Dear Parents & Guardians,

I am looking forward to the 2020-2021 school year with your children! Please find attached a supply list and summer assignments.

1- Students are to **read one chapter book at their level** and complete the sandwich book report in *complete sentences*.

*If you need help finding a book some good authors to try are Roald Dahl, Judy Blume, Beverly Clearly, J.K. Rowling, Katherine Paterson, Laura Ingalls Wilder, Lemony Snicket, and Louis Sachar.

2- Students should also have their **multiplication tables mastered** by the time they enter fourth grade. Please continue practicing and doing flashcards over the summer. Below are some websites you may find helpful.
