Financials through Oct 31, 2022

Monthly Financial Board Report

Prepared for: Granite Mountain Charter School

Prepared by School's CSMC SBM - Aaron Guibord

Financial Summary

Actual to Budget:

This report is as of Oct 31, 2022, compared against our board-approved budget from November 2022, based on 3,548 students enrolled and 3,545.20 ADA.

YTD Revenues Through **Oct 31, 2022,** are **$11,221,298** or **3% over** our current budget due to **EPA ($168,255 ahead), ELO ($49,085 ahead), and Lottery revenues ($110,008 ahead).** We note that the LCFF estimator did not have any EPA funds allocated, but it appears you received a first quarter apportionment. This will likely be corrected on future iterations of the FCMAT calculator, and we note that the amount received is likely correct. ELO revenues were recorded to the 8299 account but were budgeted to be received in the 8290 account.

YTD Expenses Through **Oct 31, 2022,** are **$12,948,452** or **1% over** our current budget due to **Payroll related expenses** being slightly overspent ($6,792 – 0.3%). The budget to actuals are so close now due to the recent adopted budget. We will likely start to see more variances occur over the next few months and keep an eye on those that do pop up.

Therefore, net deficit is **($1,727,154)** or **15.5% over** our current budget.

Balance Sheet:

As of Oct 31, 2022, we had total cash of $3,027,686, short-term liabilities of $4,319,125, and long-term liabilities of $3,101,991. The ending fund balance is $1,123,776.

Reconciled cash increased $883,886 in the month of October due to revenues exceeding expenses by over $3.4mil and was countered by an increase in receivables by over $2.7mil.

Supplemental Information – Cash Received

As requested, we note the following regarding cash:

1) LCFF revenues were accrued to close October 2022. We will accrue the amounts expected to be received for the months ending for interim reporting (October and January) and for the end of the fiscal year (June). As such, LCFF cash does not show a variance in October as it typically will in other months. Over $3.028mil was received after the end of the month, but due to the accrual, no variance appears.
2) School has not received State SPED AB602 revenues and State SPED Mental Health funds for the month of October

Financials through Nov 30, 2022

Monthly Financial Board Report

Prepared for: Granite Mountain Charter School

Prepared by School's CSMC SBM - Aaron Guibord

Financial Summary

Actual to Budget:

This report is as of Nov 30, 2022, compared against our board-approved budget from November 2022, based on 3,548 students enrolled and 3,545.20 ADA.

YTD Revenues Through **Nov 30, 2022,** are **$14,402,069** or **1.8% ($261,067) under** our current budget due to **LCFF revenues ($137,202 under) and State SPED ($259,206 under).** This is countered by Lottery and ELO revenues received to date. Overall, we are within 2% of our budget, which is an acceptable variance.

YTD Expenses Through **Nov 30, 2022,** are **$16,905,762** or **2.2% ($365,049) over** our current budget due to **curriculum ($202k over budget), classroom materials and supplies ($54k over budget), software ($51k over budget), and educational consultants ($185k over budget).** We will continue to monitor spending each month and will review variances come next budget revision. To date, I am not concerned with overspending in the accounts listed above **besides software**. This is because we have overspent the annual budget of software through November and will likely need to update the projected year-end spend amount at the next revision. Still, overall spending is around 2% of the budgeted mark to date, which is in an acceptable variance range.

Therefore, net deficit position is **($2,503,693)** or **33.3% under** our current budget.

Balance Sheet:

As of Nov 30, 2022, we had total cash of $3,850,869, short-term liabilities of $4,240,366, and long-term liabilities of $2,912,657. The ending fund balance is ($492,100).

Reconciled cash increased $823k in the month of November due to the receipt of over $1.8mil in deferred revenues due to receipt of the learning recovery emergency block grant.

Supplemental Information – Cash Received

As requested, we note the following regarding cash received after the close of the month:

1) Approximately $79k worth of mandate block grant funds have been received through the beginning of December.
2) At the end of November, the school had not received the monthly November apportionment for State SPED – causing a variance in our budget to actual notes as mentioned on the prior slide. In December, we have received both November and December's apportionment. This brings the variance to within $5k, or 0.5%. So, we are all caught up through December.
3) Cash balance is much higher than projected due to the receipt of the one-time COVID funds for learning recovery (over $1.8mil received).

1. Premises. Landlord leases to Tenant, and Tenant leases from Landlord, the Premises for the Term upon the terms and subject to the conditions of this Lease. Tenant accepts the Premises in their "AS IS," "WHERE IS" condition without any representation of any kind from Landlord.

2. Term. The term of this Lease ("Term") commences on the Commencement Date and expires on the Expiration Date, unless earlier terminated by the terms of this Lease. The terms and conditions of this Lease are binding on the parties upon full execution and delivery of this Lease.

3. Rent; Security Deposit; Late Fee.

(a) Tenant must pay to Landlord during the Term, without notice, demand, setoff, deduction, or counterclaim, the Rent as provided in this Lease. The Monthly Installment of Gross Rent is payable to Landlord in advance on or before the first day of each month of the Term, and all other Rent is due and payable to Landlord within 10 days of Landlord's request. "Rent" means Gross Rent together with all other amounts due under this Lease, which shall include any sales, use, or other tax now or hereafter imposed upon the Rent that may be collected by Landlord at its option.

(b) All Rent payments must be sent by electronic funds transfer by Automated Clearing House network ("ACH") credit of immediately available funds to an account designated by Landlord, as further indicated on Exhibit B attached hereto, which includes instructions for all payments by Tenant to Landlord and may be updated from time to time by written notice delivered by Landlord to Tenant. Tenant's payment obligations under this Lease are absolute and unconditional and independent covenants from Landlord's covenants under this Lease.

(c) Together with Tenant's delivery of a signed copy of this Lease, Tenant must pay to Landlord: (i) the monthly Rent for the first full calendar month of the Term; and (ii) the Security Deposit. If Tenant is currently in possession of the Premises under a previously executed lease agreement with Landlord, then any security deposit made by Tenant and currently held by Landlord for the Premises shall be applied to the Security Deposit to be deposited under this Lease prior to the Commencement Date. If the existing security deposit is less than the Security Deposit required to be made by Tenant under this Lease, then Tenant shall deposit with Landlord the difference on or before the Commencement Date. No interest will be paid to Tenant on the Security Deposit, and Landlord may commingle the Security Deposit with other funds of Landlord. Landlord may use the whole or any part of the Security Deposit to cure an Event of Default. If any portion of the Security Deposit is used, applied, or retained by Landlord, Tenant must, within 10 days after written demand therefor, deposit cash with Landlord in an amount sufficient to restore the Security Deposit to its original amount, and if Tenant fails to do so an Event of Default will be deemed to have occurred. Landlord will return the balance of the Security Deposit to Tenant within a reasonable time after the later of the Expiration Date, Tenant's surrender of possession of the Premises to Landlord in the condition required under this Lease, and Tenant's payment of all outstanding Rent.

(d) If Landlord does not receive the full payment of any Rent when due, Tenant must pay to Landlord a late fee in the amount of 10% of such overdue amount and interest on the late fee and unpaid Rent from the date such amount was due until paid in full at the Applicable Interest Rate, which is interest, charged and compounded daily, at the rate of the lesser of (i) 0.0005% per day or (ii) the maximum rate permitted by Laws (as defined below). If any Rent payment is returned for insufficient funds, Landlord may assess a fee to Tenant as additional Rent, which fee is currently $250.00 per returned payment.

