## ***TIPS FOR SCRIP SUCCESS***

1. ***Friends and Family Welcome!*** – Anyone and everyone is welcome to participate in SFB's Scrip Program. Invite family, friends, and coworkers to purchase in support of SFB. For example, some families regularly purchase gift cards for their organizations' events or activities.
2. ***Gift Giving*** – Gift cards make great gifts for everyone for any occasion. e-Gift cards are available for many retailers, making it quick and easy to get gift cards. Buy American Express and Visa gift cards if a store does not offer their own gift cards.
3. ***Multi Scrip Earnings*** – You can double the earnings for SFB by using more than one Scrip option. For example, you can order gift cards for a retailer (e.g., Amazon, Office Depot/Max) and then use the gift card for your purchase.
4. ***Bonus Incentive*** – You can earn up to volunteer hours by purchasing gift cards (\$500 = 1 hour) through Benefit Mobile and ShopWithScrip (Raise Right app).

## ***SCRIP PROMOTIONS***

### ***ShopWithScrip October "Bonus Fest"***

Earn higher rebates for SFB when you buy specially promoted gift cards during the month of October. Every weekend, different gift cards will have a higher bonus if purchased on the Friday or Saturday. Check out [this weekend's bonuses](#) now!
