| _____ PRE-KINDERGARTEN CLASS | 8:30 TO 2:00 | 4 YRS & 5 MOS TO 5 YRS & 4 MOS |

ADMISSIONS

After siblings and legacies, who are given first consideration, enrollment is determined based on the results of a computer generated random drawing. To be included in the drawing we ask that you apply before November 30th of the year prior to admissions. The random drawing occurs each January for the following September's admission. An attempt is made to balance each of the classes with boys and girls.

Depending on the results of the random drawing, parents are invited to a tour of the school by the Director once a child's name comes to the top of the wait list. If the class fills before we reach your child's name on the wait list, you will be notified by mail, typically in the first week of March, and given the opportunity to remain on the wait list for future enrollment. We often have spots for children entering our Pre-Kindergarten class and we accept applications during the Fall prior to desired enrollment.

Current tuition and additional program information is available at our web site: www.lonemountain.org. There is a non-refundable application fee of \$75. Applications should be mailed to **LMCC** at the address below.

Lone Mountain Children's Center does not discriminate on the basis of race, color, sexual orientation, national and ethnic origin, and/or religious background in the administration of its educational policies, admissions policies, financial assistance, and school administered programs.