4. Utilities; Services. Tenant shall timely pay the cost (including related taxes and charges) of all utility services (including without limitation gas, propane, diesel, electricity, telecommunications and data) used on or provided to the Premises and any Maintenance (as defined below) charges for utilities. Tenant shall obtain utility services for the Premises in Tenant's own name and timely pay for the costs therefor directly to the respective utility provider, except to the extent Landlord elects to obtain any such utility service in Landlord's own name and charge to Tenant directly. Notwithstanding the foregoing, Landlord shall pay the cost of all water, sewer, waste, and routine trash removal supplied to the Premises, and Tenant shall remit to Landlord the Water and Trash Charge with Tenant's monthly payment of Rent. Landlord reserves the right to (i) update the Water and Trash Charge upon reasonable notice to Tenant, provided, however, the Water and Trash Charge shall not increase by more than 10% per calendar year; and (ii) install sub-meter(s) and bill Tenant in accordance with Tenant's actual usage, as further detailed herein. Notwithstanding the foregoing, Tenant may select its own telecommunications or data service and will pay the cost therefor, and Landlord will not be responsible for providing any such service connections therefor. Landlord can procure utility services for multiple tenants and charge to them based on Landlord's reasonable estimates of usage or square footage leased. Landlord may elect to install one or more sub-meters for one or more premises (which, if installed at the Premises, shall be at Tenant's expense) in which event Landlord will bill each tenant whose premises is sub-metered according to that tenant's actual usage. Any such charges paid by Landlord and assessed against Tenant shall be additional Rent. Landlord shall not be responsible or liable for any interruption in utilities or services, or for any injury to property caused thereby, nor shall such interruption affect the continuation or validity of this Lease, constitute an eviction, give rise to an abatement or relieve Tenant from full performance of Tenant's obligations under this Lease. Upon written request no more often than once a quarter, Tenant shall provide to Landlord reasonable utility consumption data and other related information (or, at Landlord's option, execute and deliver to Landlord an instrument enabling Landlord to obtain the same from the applicable provider). Tenant shall cooperate with Landlord to conduct ASHRAE energy audits of the Building and Project.

5. Use; Signs. Tenant may use the Premises for the Permitted Use and for no other purpose. Subject to the Rules and Regulations set forth in Exhibit C, attached hereto, Tenant has the nonexclusive right in common with others to use the common areas of the Building for their intended purposes. Tenant's use of the Premises is subject to all applicable Laws and the Rules and Regulations. "Laws" means federal, state, county, and local governmental and municipal laws, statutes, ordinances, rules, regulations, codes, decrees, orders, and other such requirements, and decisions by courts in cases where such decisions are considered binding precedents in the state or commonwealth in which the Premises are located, and decisions of federal courts applying the laws thereof including without limitation Title III of the Americans with Disabilities Act of 1990, 42 U.S.C. §12181 et seq. as now in effect or hereafter amended and all rules and regulations issued thereunder. All permitting for Tenant's vendors, including but not limited to cabling, security, and furniture is at Tenant's sole cost and expense. Tenant may not place any signs at the Premises that are visible from outside of the Premises unless permitted by Landlord in writing in its sole and absolute discretion.

DocuSign Envelope ID: 66A09B2B-F29D-4E94-B27D-D1E147B2A8DF

6. Transfer. Tenant may not (nor may its legal representative or successors in interest by operation of law or otherwise) assign, transfer, mortgage, or sublet the Premises ("Transfer"), without Landlord's prior written consent, which consent Landlord may grant or deny in its sole and absolute discretion. Whether or not approval is granted, Tenant shall pay to Landlord a processing fee in the amount of $250 for each Transfer request. Any Transfer without Landlord's prior written consent constitutes an Event of Default and, at Landlord's option, is void and/or terminates this Lease. A Transfer includes any assignment by operation of law, and any merger, consolidation, or asset sale involving Tenant, any direct or indirect transfer of control of Tenant, and any transfer of a majority of the ownership interests in Tenant.

7. Maintenance.

(a) Landlord must make all necessary repairs at its expense to: (i) the footings and foundations and the structural elements of the Building; (ii) the roof of the Building; (iii) the plumbing, elevators (if any), fire protection and fire alert systems within the Building; (iv) the Building exterior; and (v) the common areas. Any repairs to the Building made necessary by the negligent or willful act or omission of Tenant or Tenant's affiliates' employees, agents, customers, visitors, representatives, invitees, guest, licensees, contractors, subcontractors, assignees or subtenants (each a "Tenant Party") will be made at Tenant's expense, subject to the waivers set forth in Section 8(c).

(b) Tenant must Maintain the Premises in good order and condition at its expense (including without limitation the water heaters serving exclusively the Premises, appliances, electric, security systems, and furniture). As used in this Lease, "Maintain" includes without limitation regularly maintaining and promptly making all repairs and any reasonably necessary replacements necessary to keep and maintain such in good order and condition. In the event of an emergency, Landlord has the right to make repairs for which Tenant is responsible hereunder (at Tenant's cost) without giving Tenant prior notice, but in such case Landlord will provide notice to Tenant as soon as practicable thereafter, and take commercially reasonable steps to minimize the costs incurred. Further, Landlord has the right to make repairs for which Tenant is responsible hereunder (at Tenant's cost) with prior notice to Tenant if Landlord believes in its sole and absolute discretion that the repairs are necessary to prevent harm or damage to the Building, and Landlord will take commercially reasonable steps to minimize the costs incurred. Notwithstanding the foregoing, Landlord shall Maintain the HVAC and any supplemental HVAC serving exclusively the Premises (including replacement subject to Paragraph 7(c)) and charge Tenant the cost thereof including a sum for overhead to Landlord equal to 10% of the costs of such Maintenance. Tenant may, upon notice to Landlord, directly enter into any Maintenance/service contract for or perform the Maintenance to the HVAC and any supplemental HVAC servicing exclusively the Premises.

(c) Subject to Tenant's indemnification of Landlord as set forth in Paragraph 9 below, and without relieving Tenant of liability resulting from Tenant's failure to exercise and perform good Maintenance practices, if an item described in Paragraph 7(b) cannot be repaired other than at a cost which is in excess of 50% of the cost of replacing such item, then such item shall be replaced by Landlord, and the cost hereof shall be prorated between the parties, and Tenant shall only be obligated to pay, each month during the remainder of the Term of this Lease or any extension thereof, on the date on which Rent is due, an amount equal to the product of multiplying the cost of such replacement by a fraction, the numerator of which is one, and the denominator of which is 144 (*i.e.*, 1/144th of the cost per month). Tenant shall pay interest at the Applicable Interest Rate on the unamortized balance but may prepay its obligation at any time.

8. Insurance.

(a) Tenant, at Tenant's expense, shall obtain and keep in full force and effect at all times as of the Commencement Date (or Tenant's earlier accessing of the Premises) and throughout the Term, all of the following insurance policies:

(i) commercial general liability insurance covering claims of bodily injury, personal injury and property damage arising out of Tenant's operations and contractual liabilities, including coverage formerly known as broad form, on an occurrence basis, with primary limits of at least $1,000,000 each occurrence and $2,000,000 annual aggregate

(ii) business automobile liability insurance having a combined single limit of not less than $1,000,000 per occurrence and including owned, hired or non-owned automobiles.

(iii) workers' compensation insurance having limits not less than those required by applicable state and federal statute, and covering all persons employed by Tenant, including volunteers, in the conduct of its operations on the Premises, together with employer's liability insurance coverage in the amount of at least $1,000,000.

(iv) umbrella/excess liability insurance having a limit of not less than $1,000,000, which policy shall be in "following form" and shall provide that if the underlying aggregate is exhausted, the excess coverage will drop down as primary insurance. Such umbrella liability policy or excess liability policy shall include coverage for additional insureds.

(v) "All risk" or "special cause of loss form" property insurance including coverage for vandalism, malicious mischief, sprinkler leakage and, if applicable, boiler and machinery comprehensive form, on a replacement cost basis, insuring (a) all Tenant's Property (as defined below), and (b) all Alterations (as defined below) made by Tenant or a Tenant Party, in each case, in an amount equal to the then applicable full replacement cost thereof. In the event property of Tenant's invitees or customers are kept in the Premises or Project, Tenant shall maintain warehouser's legal liability or bailee customers insurance for the full value of the property of such invitees or customers as determined by the warehouse contract between Tenant and its customer. "Tenant's Property" means all fixtures, furniture, equipment (including any racking and/or telecommunications, data and/or security equipment), merchandise, inventory, and all other personal property and other contents contained within the Premises whether installed in, or brought upon, the Premises by Tenant or a Tenant Party prior to, during or after the Term of this Lease.

(vi) business interruption insurance (loss of income and extra expense insurance) in amounts as will reimburse Tenant for direct or indirect loss of earnings for a period of not less than 12 months, attributable to all perils included in the "all risk" or "special cause of loss form" property insurance policy required above or attributable to prevention of access to the Premises as a result of such perils.

