Dear Patricia:

I am writing to notify you that the St. Catherine of Siena School's application for a waiver to provide in-person instruction has been approved. The school may proceed with in-person instruction starting on October 13, 2020, as proposed in your application.

Please stay informed of any updates to state and county guidance as we collectively continue to work towards keeping our communities healthy and safe. The best way to do this is by adding your email to the following listserv from the County of San Mateo:
