

<b>SUMMER OPPORTUNITIES</b>		
<i>Updated: 5/17/2019</i>		
		<b>DEADLINE</b>
<b>Bank of America Student Leader Internship</b>	<p><b>11th -12th</b> - As a Student Leader, you will participate in an eight-week paid internship at a local nonprofit organization where you will learn first-hand about the needs of your community and the critical role nonprofits play. In addition, you will learn valuable civic, social and business leadership skills. Each Student Leader will attend the Student Leaders Summit held in Washington, D.C. where you will learn how government, business and the nonprofit sector work together to address critical community needs.</p> <p><b>For more information, visit:</b>  <a href="https://about.bankofamerica.com/en-us/global-impact/student-leader-eligibility-criteria.html#fbid=8qb0Tnl7OzC">https://about.bankofamerica.com/en-us/global-impact/student-leader-eligibility-criteria.html#fbid=8qb0Tnl7OzC</a></p>	<b>2/1/19</b>
<b>Boston University Summer Term</b>	<p><b>9th-11th</b> - This summer, prepare for success in college and discover new horizons at Boston University Summer Term. With five exciting and challenging high school summer programs to choose from, you can earn college credit, discover a new subject area, perform cutting-edge research in university labs, or immerse yourself in hands-on learning. You will have the opportunity to push yourself academically while experiencing college life, making friends with fellow students, and engaging in social activities around Boston and on campus.</p> <p><b>For more information, visit:</b>  <a href="https://www.bu.edu/summer/high-school-programs">https://www.bu.edu/summer/high-school-programs</a></p>	<b>See website</b>
<b>California Department of Education:  2019 National Youth Science Camp</b>	<p><b>12th</b> -The National Youth Science Camp (NYSCamp) is a residential science education program for young STEM enthusiasts the summer after they graduate from high school. Students from around the country (two are selected to represent each state and Washington, D.C.) are challenged academically in exciting lectures and hands-on studies, and have voluntary opportunities to participate in an outdoor adventure program, gain a new and deep appreciation for the great outdoors, and establish friendships that last a lifetime. The NYSC is offered at no cost to participants.</p> <p><b>For more information, visit:</b> <a href="https://nysf.smapply.io">https://nysf.smapply.io</a></p>	<b>2/28/19</b>
<b>Cal State East Bay</b>	<p><b>9th-12th</b> - Reading skills and speed reading programs offered this summer in Vallejo. You will be taught to make substantial gains in comprehension and learn to read faster in order to complete homework more quickly and easily, be more successful in school, and develop a lifelong love of reading.</p> <p><b>For more information, visit:</b> <a href="http://csueastbay.readingprograms.org/hs">http://csueastbay.readingprograms.org/hs</a></p>	<b>See website</b>
<b>Camp Pendola</b>	<p>Camp Pendola is looking for energetic young people (18+ years) to work this summer as counselors with children and youth between the age of 6 to 17 in the great outdoors, and within the Catholic spirit! Paid positions begin June 9th and finish August 4th.</p> <p><b>For more information, visit:</b> <a href="https://www.pendola.org/employment.html">https://www.pendola.org/employment.html</a></p>	<b>12/14/18</b>
<b>CyberMath Academy</b>	<p>Offered at either Harvard University or Stanford University in July, students can choose from a variety of options which include College Prep (SAT and College Counseling and Application Planning), Math, Coding, Robotics, Game Design and Physics.</p> <p><b>For more information, visit:</b> <a href="https://cybermath.org">https://cybermath.org</a></p> <p><b>For "scholarship" information, visit:</b> <a href="https://cybermath.org/scholarships">https://cybermath.org/scholarships</a></p>	<p><b>Early Bird Discounts end on 4/1/19</b></p> <p><b>3/24/19 for Scholarship deadline</b></p>

<p><b>Duke University Summer Academy</b></p>	<p>At Duke Summer Session for High School Students, we believe that intellectual curiosity is a virtue that should be pursued relentlessly. Each summer we provide high school students with the opportunity to engage more deeply with an academic topic than ever before. Whether you are interested in becoming a Global Executive, Entrepreneur or Researcher, combating cyber-attacks, defending human rights, or predicting the future through mathematical modeling, our three-week Summer Academy courses are the opportunity of a lifetime!</p> <p><i>For more information, visit:</i>  <a href="https://summersession.duke.edu/high-school-students/duke-summer-academy/daytime-courses">https://summersession.duke.edu/high-school-students/duke-summer-academy/daytime-courses</a></p> <p>Our one-week Accelerated STEM Academy will provide you a “behind-the-scenes” look at the research happening at Duke, give you a chance to do your own laboratory activities, and learn from renowned faculty from Duke’s School of Medicine!</p> <p><i>For more information, visit:</i>  <a href="https://summersession.duke.edu/high-school-students/accelerated-stem-academy">https://summersession.duke.edu/high-school-students/accelerated-stem-academy</a></p>	<p>See website for application deadlines</p>
<p><b>Gnomon Digital Arts Summer Camp</b></p>	<p>Summer camp at GNOMON in Hollywood is a one- or two-week hands-on creative adventure that gives high school students (ages 14-18) an in-depth experience of the creative arts used in today’s film, TV, and games industries. Our small classes offer a unique opportunity for aspiring young artists to learn real skills and gain valuable insight from working industry professionals.</p> <p><i>For more information, visit:</i>  <a href="https://www.gnomon.edu/courses/high-school">https://www.gnomon.edu/courses/high-school</a></p>	<p>See website</p>
<p><b>Grand Canyon University Summer Institute</b></p>	<p><b>9th - 11th</b> - GCU invites high school students to get a jumpstart on their college learning and explore potential careers by spending five days on campus and four nights in one of our suite-style dorms! Experience GCU's college life and gain insight into career fields that interest you most. Each day is planned with exciting social events and informative academic programming. Not only will you have fun-but you'll leave feeling confident and ready to choose a major and start college on the right track. <i>Students who attend a Summer Institute and eventually attends GCU will receive a tuition discount in the amount paid toward their camp registration.</i></p> <p><i>For more information, visit:</i>  <a href="https://pages.gcu.edu/evt/gcu-summer-camps.php">https://pages.gcu.edu/evt/gcu-summer-camps.php</a></p>	<p>See website</p>
<p><b>High School Technology Scholars</b></p>	<p><b>9th-12th</b> - Immersive program that equips high-potential students with tech skills and perspective. No prior computer science or programming knowledge and is open to all current students. HIGHLY COMPETITIVE!</p> <p><i>For more information, visit:</i> <a href="https://www.joinhorizons.com/scholarship">https://www.joinhorizons.com/scholarship</a></p>	<p>See website</p>
<p><b>Hugh O’Brian Youth Leadership (HOBY)</b></p>	<p><b>10th</b> - HOBY provides students the opportunity to participate in unique leadership training, service-learning and motivation-building experiences. <b>If interested in being nominated, please see the SPSV Counseling Office.</b></p> <p><i>For more information, visit:</i> <a href="http://hoby.org/lead">http://hoby.org/lead</a></p>	<p>12/7/18</p>
<p><b>Jacobs University Summer Camp</b></p>	<p><b>9th - 11th</b> - The Jacobs University Summer Camp in Germany is a great opportunity for high school students to find out what it is like to study at an academically-challenging, international, English-speaking university. Summer Camp participants will be able to attend a workshop in one of the following academic fields: Social Sciences, Economics and Management, or Mathematics and Physics, or Energy, Resources and Technology.</p> <p><i>For more information, visit:</i>  <a href="https://www.jacobs-university.de/study/summer-camps">https://www.jacobs-university.de/study/summer-camps</a></p>	<p>3/3/19</p>
<p><b>Lewis &amp; Clark College Fir Acres Writing Workshop</b></p>	<p><b>9th-11th</b> - At the Fir Acres Writing Workshop, sixty high school students from across the country come together for two weeks to write and join a community of writers on the beautiful, wooded campus of Lewis &amp; Clark College in Portland, Oregon. In daily Workshops, participants study great writing and produce their own under the guidance of dynamic, thoughtful, published faculty. At night, participants gather to socialize, meet and hear from distinguished visiting writers, and work on their own poetry, fiction, and creative prose.</p> <p><i>For more information, visit:</i> <a href="https://college.lclark.edu/programs/fir_acres">https://college.lclark.edu/programs/fir_acres</a></p>	<p>3/8/19</p>

<p><b>MEDI</b> (summer job opportunity)</p> <p>→ <b>NEW TO THIS LIST!</b> (added 5/14)</p>	<p>Our company in Benicia is looking for an ambitious high school or graduating student that can work from 30 to 35 hours a week during the summer and part-time during the school year – especially if they will be attending a local college during the fall. <b>MEDI</b> is a small company that sells, services and calibrates audiometers, vision screeners and other devices. We have been in the area since 1994. The job would require someone who enjoys repairing devices and calibrating same, if needed. We offer training for doing this type of work. Also, if the student knows how to work with websites, and is eager to learn how a small company operates, even better. Must have great communication skills and can proofread their work. This is a paid position and we would need someone as soon as possible. <b>See the Counseling Department if you're interested.</b></p>	
<p><b>Metropolitan Transportation Commission</b> <i>Summer Internship</i></p>	<p><b>10th - 12th</b> - The MTC Summer Internship Program provides students with exposure to career opportunities in the field of transportation by placing them with local public transit agencies in departments such as planning and public works; helps students understand the role of transportation agencies in the community, county and region; and offers professional skill-building opportunities and enrichment activities during all phases of the program while providing assistance to our partner transportation agencies.</p> <p><b>For more information, visit:</b> <a href="https://jobs.mtc.ca.gov/internships/high-school-internship-program">https://jobs.mtc.ca.gov/internships/high-school-internship-program</a></p>	<p><b>See website</b></p>
<p><b>National Youth Leadership Forum:</b> <b>Law &amp; CSI</b></p>	<p><b>9th-11th</b> - This six-day program is ideal for students who are interested in the fields of law and crime scene investigation. Students will learn about law and investigative careers and develop skills in analyzing evidence, using legal reasoning, and making decisions. <b>If interested in being nominated, please see the SPSV Counseling Office.</b></p> <p><b>For more information, visit:</b> <a href="https://www.envisionexperience.com/explore-our-programs/national-youth-leadership-forum-law-and-csi">https://www.envisionexperience.com/explore-our-programs/national-youth-leadership-forum-law-and-csi</a></p>	<p><b>Nomination deadline:</b></p> <p><b>11/2/18</b></p>
<p><b>National Youth Leadership Forum:</b> <b>Medicine</b></p>	<p><b>9th-11th</b> - This nine-day program is ideal for students who are interested in the fields of medicine and health care. Step into the shoes of a physician and gain transformational medical school and career knowledge. Discover the right path for your future through fun and interactive curriculum that will allow you to test your personal and academic strengths in true-to-life simulations and hands-on clinical training, while you gain the confidence needed to give yourself a leg up on your future. <b>If interested in being nominated, please see the SPSV Counseling Office.</b></p> <p><b>For more information, visit:</b> <a href="https://www.envisionexperience.com/explore-our-programs/national-youth-leadership-forum-medicine">https://www.envisionexperience.com/explore-our-programs/national-youth-leadership-forum-medicine</a></p>	<p><b>Nomination deadline:</b></p> <p><b>2/1/19</b></p>
<p><b>New York University Precollege Programs</b></p>	<p><b>10th-11th</b> - NYU Precollege gives rising juniors and seniors the amazing opportunity to spend their summer on NYU's campus in the heart of Manhattan. For six exciting weeks, students can take college-level courses for credit, develop their essay-writing skills, and learn how to manage their time in college, all while experiencing what it's like to be an NYU student.</p> <p><b>For more information, visit:</b> <a href="http://www.nyu.edu/admissions/high-school-programs/precollege.html">http://www.nyu.edu/admissions/high-school-programs/precollege.html</a></p>	<p><b>See website</b></p>
<p><b>OK Go Sandbox Art in Space Contest</b></p>	<p><b>Agers 11-18</b> - This contest will accept submissions of interesting designs for art experiments in space from students working with adult mentors worldwide. Two ideas will be chosen by OK Go, and the teams who submitted them will work with them on creating an art experiment to send as a payload on a Blue Original spacecraft.</p> <p><b>For more information, visit:</b> <a href="https://okgosandbox.org/art-in-space/rules">https://okgosandbox.org/art-in-space/rules</a></p>	<p><b>5/6/19</b></p>
<p><b>Quarter Zero Summer Entrepreneurship Programs</b></p>	<p><b>9th-12th</b> - The <b>QØ Startup Camp</b> is a 5-day summer entrepreneurship camp for high school students filled with learning, skills development, and outdoor adventures. Choose from three iconic locations. Week-long camps available on multiple dates from July 7th – August 2nd.</p> <p><b>For more information, visit:</b> <a href="https://www.quarterzero.com/startup-camp/">https://www.quarterzero.com/startup-camp/</a></p> <p><b>QØ Catapult-Incubator</b> also offers a 6-week intensive program, where you'll visit startup hubs and develop the entrepreneurial skills you need to create and pitch your business venture.</p> <p><b>For more information, visit:</b> <a href="https://www.quarterzero.com/catapult-incubator">https://www.quarterzero.com/catapult-incubator</a></p>	<p><b>4/28/19</b></p>

<p><b>San Francisco International Airport SFO Sound Waves: A High School Education Curriculum</b></p>	<p>This five-day lesson sequence gives Bay Area students an opportunity to apply scientific principles about sound to real-world situations at the airport by using mathematical representations to support a claim regarding relationships among the frequency, wavelength and speed of waves traveling in various media. The program also includes a unique visit to SFO with a chance to discover airport careers and internships. <b>If interested in this program, see the SPSV Counseling Office.</b> <b>For more information, visit:</b> <a href="https://www.flysfo.com/community/high-school-education-curriculum">https://www.flysfo.com/community/high-school-education-curriculum</a></p>	<p><b>See website</b></p>
