## Network Introduction

Dear Applicant,

Welcome to The Cambridge Institute Network. By completing this application, accepted by hundreds of the top schools in the United States and around the world, you are one step closer to a better future. The Cambridge Institute of International Education works with students and schools around the globe to:

- Match students with the school that is right for them.
- Bridge the gap by providing cross-cultural training and support to students and schools.
- Create a global community through exchange, enduring residential programs and language development.
- Prepare students for success with orientation programs.
- Update families regularly on student progress.
- Provide on-demand assistance for any challenges that students face.

### Short Answer

“Brevity is the soul of wit.” – William Shakespeare. Please answer the following questions honestly and succinctly. Should you require additional space for any section, please attach a separate piece of paper with your responses.

Please share one of your past accomplishments.

Whom do you most admire? Why?

What do you hope to accomplish by attending a new school?

What country outside of the United States would you like to travel to? Why?

Why do you want to leave your current school and attend a new school?

What type of roommate would you like to live with?

Describe your family life. Have you ever had a pet? If so, please talk about this experience.

Describe your plan for your future studies. What is your planned university major? Explain.
