

Students in Crisis

Emergency/Immediate Threat

If possible, stay in contact with student. Find student's exact location and call caregiver to have them assist.

Caregiver or you call 911 and notify dispatcher that it is a mental health crisis.

Once the immediate risk or threat has been addressed, follow up with the Students in Crisis Coordinator and your supervisor to advise of them of the situation.

Imminent Threat

Contact the student's caregiver to inform them about suspected risk or threat.

Notify (call or Google Chat) your school's **Mental Health Professional**

- **CPA:** [Annette Boatright](#) (619) 762-5777
- **MVA:** [Kristine Dabao Salera](#) (951) 910-9851
- **PCA:** [Rex Sheridan](#) (619) 732-1805

OR **Program Specialist,** [Lindsey Kucich](#), (951) 910-9887

OR **Students in Crisis Coordinator,** [Christie Markley](#), (619) 790-7949

Risk or Threat Assessment may be conducted by a member of school's mental health team during school hours.

If a member of the mental health team is not available to assess, advise the caregiver that they may bring the student to ER for assessment.

Non-Imminent Threat

Fill out survey for students in crisis.

A Support Team Coordinator will contact the HST and appropriate staff.

Reporting Child Abuse

If there is reasonable suspicion of physical abuse, sexual abuse, neglect, or emotional abuse follow the [Child Abuse Reporting](#) procedures. If needing a consultation, the Students in Crisis Coordinator and your school's mental health professional are available for guidance throughout the reporting process.