<p><b>Semper Fidelis All-American Program</b></p>	<p><b>11th</b> - The Marine Corps is accepting nominations for the 2019 Battles Won Academy. This is an opportunity for outstanding high school juniors to get involved with some of the nation's top leaders and be molded into America's next greatest generation. This all expenses paid summer program in Washington D.C. only selects 96 students from across the country to participate in community service, teambuilding, and tours of the city. They will also hear from several spokespersons, both military personnel and some of the country's top CEOs. <b>If interested in being nominated, please see the SPSV Counseling Office.</b> <b>For more information, visit:</b> <a href="https://sfaap.marines.com">https://sfaap.marines.com</a></p>	<p><b>Nomination deadline:</b> <b>12/31/18</b></p>
<p><b>Solano County Science and Engineering Fair</b></p>	<p><b>9th-12th</b> - The Science Fair is a competition based on the quality of projects done by students in Solano County, the results of which are presented through exhibits at the fair. The purpose of the Science Fair is threefold: to stimulate an active interest in science, to provide an educational experience and to give public recognition to talented students for the work they have done. <b>For more information, visit:</b> <a href="http://solanocountyscifair.wixsite.com/solanocountyscifair">http://solanocountyscifair.wixsite.com/solanocountyscifair</a></p>	<p><b>3/22/19</b></p>
<p><b>Stanford Pre-Collegiate Summer Institutes</b></p>	<p><b>9th-11th</b> - Stanford Pre-Collegiate Summer Institutes provides a taste of the Stanford classroom experience and challenges students with advanced content that is not typically found in the high-school curriculum. Our courses develop critical-thinking and problem-solving skills, expose students to current research directions, and offer a challenging and rewarding academic experience in an environment with others who share a passion for learning. <b>For more information, visit:</b> <a href="https://spcs.stanford.edu/programs">https://spcs.stanford.edu/programs</a></p>	<p><b>See website</b></p>
<p><b>Summer Leadership and Character Development Academy</b></p>	<p><b>10th-11th</b> - The Summer Leadership and Character Development Academy is a week long summer camp for high school sophomores and juniors (class of 2020 or 2021) that introduces selectees to the Marine Corps mission, core values, military culture and leadership principles. They will be challenged to step outside of their comfort zone and to strengthen their confidence and leadership skills. They will be exposed to the teachings and lessons of many Marine Corps leaders and be surrounded by a diverse range of students. Physical training and scenario-based reaction courses will be emphasized throughout the week. Students will graduate the program more confident and equipped to improve the lives of those around them and will be postured to become better leaders at home, school and communities. Attending or applying for the workshop does not require a student to commit to any kind of military service. This is an all-expenses paid summer camp. <b>For more information, visit:</b> <a href="https://slcda.marines.com">https://slcda.marines.com</a></p>	<p><b>4/1/19</b></p>
<p><b>UC Davis Young Scholars Program</b></p>	<p><b>10th-11th</b> - The UC Davis Young Scholars Program is a summer residential research program designed to expose approximately 40 high achieving high school students to the world of original research in the natural sciences with emphasis on the biological, environmental and agricultural sciences. To be eligible for the summer of 2019, students must be currently enrolled as sophomores or juniors in high school and be rising juniors or rising seniors during the program summer. Participants in this program work closely with university research faculty on individual projects. <b>For more information, visit:</b> <a href="http://ysp.ucdavis.edu">http://ysp.ucdavis.edu</a></p>	<p><b>3/16/19</b></p>
<p><b>University of Southern California Summer Programs</b></p>	<p><b>9th-11th</b> - USC Summer Programs offers students a preview of "freshman year" through its college immersion experience. Students explore Los Angeles as a laboratory for cultural learning beyond the traditional classroom. Programs are designed to combine college level coursework, academic field trips, and structured extracurricular activities. 2 &amp; 4 week courses are offered in a variety of subjects from which students choose one course for intense study. <b>For more information, visit:</b> <a href="https://summerprograms.usc.edu">https://summerprograms.usc.edu</a></p>	<p><b>4/26/19</b> <b>3/22/19 for Int'l students</b></p>
