

Dear San Carlos School Supporter,

San Carlos School is committed to preparing transitional kindergarten through eighth grade students for academic excellence as they become self-confident, lifelong learners who embody Gospel values. Approximately 300 students currently attend San Carlos School, and their cultural, racial and economic diversity is a reflection of the diversity within our community.

As you can imagine, tuition alone does not cover all of our educational expenses, and we look to community businesses such as yours to support our efforts. Our **33rd Annual Dinner and Auction** provides a great way for you to demonstrate your community involvement. Your donation to the event's silent or live auctions will help ensure the success of this primary fundraising activity that directly benefits and positively impacts our students.

We anticipate that more than 250 people will attend the March 2, 2019, San Carlos School Annual Dinner and Auction. There are many ways in which your business can contribute to the silent or live auctions such as professional services, gift baskets, complimentary tickets, gift certificates, vacation getaways – just to name a few.

Please contact Liliana Dawson at 831-375-1324 x246 or dawson@sancarlosschool.org for more information, to discuss donation options and to confirm your donation. All gifts are tax deductible. **Donations must be finalized by February 18, 2019.**

On behalf of all of the students, parents, and faculty at San Carlos School, we thank you for your willingness to consider a donation and appreciate your generosity and community spirit.

Sincerely,

Teresa Bennett
Principal
