walking directions throughout the campus in order to maintain physical distancing requirements. There will be floor markings in the hallway to keep one-way directions on both sides of the hallway. Nonessential, informal meetups, and ad-hoc gatherings will be avoided. We will also stagger lunchtimes and recesses and other transition times as needed.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

Social Distancing Videos

- [Sesame Street: Practicing Social Distancing with Abby and Rudy](#) (2 min)

- [Social Distancing Song - 5 Steps on Social Distancing](#) (2 min)
- [Social Distancing - Spanish](#) (2 min)

Entrance, Egress, and Movement Within the School

For the safety of the children and staff, as well as our families, parent volunteers will be strictly limited and parent presence on campus will be extremely limited. Parents will not be allowed to come for recess or lunch time to sit with their children. If you need to come by the school office, you are asked to call the office before coming to the school.

Anyone entering the school campus must comply with the applicable county COVID-19 requirements. Failure to comply is a violation of law. Unless specifically exempted by the applicable county health guideline, anyone entering the school campus must wear Personal Protective Equipment (PPE) covering his/her nose and mouth. The school will limit visitors to those visits essential for the school's operations and limit the duration of time a visitor shall be on campus, such as a delivery person.

No parent, guardian, student, employee or visitors shall enter the school premises if that person has: (a) received a positive test result for COVID-19; (b) has sought medical treatment for COVID-19 symptoms; (c) is quarantined or self-quarantined because of COVID-19, whether diagnosed or not; or (d) has a temperature of 100 or greater. In all such cases, the person shall not enter the campus without obtaining written medical clearance and providing it to the school principal.

During in person learning the drop off will be as follows:

- Parents will drive into the school parking lot carpool line and both students and parents will remain in the vehicle.
- Students will be screened for any COVID-19 symptoms and have their temperature checked while in the vehicle.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

- If a child presents any COVID symptoms parents will be asked to take their child home and follow the necessary steps.
- Parents / Guardians will not be allowed to walk their children to class.
- Once cleared students will walk into the school yard and wash their hands at the hand washing station.
- The student will then walk straight to their classroom.

During in person learning pick up will be as follows:

- Parents will drive into the school parking lot carpool line and will remain in the vehicle.
- Students will be called to come up to carpool when their parents arrive

All families must follow the carpool cones for drop-off /pick-up protocols. Parents will not be permitted to enter the building during drop-off or pick-up. Staff will monitor arrival and dismissal to curtail congregating and ensure students go straight from their carpool vehicle to the school building, and vice versa. All students will remain in their cohort during the drop off and pick up period of the day.

Six feet of spacing markings will be placed throughout the campus to remind students and staff to always stay 6 feet apart in lines and at other times they may congregate (e.g., during lunch, arrival and dismissal, restrooms, locker rooms, etc.).

Signage will be posted in high visibility areas, such as entrances, parking lot, playground, classrooms, hallways and bathrooms to remind everyone of expectations:

- Wearing Masks
- Physical Distancing
- Traffic flow
- Proper techniques for handwashing
- Covering of coughs and sneezes and other prevention measures

At entrances instructing students, staff, and visitors not to enter campus if they have any COVID-19 symptoms. COVID-19 symptoms include fever, chills, cough, shortness of breath,

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

difficulty breathing, fatigue, muscle or body aches, headache, recent loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, or diarrhea. Or if they have traveled out of the country in the past fourteen (14) days. If they have, they are asked to quarantine for 14 days from date of arrival.

Face Coverings and other Essential Protective Gear

Students in all grade levels TK/K-12 are required to wear face coverings at all times, while at school, unless exempted.

Faculty/staff will wear cloth face covering while on campus, except while eating or drinking and when physical distancing is possible. All staff must use face coverings in accordance with CDPH guidelines, CPDH recommends disposable 3-ply surgical masks, which are more effective than cloth face coverings. Cloth covering around the neck can be worn under the face shield as needed. Face coverings will be provided to students and staff who lose their face coverings or forget to bring them to school. Students in grades TK - 8 will be required to wear face coverings, except when eating and drinking.

Masks should fit snugly on the face while covering both the nose and mouth. Please note the following:

- Surgical masks may be used, but fabric masks are encouraged.
- **Bandannas and neck gaiters are not acceptable options as masks.**
- N95 masks are not recommended for general use on campus.
- Masks with valves attached to them are not permitted, as the valves increase the number of respiratory droplets released into the air.