(b) Tenant's insurance company shall be authorized to do business in the state in which the Premises is located and be rated at least "A VIII" (or higher if required by a Mortgagee, as defined below) as determined by A.M. Best Company. Tenant shall deliver to Landlord certificates of insurance for all insurance required to be maintained by Tenant in the form of ACORD 28 and ACORD 25-S (or in a form acceptable to Landlord in its reasonable discretion), on or before the Commencement Date or any earlier date on which Tenant

DocuSign Envelope ID: 66A09B2B-F29D-4E94-B27D-D1E147B2A8DF

or any Tenant Party accesses the Premises and, at least 10 days prior to the expiration of any required coverage. Landlord, Landlord's Mortgagee, if any, and any other party designated by Landlord, as their interests may appear, shall be named as additional insureds ("Additional Insureds") under Insurance Services Office endorsement CG 20 10 04 13 or equivalent under all of the policies required in this subsection, which (a) endorsement shall be included with Tenant's certificates of insurance, and (b) policies shall provide for severability of interest and shall be primary as respects the Additional Insureds, and any insurance maintained by the Additional Insureds shall be excess and non-contributing. The limits and types of insurance maintained by Tenant shall not limit Tenant's liability under this Lease. Tenant shall notify Landlord within 24 hours after the occurrence of any accidents or incidents in the Premises or the Project which could give rise to a claim under any of the insurance policies required under this subsection. Tenant shall not be permitted to satisfy any of its insurance obligations set forth in this Lease with deductible amounts, or through any self-insurance or self-insured retention, in excess of $25,000.00, without Landlord's consent, subject to such additional conditions as Landlord may impose, in Landlord's sole discretion.

(c) Each party waives, and shall cause its insurance carrier to waive, any right of recovery against the other for any loss of or damage to property which loss or damage is (or, if the insurance required hereunder had been carried, would have been) covered under the terms of any policy of property insurance, to the extent such releases or waivers are permitted under applicable law; provided, however, such waiver by Landlord shall not be effective with respect to Tenant's liability described in Section 14 below. The failure of a party to insure its property shall not void this waiver. For purposes of this subsection, (but subject to the terms of Section 7(b)), any deductible with respect to a party's insurance shall be deemed covered by, and recoverable by such party under, valid and collectible policies of insurance.

9. Indemnification.

(a) Tenant shall indemnify, protect, defend (by counsel acceptable to Landlord) and hold harmless Landlord and Landlord's affiliated entities, and each of Landlord's and Landlord's affiliated entities' respective trustees, members, managers, principals, beneficiaries, partners, directors, officers, employees, shareholders, Mortgagees, agents, contractors, representatives, successors and assigns (the "Indemnitees") from and against any and all claims, judgments, causes of action, damages, obligations, penalties, fines, taxes, costs, liens, liabilities, losses, charges and expenses, including without limitation all attorneys' fees and other professional fees (the "Losses"), which may be imposed upon, incurred or suffered by or asserted against Landlord or any of the Indemnitees at any time prior to, during or after the Term arising out of or in connection with Tenant's occupancy or use of the Premises, any acts or omissions of Tenant or any Tenant Party, or the conduct of Tenant's business, or otherwise in, upon or about the Premises, except to the extent caused by Landlord's gross negligence or willful misconduct. The obligations of Tenant under this subsection shall survive the Expiration Date.

(b) Tenant, as a material part of the consideration to Landlord, hereby assumes all loss due to business interruption and all risk of illness or injury to persons in, upon or about the Premises and/or the Project arising from any cause and all risk of damage to property including, but not limited to, Tenant's Property and all Tenant Parties and all Alterations, and Tenant hereby expressly releases Landlord and the Indemnitees and waives all claims in respect thereof against Landlord and the Indemnitees.

10. Subordination; Estoppel Certificate. Tenant accepts this Lease subject and subordinate to any mortgage(s), deed(s) of trust, deeds to secure debt, ground lease(s) or other lien(s) now or subsequently arising upon the Premises, the Building or the Project, and to renewals, modifications, refinancings and extensions thereof (collectively referred to as a "Mortgage"). The party having the benefit of a Mortgage shall be referred to as a "Mortgagee". This clause shall be self-operative, but upon request from a Mortgagee, Tenant shall execute a commercially reasonable subordination agreement in favor of the Mortgagee. As an alternative, a Mortgagee shall have the right at any time to subordinate its Mortgage to this Lease. Within 10 days after request by Landlord, (a) Tenant shall execute and deliver to Landlord, for the benefit of Landlord, Landlord's Mortgagee and/or any prospective purchaser of the Project, a tenant estoppel certificate in a commercially reasonable form to be provided by Landlord, and (b) Tenant shall furnish to Landlord, Landlord's Mortgagee and/or any prospective purchaser of the Project reasonably requested financial information.

11. Default; Remedies.

(a) An "Event of Default" is deemed to exist and Tenant will be in default under this Lease if: (i) Tenant fails to pay any Rent when due and such failure continues for more than 3 days after Landlord has given Tenant written notice of such failure (such notice being in lieu of, and not in addition to, any applicable statutory notice); provided, however, in no event does Landlord have any obligation to give Tenant more than 1 such notice in any 12-month period, after which there will be an Event of Default if Tenant fails to pay any Rent when due, regardless of Tenant's receipt of notice of such nonpayment, and, provided further, there will be an automatic Event of Default if Tenant fails to pay any Rent when due and an automatic stay of bankruptcy precludes issuance of a default notice; or (ii) Tenant fails to observe or perform any of Tenant's other agreements or obligations under this Lease and such failure continues for more than 10 days after Landlord gives Tenant written notice of such failure, or the expiration of such additional time period as is reasonably necessary to cure such failure (not to exceed 30 days), provided Tenant immediately commences and thereafter proceeds with all due diligence and in good faith to cure such failure.

(b) Upon the occurrence of an Event of Default, at Landlord's sole option Landlord may elect to do any one or more of the following:

(i) Enter and repossess the Premises, by breaking open locked doors if necessary, and remove all persons and all or any property, by action at law or otherwise, without being liable for prosecution or damages, and/or make alterations and repairs in order to relet all or any part(s) of the Premises for Tenant's account. Tenant must pay to Landlord on demand any deficiency (taking into account all costs incurred by Landlord) that may arise by reason of such reletting. In the event of reletting without termination of this Lease, Landlord may at any time thereafter elect to terminate this Lease for such previous breach;

(ii) Accelerate the whole or any part of the Rent for the balance of the Term, and declare the same to be immediately due and payable; and

(iii) Terminate this Lease and the Term without any right on the part of Tenant to save the forfeiture by payment of any sum due or by other performance of any condition, term, or covenant broken.

(c) Landlord may, without any obligation to do so, cure the default on behalf of Tenant, in which case Landlord may enter the Premises without being deemed in any manner guilty of trespass,

eviction or forcible entry and detainer and without incurring any liability for any damage or interruption of Tenant's business resulting therefrom. Tenant agrees to pay Landlord an amount equal to 110% of any expenses that Landlord may incur in curing the default, including without limitation, attorney's fees, together with interest thereon at the Applicable Interest Rate from the date of expenditure.

(d) Neither any delay or forbearance by Landlord in exercising any right or remedy hereunder nor Landlord's undertaking or performing any act that Landlord is not expressly required to undertake under this Lease may be construed to be a waiver of Landlord's rights or to represent any agreement by Landlord to thereafter undertake or perform such act. The rights granted to Landlord in this subsection are cumulative of every other right or remedy provided in this Lease or which Landlord may otherwise have at law or in equity or by statute, and the exercise of one or more rights or remedies may not prejudice or impair the concurrent or subsequent exercise of other rights or remedies or constitute a forfeiture or waiver of Rent or damages accruing to Landlord by reason of any Event of Default under this Lease. Landlord may accept payment without prejudice to Landlord's right to recover the balance or pursue any other right or remedy provided for in this Lease, at law, or in equity. Tenant hereby expressly waives, for itself and all persons claiming by, through or under it, any right of redemption, reentry, or restoration of the operation of this Lease under any present or future Law, including without limitation any such right which Tenant would otherwise have in case Tenant shall be dispossessed for any cause, or in case Landlord shall obtain possession of the Premises as herein provided.

