8th Grade Summer Homework

As you look forward to applying for high schools this fall, summer is a great time to begin preparing for the High School Placement Test (HSPT), which will take place in January 2021. **It is important to use your summer break to prepare for this test** because, in addition to your normal school workload, we will work on our high school essays and applications early on in 8th grade.

Please use this summer to study for the HSPT using the following books:

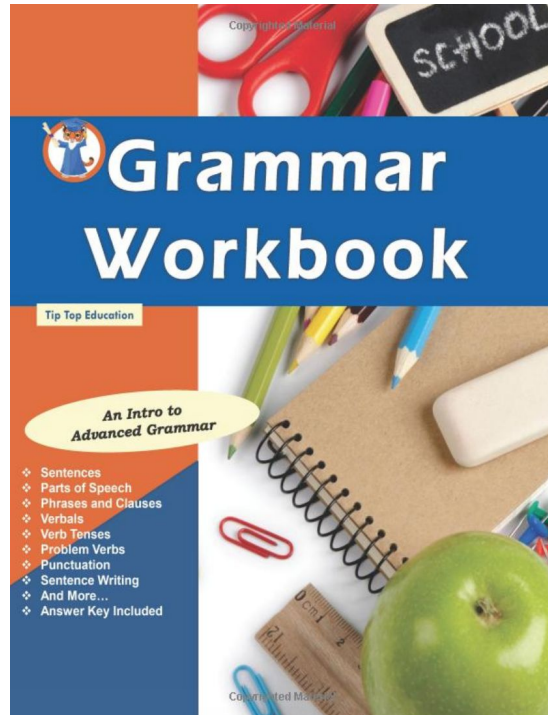

Pre-Algebra
Mathematics

Nancy McGraw

Bright Ideas Press, LLC

Looking forward to all that 8th grade has in store for us. Until then, have a wonderful summer!

Best,
Ms. Kimble