- Transitional Kindergarten - 8th Grade: Cloth face coverings are required (except when eating or drinking) for students (TK and up) and all school staff. In limited situations where a face covering cannot be used for pedagogical or developmental reasons, a face shield with a drape can be used as long as the wearer maintains physical distance from others.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

Mask Wearing Videos

- [We Wear Masks - A Social Story about the Coronavirus](#) (2min)
- [Wear a Mask Song for Kids](#) (3min)
- [Mask Up Video](#) - Spanish (30 seconds)

Health Screenings for Students and Staff

Our school will require parents, guardians, students and employees to answer basic health screening questions related to COVID-19 symptoms before coming to school. A list of COVID-19 symptoms (a cough; Shortness of breath or difficulty breathing; A fever of 100.4°F or higher or a sense of having a fever; A sore throat; Chills; New loss of taste or smell; Muscle or body aches; Nausea/vomiting/diarrhea; Congestion/running nose – not related to seasonal allergies; Unusual fatigue) and a self-checker is available on the [Center for Disease Control \(CDC\) website](#). Further, once present at school, if an employee, student or visitor exhibits symptoms of COVID-19, the school may conduct health screening and isolate the person, consistent with county guidelines. (No medical testing, blood or saliva draw will be performed.)

When both staff and students arrive at the school their temperatures will be taken on site and answer if they have any COVID-19 symptoms. Remember you should self check for COVID-19 symptoms and your temperature must first be taken at home. If you have any symptoms or if a temperature is noted that person is not allowed to come to work or school.

Anyone who has been exposed to someone with COVID-19 in the past 14 days (exposure means within 4-6 feet for 15-minutes or longer), has COVID-19 symptoms, or who is not feeling well will not be permitted on our campus. Students and staff will also conduct self-checks for symptoms throughout the day. Those who develop signs and symptoms of COVID-19 will be sent home immediately. Parents must be prepared to pick up their child or have someone on their emergency form to do so as soon as possible.

All parents, guardians, students and employees must immediately notify the school principal if a student or employee has come into contact (through living arrangements or otherwise) with any person that has: (a) received a positive test result for COVID-19; (b) has sought medical treatment for COVID-19 symptoms; or (c) is quarantined or self- quarantined because of

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

COVID-19, whether diagnosed or not. In any of these situations, the person will not be allowed on school property, until the minimum county isolation/quarantine requirements have been met.

Any student or staff member with a positive COVID-19 diagnosis will be required to isolate at home until 10 days have passed since symptoms appeared and at least 24 hours have passed without a fever and their symptoms have improved.

CDC: Back to School Strategies and Tips

- [Symptoms of Coronavirus Disease 2019](#)
- [I Think or Know I had COVID-19, and I had Symptoms. When Can I Be with Others?](#)

Healthy Hygiene Practices

Students will move with their cohort at scheduled times for bathroom visits. Teachers and staff will accompany students to and from their designated locations to ensure cohorts remain secure, and disinfect restroom high touch areas after use.

Teachers will reinforce with students the importance of using tissues to wipe their nose and to cough/sneeze inside a tissue or in their elbow. Teachers, staff and students will also be reminded daily to wash their hands before and after eating; after coughing or sneezing; after being outside; and before and after using the restroom. Students and staff will be required to wash their hands for 20 seconds with soap, rubbing thoroughly after application, and use paper towels (or single use cloth towels) to dry hands thoroughly. Teachers and staff will model and practice proper handwashing with students as needed. Where soap and water are not readily available, staff and students are to use hand sanitizer with at least 60% alcohol. Children under the age of 9 will be supervised by an adult whenever using hand sanitizer.

We have placed hand sanitizers in the entrance of every classroom and office and by the outside yard door entrances. Every classroom teacher has a PPE container with extra masks, gloves, bandages, hand sanitizer, towels with a spray bottle of disinfectant to clean desks or chairs if needed throughout the day.

St. Anthony School

Procedures for Illness During School Day

If a student should become ill while at school and is showing COVID-19 symptoms, the student's parent or guardian will be contacted and notified of the situation. Parents will then have to immediately pick up the student. Contact will be made by phone, with follow up text or email. The parent or guardian will be directed not to enter the campus and pick up the student curbside. The employee who accompanies the potentially ill student, will wear PPE, including but not limited to mask and gloves. Our staff will advise the parent and/or guardian to contact the student's physician and for the student to get tested, isolate in their home or another residence, and refrain from going out in public, except for medical care. The student will remain out of school pending test results. Parents will be directed to the following Alameda County Public Health Department website containing information about local testing sites: [Alameda County COVID-19 Testing](#).