12. Surrender. On or before the Expiration Date, Tenant, at its sole cost, shall return possession of the Premises to Landlord in accordance with Tenant's obligations under this Lease, and otherwise in the condition described on Exhibit D, attached hereto, ordinary wear and tear and damage by fire or casualty excepted. Conditions existing as a result of (i) Tenant's failure to Maintain the Premises or the Project, as required by this Lease, (ii) Tenant's failure to abide by the terms of this Lease or its default, or (iii) the presence of Hazardous Materials (as defined below) on, in, under or about the Premises, the Project or other property as a result (directly or indirectly) of Tenant's and/or any Tenant Party's activities, or failure to act, in connection with the Premises or the Project, shall not be deemed "ordinary wear and tear." On or before the Expiration Date, Tenant, at its sole cost, shall remove Tenant's Property from the Project and repair all damage resulting from such removal and restore the Project to good order and condition, subject to Section 15 below. If Tenant fails to remove any of Tenant's Property as required hereunder, then Landlord may deem all or any part of Tenant's Property to be abandoned and, at Landlord's option, title to Tenant's Property shall vest in Landlord, and/or Landlord may at Tenant's expense remove and/or dispose of any Tenant's Property in any manner Landlord deems appropriate. If Tenant does not return possession of the Premises to Landlord in the condition required under this Lease, Tenant shall pay Landlord all resulting damages Landlord may suffer.

13. Holding Over. If Tenant remains in possession of all or any part of the Premises after the Expiration Date, then such holding over shall be a tenancy at sufferance, for the entire Premises, subject to the terms and conditions of this Lease, except that Tenant shall pay monthly installments of Rent (determined on a per month basis without reduction for partial months during the holdover) equal to 200% of the monthly installment of Rent in effect immediately prior to such holding over. This Section shall not be construed as Landlord's permission for Tenant to holdover. Acceptance of Rent by Landlord following expiration or termination shall not constitute an extension of the Term or prevent Landlord from immediate recovery of possession of the Premises by summary proceedings or otherwise. Notwithstanding any provision in this Lease to the contrary, any holdover by Tenant shall constitute an Event of Default on the part of Tenant under this Lease entitling Landlord to exercise, without obligation to provide Tenant any notice or cure period, all of the remedies available to Landlord in the case of an Event of Default by Tenant. If Tenant remains in possession of all or any part of the Premises after the Expiration Date, then Tenant shall indemnify and hold Landlord harmless from and against all Losses (including, without limitation, consequential damages) resulting from or arising out of Tenant's failure to surrender the Premises, including, but not limited to, any amounts required to be paid to any tenant or prospective tenant who was to have occupied the Premises after the Expiration Date and any related attorneys' fees and brokerage commissions.

14. Compliance with Laws.

(a) Tenant must, at its sole cost, comply with and cause Tenant Parties to comply with, all applicable Laws, including those specifically pertaining to the Premises and Tenant's use or occupancy of the Premises (whether such use or occupancy by Tenant was prior to, during or after the Term of this Lease), and obtain all necessary licenses and permits for its business and operations in the Premises. Without limiting the foregoing, the manufacture, cultivation, warehouse, distribution, sale and/or dispensing of any controlled substance, including, without limitation, marijuana and marijuana-based products is not permitted hereunder and shall be an incurable Event of Default. Tenant must pay all personal property taxes, income taxes, gross receipts taxes, and other taxes, assessments, and similar charges that are or may be assessed, levied, or imposed upon Tenant, Tenant's business, or Tenant's Property. Tenant must pay to Landlord all sales, use, transaction privilege, gross receipts, or other excise tax that may at any time be levied or imposed upon, or measured by, any amount payable by Tenant under this Lease. Tenant must remit to Landlord any use and occupancy taxes. Notwithstanding anything to the contrary in this Lease, if the requirement of any public authority obligates either Landlord or Tenant to expend money in order to bring the Premises and/or any area of the project into compliance with Laws as a result of: (i) Tenant's particular use of the Premises or the use or occupancy of the Premises for other than general warehouse and distribution with ancillary office uses; (ii) Tenant's Alterations (subject to Section 15 below); (iii) Tenant's change in the use of the Premises; (iv) the manner of conduct of Tenant's business or operation of its installations, equipment, or other property therein; (v) any cause or condition created by or at the request or direction of Tenant or any Tenant Party, other than by Landlord's performance of any work for or on behalf of Tenant; or (vi) breach of any of Tenant's obligations hereunder, then Tenant shall bear all costs of bringing the Premises and/or project into compliance with Laws, whether such costs are related to structural or nonstructural elements of the Premises or Project, and in such event Tenant at its sole cost and expense shall be solely responsible for taking any and all measures that are required to comply with such Laws concerning the Building and the Premises (including point of entry and means of ingress and egress thereto) and the business conducted therein.

(b) Tenant agrees that (i) no activity will be conducted in or about the Premises that will use or produce any Hazardous Materials (as defined below), except for activities which are conducted in accordance with the terms of this Lease and all Environmental Laws (as defined below) and are part of the ordinary course of Tenant's business ("Permitted Activities"), (ii) the Premises will not be used for storage of any Hazardous Materials, except for materials used in the Permitted Activities which are properly stored in a manner and location complying with all Environmental Laws and removed by Tenant prior to the Expiration Date, (iii) no portion of the Premises or Project will be used by Tenant or a Tenant Party for disposal of Hazardous Materials, and (iv) Tenant will immediately notify Landlord of any violation by Tenant or a Tenant Party of any

DocuSign Envelope ID: 66A09B2B-F29D-4E94-B27D-D1E147B2A8DF

Environmental Laws or the release or suspected release of Hazardous Materials in, under or about the Premises, and Tenant shall immediately deliver to Landlord a copy of any notice, filing or permit sent or received by Tenant with respect to the foregoing. If at any time during or after the Term, any portion of the Project is found to be contaminated by Tenant or a Tenant Party (whether such activities, or failure to act, occurred prior to, during, or after the Terms of this Lease) or subject to conditions prohibited in this Lease caused by Tenant or a Tenant Party, Tenant will indemnify, defend and hold Landlord harmless from all claims, demands, actions, liabilities, costs, expenses, attorneys' fees, damages and obligations of any nature arising from or as a result thereof, and Landlord shall have the right to direct remediation activities, all of which shall be performed at Tenant's cost. Tenant's obligations pursuant to this subsection shall survive the Expiration Date. As used in this Lease, (A) the term "Hazardous Materials" shall mean pollutants, contaminants, toxic or hazardous wastes or other materials the removal of which is required or the use, treatment, storage or disposal of which is regulated, restricted, or prohibited by any Environmental Law, and (B) the term "Environmental Laws" shall mean all present or future federal, state or local laws, ordinances, rules or regulations (including the rules and regulations of the federal Environmental Protection Agency and comparable state agency) relating to the protection of human health or the environment.

15. Alterations; Liens.

(a) Tenant, at its sole cost, may install necessary trade fixtures, equipment and furniture in the Premises (it being agreed that such installation shall not be deemed an Alteration), provided that the installation and removal of them will not affect any structural portion of the Project, any Building system or any other equipment or facilities serving the Project or any occupant. Tenant shall not remove, add or rearrange interior walls of the Premises or otherwise take any action that would modify the Premises space plan that existed as of the Commencement Date. An "Alteration" includes any addition, alteration or improvement to the Premises or the Project including any addition, alteration or improvement to the Premises or Project by Tenant performed prior to, during or after the Term of this Lease. Tenant shall not construct, nor allow to be constructed, any Alterations or Tenant Maintenance work in the Premises or on the Project without obtaining the prior written consent of Landlord, which consent shall not be unreasonably withheld. In order to obtain such consent, Tenant shall furnish Landlord with: plans and specifications; names of contractors acceptable to Landlord (although Landlord may designate specific contractors with respect to oversight, installation, repair, connection to, and removal of Alterations that impact the base Building); required permits and approvals; evidence of contractor's and subcontractor's insurance in amounts reasonably required by Landlord and naming Landlord and any other party designated by Landlord as an additional insured; and any security for performance in amounts reasonably required by Landlord. Tenant shall reimburse Landlord for any sums paid by Landlord for third-party examination of Tenant's plans for Alterations. In addition, Tenant shall pay Landlord a fee for Landlord's oversight and coordination of any Alterations equal to 10% of the cost of the Alterations. Upon completion, Tenant shall furnish "as-built" plans (in CAD format, if applicable and requested by Landlord) for Alterations, completion affidavits and full and final waivers of lien. If Landlord does consent, Tenant (i) shall complete the Alterations, at Tenant's sole expense, in compliance with all applicable Laws and free of any mechanic's or materialman's lien, and (ii) shall remove all Alterations at the Expiration Date (and Landlord may ask for additional Security Deposit with respect to such additional Tenant obligations as a condition to granting its consent to the Alterations) , unless Landlord notifies Tenant otherwise prior to the Expiration Date, and Tenant shall repair any resulting damage, and shall restore the Premises prior to the Expiration Date to its condition existing before installation of the Alterations.

(b) Tenant, at its sole cost, shall promptly pay and discharge all claims for labor performed, supplies furnished and services rendered at the request of Tenant and shall keep the Premises free of all mechanics' and materialmen's liens. Tenant, at its sole cost, shall remove any such lien within 15 days after notice from Landlord. If Tenant fails to do so, an Event of Default by Tenant shall have occurred, and Landlord may bond, insure over or pay the amount necessary to cause such removal, whether or not such lien is valid, and charge the Tenant such amount, together with reasonable attorneys' fees and expenses, in addition to all other remedies Landlord has under this Lease, at law or in equity.

16. Notices. Unless otherwise specifically set forth in this Lease, all notices shall be in writing and delivered by hand or sent by registered, express, or certified mail, with return receipt requested or with delivery confirmation requested from the U.S. postal service, or sent by overnight or same day courier service to the party's respective Notice Address(es) set forth above; provided notices sent by Landlord regarding general property operational matters may be sent via e-mail to the e-mail address provided by Tenant to Landlord for such purpose; provided further, notices may be sent by Landlord to Tenant pursuant to the tenant/customer portal as described in Exhibit B. In addition, if the Building is closed (whether due to emergency, governmental order or any other reason), then any notice address at the Building shall not be deemed a required notice address during such closure, and, unless Tenant has provided an alternative valid notice address to Landlord for use during such closure, any notices sent during such closure may be sent via e-mail or in any other practical manner reasonably designed to ensure receipt by the intended recipient. Each notice shall be deemed to have been received on the earlier to occur of actual delivery or the date on which delivery is refused, or, if Tenant has vacated the Premises or any other Notice Address of Tenant without providing a new Notice Address, 3 days after notice is deposited in the U.S. mail or with a courier service in the manner described above. Either party may, at any time, change its Notice Address (other than to a post office box address) by giving the other party written notice of the new address.

17. Brokers. Tenant agrees that it has dealt with no brokers in connection with this Lease, except for the Broker. Landlord agrees to pay any commission due by Landlord to the Broker(s) pursuant to a separate agreement. Tenant agrees to indemnify and hold Landlord harmless from any and all claims for commissions or fees in connection with the Premises and this Lease from any other real estate brokers or agents with whom Tenant may have dealt.

18. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LEASE, THE LIABILITY OF LANDLORD (AND OF ANY SUCCESSOR LANDLORD) SHALL BE LIMITED TO THE INTEREST OF LANDLORD IN THE BUILDING. TENANT SHALL LOOK SOLELY TO LANDLORD'S PREVIOUSLY DEFINED INTEREST IN THE BUILDING FOR THE RECOVERY OF ANY JUDGMENT OR AWARD AGAINST LANDLORD OR ANY LANDLORD INDEMNITEES. NEITHER LANDLORD NOR ANY LANDLORD INDEMNITEES SHALL BE PERSONALLY LIABLE FOR ANY JUDGMENT OR DEFICIENCY, AND IN NO EVENT SHALL LANDLORD OR ANY LANDLORD INDEMNITEES OR MORTGAGEES BE LIABLE TO TENANT FOR LOST PROFIT, DAMAGE TO OR LOSS OF BUSINESS OR ANY FORM OF PUNITIVE, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGE. LANDLORD SHALL NOT BE LIABLE FOR ANY BREACH UNLESS TENANT PROVIDES NOTICE SPECIFYING THE BREACH AND LANDLORD FAILS TO CURE THE BREACH WITHIN A REASONABLE PERIOD OF TIME AFTER

DocuSign Envelope ID: 66A09B2B-F29D-4E94-B27D-D1E147B2A8DF

DELIVERY OF THE NOTICE. WHENEVER LANDLORD TRANSFERS ITS INTEREST, LANDLORD SHALL BE AUTOMATICALLY RELEASED FROM FURTHER PERFORMANCE UNDER THIS LEASE AND FROM ALL FURTHER LIABILITIES AND EXPENSES HEREUNDER AND THE TRANSFEREE OF LANDLORD'S INTEREST SHALL ASSUME ALL LIABILITIES AND OBLIGATIONS OF LANDLORD HEREUNDER ARISING FROM THE DATE OF SUCH TRANSFER.

19. Relocation. Landlord, at its expense, at any time before or during the Term, may relocate Tenant from the Premises to a space of reasonably comparable size and utility within the Building or other buildings within the same Project. (the "Relocation Space") upon 60 days' prior written notice to Tenant. From and after the date of the relocation, the Rent shall be adjusted based on the rentable square footage of the Relocation Space. Landlord shall pay for the bona-fide, reasonable, documented, out-of-pocket costs actually incurred by Tenant for such relocation, including all costs for moving Tenant's furniture, equipment, supplies and other personal property, within 30 days after Landlord's receipt of reasonably detailed bona-fide third party invoices therefor and evidence of payment thereof by Tenant (including, without limitation, appropriate lien waivers and/or releases).

20. Right of Entry. Landlord reserves the right to enter the Premises upon reasonable notice to Tenant (including by telephone or email) and without notice in case of an emergency, and to undertake the following: (i) to inspect, monitor, investigate, test or Maintain the Premises and/or the Project; (ii) to verify Tenant is complying with its obligations hereunder; (iii) to perform Landlord's obligations hereunder; (iv) to make permitted, or inspect Tenant's Alterations; (v) to install, use, Maintain, alter or relocate any pipes, ducts, conduits, wires, equipment and other facilities in the common areas or at the Project; (vi) to install, Maintain and operate conduit cabling within the utility and/or conduit ducts and risers at the Project; or (vii) to show the Premises for the purpose of sale, insurance or financing, and, during the last 12 months of the Term (or following any Event of Default), leasing the Premises to another tenant. If reasonably necessary, Landlord may temporarily close all or a portion of the Premises to perform repairs, alterations and additions. Landlord will make reasonable efforts not to inconvenience Tenant in exercising such rights. The entry and authority granted to Landlord under this Section shall not constitute a constructive eviction or entitle Tenant to an abatement or reduction of Rent.

21. Fire or Other Casualty; Condemnation. If the Premises is materially damaged by fire or other casualty (as determined by Landlord), Landlord or Tenant shall have the right to terminate this Lease effective as of the date of the damage; provided, however, if Landlord elects to repair the Premises, Tenant shall not be permitted to terminate this Lease. Landlord's repair obligation shall be limited to repair of the Premises excluding any Tenant improvements, Tenant Alterations, and any personal property and trade fixtures of Tenant. During the period of repair, Rent will be abated or reduced in proportion to the degree to which Tenant's use of the Premises is impaired (as determined by Landlord). If all or a material portion of the Premises (as determined by Landlord) is taken for any public use by right of eminent domain or otherwise (a "Taking"), Tenant shall have the right to terminate this Lease effective as of the date of the Taking. All compensation awarded for a Taking, or sale proceeds, shall be the property of Landlord. All Rent will be apportioned as of the termination date of this Lease. Notwithstanding the foregoing, Tenant shall not be permitted to terminate this Lease or receive an abatement of Rent if the fire or other casualty is caused by the act or omission of Tenant or Tenant Party.

22. General Provisions.

(a) Subject to Section 6, the respective rights and obligations provided in this Lease bind and inure to the benefit of the parties hereto, their successors and assigns. If more than one person or entity executes this Lease as Tenant, each is jointly and severally liable under this Lease.

(b) This Lease, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Lease, or the negotiation, execution or performance of this Lease, shall be governed by, and enforced in accordance with, the internal laws of the state where the Premises are located. Attached hereto as Exhibit E are modifications to this Lease given the laws of the state where the Premises are located. To the extent of any inconsistency between the terms set forth in Exhibit E and the remainder of this Lease, the terms set forth in Exhibit E govern.

(c) Except to the extent expressly set forth otherwise in this Lease, neither Landlord, nor anyone acting on Landlord's behalf, has made any representation, warranty, estimation, or promise of any kind or nature whatsoever, and Landlord disclaims any implied representations or warranties, relating to the condition of the Building or any part thereof including the Premises, or the land under the Building or suitability, including without limitation, the fitness of the Premises for Tenant's intended use, the HVAC and other building systems, the indoor air quality, and the environmental condition, and Tenant agrees that Landlord shall not be liable for any patent or latent defects therein. This Lease has been fully reviewed by both parties and shall not be strictly or adversely construed against the drafter. If any provisions of this Lease are held to be invalid, void, or unenforceable, the remaining provisions hereof shall in no way be affected or impaired and such remaining provisions shall remain in full force and effect.

(d) TIME IS OF THE ESSENCE UNDER ALL PROVISIONS OF THIS LEASE.

(e) If either party to this Lease is prevented from performing any obligation under this Lease by any strike, act of God, war, terrorist act, shortage of labor or materials, governmental action or orders, civil commotion, epidemic, pandemic, public health emergency or other cause beyond a party's reasonable control (a "Force Majeure Event"), such obligation shall be excused during (and any time period for the performance of such obligation shall be extended by) the period during which the Force Majeure Event continues; provided, however, that this subsection shall not (i) permit Tenant to hold over in the Premises after the Expiration Date, or (ii) excuse (or extend any time period for the performance of) (A) any obligation to pay Rent, otherwise remit money or deliver credit enhancement, (B) any obligation under Sections 8 or 9, or (C) any of Tenant's obligations whose breach would interfere with another occupant's use, occupancy or enjoyment of its Premises or the Project.

(f) If Landlord gives Tenant occupancy of the Premises prior to the Commencement Date, such occupancy is conditioned on Tenant first providing Landlord with a certificate of insurance as required under this Lease. All insurance, waiver, indemnity, and alteration provisions of this Lease are in full force and effect during such occupancy. Tenant must ensure that its phone/data, security, and other vendors comply with all applicable Laws. Tenant and its contractors must coordinate all activities with Landlord in advance and in writing, and comply with Landlord's instructions and directions so that Tenant's early entry does not interfere with or delay any work to be performed by Landlord.

(g) Whether or not Landlord's consent is provided, Tenant shall pay Landlord a processing fee in the amount of $250 for the

DocuSign Envelope ID: 66A09B2B-F29D-4E94-B27D-D1E147B2A8DF

documentation of any consent requested by Tenant hereunder, including, but not limited to Transfers and Alterations. Moreover, in the event Landlord is required to obtain outside legal counsel to assist in the processing of such consent request, the costs therefor shall also be chargeable to Tenant.

(h) Tenant represents and warrants that: (i) Tenant was duly organized and is validly existing and in good standing under the laws of the jurisdiction set forth for Tenant in the first sentence of this Lease; (ii) Tenant is legally authorized to do business in the state where the Building is located; (iii) the person(s) executing this Lease on behalf of Tenant is(are) duly authorized to do so; and (iv) Tenant has the full corporate or partnership power and authority to enter into this Lease and has taken all corporate or partnership action, as the case may be, necessary to carry out the transaction contemplated herein, so that when executed, this Lease constitutes a valid and binding obligation enforceable in accordance with its terms.

(i) Tenant hereby represents, warrants and certifies that: (a) neither it nor its officers, directors, or controlling owners is acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order, the United States Department of Justice, or the United States Treasury Department as a terrorist, "Specifically Designated National or Blocked Person," or other banned or blocked person, entity, nation, or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control ("SDN"); (b) neither it nor its officers, directors or controlling owners is engaged in this transaction, directly or indirectly on behalf of, or instigating or facilitating this transaction, directly or indirectly on behalf of, any such person, group, entity, or nation; and (c) neither it nor its officers, directors or controlling owners is in violation of Presidential Executive Order 13224, the USA PATRIOT Act, (Public Law 107-56), the Bank Secrecy Act, the Money Laundering Control Act, Directive 4 under Executive Order 14024 or any regulations promulgated pursuant thereto. For avoidance of doubt, if one or more blocked or banned persons own in the aggregate 50% or more of Tenant, or blocked or banned persons individually or collectively exercise control over Tenant, each such blocked or banned person will be considered a "controlling owner" for purposes of this subsection. If the foregoing representations are untrue at any time during the Term, Tenant shall notify Landlord immediately in writing, and an Event of Default will be deemed to have occurred, without the necessity of notice delivered by or to Tenant. The provisions of this subsection shall survive the Expiration Date.

(j) Landlord reserves the right to use the surface of the roof in any manner which does not materially and unreasonably interfere with Tenant's use of the Premises including, but not limited to, installation of telecommunication equipment, solar equipment, fuel cells, battery storage, distributed technologies or any other uses.

(k) Tenant agrees to cooperate with Landlord in the event that Landlord desires to provide a source of renewable energy to serve the Premises or the Project, such as solar or wind power. Without limiting the foregoing, Tenant shall, upon request, (i) provide Landlord with its actual and estimated future energy consumption needs, (ii) if the Premises is separately metered, enter into a reasonable power purchase agreement with Landlord or the generator of the renewable energy source, provided that Tenant shall not be obligated to pay more than it pays the utility company, (iii) in connection with any such renewable energy source, enter into a reasonable net meter arrangement with the utility company providing service to the Premises, and (iv) permit Landlord and/or the installation company access to the Premises to permit connection of the renewable energy system and net meter to the electrical facilities serving the Premises. Upon installation of any renewable energy system, Tenant shall be obligated to purchase the energy generated by such system, not to exceed Tenant's actual energy usage.

(l) Landlord excepts and reserves exclusively to itself any and all rights not specifically granted to Tenant under this Lease. Landlord reserves the right to make changes to the Project, Building and common areas as Landlord deems appropriate, including, without limitation, the right to grant easements, rights of way, utility raceways and make dedications; to grant lease, license or use rights to third parties; to utilize the foregoing easements or licenses at the Project; to dedicate for public use portions of the Project; to improve the energy efficiency or sustainability of the Building or the Project; and to change the name of the Building or the Project.

(m) Landlord's sustainability contact for the Project can be reached at sustainability@linklogistics.com.

(n) This Lease may be executed in any number of counterparts, each of which when taken together will be deemed to be one and the same instrument. The submission of this Lease by Landlord to Tenant for examination does not constitute a reservation of or option for the Premises or of any other space within the Building or in other buildings owned or managed by Landlord or its affiliates. This Lease is not binding nor will either party have any obligations or liabilities or any rights with respect hereto, or with respect to the Premises, unless and until both parties have executed and delivered this Lease. The parties acknowledge and agree that notwithstanding any law or presumption to the contrary, the exchange of copies of this Lease and signature pages by electronic transmission constitutes effective execution and delivery of this Lease for all purposes, and signatures of the parties hereto transmitted and/or produced electronically (e.g., obtained by DocuSign or other similar technology platform) will be deemed to be their original signature for all purposes.

EXHIBIT C

RULES AND REGULATIONS

Capitalized terms used but not defined herein shall have the meanings given in Tenant's Lease.

1. Tenant will use the Premises in a careful, safe and proper manner and will not commit waste, overload the floor or structure or otherwise damage the Premises or Building. Tenant shall not permit any objectionable or unpleasant odors, smoke, dust, gas, noise, or vibrations to emanate from the Premises, or take any other action that would constitute a nuisance or would disturb, unreasonably interfere with, or endanger Landlord, Landlord's performance of its obligations under the Lease or other leases with other tenants, or other tenants in the Building or Project. Tenant shall occupy the Premises in compliance with all applicable Laws for the Premises or Project.