Procedure for Positive COVID-19 Case

In the event of a positive case, the school will:

1. Schools must adhere to required reporting requirements and notify, as describe below, the LHD of any newly reported case of COVID-19 in a student or staff member if the LHD has not yet contacted them about the case,
2. If the case is present at school at the time the school is notified, the case must go home and be excluded from school for at least 10 days from symptom onset date or, if asymptomatic, 10 days from the date the specimen was collected for the positive test.
3. Assist LHD in identifying close contacts of the case. Send a notice, developed in collaboration with the LHD, to parents and staff to inform them that a case of COVID-19 in a student or staff member has been reported and that the school will work with the LHD to notify exposed people.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

4. Arrange for cleaning and disinfection of the classroom and primary spaces where case spent significant time. This does not need to be done until students and staff in the area have left for the day.
5. Implement online/distance learning for student cases if they are well enough to participate.

Required COVID-19 Reporting

- The school will notify the local health officer of any known case of COVID-19 among any student or employee who was present on a campus within the 10 days preceding a positive test for COVID-19. Specifically, the school shall report the following information:
 - The full name, address, telephone number, and date of birth of the individual who tested positive;
 - The date the individual tested positive, the school(s) at which the individual was present on-site within the 10 days preceding the positive test, and the date the individual was last on-site at any relevant school(s); and
 - The full name, address, and telephone number of the person making the report.
- This information shall be reported to the local health officer by telephone within **twenty-four hours** from the time an individual within the local educational agency or private school is first made aware of a new case.
- The school liaison to the LHD is: Mina Bravo and/ or Marisol Preciado

Identification and Tracing of Contacts

Our school will follow Cal-OSHA reporting and recording instructions for all employees as well as reporting any positive Covid-19 cases to the corresponding County Health Department. ***Our school will cooperate with state and local health departments' contact tracing protocols. Our designated COVID-19 Contact Tracers are: Mina Bravo and Marisol Preciado.*** They will follow county recommendations for contact tracing. Information on contact tracing can be found here: [COVID-19 Contact Tracing](#)

The contact tracing process will immediately commence if and when a COVID-19 positive case occurs. Our contact tracers will assist public health departments in knowing who may have had contact at a school with a confirmed case by:

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

- Keeping accurate attendance records of students and staff members;
- Ensuring student schedules are up to date;
- Keeping a log of any visitors, including date, time and where in the school they visited;
- Assisting local health departments in tracing all contacts of the individual at school;
and
- Maintaining confidentiality as required by federal and state laws and regulations.

If an employee tests positive for COVID-19 or has come in close contact with someone who tested positive, s/he will inform the school's designated COVID-19 Contact Tracers, who in turn notify Alameda County Health Officials using this form: [Notification to ACPHD](#)

Our school will also notify others who have been in "close contact" with the affected individual. Close contact is defined by the CDC as being within six feet for a period of at least 15 minutes, although this standard is not absolute.

If anyone in a staff member's, or student's, family, or someone they have been within 6 ft of for more than 15 minutes, and is exhibiting distinctive symptoms of COVID-19 (fever above 100, shortness of breath, loss of taste or smell, cough), the staff member or student will be required to stay home for 72 hours for observation or until a negative COVID-19 test is produced.

Co-workers who may have had contact with a person who tested positive for COVID-19, will be informed by our school and it will be recommended they get COVID-19 testing and self-isolate.

Instructions on isolation and quarantine procedures for Alameda County can be found at:

- [Home Quarantine Guidance for Close Contacts to COVID-19](#)
- [Home Isolation Instructions for People COVID19 and People Awaiting COVID-19 Test Results](#)

In accordance with an individual's right to medical privacy, our school will never disclose an infected person's name. An affected employee will be asked to follow his/her medical provider's instructions and the recommended quarantine/isolation instructions per the corresponding County Health Department prior to returning to the school campus. Similar protocols will be followed for students.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

CDC: Back to School Strategies and Tips

- [Prepare for When Someone Gets Sick](#)

Staff Training & Family Education

All faculty/staff will be required to participate in a training session regarding the requirements and practices contained in this document, including education on the prevention and spread of COVID-19. During this training, clear expectations will be communicated to staff including: (a) monitoring and assessing students for COVID-19 symptoms; (b) monitoring students to maintain social distancing and wearing PPE, consistent with county health requirements; (c) cleaning and disinfecting of the school premises, including classrooms, bathrooms and common areas.

Protected time will be allocated at each week's faculty/staff meeting to ensure everyone is aware of updates and changes to our COVID response procedures and safety protocols, as needed. Ongoing training will also be provided as new COVID-19 updates are made available. All school families will be provided a copy of this document, as well as CDC's publication, [How to Protect Yourself and Others - COVID-19](#).

Teachers will educate students on the importance of healthy hygiene practices, understanding and monitoring for symptoms of COVID-19 and physical distancing.

Testing of Staff

COVID-19 testing is a key strategy in reopening schools safely. A minimum of 25% of our staff will be tested every two weeks, ensuring that 100% of our staff will be tested once within a two-month period, throughout the school year. A master schedule will be created to monitor testing status for everyone on staff.

Symptomatic testing: If a student or employee exhibits COVID-19 symptoms, the individual is sent home (or stays home). Testing for COVID-19 is encouraged. The student or employee can use the testing sites available on the County's website or make an appointment to see their medical provider. While waiting for results, the student or employee will not be able to return to school.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

Response testing: If a student or employee is exposed to a confirmed case of COVID-19, the student or staff member is required to quarantine for 10 days. Testing for COVID-19 is encouraged. The student or employee can use the testing sites available on the County's website or make an appointment to see their medical provider.

Asymptomatic testing: Employees participate in asymptomatic testing. The school has established a schedule for testing so that employees are tested once every two months. The employees use the testing sites available on the County's website.

Any student or staff member with a positive COVID-19 diagnosis will be required to isolate at home until 10 days have passed since symptoms appeared and at least 24 hours have passed without a fever and their symptoms have improved.

Employees/students with a positive test result and symptoms who are directed to care for themselves at home may discontinue home isolation when at least 24 hours have passed since recovery. Recovery is defined as no fever without the aid of fever reducing medication as well as improvement in respiratory symptoms (e.g. cough, shortness of breath), and at least 10 days have passed since their symptoms first appeared. Alameda County's instructions on isolation and quarantine procedures can be found at:

- [Home Quarantine Guidance for Close Contacts to COVID-19](#)
- [Home Isolation Instructions for People COVID19 and People Awaiting COVID-19 Test Results](#)

Travel Requirements

The State of California has updated its travel policy with the following provisions:

- Non-essential travel (for recreational purposes) should be limited to 120 miles from the person's home.
- Californians who travel outside the state or the country must quarantine for 10 days upon their return to California.
- Visitors to California from other states and countries must also quarantine for 10 days upon their entry into California.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

With this in mind, please limit recreational travel to no more than 120 miles from your home. If you must travel outside of California or outside of the United States, you will need to quarantine for 10 days upon your return to California.

Communication Plan

Open communication is key to our success and is important for keeping our school healthy. The weekly school newsletter will include a health/safety section that will house ongoing reminders for personal protection equipment, removing personal belongings and the importance of washing hands and good hygiene.

Employees who had “close contact” with a person confirmed or suspected of having COVID-19 will be notified. The CDC defines “close contact” as being within six feet for a period of at least 15 minutes from two days before the testing until meeting the criteria for discontinuation of home isolation. However, this standard of “close contact” is not absolute and can vary depending on the circumstances. The staff notification letter will be based on the template provided by Alameda County: [Alameda County Template Letter to Staff](#)

The parents or guardians of students who had “close contact” with a person confirmed or suspected of having COVID-19 will be notified. The CDC defines “close contact” as being within six feet for a period of at least 15 minutes from two days before the testing until meeting the criteria for discontinuation of home isolation. However, this standard of “close contact” is not absolute and can vary depending on the circumstances. The staff notification letter will be based on the template provided by Alameda County: [Alameda County Template Letter to Parents/Guardians](#)

Privacy / Confidentiality

Our school will adhere to CDC, CHD, ACPHD, FERPA and HIPAA guidelines when communicating with staff and families about confirmed positive cases and high-risk exposures at the school (consistent with privacy requirements). These communications will be made via email using School Messenger, Constant Contact, and/or the Class Dojo app. Schoolwide meetings will also be called for schoolwide exposure and cohort meetings for isolated cohort exposure.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

Triggers for Switching to Distance Learning

Our school will follow the metrics established by the California Department of Public Health for closing again and returning to distance learning due to COVID-19. These metrics are as follows:

Individual school closure, in which all students and staff are not on campus, is recommended based on the number of cases and stable groups impacted, which suggest that active in-school transmission is occurring. Closure should be done in consultation with the LHO. Situations that may indicate the need for school closure:

- Within a 14-day period, an outbreak has occurred in 25% or more stable groups in the school.
- Within a 14-day period, at least three outbreaks have occurred in the school AND more than 5% of the school population is infected.
- The LHO may also determine school closure is warranted for other reasons, including results from public health investigation or other local epidemiological data.

Length of closure: 14 days, or according to a decision made in consultation with the LHO.

Cluster or Outbreak at School

When either a school or LHD is aware that an outbreak may be underway, the LHD should investigate, in collaboration with the school, to determine whether these cases had a common exposure at school (e.g., a common class or staff member, bus ride, or other common exposures outside of school). CDPH defines a school outbreak as 3 or more confirmed or probable cases of staff or students occurring within a 14-day period who are epidemiologically linked in the school, are from different households and are not contacts of each other in any other investigation cases (e.g., transmission likely occurred in the school setting).

During the investigation, the school will:

1. Notify parents/guardians and school staff of a cluster/outbreak investigation related to the school and encourage them to follow public health recommendations.
2. Identify, as part of the CSP, one or more school staff member who can liaise with the LHD regarding the cluster/outbreak investigation by confirming which classes and stable groups included confirmed cases or symptomatic students and staff members, and if recent events or gatherings involved any cases or symptomatic persons.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

3. Identify absenteeism among those in affected classes or stable groups, and coordinate with the LHD to contact these absentees to screen for symptoms of COVID-19 if they were exposed to a case during the cases infectious period.
4. Coordinate with the LHD to share a line list of cases and contacts with dates present at or absent from school.
5. Arrange for cleaning and disinfection of classrooms or other areas where cases or symptomatic students or staff members spend significant time.
6. Coordinate with the LHD on notifications to the school community, including specific notifications of stable groups or classrooms regarding their exclusion status and instructions.
7. Coordinate with the LHD on whether and when the school should be closed and reopened.
8. Notify the school community if the school is to be closed for 14 days due to widespread and/or ongoing transmission of SARS-CoV2 at the school or in the general community, and repeat recommendations for prevention and control measures.
9. Implement online/distance teaching and learning during school closure.
10. Arrange for cleaning and disinfection of entire school before reopening in the case of closure.

Key Constituent Consultation

St. Anthony School has had several touchpoints with faculty, staff, parents, and students. While we do not have a labor organization like the public schools' teacher union, we have consulted with our faculty and staff in the decision-making process.

In the month of July, we shared preliminary information and held focus group meetings with faculty, staff, parents, and students. These focus group sessions provided our constituents an opportunity to ask questions about the reopening planning process, offer their input, and express concerns. During the past few weeks, we sent follow-up surveys to faculty, staff and parents specifically asking about their willingness to return to school. We also invited them to share questions and concerns at this point in the process.

St. Anthony School

A Lumen Christi Academy

1500 E 15th St.
Oakland, CA. 94606

School Reopening Plan

We have also kept our staff informed of our ongoing progress weekly during our faculty/staff meetings. The current iteration of our reopening plan will be posted on our website in both English and Spanish.

Sample Signage:

Welcome to St. Anthony School

All visitors in order to enter:

- Have had NO COVID symptoms in the last 3 days
- Have temperature checked upon arrival
- Not traveled out of the country in the last 14 days
- Must wear a mask at all times
- Maintain 6ft distance

St. Anthony School
A Lumen Christi Academy

Welcome to St. Anthony School

All visitors must
use the hand sanitizer before continuing

Thank you

St. Anthony School
A Lumen Christi Academy

Girls Restroom

Only 3 Students at one time:

- Use hand sanitizer before entering
- Use the restroom and flush the toilet
- Wash your hands with soap and water for 20 seconds
- Walk out of the restroom
- Keep your mask on

St. Anthony School

Arriving to School

- Drive into the parking lot on E 15th St. and everyone remains in the vehicle.
- St. Anthony Staff will check in students while still in the vehicle.
- Students will be asked if they have any COVID-19 symptoms and have their temperature taken.
- Before entering the school building students MUST wash their hands at one of the hand washing stations outside.
- Students MUST then go directly to their classroom.
- Students and Staff will wear masks while on the school premises. Except to eat or drink.