2. Tenant shall not impair in any way the fire safety system and shall comply with all safety, fire protection and evacuation procedures and regulations established by Landlord, any governmental agency or any insurance company insuring the Project, including without limitation the insurer's fire protection impairment procedures. No person shall go on the roof without Landlord's prior written permission.

3. Skylights, windows, doors and transoms shall not be covered or obstructed by Tenant, and Tenant shall not install any window covering which would affect the exterior appearance of the Building.

4. No antenna, aerial, discs, dishes or other such device shall be erected on the roof or exterior walls of the Premises, or on the grounds, without the written consent of the Landlord in each instance. Any device so installed without such written consent shall be subject to removal by Tenant, at Tenant's sole cost and expense, without notice at any time. Tenant, at its sole cost and expense, shall repair any damage resulting from such removal and shall restore the Project to good order and condition.

5. No loud speakers, televisions, phonographs, radios or other devices shall be used in a manner so as to be heard or seen outside of the Premises without the prior written consent of the Landlord.

6. The outside areas immediately adjoining the Premises shall be kept clean and free from dirt and rubbish by the Tenant, including Tenant inventory, to the satisfaction of Landlord, and Tenant shall not place or permit any obstruction or materials in such areas or permit any work to be performed outside the Premises.

7. No open storage or auctions shall be permitted in the Project.

8. All garbage and refuse shall be placed in containers placed at the location designated for refuse collection, in the manner specified by Landlord. Tenant shall not over-fill the garbage containers. If Landlord consents to Tenant placing other containers, storage devices, construction dumpsters or similar vessels in the Project, Tenant must place plywood or other protective material under such items to protect the pavement or asphalt. Tenant shall not dump any trash outside of, next to or near the garbage containers, including but not limited to oversized items, tires, equipment, bulky items, vehicle parts, construction/remodeling debris, brush and other woody materials.

9. Tenant shall not disturb, solicit, or canvass any occupant of the Building and shall cooperate to prevent same.

10. Neither Tenant nor its agents, employees, contractors, guests or invitees shall smoke or permit smoking in the common areas, unless a portion of the common areas have been declared a designated smoking area by Landlord, nor shall the above parties allow smoke from the Premises to emanate into the common areas or any other part of the Project. Landlord shall have the right to designate the Project or Building (including the Premises) as a non-smoking building.

11. Unless otherwise directed by Landlord, Tenant shall have the right to park in common with other tenants of the Project in those areas designated by Landlord for non-reserved parking. Tenant shall comply with all parking regulations promulgated by Landlord from time to time for the orderly use of the vehicle parking area. Tenant agrees not to overburden the parking facilities and agrees to cooperate with Landlord and other tenants in the use of parking facilities. Landlord shall not be responsible for enforcing Tenant's parking rights against any third parties. The parking spaces shall be used for parking by vehicles no larger than full-size passenger automobiles, SUVs or pick-up trucks ("Permitted Size Vehicles"). No vehicle or equipment shall remain upon the common area longer than 24 hours, which includes no overnight parking. Notwithstanding the foregoing, Tenant may store overnight in the normal course of its business one operative tractor/trailer or truck for each dock high loading position exclusive to the Premises, if any, provided this overnight storage does not interfere with other tenant's use of the Building or Project. Vehicles other than Permitted Size Vehicles shall otherwise be parked and loaded or unloaded as directed by Landlord. Tenant shall not permit or allow any vehicles that belong to or are controlled by Tenant or Tenant's employees, suppliers, shippers, customers, contractors or invitees to be loaded, unloaded, or parked in areas other than those designated by Landlord for such activities. Parked vehicles shall not be used for vending or any other business or other activity while parked in the parking areas. If Tenant permits or allows any of the prohibited activities described in this rule, then Landlord shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove or tow away the vehicle involved and charge the cost to Tenant, which cost shall be immediately payable upon demand by Landlord. CALIFORNIA STATE LAW ADDENDUM

The following provisions correspond to the Sections of this Lease noted below:

Section 3(c).	Tenant waives the provisions of Section 1950.7 of the California Civil Code and all other provisions of law, now or hereafter in effect, which provide that Landlord may claim from a security deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by Tenant or to clean the Premises, it being agreed that Landlord may, in addition, claim those sums specified in Section 7 of the Lease and California law including, but not limited to, any damages occurring upon termination of the Lease under Section 1951.2 of the California Civil Code.
Section 7(a).	Tenant waives any rights under California Civil Code Sections 1932(1), 1941 and 1942 or any successor provision of law. Accordingly, Tenant waives any right to repair the Premises, the Building or the Project at the expense of Landlord under any Applicable Laws.
Section 10.	Tenant waives the provisions of any current or future statute, rule or law which may give or purport to give Tenant any right or election to terminate or otherwise adversely affect the Lease and the obligations of Tenant thereunder in the event of any foreclosure proceeding or sale.
Section 11.	**Landlord's Remedies.** Upon any Event of Default, Landlord shall have, in addition to any other remedies available to Landlord at law or in equity (which shall be cumulative and nonexclusive), the option to pursue any one or more of the following remedies (which shall be cumulative and nonexclusive) without any notice or demand: Landlord may terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails to do so, Landlord may, without prejudice to any other remedy it may have for possession or arrearages in Rent, enter upon and take possession of the Premises and remove Tenant and any other person who may be occupying the Premises or any part thereof, and remove property therefrom, which property may be stored by Landlord at a warehouse or elsewhere in accordance with Applicable Laws at the risk, expense and for the account of Tenant, without being liable for prosecution or any claim of damages therefor; and Landlord may recover from Tenant the following: (a) the worth at the time of award of the unpaid Rent which had been earned at the time of such termination; (b) the worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; (c) the worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such Rent loss that Tenant proves could be reasonably avoided; (d) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations hereunder or which in the ordinary course of things would be likely to result therefrom, including brokerage commissions, advertising expenses, expenses of remodeling any portion of the Premises for a new tenant (whether for the same or a different use), and any special concessions made to obtain a new tenant; plus (e) at Landlord's option, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by law. As used in subsection (a) and subsection (b) above, the "**worth at the time of award**" shall be computed by allowing interest at a rate per annum equal to the lesser of (i) the annual "Bank Prime Loan" rate cited in the Federal Reserve Statistical Release Publication G.13(415), published on the first Tuesday of each calendar month (or such other comparable index as Landlord shall reasonably designate if such rate ceases to be published) plus two (2) percentage points, or (ii) the highest rate permitted by Law. As used in subsection (c) above, the "**worth at the time of award**" shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1%. Landlord shall have the remedy described in California Civil Code § 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover Rent as it becomes due, if lessee has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any Event of Default by Tenant, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies hereunder, including the right to recover all Rent as it becomes due. Landlord shall at all times have the rights and remedies (which shall be cumulative with each other and cumulative and in addition to those rights and remedies available under any law or other provision hereof), without prior demand or notice except as required by law, to seek any declaratory, injunctive or other equitable

	relief, and specifically enforce this Lease, or restrain or enjoin a violation or breach of any provision hereof. Unless Landlord provides Tenant with express notice to the contrary, no re-entry, repossession, repair, maintenance, change, alteration, addition, reletting, appointment of a receiver or other action or omission by Landlord shall (a) be construed as an election by Landlord to terminate this Lease or Tenant's right to possession, or to accept a surrender of the Premises, or (b) operate to release Tenant from any of its obligations hereunder. Tenant waives, for Tenant and for all those claiming by, through or under Tenant, California Civil Code § 3275, California Code of Civil Procedure §§ 1174(c) and 1179, and any existing or future rights to redeem or reinstate, by order or judgment of any court or by any legal process or writ, this Lease or Tenant's right of occupancy of the Premises after any termination hereof. If Landlord elects to cure such Event of Default by Tenant, Landlord may, at Landlord's option, enter into and upon the Premises and correct the same without being deemed in any manner guilty of trespass, eviction or forcible entry and detainer and without incurring any liability for any damage or interruption of Tenant's business resulting therefrom. If any lien is filed and not cured within the fifteen (15) day time period set forth above, then Landlord may take such action as may be necessary to remove such lien. Tenant agrees to pay Landlord an amount equal to one hundred ten percent (110%) of any expenses which Landlord may incur in thus effecting compliance with Tenant's obligations under this Lease, including without limitation, attorney's fees, together with interest thereon at the Applicable Interest Rate from the date of expenditure. Exercise by Landlord of any one (1) or more remedies hereunder granted or otherwise available shall not be deemed to be an acceptance of surrender of the Premises and/or a termination of this Lease by Landlord, whether by agreement or by operation of law, it being understood that except as provided above, such surrender and/or termination can be effected only by the written agreement of Landlord and Tenant. Any law, usage, or custom to the contrary notwithstanding, Landlord shall have the right at all times to enforce the provisions of this Lease in strict accordance with the terms hereof; and the failure of Landlord at any time to enforce its rights under this Lease strictly in accordance with same shall not be construed as having created a custom in any way or manner contrary to the specific terms, provisions, and covenants of this Lease or as having modified the same. Tenant and Landlord further agree that forbearance or waiver by Landlord to enforce its rights pursuant to this Lease or at law or in equity, shall not be a waiver of Landlord's right to enforce one (1) or more of its rights in connection with any subsequent Event of Default. A receipt by Landlord of rent or other payment with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach, and no waiver by Landlord of any provision of this Lease shall be deemed to have been made unless expressed in writing and signed by Landlord.

In addition, the following provisions are incorporated in and made a part of this Lease:

California Certified Access Specialist. Pursuant to California Civil Code §1938, Landlord hereby states that the Premises have not undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code §55.52(a)(3)). Pursuant to Section 1938 of the California Civil Code, Landlord hereby provides the following notification to Tenant: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction related accessibility standards within the premises." If Tenant requests to perform a CASp inspection of the Premises, (i) Tenant shall, at its cost, retain a CASp approved by Landlord (provided that Landlord may designate the CASp, at Landlord's option) to perform the inspection of the Premises at a time agreed upon by the parties, (ii) Tenant shall provide Landlord with a copy of any report or certificate issued by the CASp (the "**CASp Report**"), and (iii) Tenant shall, at its cost, promptly complete any modifications necessary to correct violations of construction related accessibility standards identified in the CASp Report, which modifications will be completed as an Alteration notwithstanding anything to the contrary in this Lease. Tenant agrees to keep the information in the CASp Report confidential except as necessary for the Tenant to complete such modifications.

21-22 School Accountability Report Card

Every LEA is required to obtain board approval on their School Accountability Report Card (SARC) every year and submit it to the CDE via the mycdeconnect.com portal by February 1st. After several attempts to login to the portal and reach out to the CDE, as of January 10th, 2023, the CDE portal is unavailable to login statewide and upload our SARC information. Our SARC consists of a combination of auto-populated data that is provided by the CDE and narrative information that is provided by the school directly. Below is the narrative information that we will upload into the CDE portal when it is made available, and areas marked as 'DPC' will be the auto-populated data that the CDE will provide in the portal. When the portal is available, we will share the completed product in the next board meeting. Our recommendation is that the Granite Mountain School Board approve our GMCS 21-22 SARC with the provided information to meet the February 1st deadline.

School Accountability Report Card Reported Using Data from the 2021–22 School Year

California Department of Education

For Granite Mountain Charter School

Address: 8560 Aliento Rd., Lucerne Valley, Ca **Phone: 909-906-3593**
Principal: Brook MacMillan **Grade Span:** TK-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard
The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted to report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The

2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Table 20: Career Technical Education Programs (School Year 2021–22)

[Narrative provided by the LEA]

At Granite Mountain, students are able to access CTE courses from three different sources:

*Through courses with eDynamic Learning.
*Through courses taken at local community colleges.
*Through local in-person or online ROP, ROC, CEC, or CTE programs.

Edynamic is our most popular option for our students working toward pathway completion. Students are able to complete 2 or 3 year pathways in 11 of the 15 sectors. Completed pathways include completion of concentrator and capstone courses focused on the area of study.

Pathways are offered in the following sectors: Agriculture and Natural Resources, Arts, Media, and Entertainment, Business and Finance, Education, Child Development and Family Services, Engineering and Architecture, Health Science and Medical Technology, Hospitality, Tourism, and Recreation, Information and Communication Technologies, Marketing, Sales, and Services, and Public Services.
Program sequences available to Granite Mountain students include Agriscience, Animal Science, Plant and Soil Science, Animation, Game Design, Visual and Commercial Art, Multimedia Production, Business Management, International Business, Child Development, Architecture Design, Engineering Design, Biotechnology, Patient Care, Public and Community Health, Food Science, Dietetics, and Nutrition, Food Service and Hospitality, Games and Simulations, Information Support and Services, Networking, Systems Programming, Web and Social Media Programming and Design, Entrepreneurship, Marketing, Professional Sales, Emergency Response, Legal Practices, and Public Safety.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Table 24: Opportunities for Parental Involvement (School Year 2022–23)

[Narrative provided by the LEA]

Granite Mountain has many opportunities to seek parent input on school decision-making. We send a weekly Trailblazer newsletter that is shared with parents and includes all of our opportunities for feedback and input through surveys, community events, senior director contacts (including a survey to share feedback), quarterly parent community group meetings, quarterly senior director coffee chats, monthly Parent University meetings, and school board vacancies.

Our parent community group meetings, senior director coffee chats, and Parent University, provide information regarding our school programs and opportunities for involvement. In our parent community group meetings, parents meet to discuss school-related goals, needs, and reflection. Our coffee chats are a time for parents to meet informally with the school admin and provide feedback. In our Parent University offerings, we focus on specific topics to share strategies and resources.

We also provide opportunities centered on learning coach instruction. Our staff meets with our families regularly to support achievement and learning goals. We maintain constant, personal, parent communication via email, text, and phone. We provide school-wide communication through social media and mass email.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Table 28: Suspensions and Expulsions for School Year 2019–20 Only (data collected between July through February, partial school year due to the COVID-19 pandemic)

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

[Narrative provided by the LEA]

School Safety

Granite Mountain Charter School's Comprehensive School Safety Plan was last reviewed, updated, and discussed with the school faculty and Board in February, 2022. The Plan will be reviewed and updated by March 1st annually. Proposed changes will be submitted to the Board for approval.

Sections of the Comprehensive School Safety Plan include:

Child Abuse Reporting Procedures
Emergency/Disaster Procedures
Suspension/Expulsion Policy And Procedures
Procedures To Notify Teachers Of Dangerous Pupils
Discriminization And Sexual Harassment Policy
School Dress Code
Safe Ingress And Egress
Safe and Orderly Learning Environment
Rules and Procedures on School Discipline
Tactical Responses
Bullying and Cyberbullying Prevention
Student Support Professionals
Implementation

The Safety Plan may be viewed upon request by contacting the Operations Department.

Granite Mountain Charter School is committed to ensuring all enrolled students and all employees are safe and secure. Since Granite Mountain Charter School is an independent study, public charter school, there is no need for a school building where classes are held on a daily basis. The administrative office currently complies with all ADA, OSHA, and local health and safety requirements. The school has obtained all necessary permits for these offices including a building and fire marshal inspection and/or certificate of occupancy.

Immunization forms and other pertinent medical records will be kept (confidentially) on file by the school administration. Parents are expected to ensure their children obtain proper immunizations prior to matriculating pursuant to Chapter 1 (commencing with &120325) of Part 2 of Division 105 of the Health and Safety Code. The school may exempt students from enrolling who are not properly immunized pursuant to &48216 (a-c) of the Education Code. Those parents having difficulty obtaining immunizations for their children will be provided information on where to get immunized in their community.

All pertinent and required health and safety documentation is collected at the time of hire or enrollment as appropriate. Documentation is on file in the students' records or employee records held in security at the Rancho Cucamonga, CA office. Copies of employee records and student records can be made available at the request of the School District.

Granite Mountain Charter School has drafted health and safety procedures that the school will follow to ensure the health and safety of pupils, which shall include compliance with the criminal background check requirements described in Sections 44237 and 45125.1 of the Education Code.
